SECTION 1. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

As used in this Act, the word "district" shall mean any board, commission or special district created pursuant to the following statutes: KRS 66.610 to 66.650; KRS 75.010 to 75.260; KRS 104.450 to 104.680; KRS 108.010 to 108.070; KRS 184.010 to 184.300; KRS 220.010 to 220.613; KRS 249.510 to 249.631; KRS 266.010 to 266.990; KRS 267.010 to 267.990; KRS 268.010 to 268.990; or KRS 269.100 to 269.270.

SECTION 2. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) Upon receipt of a petition and following a public hearing as provided in this section, the fiscal court may alter the boundaries of a district by reducing its area, or may dissolve a district if that district has for a period of two (2) consecutive years failed to provide the services for which it was established, or if all or a portion of such services have been provided by some other entity. If the district is located in more than one (1) county, the fiscal court of each county containing a portion of the district must vote to dissolve the district before such dissolution may take effect.

(2) Upon receipt of a petition signed by at least thirty percent (30%) of that class of citizens who may by law petition for the creation of the district, the fiscal court shall schedule a public hearing on the matter of alteration or dissolution and advertise such hearing as provided in KRS 424.130.

(3) The petition shall be in substantially the following form: "The undersigned (registered voters, qualified voters, freeholders or landowners as determined by subsection (2) of this section) living within (name of special district and containing a metes and bounds description of the district) hereby request that the fiscal court consider the alteration or dissolution of (name of district) pursuant to this section." The petition shall conspicuously state in layman's terms that any legal obligations of the district must be satisfied before the district can be dissolved and that the citizens of the district shall be responsible for the satisfaction of any such obligations. Signatures on the petition shall be dated, the last no later than ninety (90) days after the first.

(4) At the hearing, the burden of proving that the district is providing or taking substantial steps toward providing the services for which it was created, or that no other entity is providing the service, shall be upon the district board of directors. In determining whether to alter, dissolve or to take no action in regard to the district, the fiscal court shall consider testimony offered at the hearing and any other relevant information including but not limited to the following:

(a) Present and projected need for the service provided by the district;

(b) Population density of the district;

(c) Existence of alternate providers of services;

(d) Revenue base of the district such as assessed valuation, bonding capacity and user fees; and

(e) Consequences of alteration of the district's boundaries on the effectiveness and efficiency of the district.

(5) Within sixty (60) days following the hearing, the fiscal court shall set forth its written findings of fact in approving or disapproving the alteration or dissolution of the district.

(a) If the fiscal court determines to dissolve a district, it shall determine a method to satisfy any legal obligations of the district which might be affected thereby. Upon satisfaction of its legal obligations, the district shall be legally dissolved; any special ad valorem tax imposed by the district shall be removed from the tax rolls by the county clerk; and any assets of the district shall be assumed by the county.

(b) If the fiscal court determines to alter the boundaries of the district, it shall draw the new boundaries of the district and determine the proportional amount of existing legal obligations of the area which is to be excluded from the district. Upon the satisfaction of such obligations, the new boundaries of the district shall be legally effective and any affected taxpayers shall be removed from the tax rolls of the district.

(6) If the final decision of the fiscal court or the circuit court, in the case of an appeal as provided in Section 3 of this Act, is against the alteration or dissolution of the district, no attempt to alter or dissolve the district pursuant to this section shall be made within three (3) years of the decision.

SECTION 3. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) Any petitioner or member of the district board of directors may, within thirty (30) days of the fiscal court's decision, appeal an adverse finding of the fiscal court to the circuit court in the county containing the greater part of the district. The circuit court shall review the decision of the fiscal court but shall

reverse the decision only if such decision is found to be arbitrary or capricious. If the circuit court reverses the decision of the fiscal court by ordering the alteration or dissolution of the district, it shall direct the fiscal court to determine, as provided in subsection (5) of Section 2 of this Act, a method for satisfying any legal obligations of the district which might be affected thereby.

SECTION 4. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) A district may be dissolved by a referendum as provided in this section.

(2) Persons seeking dissolution of a district shall submit a petition to the county clerk signed by at least fifty percent (50%) of that class of citizens who may by law petition for the creation of the district.

(3) The petition shall be in substantially the following form: "The undersigned (registered voters, qualified voters, freeholders or landowners as determined by subsection (2) of this section) living within (name of the district and containing a metes and bounds description of the district) hereby request that the question of the dissolution of the district be put to a referendum." The petition shall conspicuously state in layman's terms that any legal obligations of the district must be satisfied before the district can be dissolved and that the citizens of the district shall be responsible for the satisfaction of any such obligations. Signatures on the petition shall be dated, the last no later than ninety (90) days after the first.

(4) If the county clerk determines that the petition is in proper order, he shall certify the petition to the fiscal court. The fiscal court shall direct that the question be placed on the ballot at the next regular election held more than sixty (60) days from the certification of the petition. The fiscal court shall bear the costs of advertising and placing the question on the ballot.

(5) The county clerk shall advertise the question as provided in KRS Chapter 424 and shall prepare the question for the ballot. The ballot shall contain the following admonition to the voter: "The (name of district) may have existing legal obligations that must be satisfied before the district can be dissolved. The citizens of the district shall be responsible for the satisfaction of any such obligations." The question of the dissolution of the district shall be placed on the ballot in substantially the following form: "The (name of the district and containing a metes and bounds description of the district) should be dissolved." The voter shall vote "yes" or "no".

(6) Registered voters eligible to sign a petition for dissolution as provided by subsection (2) of this section shall be eligible to vote on the question of dissolution.

(7) In referendums under this section, provision shall be made for those opposing the dissolution of the district to have equal representation with the proponents of the measure in the determination of eligibility of voters, and in the observance of canvassing and certifying of the returns.

SECTION 5. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) If a majority of those voting in the referendum as provided in Section 4 of this Act favor the dissolution of the district, the district shall, upon satisfaction of its legal obligations, be dissolved by order of the fiscal court, any special ad valorem tax imposed by the district shall be removed from the tax rolls by the county clerk and any assets of the district shall be assumed by the county.

(2) If a majority of those voting in the referendum oppose the dissolution of the district, no attempt to dissolve the district pursuant to Section 4 of this Act shall be made within five (5) years of the election.

SECTION 6. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Multi-county districts may be dissolved when each member county follows procedures defined in Section 4 of this Act.

SECTION 7. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Any member county of the district may withdraw its membership after following the procedures defined in Section 4 of this Act. The district shall continue to function after such withdrawals, with its boundaries consisting of the remaining county members. No county may withdraw from any district unless it satisfies its part of all contractual obligations assumed by the district prior to the passage of its resolution to the satisfaction of the board.

(2) Where a strip mining operation will remove an entire coal seam or seams running through the upper fraction of a mountain, ridge, or hill by removing all of the overburden and creating a level plateau or a gently rolling contour with no highwalls remaining, the operation shall comply with the requirements of subsections (2)(c) and (d) of this section without regard to the requirements of KRS 350.410 or 350.445(2) and (3) with respect to lands from which overburden and the coal seam being mined have not been removed; provided, however, the department shall establish internal procedures pursuant to which it shall permit strip mining operations for the purposes set forth in subsection (2)(b) of this section.

(a) Where an applicant meets the requirements of [subsections (2)](b) and (c) of this *subsection* [section] a permit without regard to the requirements to restore to approximate original contour set forth in KRS 350.410 or 350.445(2) and (3) may be granted for the strip mining of coal where the mining operation will remove an entire coal seam or seams running through the upper fraction of a mountain, ridge, or hill, except as provided in *(c) 1.* [subsection (3)(d)] of this *subsection* [section], by removing all of the overburden and creating a level plateau or a gently rolling contour with no highwalls remaining and capable of supporting postmining uses in accord with the requirements of this subsection.

(b) In cases where an industrial, commercial, agricultural, residential, or public facility, including recreational facilities, use is proposed for the postmining use of the affected land, the department may grant a permit for a strip mining operation of the nature described in subsection (2)(a) of this section where:

1. After consultation with the appropriate land use planning agencies, if any, the proposed postmining land use is deemed by the department to constitute an equal or better economic or public use of the affected land as compared with premining use;

2. The applicant presents specific plans for the proposed postmining land use and appropriate assurances that the land use will be:

a. Compatible with adjacent land uses;
b. Obtainable according to data regarding expected need and market;
c. Assured of investment in necessary public facilities;
d. Supported by commitments from public agencies where appropriate;
e. Practicable with respect to private financial capability for completion of the proposed use;
f. Planned pursuant to a schedule attached to the reclamation plan so as to integrate the mining operation and reclamation with the postmining land use; and
g. Designed by a registered engineer in conformance with professional standards established to assure the stability, drainage, and configuration necessary for the intended use of the site;

3. The proposed use would be consistent with adjacent land uses and existing state and local land use plans; and

4. The department provides the governing body of the unit of general-purpose government in which the land is located, and any state or federal agency which the department in its discretion determines to have an interest in the proposed use, an opportunity of not more than thirty (30) days to review and comment on the proposed use; and

5. All other requirements of this chapter will be met.

(c) In granting any permit pursuant to this subsection the following requirements apply:

1. The toe of the lowest coal seam and the overburden associated with it are retained in place as a barrier to slides and erosion;

2. The reclaimed area is stable;

3. The resulting plateau or rolling contour drains inward from the outslopes except at specified points;

4. No damage will be done to natural watercourses;

5. Spoil will be placed on the mountaintop bench as is necessary to achieve the planned postmining land use; provided, that all excess spoil material not retained on the mountaintop shall be placed in accordance with the provisions of KRS 350.440; and

6. Insure stability of the spoil retained on the mountaintop and meet the other requirements of this chapter.

(d) The requirements of all regulations promulgated under this subsection are met.

(e) All permits granted under the provisions of this subsection shall be reviewed not more than three (3) years from the date of issuance of the permit, unless the applicant affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the approved schedule and reclamation plan.

(3) (a) The department shall adopt procedures pursuant to which it may permit variances *from the requirements of KRS 350.410* for the purposes set forth in subsection (3)(c) of this section, provided that the watershed control of the area is improved, and further provided, complete backfilling with spoil material shall be required to cover completely the highwall, which material will maintain stability following mining and reclamation.

(b) Where an applicant meets the requirements of *subsections* [subsection] (3)(c) *and (d)* of this section, a variance from the requirement to restore the approximate original contour set forth in KRS *350.410 and* 350.445(2) may be granted for the strip mining of coal where the owner of the surface knowingly requests in writing, as a part of the permit application, that such a variance be granted so as to render the land, after reclamation, suitable for an industrial, commercial, residential, or public use, including recreational facilities[, in accord with the further provisions of subsections (3)(c) and (d) of this section].

(c) After consultation with the appropriate land use planning agencies, if any, the potential use of the affected land shall:

1. Be deemed by the department to constitute an equal or better economic or public use;

2. Be designed and certified by a qualified registered professional engineer in conformance with professional standards established to assure the stability, drainage, and configuration necessary for the intended use of the site; and

3. The watershed of the affected land be deemed by the department to be improved.

(d) In granting a variance pursuant to subsection (3)*(b)* of this section, the department shall require that only such amount of spoil will be placed off the mine bench as is necessary to achieve the planned postmining land use, insure stability of the spoil retained on the bench, meet all other requirements of this chapter, and require all spoil placement off the mine bench to comply with KRS 350.440.

(e) The department shall promulgate specific regulations as it deems necessary, if any, to govern the granting of variances in accord with the provisions of this subsection and may impose such additional requirements as it deems to be necessary.

(f) All exceptions granted under the provisions of this subsection shall be reviewed not more than three (3) years from the date of issuance of the permit, unless the permittee affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the reclamation plan.

(4) [Strip and underground coal mining operations in operation pursuant to a permit issued before August 4, 1977, issued to a person as defined in KRS 350.010(7) in existence prior to May 2, 1977, and operated by a person whose total annual production of coal from surface and underground coal mining operations does not exceed one hundred thousand (100,000) tons shall not be subject to the provisions set forth in KRS 350.400 and subsection (2) of this section, except with reference to the provisions of KRS 350.445(1), until January 1, 1979. The department shall certify qualified applicants pursuant to this subsection.

(5)] The department shall adopt programs, regulations, and procedures designed to provide technical assistance to assist the small coal operator with the permitting and environmental protection performance standards for strip and underground coal mining operations within the Commonwealth. Such programs shall be directed towards eliminating delays in the processing of permits by establishing a special administrative program to review small operator's permit applications and by establishing a procedure for providing the small operator *the* [access to special] technical services *of public and private agencies in addition to the services provided pursuant to KRS 350.465(2)(f)* necessary for completing the permit application. *Specifically, notwithstanding any other provision of this chapter or regulations adopted pursuant thereto, for the purpose of this program, the department shall:*

(a) Allow a small operator to pay the cost of the permit fee in not less than four (4) equal installments over the term of the permit.

(b) Develop a simplified small operator permit application based on provisions under which applicants shall not be required to submit information or data concerning, nor shall applications be deemed incomplete if they lack:

1. Information or data already available to the department from published sources, prior permits by the same applicant or other permits, and other information that may be obtained from the department's own files;

2. Hydrologic information on the general area prior to mining other than such information as may be made available by the department pursuant to paragraph (f) of this subsection or such information employed in any reasonable mathematical water modeling formulation, logical extrapolation from existing data on the same or similar watershed or other reasonable predictive techniques which regionalize and synthetize historical, geologic and hydrologic parameters on the general area to determine surface and ground water conditions;

3. Climatological data, average seasonable precipitation, average direction and velocity of prevailing winds or seasonal temperature ranges;

4. A statement of the result of test borings or core samplings from the permit area, including logs of the drill holes; the thickness of the coal seam found; an analysis of the chemical properties of such coal; the sulfur content of any coal seam to be disturbed; chemical analysis of potentially acid or toxic forming sections of the overburden; or chemical analysis of the stratum lying immediately underneath the coal seam to be mined, when these characteristics of the area, strata and coal seam are already generally known, unless such information is requested of specific applications in writing by the department based on reasonable grounds to believe that the area coal seam or associated strata to be disturbed may, notwithstanding the mining and reclamation plan, contaminate surface or underground water with acidic or toxic materials;

5. Fish and wildlife information within the proposed mine plan area and adjacent areas other than published data or data otherwise available from state and federal fish and wildlife management, conservation or regulatory agencies and site-specific information unless the department requires such information based on reasonable grounds to believe that the available data is inaccurate.

(c) Provide in its regulations that notwithstanding a small operator's detailed estimated timetable for the reclamation plan in the application, as long as the operator is in compliance with the contemporaneous reclamation requirements of its regulations, there is no violation of a permit requirement;

(d) Issue a permit or deny an application for a permit, renewal or revision by a small operator within sixty (60) calendar days following submission of an application. Provided, however, that the application meets all applicable public notice and hearing procedures. The department shall notify the applicant of all deficiencies in the form of the application by certified mail within ten (10) working days after the filing. The applicant shall have ten (10) working days after the receipt of the notification to repair the deficiencies. Upon failure of the applicant to repair the deficiencies within ten (10) working days after receipt of the notification, the department may return the application as incomplete.

(e) Provide in its regulations establishing environmental protection, performance standards that a small operator may:

1. Augment subsoil strata with chemical or organic soil supplement materials produced on site or elsewhere for the purpose of complying with the topsoiling requirements of this chapter.

2. Elect to reclaim gob, spoil, or mining waste piles in existence on, or created after, the date this Act becomes effective by revegetation through use of organic soil supplement materials or other suitable site produced materials rather than covering said piles with compacted earth. Further, a small operator may, in lieu of the topsoil segregation and replacement provisions of this Act, elect to use organic soil supplements or other site produced materials to produce a growing medium sufficient to support a permanent vegetative cover.

(f) Compile by September 1, 1980, all hydrologic information and data, required by this chapter or regulations adopted pursuant thereto, concerning the general areas in which surface coal mining has or may be conducted in the Commonwealth as may be available in standard published form, research reports, studies or data compiled by other state or federal agencies including state-supported colleges and universities, the department's own files, including, at a minimum, quality and quantity of water in surface and ground water systems; minimum, maximum and average discharge quantities at peak and critical low flow and seasonal variations; dissolved and suspended solids, acidity, ph, iron and manganese under seasonal flow conditions; and any other hydrologic information required by the department concerning the hydrologic regime of a general area prior to mining for purposes of making a determination of the probable consequences of the mining and shall make available to a small operator such data and information concerning specific areas within ten (10) days of a request in writing.

(g) The department shall provide in the abandoned mined land program for small operators having mined coal under a state permit or license in the previous three (3) years, participation consisting at least of the following:

1. Lands acquired by the state for reclamation containing coal, coal refuse or other marketable minerals which should be removed in order to maximize the utilization, recoverability or conservation of solid fuel resources or to protect against adverse water quality impacts and which, once reclaimed, cannot be disturbed again by mining, shall be reclaimed by small operators unless the department determines, after advertisement and advance opportunity to bid, that the reclamation project cannot be performed entirely by the small operator bidders;

2. The department shall establish procedures for maximizing participation by small operators in all reclamation projects including:

a. Designing and establishing project specifications and setting forth in the annual request for federal funding under the state reclamation plan not less than twenty percent (20%) of said projects on cost basis to be performed by small operators;

b. Advance advertising, soliciting, evaluating bids and awarding contracts on all state reclamation projects for small operators;

3. The department shall classify all such reclamation projects as government financed construction and not surface coal mining operations and exempt such projects from the requirements of this chapter and regulations promulgated pursuant thereto notwithstanding the ownership, extraction or disposition of any coal removed by small operators from the lands being reclaimed;

4. In the event no bids are submitted by small operators for small operator projects, said projects will be thereafter open for public bidding and no longer designated as small operator projects but shall satisfy that portion of the twenty percent (20%) set aside.

(h) Surface coal mining operations conducted by small operators may, at the option of the operator, be bonded by increments.

(i) Adopt bonding regulations similar to and consistent with the requirements of 34 CFR Subchapter J, providing at a minimum:

1. That a small operator may satisfy the reclamation performance bonding requirements by means of a surety bond, a collateral bond, establishment of an escrow account, a self-bond, or any combination of these bonding methods filed with the department at the time of application or in any sequence during the term of the permit;

2. Authorization for a small operator to file a cumulative bond schedule listing all areas covered by the bond and the sequence for release of acreage as it progresses through varying reclamation phases and the addition of other acreage as it is affected and requiring that the increments so designated be bonded initially only when and as they are disturbed;

3. Special bonding regulations for long-term operations to account for differences between short-term and long-term operations and between surface and underground mines applicable to portions of underground coal mines, coal processing plants, coal refuse areas, coal loading facilities, and other coal-related facilities which will be in operation for more than five (5) years from the date of initial permit issuance and allowing these types of facilities and activities to be bonded as separate increments of a surface mine permit area if situated therein;

4. Specifications of selective husbandry practices including seeding fertilization, or irrigation which may be performed during phase III and which shall not be deemed augmentation nor extend the period of bond liability.

5. That a portion of a bonded area requiring renewal of the five-year period of liability because of augmentation may be separated from the original area and bonded separately from the remaining area which shall not have its period of liability extended if the portion augmented is not significant in relation to the entire bonded area and is a distinguishable contiguous portion of the bonded area;

6. That the bond liability of a small operator shall include only these actions which the operator is obligated to perform under the permits and that actions of third parties beyond the control of the operator and for which the operator is not responsible under the permit need not be covered by the bond nor result in extension of the period of liability;

7. That upon the bankruptcy, insolvency, or suspension or revocation of the charter or license of a surety on a small operator's bond or a bank issuer of a letter of credit or escrow account posted as a collateral bond or portion thereof; the small operator shall be given up to ninety (90) days to replace the impaired bond and upon due compliance the operator shall not be deemed to have been in violation of this chapter for purposes of determining a pattern of violations nor shall the default or any notice of violation resulting therefrom be required to be reported as a past violation in permit applications;

8. That a small operator may file with the department as a bond, supplement or replace another type of bond, an escrow account deposited with the department or in federally insured accounts payable on demand to the department with contributions to the account based on acres affected, coal produced or any other rate the department may approve;

9. That the use of an indemnity agreement serving as a selfbond is authorized when a small operator demonstrates a history of financial solvency and continuous existence as a business entity for ten (10) years prior to filing the application so as to reasonably establish that the applicant will be financially capable of completing all reclamation requirements relating to the proposed operation;

10. That the department may release all bond liability for an increment if the phase III reclamation of the increment is complete and capable of supporting the proposed postmining land use independent of the successful completion of the reclamation of portions of the permit area still under bond or not yet initially disturbed;

11. That a small operator may file as an element of collateral under a collateral bond a mortgage on lands which are part of the permit area after reclamation standards of phase II have been achieved on such lands;

12. That reapplication of portions of small operators' reclamation bonds otherwise eligible for release by virtue of satisfaction of phases I and II of the reclamation responsibility to succeeding increments of the same permit area shall not be deemed to be a release.

(j) For the purposes of this subsection, a small coal operator is one who is anticipated to mine less than 200,000 tons per year, and the department in determining tonnage for qualification shall consider all production from common ownership of other corporations or operations.

(k) Upon written notification by the small coal operator to the department stating that no more mining will take place under a permit, the department shall release a portion of the bond in accordance with KRS 350.070. In making its determinations pursuant to KRS 350.070 the department shall:

1.[(a)] Determine the percentage of the permitted acreage in the area of reduction in relation to the initial acreage of the permit;

2.[(b)] Examine the land which has been disturbed and estimate the cost of reclamation;

3.[(c)] When the estimated cost of reclamation does not exceed five thousand dollars ($5,000) then the department shall return all bond money in excess of the five thousand dollars ($5,000);

4.[(d)] When the estimated cost of reclamation exceeds five thousand dollars ($5,000) the department shall retain the amount estimated and shall return all bond money in excess of the estimated amount but in no case shall the department return more than the amount determined by multiplying the percentage determined under paragraph (a) of this subsection times the original total bond amount.

(l) The department shall promulgate regulations pursuant to the provisions set forth in this chapter establishing formal and informal hearing and conference procedures whereby any such hearing or conference shall upon the written request of the small operator, be held in a place of convenience in the locality of the surface coal mining operation involved, before an impartial hearing officer who is independent of any prosecutorial functions of the department. The procedures developed pursuant to this subsection will provide that such hearings and conferences be held in the most expeditious manner possible within the minimum time constraints established under this chapter; all such actions shall be adjudicatory in nature; and no person who presided at a prior hearing or conference shall either preside at a subsequent hearing in the same matter or participate in any further decision or any subsequent administrative appeal. No regulation or administrative practice relating to conferences or hearings shall authorize the imposition or collection of a civil penalty, or the compromise of a dispute relating to an alleged violation, by any department personnel other than an independent, impartial hearing officer in the course of a formal or informal hearing or conference.

(m) The department shall provide in the regulations developed pursuant to this chapter that a small operator attempting in good faith to achieve rapid compliance with any notice or order shall be assigned a minus ten (10) to minus thirty (30) points pursuant to the point system established under the penalty provisions of this chapter.

SECTION 2. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

(1) Any person may petition the secretary of the department for natural resources and environmental protection to initiate a proceeding for the issuance, amendment or repeal of any regulation under this chapter.

(2) Notice and an opportunity shall be provided for the petitioner and any person wishing to participate to be heard at a public hearing within thirty (30) days following the filing of the petition on the facts, technical justification and law alleged in the petition.

(3) The secretary shall render a final order in writing within thirty (30) days after the hearing granting or denying the petition on grounds that there is a reasonable basis for the petitioned rule change, or is not, or that it is required or prohibited by law and setting forth the reasons for the decision.

(4) The secretary shall initiate a rulemaking proceeding pursuant to KRS Chapter 13 within thirty (30) days after a petition is granted proposing the issuance, amendment or repeal of the petitioned regulations in conformity with the final order.

(5) Any participant in the petition proceedings may seek review in the circuit court of Franklin County of a final order of the secretary denying all or any portion of the action requested in a petition.

The Committee Substitute to **HB 835** is as follows:

HB 835, AN ACT relating to strip mining.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.450 is amended to read as follows:

(1) If the area proposed to be mined contains prime farmland as defined in Public Law 95-87, "Surface Mining Control and Reclamation Act of 1977," then no permit shall be issued unless it complies with Section 510(d)(1) therein. Nothing in this subsection shall apply to any permit issued prior to August 3, 1977, or to any revisions or renewals thereof, or to any existing strip mining operations for which a permit was issued prior to August 3, 1977. Nothing herein shall be construed as authorizing the department to promulgate regulations more stringent than those promulgated pursuant to PL 95-87 relating to prime farmland.

(2) Where a strip mining operation will remove an entire coal seam or seams running through the upper fraction of a mountain, ridge, or hill by removing all of the overburden and creating a level plateau or a gently rolling contour with no highwalls remaining, the operation shall comply with the requirements of subsections (2)(c) and (d) of this section without regard to the requirements of KRS 350.410 or 350.445(2) and (3) with respect to lands from which overburden and the coal seam being mined have not been removed; provided, however, the department shall establish internal procedures pursuant to which it shall permit strip mining operations for the purposes set forth in subsection (2)(b) of this section.

(a) Where an applicant meets the requirements of [subsections (2)](b) and (c) of this *subsection* [section] a permit without regard to the requirements to restore to approximate original contour set forth in KRS 350.410 or 350.445(2) and (3) may be granted for the strip mining of coal where the mining operation will remove an entire coal seam or seams running through the upper fraction of a mountain, ridge, or hill, except as provided in *(c) 1.* [subsection (3)(d)] of this *subsection* [section], by removing all of the overburden and creating a level plateau or a gently rolling contour with no highwalls remaining and capable of supporting postmining uses in accord with the requirements of this subsection.

(b) In cases where an industrial, commercial, agricultural, residential, or public facility, including recreational facilities, use is proposed for the postmining use of the affected land, the department may grant a permit for a strip mining operation of the nature described in subsection (2)(a) of this section where:

1. After consultation with the appropriate land use planning agencies, if any, the proposed postmining land use is deemed by the department to constitute an equal or better economic or public use of the affected land as compared with premining use;

2. The applicant presents specific plans for the proposed postmining land use and appropriate assurances that the land use will be:

a. Compatible with adjacent land uses;

b. Obtainable according to data regarding expected need and market;

c. Assured of investment in necessary public facilities;

d. Supported by commitments from public agencies where appropriate;

e. Practicable with respect to private financial capability for completion of the proposed use;

f. Planned pursuant to a schedule attached to the reclamation plan so as to integrate the mining operation and reclamation with the postmining land use; and

g. Designed by a registered engineer in conformance with professional standards established to assure the stability, drainage, and configuration necessary for the intended use of the site;

3. The proposed use would be consistent with adjacent land uses and existing state and local land use plans; and

4. The department provides the governing body of the unit of general-purpose government in which the land is located, and any state or federal agency which the department in its discretion determines to have an interest in the proposed use, an opportunity of not more than thirty (30) days to review and comment on the proposed use; and

5. All other requirements of this chapter will be met.

(c) In granting any permit pursuant to this subsection the following requirements apply:

1. The toe of the lowest coal seam and the overburden associated with it are retained in place as a barrier to slides and erosion;

2. The reclaimed area is stable;

3. The resulting plateau or rolling contour drains inward from the outslopes except at specified points;

4. No damage will be done to natural watercourses;

5. Spoil will be placed on the mountaintop bench as is necessary to achieve the planned postmining land use; provided, that all excess spoil material not retained on the mountaintop shall be placed in accordance with the provisions of KRS 350.440; and

6. Insure stability of the spoil retained on the mountaintop and meet the other requirements of this chapter.

(d) The requirements of all regulations promulgated under this subsection are met.

(e) All permits granted under the provisions of this subsection shall be reviewed not more than three (3) years from the date of issuance of the permit, unless the applicant affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the approved schedule and reclamation plan.

Section 109. KRS 387.025 is amended to read as follows:

Any interested person may petition the court for the appointment of a guardian [or committee] but before an appointment is made, the petitioner shall make and file in duplicate a written application under oath, which must state the name, age and residence of the ward, the ward's husband or wife and each of the ward's parents, or if there be no spouse or parents, the names, ages and residence of the next of kin, the name of the person having custody of the ward, a brief description of the ward's estate and its probable value, and the estimated annual income therefrom. A duplicate copy of said application shall be mailed by the clerk to the commissioner of revenue of the state of Kentucky. The court shall thereupon appoint a time for hearing such application. Notice thereof shall be given to the minor if more than fourteen years of age; to the person having custody of the ward; to the husband or wife and each parent of the ward, or if none, to the next of kin residing in the state in the manner provided in KRS 395.016.

Section 110. KRS 389.010 is amended to read as follows:

(1) The real property or any right, title or interest in real property of a person under the age of eighteen years, or of a person of unsound mind, whether such person be a resident or a nonresident of this state, may be sold under or by decree of a court of equity of the county in which the property or any part thereof is situated for any purpose deemed by the court to be necessary or proper or beneficial to such person under disability.

(2) The decree may be rendered on a petition, counterclaim or cross-petition filed by the statutory guardian of an infant, or by the *guardian or conservator* [committee] of a *mentally disabled person* [person of unsound mind], or by a next friend, or by any party against a guardian or *conservator* [committee], if he has one residing in this state, in any kind of similar proceeding that may be maintained against a person who is not under disability.

(3) Except in actions brought under subsection (13) of this section, if the guardian or *conservator* [committee] of a person under disability be a party to the action, then it shall not be necessary for the person under disability to be made a party personally.

(4) If the guardian or *conservator* [committee] of a person under disability be not a party to the action, then it shall be necessary for the person under disability to be a party personally and brought before the court in the manner authorized by the Rules of Civil Procedure.

(5) Nothing contained in subsections (2), (3) and (4) of this section shall limit the purposes of sale named in subsection (1) of this section.

(6) If the suit be filed against a guardian or *conservator* [committee] and he shall fail to appear and defend or show that no good defense can be made, the court shall appoint a guardian ad litem to do so.

(7) The pleading seeking a sale shall file the title papers, or copies thereof, under which the property is held; shall particularly describe the property and the interest therein of the person under disability; set forth fully the reasons or purposes for which it is sought to have the same sold; and the nature and extent of all liens upon the interest of the person, if any, so far as the same may be known to the petitioner.

(8) The case may be referred by order of court to the master commissioner for hearing of evidence and report on the facts and his recommendation with respect to the relief sought in the pleadings.

(9) The allegations of the pleading shall not be taken as confessed but shall be proved by competent evidence heard on deposition or orally by the judge or commissioner. A transcript thereof shall be filed as part of the record.

(10) The proceeds of any sale may be paid to the guardian or *conservator* [committee] provided that he shall have executed in the circuit court a bond with surety to the Commonwealth for the use and benefit of the person under disability that he will faithfully discharge his trust and will account for, pay and deliver to said person all money and other property due or belonging to him when he shall reach his majority, or if he be a person of unsound mind when he shall be legally restored, or to his heirs or personal representative, or in compliance with an order of any court of competent jurisdiction. The court shall endorse its approval on said bond, which shall be recorded on the order book; provided, that if the circuit court, upon examination of a certified copy of the bond executed in the district court of his appointment by the guardian or *conservator* [committee], which copy shall be filed in the circuit court, should determine, in its discretion, that said bond is adequate and sufficient, the above bond to be executed in the circuit court shall not be required. The circuit court shall enter an order in the order book that it has personally examined the certified copy of the bond executed in the district court, and found it adequate and sufficient and that no additional bond shall be required in that circuit court. The copy of the bond shall be certified as a true and correct copy of the bond by the clerk of the court in which it was executed.

(11) Subject to the above conditions, judgment may be rendered and executed in the same manner and on the same terms as judgments in similar cases where no person under disability is a party.

(12) Provided, that (a) the court may in its discretion in an ex parte or adversary proceeding authorize the guardian or *conservator* [committee] of such person or the commissioner of the court to make said sale at public auction upon such terms and conditions as the court may order, and to convey title thereto;

a. Designing and establishing project specifications and setting forth in the annual request for federal funding under the state reclamation plan not less than twenty percent (20%) of said projects on cost basis to be performed by small operators;

b. Advance advertising, soliciting, evaluating bids and awarding contracts on all state reclamation projects for small operators.

3. In the event no bids are submitted by small operators for small operator projects, said projects will be thereafter open for public bidding and no longer designated as small operator projects but shall satisfy that portion of the twenty percent (20%) set aside.

(d) For the purposes of this subsection, a small coal operator is one who is anticipated to mine less than two hundred thousand (200,000) tons per year, and the department in determining tonnage for qualification shall consider all production from common ownership of other corporations or operations.

(e) Upon written notification by the small coal operator to the department stating that no more mining will take place under a permit, the department shall release a portion of the bond in accordance with KRS 350.070. In making its determinations pursuant to KRS 350.070 the department shall:

1.[(a)] Determine the percentage of the permitted acreage in the area of reduction in relation to the initial acreage of the permit;

2.[(b)] Examine the land which has been disturbed and estimate the cost of reclamation;

3.[(c)] When the estimated cost of reclamation does not exceed five thousand dollars ($5,000) then the department shall return all bond money in excess of the five thousand dollars ($5,000);

4.[(d)] When the estimated cost of reclamation exceeds five thousand dollars ($5,000) the department shall retain the amount estimated and shall return all bond money in excess of the estimated amount but in no case shall the department return more than the amount determined by multiplying the percentage determined under paragraph *1.*[(a)] of this subsection times the original total bond amount.

SECTION 2. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

(1) Applicants for permits may submit such hydrologic information on the general area prior to mining as may be made available by the department pursuant to Section 2(7) of this Act and employ such information in any reasonable mathematical water modeling formulation, logical extrapolation from existing data on the same or similar watershed or other reasonable predictive techniques which regionalize and synthetize historical, geologic and hydrologic parameters on the general area to determine surface ground water conditions, together with site specific data in determining the probable hydrologic consequences of the proposed mining.

(2) Climatological data, average seasonable precipitation, average direction and velocity of prevailing winds or seasonable temperature ranges, shall be submitted by the applicant only when requested by the department on a site-by-site basis.

(3) A statement of the result of test borings or core samplings from the permit area, including logs of the drill holes; the thickness of the coal seam found; an analysis of the chemical properties of such coal; the sulfur content of any coal seam to be disturbed; chemical analysis of potentially acid or toxic forming sections of the overburden; or chemical analysis of the stratum lying immediately underneath the coal seam to be mined, may be waived by the department with respect to the specific application by a written determination that such requirements are unnecessary.

(4) Applicants may submit fish and wildlife information within the proposed mine plan area and adjacent areas in the form of published data or data otherwise available from state and federal fish and wildlife management, conservation or regulatory agencies and site-specific information unless the department requires such information based on reasonable grounds to believe that the available data is inaccurate.

(5) The department shall provide in its regulations that notwithstanding an operator's detailed estimated timetable for the reclamation plan in the application, as long as the operator is in compliance with the contemporaneous reclamation requirements of its regulations, a failure to adhere to said timetable shall not be an independent basis for a violation.

(6) The department shall provide in its regulations establishing environmental protection, performance standards that an operator may augment subsoil strata with chemical or organic soil supplement materials produced on site or elsewhere for the purpose of complying with the topsoiling requirements of this chapter if topsoil is of insufficient quality or of poor quality for sustaining vegetation.

(7) The department shall compile by September 1, 1980, available background hydrologic information concerning the general areas in which surface coal mining has or may be conducted in the Commonwealth as may be available in standard published form, research reports, studies or data compiled by other state or federal agencies including state-supported colleges and universities, the department's own files, including, at a minimum, quality and quantity of water in surface and ground water systems; minimum, maximum and average discharge quantities at peak and critical low flow and seasonal variations; dissolved and suspended solids, acidity, ph, iron and manganese under seasonal flow conditions; and any other background hydrologic information required by the department concerning the hydrologic regime of a general

area prior to mining for purposes of making a determination of the probable consequences of the mining; and shall make available to an operator such data and information concerning general areas within ten (10) days of a request in writing.

(8) The department shall classify all abandoned mine land program reclamation projects as government financed construction and not surface coal mining operations and the extraction of coal as an incidental part of such projects shall be exempt from the requirements of this chapter and regulations promulgated pursuant thereto.

SECTION 3. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

(1) Any person may petition the secretary of the department for natural resources and environmental protection to initiate a proceeding for the issuance, amendment or repeal of any regulation under this chapter.

(a) Notice and an opportunity shall be provided for the petitioner and any person wishing to participate to be heard at a public hearing within thirty (30) days following the filing of the petition on the facts, technical justification and law alleged in the petition.

(b) The secretary shall render a final order in writing within thirty (30) days after the hearing granting or denying the petition on grounds that there is a reasonable basis for the petitioned rule change, or is not, or that it is required or prohibited by law and setting forth the reasons for the decision.

(c) The secretary shall initiate a rulemaking proceeding pursuant to KRS Chapter 13 within thirty (30) days after a petition is granted proposing the issuance, amendment or repeal of the petitioned regulations in conformity with the final order.

(d) Any participant in the petition proceedings may seek review in the circuit court of Franklin County of a final order of the secretary denying all or any portion of the action requested in a petition.

(2) The department shall promulgate regulations pursuant to the provisions set forth in this chapter establishing formal and informal hearing and conference procedures whereby any such hearing or conference shall upon the written request of the operator, be held in the county or regional office where the surface coal mining operation is located, before an impartial hearing officer who is independent of any prosecutorial functions of the department. The procedures developed pursuant to this subsection will provide that such hearings and conferences be held in the most expeditious manner possible within the minimum time constraints established under this chapter; all such actions shall be adjudicatory in nature; and no person who presided at a prior hearing or conference shall either preside at a subsequent hearing in the same matter or participate in any further decision or any subsequent administrative appeal. No regulation or administrative practice relating to conferences or hearings shall authorize the imposition or collection of a civil penalty, or the compromise of a dispute relating to an alleged violation, by any department personnel other than an independent, impartial hearing officer in the course of a formal or informal hearing or conference.

SECTION 4. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

(1) After a surface coal mining and reclamation permit application has been approved but before such a permit is issued, the applicant shall file with the regulatory authority, on a form prescribed and furnished by the regulatory authority, a bond for performance payable, as appropriate, to the state, and conditional upon faithful performance of all the requirements of this Act and the permit. The bond shall cover that area of land within the permit area upon which the operator will initiate and conduct surface coal mining and reclamation operations within the initial term of the permit. As succeeding increments of surface coal mining and reclamation operations are to be initiated and conducted within the permit area, the permitee shall file with the department an additional bond or bonds to cover such increments in accordance with this section.

(2) The department may accept the bond of the applicant itself without separate surety when the applicant demonstrates to the satisfaction of the department the existence of a suitable agent to receive service or process and a history of financial solvency and continuous operation sufficient for authorization to self-insure or bond such amount or in lieu of the establishment of a bonding program, as set forth in this section, the department may approve an alternative system that will achieve the objectives and purposes of the bonding program pursuant to this section.

SECTION 5. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

Any provision of this chapter which is set forth as inconsistent with the provisions of Public Law 95-87 by the Secretary of the Interior pursuant to Section 505(b) of that act shall be deemed superseded by federal law and shall thereafter be unenforceable by the Commonwealth of Kentucky.

SECTION 6. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

The general assembly finds and declares that an emergency exists because of the federal requirement that state legislation necessary to comply with the provisions of Public Law 95-87, the "surface mining control and reclamation act of 1977", be a validly enacted law on or before June 15, 1980, in order that the *state program filing of March 3, 1980, be deemed complete, and that the state law shall be in effect before the United States Secretary of Interior can approve the state program, or the state's proposed permanent program would otherwise be disapproved by the United States Secretary of Interior, thereby causing the installation of a federal program in the Commonwealth. Therefore, this legislation shall become a validly enacted law when signed by the governor, but the provisions of this Act shall not become effective until approval of the state program by the United States Secretary of Interior pursuant to Public Law 95-87, the surface mining control and reclamation act of 1977.*

The Committee on Education reported **SB 163** and **SB 201** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

All necessary specifications and drawings shall be prepared for all such work. (2) Since this code is a general act intended to provide model coverage of its subject matter, no part of it shall be deemed to be impliedly repealed by subsequent legislation if such construction of the subsequent legislation can be reasonably avoided.

Section 4. KRS 45A.025 is amended to read as follows:

Every determination required by this code shall be in writing and based upon written findings of the public official making the determination. SECTION 9. A NEW SECTION OF CHAPTER 45A IS CREATED TO READ AS FOLLOWS:

Any local public agency may adopt the provisions of KRS 45A.345 through 45A.460. No other statutes governing purchasing shall apply to a local public agency upon adoption of these provisions.

Section 10. KRS 45A.360 is amended to read as follows:

(1) A local public agency may adopt regulations, not inconsistent with KRS 45A.345 to 45A.460, governing the following:

(g) Confidentiality of technical data and trade secrets information submitted by actual and prospective bidders or offerors;

(h) Partial, progressive and multiple awards;

(i) Supervision of store rooms and inventories, including determination of appropriate stock levels and the management, transfer, sale or other disposal of government-owned property;

(j) Definitions and classes of contractual services and procedures for acquiring them;

(k) Procedures for the verification and auditing of local public agency procurement records; [and]

(l) *Annual reports from those vested with purchasing authority as may be deemed advisable in order to insure that the requirements of this Act are complied with; and*

(m)[(l)] Such other regulations as may be deemed advisable to carry out the purposes of KRS 45A.345 to 45A.460 or otherwise fulfill the local public agency's procurement responsibilities.

(2) All local public agency ordinances and regulations pertaining to procurement, whether promulgated under KRS 45A.345 to 45A.460 or otherwise, shall be maintained by the local public agency and shall be available to the public upon request at a cost not to exceed the cost of reproduction.

Section 11. KRS 45A.375 is amended to read as follows:

(1) In the event that all bids submitted pursuant to competitive sealed bidding under KRS 45A.365 result in bid prices in excess of the funds available for the purchase, and the local public agency determines in writing:

(a) That there are no additional funds then available from any source so as to permit an award to the lowest responsive and responsible bidder; and

(b) The best interest of the local public agency will not permit the delay attendant to a resolicitation under revised specifications or revised quantities under competitive sealed bidding as provided in KRS 45A.365; then a negotiated award may be made as set forth in subsections (2) or (3) of this section.

(2) Where there is more than one (1) bidder, competitive negotiations pursuant to KRS 45A.370 shall be conducted with the three (3) (two (2) if there are only two (2)) bidders determined in writing by the local public agency to be the lowest responsive and responsible bidders to the competitive sealed bid invitation. Such competitive negotiations shall be conducted under the following restrictions:

(a) If discussions pertaining to the revision of the specifications or quantities are held with any potential offeror, all other potential offerors shall be afforded an opportunity to take part in such discussions; and

(b) A request for proposals, based upon revised specifications or quantities, shall be issued as promptly as possible, shall provide for an expeditious response to the revised requirements, and shall be awarded upon the basis of the lowest bid price or lowest evaluated bid price submitted by any responsive and responsible offeror. No discussion shall be conducted with offerors after submission of proposals except for a compelling reason as determined in writing by the local public agency. The request for proposals shall state that award is to be made without discussions except as herein provided.

(3) Where, after competitive sealed bidding, it is determined in writing that there is only one (1) responsive and responsible bidder, a noncompetitive negotiated award may be made with such bidder in accordance with KRS 45A.380.

(4) Where, after invitation for bids has been made in accordance with KRS 45A.365 and no bids have been received from responsive and responsible bidders, the local public agency may proceed to acquire the supplies, services, or construction by noncompetitive negotiations in accordance with KRS 45A.380.

Section 12. KRS 45A.380 is amended to read as follows:

(1) A local public agency may contract or purchase through noncompetitive negotiation only when a written determination is made that competition is not feasible and it is further determined in writing by *a designee of* the local public agency that:

(a) An emergency exists which will cause public harm as a result of the delay in competitive procedures; or

(b) There is a single source *within a reasonable geographical area* of the product or service to be procured; or

(c) The contract is for the services of a licensed professional, *such as attorney, physician, psychiatrist, psychologist, certified public accountant, registered nurse, or educational specialist; a technician such as a plumber, electrician, carpenter, or mechanic; or an artist such as a sculptor, aesthetic painter, or musician,* provided, however, that this provision shall not apply to architects or engineers providing construction management services rather than professional architect or engineer services; or

(d) The contract is for the purchase of perishable items purchased on a weekly or more frequent basis, such as fresh fruits, vegetables, [or] fish *or meat;*

(e) The contract is for replacement parts where the need cannot be reasonably anticipated and stockpiling is not feasible;

(f) The contract is for proprietary items for resale;

(g) In school districts the contract relates to an enterprise in which the buying or selling by students is a part of the educational experience;

(h) The contract or purchase is for expenditures made on authorized trips outside of the boundaries of the local public agency;

(i) The contract is for the purchase of supplies which are sold at public auction or by receiving sealed bids;

(j) The contract is for group life insurance, group health and accident insurance, group professional liability insurance, worker's compensation insurance, and unemployment insurance; or

(k) The contract is for a sale of supplies at reduced prices that will afford a purchase at savings to the local public agency.

[(2) A report shall be compiled annually and submitted to the legislative body or governing board, within ninety (90) days following the close of the fiscal year, of all contracts made through noncompetitive negotiation during such fiscal year and the report shall contain:

(a) The name of each contractor; and

(b) The amount and type of each contract; and

(c) A description of the supplies, services and construction purchased by each contract; and

(d) Copies of all determinations and findings required to be made by provisions of this section as attachments.

(3) Reports required by subsection (2) of this section shall be retained for a period of five (5) years and shall be available for public inspection and copying upon reasonable request.]

Section 13. KRS 45A.385 is amended to read as follows:

[(1)] The local public agency *may use small purchase procedures for any contract for which a determination is made that the aggregate amount of the contract does not exceed five thousand dollars ($5,000), provided such small purchase procedures are* [shall establish small purchase procedures which shall be] in writing and available to the public.

[(2) Small purchase procedures may be used for the award of any contract or purchase which does not exceed an aggregate amount of twenty-five hundred dollars ($2,500).

(3) Supplies, services or construction normally supplied as a unit cannot be artificially divided for the sole purpose of using small purchase procedures. Supplies, services or construction to be supplied over a period of time at the same unit price shall be considered a single purchase contract. A contract may be for any period of time that will provide the most beneficial market price to the local public agency, provided no time period shall be fixed for the sole purpose of avoiding the requirements of competitive sealed bidding or negotiation.]

Section 14. KRS 45A.420 is amended to read as follows:

(1) Any local public agency may enter into an agreement for cooperative purchasing with any other local public agency. When the contracting local public agency contracts for supplies, services or construction pursuant to KRS 45A.365, 45A.370, 45A.375 or 45A.380, all other parties to the agreement shall be deemed to have complied with the provisions of those sections.

(2) Nothing in KRS 45A.345 to 45A.990 shall deprive a local public agency from negotiating with vendors for supplies where such supplies are the subject of a price agreement with the Commonwealth of Kentucky provided, however, that no contract executed under this section would authorize a price higher than is contained in the price agreement with the Commonwealth of Kentucky for such specific supplies.

Section 15. KRS 45A.445 is amended to read as follows:

As used in KRS 45A.445 to 45A.460, unless the context indicates otherwise:

Section 1. KRS 164A.080 is amended to read as follows:

(1) The corporation is hereby authorized to provide for the issuance, at one (1) time or from time to time, of not exceeding *one hundred fifty* [thirty] million dollars *($150,000,000)* [($30,000,000)] in bonds of the corporation to carry out and effectuate its corporate purposes and powers. In anticipation of the issuance of such bonds the corporation also is hereby authorized to provide for the issuance, at one (1) time or from time to time, of bond anticipation notes. The principal of and the interest on such bonds or notes shall be payable solely from the funds herein provided for such payment. Any such notes may be made payable from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, such notes may be paid from any available revenues or assets of the corporation. The bonds or notes of each issue shall be dated and may be made redeemable before maturity at the option of the corporation at such price or prices and under such terms and conditions as may be determined by the corporation. Any such bonds or notes shall bear interest at such rate or rates as may be determined by the corporation. Notes shall mature at such time or times not exceeding five (5) years from their date or dates and bonds shall mature at such time or times not exceeding thirty (30) years from their date or dates, as may be determined by the corporation. The corporation shall determine the form and manner of execution of the bonds or notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations and the place or places of payment of principal and interest, which may be any bank or trust company within or without the state. In case any officer whose signatures or a facsimile of whose signature shall appear on any bonds or notes or coupons attached thereto shall cease to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The corporation may also provide for the authentication of the bonds or notes by a trustee or fiscal agent. The bonds or notes may be issued in coupon or in registered form, or both, as the corporation may determine, and provision may be made for the registration of any coupon bonds or notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds or notes of any bonds or notes registered as to both principal and interest, and for the interchange of registered and coupon bonds or notes. Upon the approval of a resolution of the corporation authorizing the sale of its bonds or notes, such bonds or notes may be sold in such manner, either at public or private sale, and for such price as said corporation shall determine to be for the best interest of the corporation and best effectuate the purposes of this chapter provided that such sale shall be approved by the corporation.

(2) The proceeds of any bonds or notes shall be used solely for the purposes for which issued and shall be disbursed in such manner and under such restrictions, if any, as the corporation may provide in the resolution authorizing the issuance of such bonds or notes or in the trust agreement hereinafter mentioned securing the same. The principal of and interest on any bonds issued by the corporation shall be payable

solely and only from the proceeds derived by the corporation from insured student loans made and purchased from the proceeds of such bonds. No such bond proceeds may be expended for the purchase or making of any insured student loan unless such insured student loan is insured as to the principal and interest payments by the *United States of America or the* guarantee agency, and the guarantee agency has reinsured such insured student loan with the United States of America to the maximum extent permitted by the higher education act of 1965, as amended.

HB 968, AN ACT relating to revenue and taxation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. KRS CHAPTER 143A IS HEREBY ESTABLISHED AND A NEW SECTION THEREOF IS CREATED TO READ AS FOLLOWS:

(1) "Department" means the department of revenue.

(2) "Natural resource" means all forms of minerals including but not limited to rock, stone, limestone, shale, gravel, sand, clay, fluorspar, zinc, natural gas, and natural gas liquids which are contained in or on the soils or waters of this state. For purposes of this chapter, "natural resource" does not include coal and oil which are taxed under KRS 143.020 and 137.120.

(3) "Severing" or "severed" means the physical removal of the natural resource from the earth or waters of this state by any means; however, "severing" or "severed" shall not include the removal of natural gas from underground storage facilities into which the natural gas has been mechanically injected following its initial removal from the earth.

(4) "Taxpayer" means and includes any individual, partnership, joint venture, association, corporation, receiver, trustee, guardian, executor, administrator, fiduciary, or representative of any kind engaged in the business of severing and/or processing natural resources in this state for sale or use. In instances where contracts, either oral or written, are entered into whereby persons, organizations or businesses are engaged in the business of severing and/or processing a natural resource but do not obtain title to or do not have an economic interest therein, the party who owns the natural resource or has an economic interest is the taxpayer.

(5) "Gross value" is synonymous with gross income from property as defined in section 613(c) of the Internal Revenue Code and regulations 9.613-3 and 1.613-4 in effect on December 31, 1977, with the exception that in all instances transportation expense (whether or not by common carrier) incurred in transporting a natural resource shall not be considered as gross income from the property. Gross value is to be reported as follows:

(a) For natural resources severed and/or processed and sold during a reporting period, gross value is the amount received or receivable by the taxpayer.

(b) For natural resources severed and/or processed, but not sold during a reporting period, gross value shall be determined as follows:

1. If the natural resource is to be sold under the terms of an existing contract, the contract price shall be used in computing gross value.

2. If there is no existing contract, the fair market value for that grade and quality of the natural resource shall be used in computing gross value.

(c) In a transaction involving related parties, gross value shall not be less than the fair market value for natural resources of similar grade and quality.

(d) In the absence of a sale, gross value shall be the fair market value for natural resources of similar grade and quality.

(e) If severed natural resources are purchased for the purpose of processing and resale, the gross value is the amount received or receivable during the reporting period reduced by the amount paid or payable to the taxpayer actually severing the natural resource.

(f) If severed natural resources are purchased for the purpose of processing and consumption, the gross value is the fair market value of processed natural resources of similar grade and quality reduced by the amount paid or payable to the taxpayer actually severing the natural resource.

(g) In all instances, the gross value shall not be reduced by any taxes including the tax levied in Section 2 of this Act, royalties, sales commissions, or any other expense.

(6) "Processing" shall include but not be limited to breaking, crushing, cleaning, drying, sizing, or loading for shipment. "Processing" shall not include the act of unloading or loading for shipment natural resources that have not been severed, cleaned, broken, crushed, dried, sized or otherwise treated in Kentucky.

(7) "Related parties" means two (2) or more persons, organizations or businesses owned or controlled directly or indirectly by the same interests.

(8) "Economic interest" for the purpose of this chapter is synonymous with the economic interest ownership required by Internal Revenue Code, section 611 in effect on December 31, 1977, entitling the taxpayer to a depletion deduction for income tax purposes with the exception that a party who only receives an arm's length royalty shall not be considered as having an economic interest.

(9) "Charges for transporting" or "transportation expense" shall mean:

(a) The amount paid by a taxpayer to a third party for transporting to a customer natural resources taxed in Section 2 of this Act;

(b) The cost incurred by a taxpayer using his own facilities in transporting to a customer natural resources taxed under Section 2 of this Act;

(c) In no case shall transportation expenses include the cost of acquisition, improvements, or maintenance of real property or the cost of loading or unloading facilities.

(2) The tax shall apply to all taxpayers severing and/or processing natural resources in this state, and shall be in addition to all other taxes imposed by law.

SECTION 3. A NEW SECTION OF KRS CHAPTER 143A IS CREATED TO READ AS FOLLOWS:

The taxes imposed in Section 2 of this Act do not apply to limestone when sold or used by the taxpayer for agricultural purposes so as to qualify for exemption from sales and use taxes as provided in KRS 139.480.

The department of revenue shall administer the provisions of this Act and shall have all the powers, rights, duties and authority with respect to rules and regulations, collection, refunding and administration of the taxes levied by Section 2 of this Act conferred generally on it by the Kentucky Revised Statutes, including Chapters 131, 134 and 135 of such statutes.

He shall collect the taxes imposed from the person severing, or severing and processing, the natural gas, and he shall remit the taxes to the department. In those cases where the person severing or severing and processing the natural gas sells the gas to the ultimate consumer, the person so severing or severing and processing the natural gas shall be liable for the tax imposed under Section 2 of this Act.

(b) On or before the last day of the month following each calendar month, each person first purchasing natural gas as described in (a) above, shall report purchases of natural gas during the month, showing the quantities of gas purchased, the price paid, the date of purchase, and any other information deemed necessary by the department for the administration of the tax levied by Section 2 of this Act, and shall pay the amount of tax due, on forms prescribed by the department.

A notice of such assessment shall be mailed to the taxpayer. The time herein provided may be extended by agreement between the taxpayer and the department.

(2) For the purpose of subsections (1) and (4) of this section, a return filed before the last day prescribed by law for the filing thereof shall be considered as filed on such last day.

(3) When a business is discontinued, a determination may be made at any time thereafter within the periods specified in subsection (1) of this section as to liability arising out of that business, irrespective of whether the determination is issued prior to the due date of the liability as otherwise specified in Section 8 of this Act.

(4) Notwithstanding the four (4) year time limitation of subsection (1) of this section, in the case of a return where the tax computed by the department is greater by twenty-five percent (25%) or more than the amount returned by the taxpayer, the excess shall be assessed by the department within six (6) years from the date the return was filed.

The Committee Substitute to **HB 973** is as follows:

(1) "Accountable loss" of gasoline means loss or destruction of "received" gasoline through wrecking of transportation conveyance, explosion, fire, flood or other casualty loss, or "received" gasoline contaminated and returned to storage; Provided That any such loss shall have been reported within ten (10) days after discovery of such loss to the department in a manner and form prescribed by the department, supported by proper evidence which in the sole judgment of the department substantiates the alleged loss or contamination and which is confirmed in writing to the reporting dealer by the department. The department may make any investigation deemed necessary to establish the bona fide claim of the loss.

(2) "Dealer" means any person who:

(a) Imports into this state and stores, or causes to be imported into and stored in this state, gasoline for use, distribution or sale and delivery in this state after it has been stored in this state; Provided That the term "dealer" as used in KRS 138.220 to 138.340 shall not include any person who imports gasoline acquired from a refiner or other supplier who, at the time of such importation, is a duly licensed dealer in this state, except as may otherwise be provided under regulations of the department.

(3) "Department" means the department of revenue.

(4) "Gasoline" means all liquid fuels, including liquids ordinarily, practically and commercially usable in internal combustion engines for the generation of power, and all distillates of and condensates from petroleum, natural gas, coal, coal tar, vegetable ferments and all other products so usable except propane, butane or other liquefied petroleum gases, kerosene, cleaner solvent, fuel oil, diesel fuel and crude oil.

(5) "Received" or "received gasoline" shall have the following meanings:

(a) Gasoline produced, manufactured or compounded at any refinery in this state or gasoline acquired by any dealer and delivered into or stored in refinery, marine or pipeline terminal storage facilities in this state shall be deemed to be received when it has been loaded for bulk delivery into tank cars or tank trucks consigned to destinations within this state. For the purpose of the proper administration of this chapter and to prevent the evasion of the tax and to enforce the duty of the dealer to collect the tax, it shall be presumed that all gasoline loaded by any licensed dealer within this state into tank cars or tank trucks is consigned to destinations within this state unless the contrary is established by the dealer pursuant to rules and regulations prescribed by the department.

(b) Gasoline acquired by any dealer in this state, and not delivered into refinery, marine or pipeline terminal storage facilities, shall be deemed to be received when it has been placed into storage tanks or other containers for use or subject to withdrawal for use, delivery, sale or other distribution. Dealers may sell gasoline to licensed bonded dealers in this state in transport truckload, carload or cargo lots, withdrawing such gasoline from refinery, marine, pipeline terminal or bulk storage tanks, without paying the tax on such gasoline. In such instances the licensed bonded dealer purchasing such gasoline shall be deemed to have received such gasoline at the time of withdrawal from the seller's storage facility and shall be responsible to the state for the payment of the tax thereon and shall report and pay the tax on such gasoline purchased and received.

(6) "Refinery" means any place where gasoline is refined, manufactured, compounded or otherwise prepared for use.

(9) "Bulk storage facility" means gasoline storage facilities of not less than twenty thousand (20,000) gallons owned or operated at one (1) location by a single owner or operator for the purpose of storing gasoline for resale or delivery to retail outlets or consumers.

(10) "Average wholesale price" shall mean:

(a) The weighted average per gallon wholesale tank wagon price of gasoline, exclusive of the four cents (4¢) per gallon federal tax in effect on January 1, 1980, as determined by the department of revenue from information furnished by licensed gasoline dealers. Dealers shall furnish within twenty (20) days following the end of the first month of each calendar quarter, such information regarding wholesale selling prices for the previous month as may be reasonably required by the department.

(b) Notwithstanding the provisions of (a) above, for purposes of the taxes levied in KRS 138.220, 138.565, 138.660 and 234.320, in no case shall "average wholesale price" be deemed to be less than one dollar ($1.00) per gallon, and in no case shall "average wholesale price" be deemed to be more than one dollar and fifty cents ($1.50) per gallon on or before June 30,-1982. In fiscal year 1982-83 the "average wholesale price" shall not be deemed to increase more than ten percent (10%) over the "average wholesale price" at the close of fiscal year 1981-82; in each subsequent fiscal year the "average wholesale price" shall not be deemed to increase more than ten percent (10%) over the "average wholesale price" at the close of the previous fiscal year.

Section 2. KRS 138.220 is amended to read as follows:

(1) [Except as provided in subsection (2) of this section,] An excise tax *at the rate of nine percent (9%) of the average wholesale price rounded to the third decimal when computed on a per gallon basis* [of nine cents per gallon] shall be paid on all gasoline received in this state. No other excise or license tax shall be levied or assessed on gasoline by the state or any political subdivision of the state. The tax herein imposed shall be paid by the dealer receiving the gasoline to the state treasurer in the manner and within the time specified in KRS 138.230 to 138.340 *and all such tax may be added to the selling price charged by the dealer or other person paying the tax on gasoline sold in this state.* Nothing herein contained shall authorize or require the collection of the tax upon any gasoline after it has been once taxed under the provisions of this section.

(a) Effective with the calendar quarter beginning July 1, 1980, the department shall determine on a consistent basis the average wholesale price for each calendar quarter, on the basis of sales data accumulated for the first month of the preceding quarter. Notification of the average wholesale price shall be given to all licensed dealers at least twenty (20) days in advance of the first day of each calendar quarter.

(b) Dealers with a tax paid gasoline inventory at the time an average wholesale price becomes effective, shall be subject to additional tax or appropriate tax credit to reflect the increase or decrease in the average wholesale price for the new quarter. For the purpose of this adjustment, average wholesale price on June 30, 1980, shall be deemed to be one dollar ($1.00). The department shall promulgate such rules and regulations to properly administer this provision.

[(2) In the event that, on or after January 1, 1977, the federal government enacts a law whereby the federal tax on gasoline is reduced, by tax credits, or reduced rate, in any state which increases its own tax by the minimum specified amount, the rate in subsection (1) of this section shall automatically increase by the minimum amount required to pick up the federal credit or decrease in federal tax.

(3) However, in the event that the federal government enacts a law whereby the federal tax on gasoline is reduced and this tax reduction could be passed down as a net savings to the consumer, the provisions in subsection (2) of this section would not be operative.]

Section 3. KRS 138.340 is amended to read as follows:

(1) If any dealer or transporter required to be licensed under KRS 138.310 files a false [monthly] report of the data or information required by KRS *138.210* [138.220] to 138.280, or fails, refuses or neglects to file the *reports* [monthly report] required by those sections, even though no tax is due, or to pay the full amount of tax as required by those sections, or fails to meet the qualifications of a dealer as set out in KRS 138.210 (2), or violates any other provision of this chapter, said dealer or transporter may be cited by the department of revenue to show cause at a public hearing before the Kentucky board of tax appeals why his license should not be revoked. Such licensee shall be notified by registered letter or summons. The letter or summons shall apprise the licensee of the charge or charges made against him and he shall have a reasonable opportunity to be heard before his license may be revoked. The summons may be served in the same manner and by the same officers or persons as provided by the Rules of Civil Procedure, or it may be served in said manner by an employe of the department of revenue. The hearing shall be set at least five (5) days after the summons is served or the letter delivered. Any aggrieved licensee may appeal from an order of revocation of the Kentucky board of tax appeals as provided by law, subject to the condition that the licensee has made bond sufficient in the opinion of the department of revenue to protect the Commonwealth from loss of revenue.

(2) The department is hereby given the power to cancel the license upon request in writing from licensee such cancellation to become effective sixty (60) days from the date of receipt of the request. But no license shall be canceled upon the request of any licensee until and unless said licensee, prior to the date of such cancellation, pays to the state all excise taxes payable under the laws of the state together with any and all penalties and fines accruing by reason of any failure on the part of such licensee to make accurate reports as required or pay such taxes and penalties.

Section 4. KRS 138.565 is amended to read as follows:

(1) [Except as provided in subsection (3) of this section,] An excise tax *at the rate levied in KRS 138.220 and computed on the average wholesale price as defined in KRS 138.210(10)* [of nine cents per gallon] is hereby levied and shall be paid by the special fuels dealer to the department:

(a) For all special fuels delivered into any tank or other container equipped with a hose or other apparatus designed to dispense such fuels into the fuel supply tank of a motor vehicle except when such deliveries are made to another licensed special fuels dealer. The tax imposed by this section shall not apply to special fuels delivered into storage facilities of consumers or persons engaged in the business of selling special fuels for use in motor vehicles when such special fuels are to be sold or used for nonhighway purposes and provided that the storage facilities for such special fuels have been approved and identified as nontaxable storage pursuant to regulations of the department provided that the department may not refuse to approve such nontaxable storage except for adequate cause.

(b) For all special fuels withdrawn by any special fuels dealer and dispensed into the fuel supply tank of a motor vehicle. An allowance of one percent (1%) of the tax shall be made to the special fuels dealer to cover unaccountable losses, bad debts, and handling and reporting the tax. For the purpose of the proper administration of this chapter and to prevent the evasion of the tax and to enforce the duty of the special fuels dealer to collect the tax, it shall be presumed that all special fuels delivered by any special fuels dealer within this state are taxable unless the contrary is established by the special fuels dealer pursuant to regulations prescribed by the department.

(2) No other excise or license tax shall be levied or assessed on special fuels by any political subdivision of the state.

[(3) In the event that, on or after January 1, 1977, the federal government enacts a law whereby the federal tax on diesel fuel and other special motor fuels is reduced, by tax credits, or reduced rate, in any state which increases its own tax by the minimum specified amount, the rate in subsection (1) of this section shall automatically increase by the minimum amount required to pick up the federal credit or decrease in federal tax.

(4) However, in the event that the federal government enacts a law whereby the federal tax on gasoline is reduced and this tax reduction could be passed down as a net savings to the consumer, the provisions in subsection (3) of this section would not be operative.]

Section 5. KRS 138.660 is amended to read as follows:

(1) [Except as provided in subsection (2) of this section,] Every motor carrier shall pay a tax *at the rate levied in KRS 138.220 and computed on the average wholesale price as defined in KRS 138.210(10)* [of nine cents per gallon] on the amount of gasoline and *at the same rate* [nine cents per gallon] on the amount of special fuels used in operations on the public highways of this state.

(2) [In the event that, on or after January 1, 1977, the federal government enacts a law whereby the federal tax on gasoline, or diesel and other special motor fuels is reduced, by tax credits, or reduced rate, in any state which increases its own tax by the minimum specified amount, the rate in subsection (1) of this section shall automatically increase by the minimum amount required to pick up the federal credit or decrease in federal tax.

(3) However, in the event that the federal government enacts a law whereby the federal tax on gasoline is reduced and this tax reduction could be passed down as a net savings to the consumer, the provisions in subsection (2) of this section would not be operative.

(4)] In addition to the tax imposed in subsection (1) of this section, if the motor carrier is a heavy equipment motor carrier as defined in KRS 138.655, he shall pay a surtax *at the rate of two percent (2%) of the average wholesale price as provided in subsection (1),* [of two cents per gallon] on the amount of gasoline and special fuels used in operations on public highways of this state.

(3)[(5)] The tax levied under subsections (1) and *(2)* [(4)] of this section shall be computed and paid as provided in KRS 138.690.

Section 6. KRS 138.695 is amended to read as follows:

(1) Every licensee subject to the tax imposed by subsections (1) and (2) of KRS 138.660 shall be entitled to a credit for each quarterly period beginning on and after July 1, *1980* [1972], equivalent to *the tax rate levied in KRS 138.220 and computed on the average wholesale price as defined in KRS 138.210(10)* [nine cents per gallon] on gasoline and [nine cents per gallon on] special fuels purchased by such licensee during such period for use in its operations, provided such gasoline and special fuels were purchased in Kentucky during the same period and the tax imposed by KRS 138.220 and KRS 138.565 has been paid. Evidence of the payment of such tax in such form as may be required by or satisfactory to the bureau shall be furnished by each such licensee claiming the credit herein allowed.

(2) The bureau shall at the close of each quarterly period, ending September 30, December 31, March 31, and June 30, compute all credits granted by the bureau during such quarter, which credits shall be except as provided in subsection (3), applied only to taxes due on the report filed for the next quarter.

(3) If the credit or credits referred to in subsections (1) and (2) would expire solely by reason of the lapse of time allowed in subsection (2), then the balance of any credit shall be refunded to the licensee, provided application therefor and all necessary information shall be filed with the bureau within sixty (60) days after the time the credit would otherwise expire as provided in subsection (2) except a credit shall not be refunded to the licensee, where, as estimated by the bureau, the cost to the bureau of making the refund would exceed the amount of the refund.

HB 692, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.39-060 is amended to read as follows:

(1) Any person who registers, operates, maintains or uses a motor vehicle on the public roadways of this Commonwealth shall, as a condition of such registration, operation, maintenance or use of such motor vehicle and use of the public roadways, be deemed to have accepted the provisions of this subtitle, and in particular those provisions which are contained in this section.

(2) (a) Tort liability with respect to accidents occurring in this Commonwealth and arising from the ownership, maintenance, or use of a motor vehicle is "abolished" for damages because of bodily injury, sickness or disease to the extent the basic reparation benefits provided in this subtitle are payable therefor, or that would be payable but for any deductible authorized by this subtitle, under any insurance policy or other method of security complying with the requirements of this subtitle, except to the extent noneconomic detriment qualifies under subsection (2)(b) hereof.

(b) In any action of tort brought against the owner, registrant, operator or occupant of a motor vehicle with respect to which security has been provided as required in this subtitle, or against any person or organization legally responsible for his acts or omissions, a plaintiff may recover damages in tort for pain, suffering, mental anguish and inconvenience because of bodily injury, sickness or disease arising out of the ownership, maintenance, operation or use of such motor vehicle only in the event that the benefits which are payable for such injury as "medical expense" or which would be payable but for any exclusion or deductible authorized by this subtitle exceed one thousand dollars ($1,000), or the injury or disease consists in whole or in part of permanent disfigurement, a fracture to a weight-bearing bone, a compound, comminuted, displaced or compressed fracture, loss of a body member, permanent injury within reasonable medical probability, permanent loss of bodily function or death. Any person who is entitled to receive free medical and surgical benefits shall be deemed in compliance with the requirements of this subsection upon a showing that the medical treatment received has an equivalent value of at least one thousand dollars ($1,000).

(c) Tort liability is not so limited for injury to a person who is not an owner, operator, maintainer or user of a motor vehicle within subsection (1) of this section, nor for injury to the passenger of a motorcycle arising out of the maintenance or use of such motorcycle.

(3) For purposes of this section and the provisions on reparation obligor's rights of reimbursement, subrogation, and indemnity, a person does not intentionally cause harm merely because his act or failure to act is intentional or done with his realization that it creates a grave risk of harm.

(4) Any person may refuse to consent to the limitations of his tort rights and liabilities as contained in this section. Such rejection must be in writing in a form to be prescribed by the department of insurance and must have been executed and filed with the department at a time prior to any motor vehicle accident for which such rejection is to apply. Such rejection form together with a reasonable explanation thereof shall be furnished by the reparation obligor with each policy to each prospective insurance applicant. Such rejection form shall affirmatively state in bold print that acceptance of this form of insurance denies the applicant the right to sue a negligent motorist unless certain requirements contained in the policy of insurance are met. Rejection by a person who is under legal disability shall be made on behalf of such person by his legal guardian or his natural parent. The failure of such guardian or a natural parent of a person under legal disability to file a rejection, within six (6) months from the date that this subtitle would otherwise become applicable to such person, shall be deemed to be an affirmative acceptance of all provisions of this subtitle. Provided, however, any person who, at the time of an accident, who does not have basic reparation insurance but has not formally rejected such limitations of his tort rights and liabilities and has at such time in effect security equivalent to that required by KRS 304.39-110 shall be deemed to have fully rejected such limitations within meaning of this section for that accident only.

(5) *(a)* Any rejection must be filed with the department of insurance and shall *become effective on* [be for a period of five (5) years from] the date of its *filing until* [execution unless] revoked [in writing].

(b) Any rejection filed prior to June 30, 1980, shall be deemed to be effective from the date of its filing until revoked.

(c) Any revocation shall be in writing and shall become effective upon the date of its filing with the department of insurance [A copy of such rejection or revocation must be filed with each insurance company providing an automobile policy under which the individual is a named insured as defined in the policy].

(6) Every insurance company when issuing an automobile policy to a resident of this Commonwealth must inform the buyer in writing in a form to be prescribed by the insurance commissioner of his right to reject the limitations of his tort rights and liabilities under this subtitle in the manner provided in subsections (4) and (7) of this section.

(7) Any rejection shall result in the full retention by the individual of his tort rights and his tort liabilities. Any person injured by a motor vehicle operator who has such rejection on file may claim his full damages, including nonpecuniary damages, or, if such injured person has not rejected his own tort limitations, he may also claim basic reparation benefits from the appropriate security on the vehicle as established under KRS 304.39-050. If such provider of security is other than the one providing security for the operator who has rejected the limitations, such provider shall be subrogated to the rights of the injured person to the extent of reparation benefits paid against the owner and operator of the vehicle.

(8) No person who has rejected the tort limitations under this section, except as provided in subsection (9) of this section or KRS 304.39-140(5), may collect basic reparation benefits.

(9) Any owner or operator of a motorcycle, as defined in Kentucky Revised Statutes, may file a rejection as described in subsections (4) and (5), which will apply solely to the ownership and operation of a motorcycle but will not apply to injury resulting from the ownership, operation or use of any other type of motor vehicle.

(k) Has been convicted of any misdemeanor of which an essential element is fraud or any felony, or has pending against him any felony charge.

SECTION 11. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) No mortgage loan company may establish or maintain a branch office without prior written approval of the commissioner.

(2) Each application for approval of the establishment and maintenance of a branch office shall state the proposed location, the functions to be performed and the information required by Section 5 if different from that contained in the original application for registration.

(3) Each application under this section shall be verified and accompanied by a non-refundable fee of one hundred fifty dollars ($150).

(4) Upon the receipt by the commissioner of such an application and the required fee, if he finds that the applicant is otherwise in compliance with the provisions of this Act, he shall approve the application.

(5) Mortgage loan companies exempt under Section 3(2)(b) shall advise the commissioner of the opening or closing of any branch office within thirty (30) days thereafter.

SECTION 12. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) Mortgage loan companies are authorized to make loans at rate or rates not in excess of that provided by KRS 360.010 and 360.025.

(2) Every loan shall be evidenced by a note for the amount of the loan. Every note evidencing a loan under this subsection shall contain the following information and provisions: The original principal amount of the loan excluding any charge for the loan; a statement of the total charge for the loan; the terms of repayment including the amount and date of installments and penalty or charge for late payment; the date of final maturity; and may contain all other terms of the loan contract. The borrower shall be given a copy of the note, at the time the loan is made and shall thereafter be given a receipt for each cash payment.

(3) Every real estate loan shall be secured by a mortgage or other instrument constituting a lien, upon the real estate securing the loan, according to any lawful or well recognized practice which is best suited to the transaction. Any such instrument, constituting a lien, is herein termed a "mortgage." All such mortgages shall be recorded in accordance with the law of this Commonwealth.

(4) Delinquency charges may be made for each installment more than ten (10) days in arrears, and only one (1) delinquency charge shall be made on any one (1) installment. No delinquency charge shall be made unless disclosed as required under subsection (2). In addition to such delinquency charges, attorneys fees not exceeding fifteen percent (15%) of the unpaid balance shall be taxed as cost and court costs may be collected, provided that the note is referred to an attorney not a salaried employe of the holder for collection.

(5) Any charges to be assessed against the borrower, in the event a loan is paid prior to maturity shall be promptly displayed and made part of the note and the loan closing statement regarding the method of computation of any rebate.

SECTION 13. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) Every mortgage loan company may require borrowers to pay all necessary and reasonable expenses incurred in connection with the making, closing, disbursing, extending, readjusting, or renewing of loans. Without limiting the generality of the foregoing, such expenses may include appraisal, attorneys fees, abstract, recording and registration fees, title examination, title insurance, mortgage insurance, credit report, survey, drawing of papers, organization fees, loan closing costs, and taxes or charges imposed upon or in connection with the making and reporting of any mortgage.

(2) Every mortgage loan company also may require the borrowers to pay the cost of all other necessary and incidental services rendered by the mortgage loan company or by others in connection with loans in reasonable amounts. Without limiting the generality of the foregoing, such costs may include the cost of services of inspectors, engineers, and architects.

(3) Such initial charges as described in subsections (1) and (2) may be collected by the mortgage loan company from the borrower and paid to any person rendering such services, or paid directly by the borrower.

(4) In lieu of such initial charges to cover such expenses and costs as described in subsections (1) and (2), a mortgage loan company may make a reasonable charge, part or all of which may be retained by the mortgage loan company which renders such service, or part or all of which may be paid to others who render such services.

(5) The fees and charges authorized by this section shall be in addition to interest authorized by law, and shall not be deemed to be a part of the interest collected or agreed to be paid on such loans within the meaning of any law of this Commonwealth which limits the rate of interest which may be exacted in any transaction.

(6) No person shall receive any fee or other compensation of any kind in connection with procuring any loan, except for services actually rendered as above provided, and in no event shall a mortgage loan company require the payment of a fee greater than one hundred dollars ($100) as a condition to submitting a loan application unless the commissioner shall otherwise prescribe by rule.

(7) Upon receipt of a loan application, the mortgage loan company shall provide the applicant with a written explanation of the nature of all fees, expenses and other costs allowable under subsections (1) and (2) which, whether certain or uncertain, may be incurred or required of the borrower in connection with the approval, making, closing and disbursement of the loan.

(8) The mortgage loan company shall furnish a loan settlement statement to each borrower one (1) business day prior to the settlement date in a form consistent with the provisions of the real estate settlement procedures act of 1974 as amended, and in all other regards the mortgage loan company shall make the necessary and appropriate disclosures consistent with the provisions of that act. A copy of the loan settlement statement and any other disclosure documents shall be retained in the records of the mortgage loan company.

(9) All "letters of commitment," or any other contracts or agreements between prospective borrowers and a mortgage loan company or a loan broker, where the borrowers employ services, for a fee or commission, to obtain a loan commitment or funding from a lending institution shall indicate the terms and conditions thereof, including the period that such agreement shall remain in effect.

(10) Failure on the part of any party, with the exception of the borrower, to fulfill the terms of any loan commitment, letter of commitment, agreement or contract for the loan of money within the time and on such terms specified therein, or the failure to make a bona fide effort to secure a loan after receiving a fee for such service, shall constitute default by the mortgage loan company and any other person so in default; and any person damaged by such default may sue at law or equity for damages, reasonable attorneys fees and interest at eight (8) percent. Every cause of action for damages under this subsection survives the death of any person who might have been a plaintiff or defendant. No person may sue under this subsection more than five (5) years after any act constituting default.

(11) The failure to disclose a dual agency capacity or effecting transactions upon terms and conditions other than those stated in the letter of commitment, loan commitment or any other contract for the loan of money, or entering into an agreement which establishes unfair terms and conditions or compensation, as the commissioner shall define by rule; or any contract of loan in the making or collection of which any act shall have been done which constitutes a willful violation of any provision of this section or of Section 12 shall be void, and the mortgage loan company or the lender, if not the mortgage loan company, shall have no right to collect, receive or retain any interest or charges whatsoever on such loan, but the unpaid principal of the loan shall be paid in full.

SECTION 14. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) All monies paid to the mortgage loan company for payment of taxes or insurance premiums on property which secures any loan made or serviced by the mortgage loan company shall be deposited in an account which is insured by the federal savings and loan insurance corporation or the federal deposit insurance corporation or any other account acceptable to the federal national mortgage association or the U. S. department of urban development or the government national mortgage association or the U. S. veterans administration and kept separate, distinct and apart from funds belong to the mortgage loan company. Such funds, when deposited, are to be designated as an "escrow account" or under some other appropriate name indicating that the funds are not the funds of the mortgage loan company.

(2) Any interest earned on funds deposited into an escrow account under subsection (1) shall belong to the borrower and shall be applied to the expenses to be paid from such account.

(3) The mortgage loan company shall, upon reasonable notice, account to any debtor whose property secures a loan made by the mortgage company for any funds which that person has paid to the mortgage loan company for the payment of taxes or insurance premiums on the property in question.

(4) The mortgage loan company shall, upon reasonable notice, account to the commissioner for all funds in in the company's escrow account.

(5) Escrow account funds are not subject to execution or attachment on any claim against the mortgage company. It is unlawful for any mortgage company to knowingly keep or cause to be kept any funds or money in any bank under the heading of "escrow account" or any other name designating such funds or money belonging to the debtors of the mortgage loan company, except actual funds paid to the mortgage loan company for the payment of taxes and insurance premiums on property securing loans made or serviced by the company.

SECTION 15. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner shall exercise general supervision and control over mortgage loan companies and loan brokers doing business in the Commonwealth of Kentucky. In addition to the other duties imposed upon him by law, the powers and duties of the commissioner are:

(a) To prescribe such rules, regulations and forms and to promulgate such orders as are deemed to be necessary and appropriate to accomplish the basic purposes of and the provisions contained within this Act. The commissioner may from time to time make, amend, and rescind such rules, forms and orders, including rules and forms governing applications, registration, reports, and loan disclosure statements and defining any terms, whether or not used in this Act, insofar as the definitions are not inconsistent with the provisions of this Act. For the purpose of rules and forms, the commissioner may classify loans, persons, and matters within his jurisdiction, and prescribe different requirements for different classes. No rule, form, or order may be made, amended, or rescinded unless the commissioner finds that the action is necessary or appropriate in the public interest and consistent with the purposes fairly intended by the policy and provisions of this Act. In prescribing rules and forms the commissioner may cooperate with other state and federal agencies with a view to achieving maximum uniformity in the form and content of applications, reports and loan disclosure statements whenever practical;

(b) To conduct such investigations as may be necessary to determine whether any person has engaged in or is about to engage in any act, practice or course of conduct constituting a violation of any provision of this Act;

(c) To conduct such examinations, investigations and hearings, in addition to those specifically provided for by law, as may be necessary and proper for the efficient administration of the mortgage loan company laws of this state.

SECTION 16. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided by law, applications for registration or renewals, all papers, documents, reports, and other written instruments filed with the commissioner under this Act, or obtained pursuant to an examination by the department of banking are open to public inspection, except that the commissioner pursuant to the provisions of KRS Chapter 61 may classify as confidential or withhold from public inspection for such time as he considers necessary any information which, in his judgment, the public

welfare or the welfare of any mortgage loan company or its customers requires to be so withheld. All investigations and information contained therein shall not be public until such time as the commissioner makes all or part of the investigation public or the investigation is closed.

(2) The commissioner shall have the authority to classify as confidential certain records and information obtained by the department of banking when such matters are obtained from a governmental agency upon the express condition that they shall remain confidential.

SECTION 17. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

Every mortgage loan company shall make and keep such accounts, correspondence, memoranda, papers, books, data and other records as the director by rule prescribes. All records so required shall be preserved for five (5) years unless the commissioner by rule prescribes otherwise for particular types of records. Every mortgage loan company shall file such financial reports as the commissioner by rule prescribes. If the information contained in any document filed with the commissioner is or becomes inaccurate or incomplete in any material respect, the registrant shall promptly file a correcting amendment.

SECTION 18. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) Every mortgage loan company shall keep at its principal office correct and complete books of accounts and minutes of proceedings of its directors, principals, or partners. Complete records of all business transactions at the principal office shall be maintained at the principal office. Each branch office shall keep detailed records of all transactions at such branch office and shall furnish full control records to the principal office.

(2) No mortgage loan company by any system of accounting or any device of bookkeeping shall, either directly or indirectly, enter any of its assets upon its books in the name of any person, partnership, association, or corporation, or under any title, designation or value that is not thoroughly descriptive of any assets.

(3) The affairs of every mortgage loan company and the records required to be maintained by this Act are subject at any time or from time to time to such periodic, special, or other examinations by the commissioner or an examiner of the commissioner within or without this state and with or without notice to the mortgage loan company, as the commissioner deems necessary or appropriate in the public interest. All books, papers, and records of assets of the mortgage loan company shall be subject to his inspection.

(4) The examiner shall make a thorough examination into the condition, workings and affairs of the association and report any violation of law or any unauthorized unsafe practices or any failure to keep and have correct any required books and records as he may find to the commissioner.

(5) A mortgage loan company shall pay a fee for each such examination not to exceed one hundred dollars ($100) per day, or fraction thereof, that any and all examiners are absent from the office of the commissioner for the purpose of making such examinations, and in addition thereto shall pay the actual travel, lodging and meal expenses of such authorized examiner or examiners. For the purpose of avoiding unnecessary duplication of examinations, the commissioner insofar as he deems it practicable in administering this section, may cooperate with any agency of the state or federal government, other states, or the federal national mortgage association and may accept such examinations in whole or in part in lieu of an examination by the commissioner.

(6) The commissioner or his examiners or designated representative, shall have access to all books and papers of a mortgage loan company which relate to its business, and books and papers kept by any officers, agents, or employes, relating to or upon which any record of its business is kept.

SECTION 19. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) In the conduct of any examination, investigation or hearing, the commissioner or an officer designated by him may compel the attendance of any person or obtain any documents by subpoenas; administer oaths or affirmations in the examination of the directors, officers, agents, employes of any mortgage loan company or any other person concerning the business and conduct of affairs or any person subject to the provisions of this Act, and in connection therewith may require and compel the production of any books, records, papers or other documents relevant to the inquiry.

(2) In the contumacy by, or refusal to obey a subpoena issued to, any person, Franklin circuit court, upon application by the commissioner, may issue to the person an order requiring him to appear before the commissioner, or the officer designated by him, there to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question. Failure to obey the order of the court may be punished by the court as a contempt of court.

(3) The cost of any investigation or hearing conducted under this Act may be assessed to and collected from the mortgage loan company in question by the commissioner.

SECTION 20. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) The commissioner may investigate either upon complaint or otherwise when it appears that a mortgage loan company is conducting its business in an unsafe and injurious manner or in violation of this Act, or any rule or order hereunder, or when it appears that any person is engaging in the mortgage loan business without being registered under the provisions of this Act.

(2) Whenever it appears to the commissioner upon sufficient grounds or evidence satisfactory to the commissioner that any mortgage loan company has engaged in or is about to engage in any practice in violation of this Act or any rule or order hereunder, or the assets or capital of any mortgage loan company are impaired or the mortgage loan company's affairs are in an unsafe condition the commissioner may:

(a) Order the mortgage loan company to cease and desist from such acts or practices by a formal written order delivered to the company stating any alleged violation together with a statement of the facts alleged to be such violation. The order shall specify the effective date thereof and notice of entry shall be served personally or sent by certified mail or telegraph to the company affected. The company, upon application, is entitled to a hearing; but if no such application is made within twenty (20) days after the delivery of such an order, it shall be made final and shall remain in effect until withdrawn by the commissioner or terminated by a court order;

(b) Apply directly to Franklin circuit court to enjoin any acts or practices in violation of this Act and to enforce compliance with this Act or any rule or order hereunder. Upon proper showing, a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. The commissioner may not be required to post a bond.

SECTION 21. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

Notice of the entry of any order of suspension or denial of a registration of any mortgage loan company shall be given in writing, served personally or sent by certified mail or telegraph to the company affected. The company, upon application, is entitled to a hearing; but if no such application is made within twenty (20) days after the entry of an order of suspension or denial of a registration of any company, the commissioner shall enter a final order in either case.

SECTION 22. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

Any person aggrieved by final order of the commissioner may obtain a review of the order in Franklin circuit court, by filing in court, within sixty (60) days after the entry of the order, a written petition praying that the order be modified or set aside in whole or in part. A copy of the petition shall be forthwith served upon the commissioner, and thereupon the commissioner shall certify and file in court a copy of the filing, testimony, and other evidence upon which the order was entered. When these have been filed, the court has exclusive jurisdiction to affirm, modify, enforce or set aside the order in whole or in part. No objection to the order may be considered by the court unless it was urged before the commissioner or there were reasonable grounds for failure to do so. The findings of the commissioner as to the facts, if supported by substantial evidence, are conclusive. If either party applies to the court for leave to adduce additional evidence, and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for failure to adduce the evidence in the hearing before the commissioner the court may order the additional evidence to be taken before the commissioner and to be adduced upon the hearing in such manner and upon such conditions as the court may consider proper. The commissioner may modify his findings as to the facts, by reason of additional evidence so taken, and he shall file any modified or new findings, which if supported by substantial evidence shall be conclusive. The commencement of proceedings under this section does not, unless specifically ordered by the court, operate as a stay of the commissioner's order. An appeal may be taken from the judgment of the Franklin circuit court upon any such appeal to the court of appeals on the same terms and conditions as an appeal is taken in civil actions.

SECTION 23. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) It is unlawful for any person to make or cause to be made, in any document filed with commissioner or in any proceeding under this Act, any statement which is, at the time and in light of the circumstances under which it is made, false or misleading in any material respect.

(2) It is unlawful for any mortgage loan company, in connection with the operation of a mortgage loan business or the management or servicing or mortgage contracts, directly or indirectly:

(a) To employ a device, scheme or artifice to defraud;

(b) To engage in any act, practice or course of business which operates or would operate as a fraud or deceit upon any person.

SECTION 24. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

(1) Any person who wilfully violates any provision of this Act, except subsection (1) of Section 23, or who willfully violates subsection (1) of Section 23 knowing the statement to be false or misleading in any material respect, shall be guilty of a Class D felony.

(2) Any person who willfully violates any rule or order of the commissioner, authorized under this Act, shall be guilty of a Class A misdemanor, but no person may be imprisoned for violation of any rule or order of which that person did not have actual knowledge.

(3) The commissioner may refer such evidence as is available concerning violations of this Act or any rule or order hereunder to the appropriate prosecuting attorney, who may, with or without such reference, institute the appropriate criminal proceeding under this Act.

(4) Nothing in this Act limits the powers of the state to punish any person for any conduct which constitutes a crime.

SECTION 25. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

If any provisions of this Act or the application thereof to any person or circumstances are held invalid, the invalidity shall not offset other provisions or applications of this Act which can be given effect without the invalid provision or application and for this purpose the provisions of this Act are separable.

SECTION 26. A NEW SECTION OF KRS CHAPTER 294 IS CREATED TO READ AS FOLLOWS:

Every mortgage loan company in existence as of the effective date of this Act and which is not exempt under this Act shall register within one hundred twenty (120) days thereafter.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.39-085 is amended to read as follows:

(1) The owner of a motor vehicle registered in this Commonwealth who is required by KRS 304.39-080(5) to provide the security required therein for the maintenance or use of such vehicle shall, as prima facie evidence only that such security is currently in full force and effect, affix to the [rear] window thereof an identifying sticker or emblem which indicates the month, day and year on which such security will expire unless renewed or replaced by said owner.

(2) The form, content and location in which the sticker or emblem required by subsection (1) of this section shall be affixed shall be prescribed by the commissioner by regulation. All such stickers or emblems shall be supplied by or under the authority of the department of insurance and shall be serially numbered for the purpose of determining the identity of the insurer of the vehicle and its owner for which it was issued.

(3) All stickers or emblems issued pursuant to this section shall be the property of the Commonwealth and shall be affixed by the owner to the vehicle covered by the required security only during such time as such security which it represents remains in full force and effect. Every vehicle owner shall immediately remove from such vehicle any sticker or emblem representing security which he knows has been terminated, cancelled, impaired or is otherwise ineffective to serve as security for such vehicle.

(4) Every vehicle owner meeting the security requirements of this subtitle through the purchase of a contract of insurance shall obtain within thirty (30) days a sticker or emblem evidencing such security from the authorized insurance company (or its authorized agent) with which he has contracted for such security. The commissioner shall furnish or authorize for each insurer sufficient quantities of such stickers or emblems as they may require for each vehicle which such insurer reasonably expects to insure during each annual period for which its policies of insurance are expected to be in force.

(5) Every vehicle owner meeting the security requirements of this subtitle through becoming a qualified self-insurer or an uninsured obligated government shall obtain a sticker or emblem directly from the commissioner.

(6) Every authorized insurance company which cancels or refuses to renew any contract of insurance on any vehicle insured by it for any vehicle owner prior to the normal expiration date of the sticker or emblem which it has furnished such owner for such vehicle shall notify such owner the date of which such sticker shall no longer be in full force and effect and should be removed from the vehicle.

[(7) Every authorized insurance company which cancels any contract of insurance required by KRS 304.39-080(5) in accordance with KRS 304.20-040(2) shall provide the commissioner of the bureau of state police notice of such cancellation as well as with notice to the insured.

(8) Every authorized insurance company shall provide notice of cancellation to the commissioner of the bureau of state police within thirty (30) days following the voluntary cancellation of a policy of insurance required by KRS 304.39-080(5) by a policyholder during the policy period.]

(7)[(9)] Every authorized insurer shall, upon request of the commissioner, furnish to the commissioner with regard to any numbered sticker or emblem furnished by it the name of the owner for whom the

security was provided, the vehicle insured by such security and the beginning and ending dates during which the security was in full force and effect.

(8)[(10)] Upon complaint by any person filed with the commissioner on a form to be prescribed by him alleging that any sticker or emblem was improperly affixed to any vehicle because the security therefor was not then in full force and effect, the commissioner shall determine the probable validity of said complaint by inquiry pursuant to subsection *(7)* [(9)] of this section and shall certify the results of his findings to the complainant and, if the security was not in effect on the date alleged, shall send a copy thereof to the commissioner of the bureau of state police who shall enforce the penalties provided for in KRS 304.99-060.

(9)[(11)] The commissioner may by regulation provide for:

(a) A temporary certificate or binder of insurance coverage which may be displayed in lieu of the sticker or emblem required by this section for a period not to exceed thirty (30) days during which time the owner of such vehicle shall secure the permanent sticker or emblem required by subsection (1) of this section;

(b) Every motor vehicle dealer or owner of more than five (5) motor vehicles providing the required security under an insurance policy that provides automatic coverage for all owned vehicles may be furnished a supply sufficient for his needs of stickers, emblems or other evidence of such security by his insurer.

(10)[(12)] *It shall be presumed that the required security does not exist with regard to any vehicle which has neither a current sticker nor emblem affixed thereto as required by this section and such absence shall be prima facie evidence that such security does not exist.* All *law enforcement* [state, city and county police] officers shall issue a citation for violation of this section to the owner or operator of any *such* vehicle, *unless such person produces a temporary certificate or binder of insurance, as provided for herein* [which has neither a current sticker or emblem affixed thereto or a temporary certificate or binder of insurance as required by this section].

1. The seller reasonably believes that all the buyers are purchasing for investment, and

2. No commission or other remuneration is paid or given directly or indirectly for soliciting any prospective buyer in this state (other than those designated in paragraph (h)); but the director may by rule or order, as to any security or transaction, withdraw or further condition this exemption, or increase or decrease the number of offerees permitted, or waive the conditions in subparagraphs 1. and 2. of this paragraph with or without the substitution of a limitation on remuneration;

No such order may be entered without appropriate prior notice to all interested parties, opportunity for hearing, and written findings of fact and conclusions of law, except that the director may by order summarily deny or revoke any of the specified exemptions pending final determination of any proceeding under this subsection. Upon entry of a summary order, the director shall promptly notify all interested parties that it has been entered and of the reasons therefor and that within fifteen days of the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the director, the order will remain in effect until it is modified or vacated by the director. If a hearing is requested or ordered, the director, after notice of and opportunity for hearing to all interested persons, may modify or vacate the order to extend it until final determination. No order under this subsection may operate retroactively. No person may be considered to have violated this chapter by reason of any offer or sale effected after the entry of an order under this subsection if he sustains the burden of proof that he did not know, and in the exercise of reasonable care could not have known of the order. In any proceeding under this chapter, the burden of proving an exemption from a definition is upon the person claiming it.

SECTION 6. A NEW SECTION OF KRS CHAPTER 292 IS CREATED TO READ AS FOLLOWS:

(1) Before any security may be issued as an exempt security under subsections (4), (5), (6), (9), (12), (13) or (14) or KRS 292.400, or offered for sale or sold as an exempt transaction under KRS 292.410(1)(i), (j), or (k), a claim of exemption must first be filed with the director and the director by order shall not have determined that the exemption is unavailable within the next five (5) full business days. A claim of exemption filed under this section shall be in such form and contain such information as the director by rule or order requires and each offering shall be effective for a maximum of twelve (12) consecutive months unless the director by rule or order extends such period of time, not to exceed five (5) years.

(2) For every claim of exemption filed with the director there shall be paid to the director a filing fee of one hundred dollars ($100), except that for a claim of exemption filed under subsection (9) of KRS 292.400 the filing fee is one-tenth (1/10) of one percent (1%) of the maximum aggregate offering price at which the securities are to be offered in this state, but the fee shall in no case be less than one hundred dollars ($100) or more than five hundred dollars ($500). The director shall have authority to amend or rescind under this subsection such filing fees by rule or order if the director determines that such fee is excessive under the circumstances.

(3) Any person who fails to comply with this section shall be liable for a fee in the amount of five (5) times the initial filing fee and the director may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of an exemption, if he finds that the order is in the public interest and that any security has been or is about to be offered or sold in violation of this section. If the director finds it appropriate in the public interest or necessary for the protection of investors, the director may order any issuer in violation of this section to make an offer of recision.

(4) Failure by any person to file a claim of exemption under this section shall not give rise to a private right of action under KRS 292.330(1), 292.340 or 292.480 which would not otherwise be available under the provisions of this chapter.

(5) Any person who fails to file a claim of exemption under this section, unless he does so intentionally, shall not be subject to KRS 292.991.

Section 7. KRS 292.420 is amended to read as follows:

(1) In any proceeding under this chapter, the burden of proving an exemption or an exception from a definition is upon the person claiming it.

(2) The director may require any person, who is selling or offering for sale or who is about to sell or offer for sale or who has sold or offered for sale any security within this state, to file a statement of the claim of exemption, if any, upon which such person is relying, and if any time, in the opinion of the director, the information contained in such statement filed is misleading, incorrect, inadequate, or fails to establish the right of exemption, he may require such person, agent, or investment adviser to file such information as may in his opinion be necessary to establish the claimed exemption. The refusal to furnish information as required by order of the director pursuant to the provisions of this subsection, within a reasonable time to be fixed by the director, shall be proper ground for the entry of an order by the director suspending and/or cancelling the registration of the broker-dealer, agent or investment adviser.

(3) The director shall have authority at all times to consider and determine whether any proposed sale, transaction, issue or security is entitled to an exemption or an exception from the definition accorded by this chapter, provided, however, that the director in his discretion may decline to exercise such authority as to any proposed sale, transaction, issue, or security. Any interested party desiring the director to exercise

such authority shall submit to the director a verified statement of all material facts relating to the proposed sale, transaction, issue or security, which verified statement shall be accompanied by a request for a ruling as to the particular exemption or exception from definition, together with a filing fee of *fifty dollars ($50) except for a request for a ruling or order pursuant to KRS 292.410(1)(i) which shall be accompanied by a filing fee of one hundred dollars ($100)* [ten dollars]. After such notice to interested parties as the director shall deem proper and after a hearing, if any, the director may enter an order finding the proposed sale, transaction, issue or security entitled or not entitled to the exemption or the exception from definition as claimed. An order so entered, unless an appeal be taken therefrom in the manner prescribed in this chapter, shall be binding upon the director, provided that the proposed sale, transaction, issue or security when consummated or issued conforms in every relevant and material particular with the facts as set forth in the verified statement as submitted.

SB 247, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.18-110 is amended to read as follows:

(1) Any group policy as defined in KRS 304.18-020 delivered or issued for delivery in this state which provides hospital or surgical benefits other than for specific diseases or accidental injury only, shall provide that if coverage terminates for any reason and if the individual has been continuously insured under a group policy and under any group policy it replaces for at least three months immediately preceding the termination of coverage, he shall be entitled to have issued to him by the insurer, without evidence of insurability, a health insurance policy on a form *providing substantially similar benefits, which shall include the option to continue any existing maternity benefits* [then available for conversion from the group coverage], by making written application therefor, accompanied by the first quarterly, semiannual or annual premium, at the option of the person or member, to the insurer not later than thirty-one (31) days after such termination of coverage. Such premium shall be in accordance with the insurer's table of premium rates in effect on the later of (a) the effective date of the converted policy or (b) the date of application therefor, and applicable to the class of risk to which the covered persons belong and to their ages and to the form and amount of insurance provided.

(2) The converted policy shall cover the person or member and his eligible dependents covered by the group policy on the date the group policy terminated. The effective date of any such converted policy shall be the date of termination of insurance under the group policy.

(3) The insurer shall not be required to issue a converted policy covering any person if such person is or could be covered by Medicare (Title XVIII of the United States Social Security Act as added by the Social Security Amendments of 1965 or as later amended or superseded). Furthermore, the insurer shall not be required to issue a converted policy covering any person if (a) such person is covered for similar benefits by another hospital or surgical or medical expense insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan or by any other plan or program or (b) similar benefits are provided for, or available to, such person pursuant to, or in accordance with the requirements of, any statute, and the benefits provided or available under any of the sources referred to in (a) and (b) above for such person, together with the converted policy, would result in over insurance according to the insurer's standards relating to policies converted from group policies. A converted policy made available pursuant hereto shall *provide substantially similar benefits but in no event be less than the minimum standards contained in* [comply with] KRS 304.18-120 if delivery of such converted policy is to be made in this state; and, if delivery of such converted policy is to be made elsewhere, it may be on such form as the insurer may then be offering for such conversion in the jurisdiction where such delivery is to be made and which provides substantially in compliance with that required by KRS 304.18-120.

(4) In the event coverage would be continued under the group policy on a person or member following his retirement prior to the time he is or could be covered by Medicare, he may elect, in lieu of such continuation of group insurance, to have the same conversion rights as would apply had his insurance terminated at retirement by reason of termination of employment.

(5) The conversion privilege shall also be available: (a) to the surviving spouse, at the death of the person or member, with respect to the spouse and such children whose coverage under the group policy terminates by reason of the death of the person or member*; or* [and] (b) to a child solely with respect to himself upon termination of his coverage by reason of operation of the limiting age of coverage under the group policy while covered as a dependent thereunder*; or (c) to a former spouse for himself and such children of whom he is awarded custody when coverage under the group policy terminates by reason of termination of dependency as defined in the group policy and resulting from an order dissolving the marriage entered by a court of competent jurisdiction.*

(6) This section shall not apply to group major medical expense insurance which supplements basic hospital, medical and surgical coverage under one or more group policies, group contracts or group remittance contracts from which a converted policy or a continuation of coverage is available providing benefits equivalent to the minimum benefits for a converted policy under this section.

(7) If a person or member becomes entitled to obtain a converted policy pursuant to the foregoing provisions, and if such person or member has not been given written notice of the existence of the conversion privilege stated above, within thirty-one (31) days of termination of the group coverage, then in such event the person or member shall have an additional period within which to exercise the conversion privilege. This additional period shall expire fifteen (15) days after the person or member shall have been given said notice but in no event shall the additional period extend beyond sixty (60) days after the expiration of the thirty-one (31)-day conversion period stated above. (2) The form, content and location in which the sticker or emblem required by subsection (1) of this section shall be affixed shall be prescribed by the commissioner by regulation. All such stickers or emblems shall be supplied by or under the authority of the department of insurance and shall be serially numbered for the purpose of determining the identity of the insurer of the vehicle and its owner for which it was issued.

(3) All stickers or emblems issued pursuant to this section shall be the property of the Commonwealth and shall be affixed by the owner to the vehicle covered by the required security only during such time as such security which it represents remains in full force and effect. Every vehicle owner shall immediately remove from such vehicle any sticker or emblem representing security which he knows has been terminated, cancelled, impaired or is otherwise ineffective to serve as security for such vehicle.

(4) Every vehicle owner meeting the security requirements of this subtitle through the purchase of a contract of insurance shall obtain within thirty (30) days a sticker or emblem evidencing such security from the authorized insurance company (or its authorized agent) with which he has contracted for such security. The commissioner shall furnish or authorize for each insurer sufficient quantities of such stickers or emblems as they may require for each vehicle which such insurer reasonably expects to insure during each annual period for which its policies of insurance are expected to be in force.

(5) Every vehicle owner meeting the security requirements of this subtitle through becoming a qualified self-insurer or an uninsured obligated government shall obtain a sticker or emblem directly from the commissioner. *A sticker or emblem evidencing coverage of a vehicle by a qualified self-insurer shall not expire until that self-insurer ceases to own the vehicle or ceases to be a qualified self-insurer for that vehicle.*

(6) Every authorized insurance company which cancels or refuses to renew any contract of insurance on any vehicle insured by it for any vehicle owner prior to the normal expiration date of the sticker or emblem which it has furnished such owner for such vehicle shall notify such owner the date of which such sticker shall no longer be in full force and effect and should be removed from the vehicle.

(7) Every authorized insurance company which cancels any contract of insurance required by KRS 304.39-080(5) in accordance with KRS 304.20-040(2) shall provide the commissioner of the bureau of state police notice of such cancellation as well as with notice to the insured.

(8) Every authorized insurance company shall provide notice of cancellation to the commissioner of the bureau of state police within thirty (30) days following the voluntary cancellation of a policy of insurance required by KRS 304.39-080(5) by a policyholder during the policy period.

(9) Every authorized insurer shall, upon request of the commissioner, furnish to the commissioner with regard to any numbered sticker or emblem furnished by it the name of the owner for whom the security was provided, the vehicle insured by such security and the beginning and ending dates during which the security was in full force and effect.

(10) Upon complaint by any person filed with the commissioner on a form to be prescribed by him alleging that any sticker or emblem was improperly affixed to any vehicle because the security therefor was not then in full force and effect, the commissioner shall determine the probable validity of said complaint by inquiry pursuant to subsection (9) of this section and shall certify the results of his findings to the complainant and, if the security was not in effect on the date alleged, shall send a copy thereof to the commissioner of the bureau of state police who shall enforce the penalties provided for in KRS 304.99-060.

(11) The commissioner may by regulation provide for:

(a) A temporary certificate or binder of insurance coverage which may be displayed in lieu of the sticker or emblem required by this section for a period not to exceed thirty (30) days during which time the owner of such vehicle shall secure the permanent sticker or emblem required by subsection (1) of this section;

(b) Every motor vehicle dealer or owner of more than five (5) motor vehicles providing the required security under an insurance policy that provides automatic coverage for all owned vehicles may be furnished a supply sufficient for his needs of stickers, emblems or other evidence of such security by his insurer.

(12) All state, city and county police officers shall issue a citation for violation of this section to the owner or operator of any vehicle which has neither a current sticker or emblem affixed thereto or a temporary certificate or binder of insurance as required by this section.

be specified in regulations or in rules prescribed under this statute, sums in accordance with the following schedule:

(a) A credit union in operation for more than four (4) years and having assets of five hundred thousand dollars ($500,000) or more shall set aside:

2. Five percent (5%) of gross income until the regular reserve shall equal six percent (6%) of the total of outstanding loans and risk assets.

(b) A credit union in operation less than four (4) years or having assets of less than five hundred thousand dollars ($500,000) shall set aside:

1. Ten percent (10%) of gross income until the regular reserve shall equal seven and one-half percent (7 ½%) of the total of outstanding loans and risk assets, then

2. Five percent (5%) of gross income until the regular reserve shall equal ten percent (10%) of the total of outstanding loans and risk assets.

(c) Whenever the regular reserve falls below the stated percent of the total of outstanding loans and risk assets, it shall be replenished by regular contributions in such amounts as may be needed to maintain the stated reserve goals [close of each fiscal year each credit union shall set apart to the reserve fund, 20 per cent of its net income accumulated during the year, until the reserve fund equals 10 per cent of outstanding loans or shares, whichever is greater. Upon the recommendation of the board of directors, the members at an annual meeting may increase the proportion of net income to be set apart to the reserve fund].

(3) *The commissioner of the department of banking and securities may decrease the reserve requirements set forth in Section 2 of this Act when in his opinion such a decrease is necessary or desirable. (2) The board of directors may authorize an interest refund to members of record in proportion to interest on loans paid by the member for the period preceding the interest refund date.

Section 5. KRS 290.280 is amended to read as follows:

(1) If any credit union fails to make the report prescribed by KRS 290.090 within fifteen (15) days after it is due, or fails to pay the charges required by this chapter, including the charges for delay in filing reports, the commissioner shall give notice to the credit union of his intention to revoke the certificate of approval of the corporation. If such failure continues for fifteen (15) days after the notice, the commissioner may, in his discretion, revoke the certificate of approval and take possession of the property and business of the credit union until such time as the commissioner permits it to resume business, or until its affairs are liquidated.

(2) *The commissioner may restrict the withdrawal of shares or deposits from any credit union when he finds circumstances make such restriction necessary for the proper protection of shareholders or depositors* [When it appears to the commissioner that any credit union has violated any of the provisions of this chapter, or any rule or regulation adopted pursuant thereto, he may, after an opportunity for hearing has been given such credit union, make an order, over his signature and official seal, directing the credit union to discontinue the illegal practices specified in the order. If any credit union is insolvent, has violated any of the provisions of this chapter or has failed to comply, within a reasonable time, with any order mailed to the last address recorded with the commissioner by the credit union, then the commissioner, or one of his deputies, shall take possession of the business and property of the credit union as soon as practicable, and shall retain such possession until the commissioner permits it to resume business, or until its affairs are liquidated].

(3) The commissioner may order any person to cease violating any provision of the credit union laws of this state or any lawful rule issued thereunder, or to cease engaging in any unsound credit union practice.

(4) The commissioner may suspend or remove a director, officer, committee member or employe of a credit union who becomes ineligible to hold his position or, who after receipt of an order to cease under subsection (3) of this section, violates the credit union laws of this state or a lawful rule or order issued thereunder, or who is dishonest, reckless or grossly incompetent in the conduct of credit union business. Each suspension or removal order shall specify the grounds therefor, and a copy of the order shall be sent to the credit union concerned.

(5) The commissioner shall have the power to subpoena witnesses, compel their attendance, require the production of evidence, administer oaths, and examine any person under oath in connection with any subject relating to a duty imposed upon or a power vested in the commissioner.

(6) When it appears to the commissioner that any credit union is being operated in an unsound fiscal manner, either by the directors or their agents, he may after an opportunity for hearing has been given such credit union, make an order, over his signature, directing the credit union to discontinue the practices specified in the order. If the credit union does not comply to the satisfaction of the commissioner within thirty (30) days after date of said order, then the commissioner, or one of his departmental designees, may take possession of the business and property of the credit union as soon as practicable and retain such possession until the commissioner permits it to resume business or until the commissioner orders it to be liquidated.

(2) The commissioner, upon receipt of satisfactory proof of the solvency of the corporation, shall issue to such corporation a certificate in triplicate to the effect that such consent and statement have been filed, and that it appears that such corporation has complied with subsection (1) of this section. One (1) certificate shall be filed by the corporation in the office of the clerk of the county in which the corporation has its place of business and another in the office of the secretary of state, and thereupon such corporation shall be dissolved and shall cease to carry on business except for the purpose of adjusting and winding up its affairs.

(3) The corporation, by its board of directors, shall then proceed to adjust and wind up its business and may carry out its accounts receivable, and liquidate its assets and apply the same in discharge of its obligations. After paying such obligations, each share, according to the amount paid thereon, shall be entitled to its proportion of the balance of the assets.

(4) The corporation shall continue in existence for the purpose of discharging its debts or obligations, collecting and distributing its assets, and doing all other acts necessary to wind up its business, and may sue and be sued for the purpose of enforcing such debts and obligations until its affairs are fully adjusted and wound up.

Section 7. KRS 290.295 is amended to read as follows:

Any credit union may, with the approval of the commissioner, merge with any other credit union chartered by this Commonwealth [and located in the capital city of the Commonwealth of Kentucky and operated solely for the benefit of the employes of the Commonwealth of Kentucky]. (2) Whenever, in the judgment of the commissioner, the condition of any credit union organized under the provisions of this chapter renders it necessary or expedient to make an examination or to devote any extraordinary attention to its affairs, the commissioner shall cause such work to be done. A full and complete copy of the report of all examinations shall be furnished to the credit union so examined. Such report of examination shall be presented by the president to the board of directors at its next regular or special meeting.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 217B.130 is amended to read as follows:

(1) *The department shall not issue a pesticide applicator license in the category of right-of-way pest control or in any aerial pesticide application category until the applicant has furnished evidence of financial responsibility with the department consisting either of a surety bond or a liability insurance policy, or certification thereof, protecting persons who may suffer legal damages as a result of the applicant. All other categories shall be exempt from the requirement to furnish financial responsibility* [The department shall not issue a pesticide applicator's license until the applicant has furnished evidence of financial responsibility with the department consisting either of a surety bond or a liability insurance policy or certification thereof protecting persons who may suffer legal damages as a result of the operations of the applicant with the exception of applicators using only ground equipment for applying pesticides to agricultural lands, crops, or plants. When a license is issued without evidence of financial responsibility, equipment to be used by the licensee shall be required to display a license plate or decal issued by the department at no cost to the applicant, with an inscription informing persons that the applicator or licensee does not provide protection against losses arising from the application of pesticides under KRS 217B.130. It is the responsibility of the licensee to notify the department in writing if any changes in status are to be made].

(2) The amount of the surety bond or liability insurance as provided for in this section shall be not less than $100,000 for public liability and not less than $25,000 for property damage, including loss or damage arising out of the actual use of any pesticide. Such surety bond or liability insurance shall be maintained at not less than those amounts at all times during the licensed period. The department shall be notified ten (10) days prior to any reduction at the request of the applicant or cancellation of such surety bond or liability insurance by the surety or insurer. The total and aggregate of the surety and insurer for all claims shall be limited to the face of the bond or liability insurance policy. The department may accept a liability insurance policy or surety bond in the proper sum which has a deductible clause in an amount not exceeding $1,000 for all applicators for the total amount of liability insurance or surety bond required herein. If the applicant has not satisfied the requirements of the deductible amount in any prior legal claim, such deductible clause shall not be accepted by the department unless such applicant furnishes the department with a security bond or liability insurance which shall satisfy the amount of the deductible as to all claims that may arise in his application of pesticides.

(3) Should the surety furnished become unsatisfactory, said applicant shall upon notice execute a new bond or insurance and shall he fail to do so, the department shall cancel his license and it shall be unlawful thereafter for such person to engage in said business of applying pesticides until the bond or insurance is brought into compliance with the requirements of subsection (2) of this section and his license is reinstated by the department.

(4) Nothing in this chapter shall be construed to relieve any person from liability for any damage to the person or lands of another caused by the use of pesticides even though such use conforms to the rules and regulations of the department.

(1) All deeds, mortgages and other instruments required by law to be recorded to be effectual against purchasers without notice, or creditors, shall be recorded in the county clerk's office of the county in which the property conveyed, or the greater part thereof, is located.

(2) No county clerk or deputy county clerk shall admit to record any deed of conveyance of any interest in real property equal to or greater than a life estate, unless the deed plainly specifies and refers

If the property or interest therein is obtained by inheritance or in any other way than by recorded instrument of writing, the deed offered for record shall state clearly and accurately how and from whom the title thereto was obtained by the grantor.

(4) If the title to the property or interest conveyed is obtained from two or more sources, the deed offered for record shall plainly specify and refer to each of the sources in the manner provided in subsections (2) and (3), and shall show which part of the property, or interest therein, was obtained from each of the sources.

The taking date for valuation purposes shall be either the date the condemnor takes the land, or the date of the trial of the issue of just compensation, whichever occurs first.

(3) If a trial is held for the fixing of the amount of compensation to be awarded to an owner of or party having an interest in property being taken for a public purpose, the courts shall award the condemnee reasonable attorneys' fees and reasonable expert witness fees in the event of any of the following:

"Section 2. KRS 198B.060 is amended to read as follows:

(1) Each local government in the state of Kentucky shall employ a building official or inspector and other code enforcement personnel as necessary, or shall contract for such services in accordance with subsections (7) and (9) of this section to enforce the uniform state building code within the boundaries of its jurisdiction, and shall neither adopt nor enforce any other ordinance regulating buildings which conflicts with the uniform state building code, *except that a city of the first class may adopt an electrical code more stringent, but not less stringent than the national electrical code, and* except that a building code adopted by a local government prior to March 28, 1978 may continue in effect until such time as the uniform state building code becomes mandatory within that local government jurisdiction.

(2) Local governments shall be responsible for the examination and approval or disapproval of plans and specifications for buildings of no more than three (3) stories in height, exclusive of attic and basement, which do not contain more than 20,000 square feet of floor area, and are not intended for assembly, educational, institutional or high hazard occupancy, business or industrial occupancy in excess of 100 persons, or for use as a frozen food locker plant as defined in KRS 221.010. Local governments shall be responsible for the issuance and revocation of building permits, licenses, certificates and similar documents which cover activities within their area of responsibility, and the inspection of all buildings pursuant to the provisions of this chapter and the uniform state building code. Each local government issuing a building or demolition permit or an initial certificate of occupancy on a new structure shall send a copy of such permit or certificate to the commissioner for his use in maintaining an accurate housing inventory for Kentucky.

(3) Urban-county governments may determine service districts within their boundaries within which farm dwellings and other farm buildings, not used in the business of retail trade or as a place of regular employment for ten (10) or more people, shall be exempt from the requirements of the uniform state building code. Such determination may be reviewed and altered by the board.

(4) The department shall be responsible for the examination and approval or disapproval of plans and specifications for all buildings which are not the responsibility of local governments. The department may issue and revoke permits, licenses, certificates and similar documents within its area of responsibility, and shall have concurrent jurisdiction with local governments for the inspection of all buildings pursuant to the provisions of this chapter and the uniform state building code. If the commissioner determines that the local jurisdiction is not adequately performing any portion of its program, he may recommend to the board that the department preempt that portion of a local program. The commissioner shall explain his reasons for preemption in writing and provide a copy to the board and the local jurisdiction. The local jurisdiction may appeal the recommended preemption directly to the board, and the board shall review such appeal according to the procedures found in subsections (8) through (12) of KRS 198B.070. No preemption by the department shall take place until the final decision of the board. If the department preempts any portion of a local program, it shall collect the fees applicable to that portion of the program.

(5) Any local government may petition the commissioner requesting that additional plan review functions be allocated to that local government. Such petition shall include evidence of the local government's capability to perform additional plan review functions. The commissioner, after review of the petition and supporting evidence, may grant or deny to the local government any part of a request for additional responsibility. If the commissioner denies any part of a petition, he shall explain his reasons for denial in writing, and provide a copy to the board and the local government. A local government may appeal such denial directly to the board, and the board shall review such appeal according to the procedures found in subsections (8) through (12) of KRS 198B.070. Should the local government be granted additional responsibility by the

commissioner or the board, the department shall hold concurrent jurisdiction over such additional responsibility, but the local government shall collect any fees for functions it performs pursuant to such additional responsibility.

(6) The commissioner shall expedite the review of plans and specifications by assigning responsibilities and coordinating review activities among the department's various functional offices so as to prevent unnecessary duplication in the review of plans and specifications.

(7) Upon the effective date of the uniform state building code, no building shall be constructed in this state until a local building official and an official representing the department, if the department has jurisdiction, issue a permit for such construction. The local building official or the representative of the department shall issue a permit if the proposed building satisfies the requirements of the uniform state building code and if the party desiring to construct the building has complied with all other legal requirements concerning the location and construction of said building. The applicant for a building permit, by the act of applying for the permit, is deemed to have consented to inspection, by the local government or the department, of such building during construction and upon the completion of construction for the purpose of determining that such building is constructed in compliance with the uniform state building code. This section shall apply to industrialized building systems but destructive disassembly of industrialized building systems which carry a seal of approval pursuant to a manufactured building law in the state in which they were manufactured, which seal of approval is accepted by the board of housing, buildings and construction, shall not be performed in order to conduct such tests or inspections.

(8) No building on which construction was begun nor any industrialized building system on which site preparation and assembly were begun after the uniform state building code became effective shall be occupied until the local building official or a representative of the department issues a certificate of occupancy certifying that the building was constructed in conformance with the standards of the uniform state building code, or assembled or installed in conformance with applicable instructions.

(9) A local government may associate with other local governments, and may seek the technical assistance of other agencies or area development districts in order to provide for the local enforcement of the uniform state building code.

(10) Each local government and the department may establish a schedule of fees for the functions performed under the provisions of this chapter. Such fees shall be designed to fully cover the cost of the service performed but shall in no case exceed the cost of the service performed. Fees payable to the department shall be paid into the state treasury and credited to a trust and agency fund to be used by the department in carrying out the provisions of this chapter. No part of this fund shall revert to the general fund of the Commonwealth."

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

(1) It is the intent and purpose of the General Assembly to recognize that disabled persons have varying degrees of disability.

(2) Persons who are only partially disabled must be legally protected without a determination of total incompetency and without the attendant deprivation of civil and legal rights that such a determination requires.

(3) Guardianship and conservatorship for disabled persons shall be utilized only as is necessary to promote their well-being, including protection from neglect, exploitation, and abuse; shall be designed to encourage the development of maximum self-reliance and independence in each person; and shall be ordered only to the extent necessitated by each person's actual mental and adaptive limitations.

(4) If the court determines that some form of guardianship or conservatorship is necessary, partial guardianship or partial conservatorship shall be the preferred form of protection and assistance for a disabled person.

SECTION 2. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

As used in this Act unless the context otherwise requires:

(1) "Conservator" means an individual, agency, or corporation appointed by the court to manage the financial resources of a disabled person.

(2) "Limited conservator" means an individual, agency, or corporation appointed by the court to assist in managing the financial resources of a partially disabled person and whose rights, duties, and powers have been specifically enumerated by court order.

(3) "Development disability" shall be defined as provided in Public Law 94-103, or as amended.

(4) "Disabled" means a legal, not a medical disability, and is measured by functional inabilities. It refers to any person fourteen (14) years of age or older who is:

(a) Unable to make informed decisions with respect to his personal affairs to such an extent that there is a risk that he will substantially endanger his physical safety or health by conduct demonstrating danger to self or by failure to provide adequate medical care, food, clothing, or shelter; or

(b) Unable to manage his property effectively to such an extent that there is a risk the property will be wasted or dissipated unless proper management is provided.

Such inability shall be evidenced by acts or occurrences within six (6) months prior to the filing of the petition for guardianship or conservatorship and shall not be evidenced solely by isolated instances of negligence, improvidence, or other behavior.

(5) "Partially disabled" refers to an individual whose ability to manage his personal or financial affairs is impaired to the extent that he needs protection or assistance, but who cannot be found to be fully disabled as provided in subsection (4) of this section.

(6) "Guardian" means a person appointed by the court to have full care, custody, and control of a disabled person. One person may be appointed as guardian with the powers of a conservator.

(7) "Limited guardian" means a guardian who possesses fewer than all of the legal powers and duties of a full guardian, and whose powers and duties have been specifically enumerated by court order.

(8) "Mentally ill person" means a person with substantially impaired capacity to use self-control, judgment, or discretion in the conduct of his affairs and social relations, associated with maladaptive behavior or recognized emotional symptoms where impaired capacity, maladaptive behavior, or emotional symptoms can be related to physiological, psychological, or social factors.

(9) "Interdisciplinary evaluation report" means an evaluation of a respondent performed to determine whether he is partially disabled or disabled as defined in this Act. Each interdisciplinary evaluation report shall be compiled by at least three (3) individuals, including: (a) a physician, (b) a social worker

with a graduate degree in social work, and (c) a psychologist licensed under the provisions of KRS Chapter 319. At least one (1) person participating in the compilation of the report shall have knowledge of the particular disability which the respondent is alleged to have or knowledge of the skills required of the respondent to care for himself and his estate as provided in this Act.

If the respondent is alleged to be partially disabled or disabled due to mental illness, the social worker and psychologist participating in the compilation of the interdisciplinary evaluation report shall be qualified mental health professionals as defined in KRS 202A.010(10). If the respondent is alleged to be partially disabled or disabled due to mental retardation, the social worker and psychologist participating in the compilation of the evaluation report shall be qualified mental retardation professionals as defined in KRS 202B.010(3).

(10) "Plaintiff" means the Commonwealth of Kentucky.

(11) "Respondent" means an individual alleged in a hearing under this Act to be a partially disabled or disabled person.

(12) "Ward" means a person for whom a limited guardian, guardian, limited conservator, or conservator has been appointed.

(13) "Committee" means a person appointed by the court prior to the enactment of this Act to act as guardian of the person and the estate of a disabled adult.

(14) "Curator" means a person appointed by the court to manage the financial resources of an adult who has not been determined to be disabled or partially disabled.

If the respondent or ward is a resident of a long-term care facility as defined in KRS 216.510(1), or a psychiatric hospital, or a boarding home, or a group home, venue shall lie in the county wherein that facility is located or the county of domicile, or the county wherein the parent of the respondent or ward is domiciled if the respondent or ward is a minor. Nothing in this section shall preclude transfer of venue for good cause shown.

(3) If respondent or ward is not a resident of this state, the venue shall be in any county where property of that person is located.

(4) An appeal from a final judgment or order made and entered in proceedings under this Act shall be taken in the same manner as other appeals from district court to circuit court by the respondent, ward, or by any person interested in the person or estate of the respondent or ward. Such appeal shall be advanced on the circuit court docket without motion or notice.

(5) The burden of proof shall be on the plaintiff to prove the allegations of disability or partial disability by competent evidence and to establish such proof beyond a reasonable doubt.

(6) A limited guardian, guardian, limited conservator, or conservator shall not be appointed unless at least one (1) of the persons who participated in the interdisciplinary evaluation required by this chapter testifies in person at the hearing. This section shall not be interpreted to preclude the respondent from requiring the testimony of more than one (1) person participating in the preparation of the evaluation report.

SECTION 9. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

(4) If it is found beyond a reasonable doubt that the respondent is totally without capacity to manage his financial affairs, but is not disabled or partially disabled in managing his personal affairs, the court shall appoint a conservator to manage the financial resources of the ward.

(5) If it is found beyond a reasonable doubt that the respondent is disabled in managing both his personal and financial affairs, the court shall appoint a guardian with all of the powers and duties of a conservator, unless the court considers it in the best interest of the ward to appoint both a guardian and a conservator. (10) If the respondent is determined to be disabled or partially disabled but no guardian or conservator is appointed at the hearing, the determination shall have no legal effect until such appointment is made. Appointment of a limited guardian, guardian, limited conservator or conservator shall be made no later than sixty (60) days following the determination.

(11) The rights of which a ward is legally deprived upon appointment of a guardian with all of the powers and duties of a conservator include, but are not limited to, the right to vote, dispose of property, execute instruments, make purchases, enter into contractual relationships, determine his living arrangements, consent to medical procedures, and obtain a motor vehicle operator's license.

(12) A partially disabled or disabled person for whom a limited guardian, limited conservator, or conservator has been appointed retains all legal and civil rights except those which have by court order been designated as legal disabilities or which have been specifically granted to the limited guardian, limited conservator, or conservator. A ward who is partially disabled may be subject to some but not all of the disabilities specified in subsection (11) of this section.

SECTION 11. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

SECTION 12. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

The ward, limited guardian, guardian, limited conservator, or conservator or any interested person on behalf of the ward may petition the court for a discharge or modification order.

(2) A request under subsection (1) of this section, if made by the ward, may be communicated to the court by any means, including but not limited to oral communication or informal letter.

(3). Upon receipt of a petition filed pursuant to this section, the court shall inquire into the facts within ten (10) days. The court may, with or without a hearing, dismiss the petition for good cause shown or alter the specifications of the original order in the following manner:

(4) Prior to reviewing the petition for discharge or modification, the court may order that an interdisciplinary evaluation be performed following the same procedures as are specified in subsection (2) of Section 4 of this Act. The time period in which the court must review a petition may be extended for an appropriate period of time if an evaluation is ordered by the court.

(5) If the original order is dissolved and no further order is issued, the ward shall be relieved of all legal disabilities. The court shall enter an order and judgment restoring to the person all of the rights and privileges of a citizen.

(6) The clerk of the court shall transmit a certified copy of the restoration judgment or modification to the state central registry provided for in Section 13 of this Act and to the originating court, if the judgment or modification is ordered by a court other than the court in which the person was declared partially disabled, disabled, or incompetent prior to the effective date of this Act.

The title of such committee shall be guardian. The committee shall, within one (1) year from the effective date of this Act, petition for modification of the original order if a less restrictive guardianship or conservatorship would be more appropriate.

(2) In all instances where an adjudication of incompetency was entered prior to the effective date of this Act and no committee has been appointed, the order of incompetency shall be considered null and void if no guardian or conservator is appointed within ninety (90) days of the effective date of this Act.

SECTION 15. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

SECTION 16. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

The court may assign to a limited guardian any portion of the powers and duties specified in Section 17 of this Act for those particular areas in which the ward is impaired or incapacitated in his abilities to meet the essential requirements for his physical health or safety. The court may assign other duties as are necessary to enhance the ward's safety and well being. A limited guardian shall comply with the reporting requirements specified by Section 18 of this Act which pertain to his powers and duties as specified by the court, provided that all reports submitted shall encompass the provisions of paragraphs (d) and (e) of Section 18(1).

For purposes of this subsection, the interdisciplinary evaluation report may be one performed within two (2) months prior to the placement for purposes of determining whether such placement is necessary and appropriate, or may be an evaluation and assessment provided by the residential facility immediately after placement.

(2) To make provision for the ward's care, comfort, and maintenance and arrange for such training, educational, social, vocational, and rehabilitation services as are appropriate and as will assist the ward in the development of maximum self-reliance and independence;

(3) To give any necessary consent or approval to enable the ward to receive medical or other professional care, counsel, treatment or service, except that a guardian may not consent on behalf of a ward to an abortion, sterilization, psychosurgery, removal of a bodily organ or amputation of a limb, unless the procedure is first approved by order of the court or is necessary to preserve the life or prevent serious impairment of the physical health of the ward.

(4) To act with respect to the ward in a manner which limits the deprivation of civil rights and restricts his personal freedom only to the extent necessary to provide needed care and services to him;

(5) To expend sums from the financial resources of the ward to cover the reasonable costs incurred on behalf of that person. The guardian may assist in managing or manage the financial resources of the ward consistent with the provisions governing conservators and limited conservators if specifically authorized to do so by the court. If a separate limited conservator or conservator has been appointed for the ward, the expenditure of funds by the guardian shall be consistent with the duties assigned to and procedures and policies established by such limited conservator or conservator. Conflicts arising between a guardian and a conservator regarding the expenditure of funds which are unable to be otherwise resolved shall be submitted to the court for resolution.

(3) The court shall review the report required in subsection (1) of this section and take whatever action it considers necessary to enhance the well-being of the ward.

SECTION 19. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

It shall be the general duty of the limited conservator or conservator to carry out, diligently and in good faith, the specific duties and powers assigned by the court and to:

The limited conservator or conservator shall provide a copy thereof to the ward, if he has sufficient mental capacity to understand it, and to any parent or guardian with whom the ward resides.

SECTION 20. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

A limited conservator shall comply with the reporting requirements of Sections 19 and 22 of this Act.

SECTION 21. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

(1) A conservator has all of the powers conferred herein and any additional powers conferred by law on trustees in this state. The conservator may take possession of all of the ward's real and personal property, and of all rents, incomes, and benefits therefrom, whether accruing before or after his appointment, and of the proceeds arising from the sale, mortgate, lease or exchange thereof. Subject to such possession the title of all such estate and to the increment and proceeds thereof shall be to the ward and not to the conservator. It is the duty of the conservator to protect and preserve the estate, to retain, sell and invest it as hereinafter provided, prosecute or defend actions, claims or proceedings in any jurisdiction for the protection of the estate's assets, to account for it faithfully, to perform all other duties required by him by law, and, at the termination of the conservatorship, to deliver the assets of the ward to the persons lawfully entitled thereto.

The annual report shall specify the amount and type of real and personal property received by the conservator and remaining in his control or invested by him, the nature of such investment, and his receipts of monies disbursed and expenditures during the preceding year. Upon request of the court, the conservator shall produce for examination any information or documentation which the court may consider relevant to the accounting of the financial and property transactions of the estate.

(2) A limited conservator or conservator shall also submit a report to the court when:

The court may require a limited conservator or conservator to furnish a bond, with a surety satisfactory to the court, for the faithful discharge of all duties and powers assigned in the dispositional order or any modification thereof. The court may accept, in lieu of sureties on a bond, other security for the performance of the bond, including a pledge of securities or a mortgage of land. A bond without sureties may be given if the gross value of the estate of the ward does not exceed twenty-five hundred dollars ($2500).

SECTION 24. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

(1) A parent, spouse or child of a partially disabled or disabled person who has been appointed as limited guardian, guardian, limited conservator, or conservator of that person may, by will, designate an individual to succeed in that capacity upon the testator's death, providing that the testator is serving in that capacity at the time of his death. The testamentary appointment becomes effective upon the filing of the guardian's acceptance in the court in which the will is probated if, before acceptance, both parents are dead or the surviving parent is adjudged disabled. Upon acceptance of the appointment, written notice of acceptance must be given by the guardian to the ward or his nearest adult relative.

(2) The testamentary guardian shall possess the powers of the initially appointed guardian, shall be entitled to receive upon request a copy of the court order creating or modifying the initial guardianship, and shall serve subject to the power of the court which appointed the initial guardian to reduce the scope of the guardianship authority or to dismiss a guardian. If the will appointing a testamentary guardian is determined to be invalid, the court, in considering who shall be appointed guardian, shall give preference to the testamentary nominee.

SECTION 25. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

(1) The court may exercise the powers of a limited guardian or limited conservator or may appoint an individual or agency to exercise such powers if, during the pendency of a proceeding initiated under this Act, it appears that there is danger of serious impairment to the health or safety of the respondent or damage or dissipation to his property if immediate action is not taken.

(2) If the court exercises the powers of a limited guardian or conservator or appoints another to do so in an emergency situation as set forth in subsection (1) of this section, the court shall state on the record findings of fact as to the danger determined to be imminent and the sources relied on in arriving at such determination. The court shall state specifically the type of assistance to be provided, the powers and duties of the temporary guardian, or conservator and the duration of his appointment.

(3) If the court, pursuant to subsection (1), exercises the powers of a guardian or conservator or appoints a temporary guardian or conservator pending an appeal or action in relation to the appointment of a guardian or conservator under this Act, a hearing shall be held within fourteen (14) days to determine whether the respondent is in need of additional services of a guardian or conservator for the respondent's welfare or protection during the pendency of the appeal or action. If the court determines beyond a reasonable doubt that a need exists, the court may appoint a temporary guardian or conservator whose powers

and duties shall be specifically enumerated by court order and whose authority shall expire upon resolution of the appeal or action.

(4) At a hearing held pursuant to either subsection (1) or (3) of this section, a respondent shall have all the rights and privileges otherwise available to a person subject to proceedings under this Act.

SECTION 26. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

On appointment of a limited guardian, guardian, limited conservator, or conservator, the court may designate another eligible individual or entity to assume the powers and duties assigned to the limited guardian, guardian, limited conservator, or conservator upon his resignation, death, or disability. The individual so designated shall file an acceptance with the court within ten (10) days of the resignation, death, or determination of legal disability of his predecessor. An individual serving on a standby basis may exercise all the duties and powers assigned to his predecessor upon filing of his acceptance, unless otherwise ordered by the court. In an emergency situation and in the absence and unavailability of the initially appointed guardian or conservator, the standby guardian or conservator may temporarily assume the powers and duties of the initially appointed guardian or conservator.

SECTION 27. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

(2) Following the dismissal or withdrawal of a petition filed under this chapter or a determination that a respondent is no longer disabled, the respondent may at any time move to have all court records pertaining to the proceedings expunged from the files of the court, provided that he submits a full release of all claims arising from the proceedings.

(3) Any person seeking to obtain confidential information contained in the court files or the court records of proceedings under this Act may file a written motion setting out the reason the information is needed. A district court judge may issue an order to disclose such information if he finds the disclosure appropriate under the circumstances and in the best interest of the person or the public. The court shall maintain a log of the individuals and entitles granted access to the file.

The physician may, at the time of such admission, initiate without delay any application for an emergency hospitalization order, or other involuntary hospitalization as provided by this chapter, *or* KRS Chapter [203 or] 210.

(2) The authorized staff personnel admitting the individual for involuntary hospitalization under the provisions of subsection (1) of this section must certify in the record of the individual that in their opinion the individual is a mentally ill person and presents an immediate danger or an immediate threat of danger to self or others, as a result of mental illness, if not restrained. The authorized staff personnel admitting a mentally ill person shall further certify in the medical record of the individual that treatment which will reasonably benefit the individual is available at the facility to which he has been admitted and that hospitalization is the least restrictive alternative mode of treatment.

(3) Any person may be admitted to a hospital upon the certification of two (2) physicians, or one (1) physician and one (1) qualified mental health professional, that they have examined the person and have concluded that he is a mentally ill person; that because of his illness he is in need of care and can reasonably benefit from treatment in a hospital; that hospitalization is the least restrictive alternative mode of treatment; and because of such illness he presents an immediate danger or an immediate threat of danger to self or others if not restrained. No person shall be admitted to a hospital on the basis of such certification at any time after the expiration of three (3) days from the date of the examination.

(4) Any individual who has been admitted to a hospital under subsections (1) or (3) of this section shall be released from the hospital within seventy-two (72) hours (excluding weekends and holidays) unless a proper petition for further hospitalization has been filed under the provisions of this chapter, in which case the individual may be retained until the proceeding is terminated by a judgment or an order of the appropriate court. In no case shall the patient be retained in the hospital longer than twenty-one (21) days from the date of application under this section without a hearing and order of the appropriate court pursuant to the applicable provisions of this chapter, unless the patient agrees to remain voluntarily.

Section 31. KRS 202A.070 is amended to read as follows:

(1) Proceedings for involuntary hospitalization of an individual for sixty (60) consecutive days may be initiated by filing a petition as described in this chapter in the appropriate circuit court.

(3) As soon as practicable, after notice of the commencement of the proceedings is given to the respondent, the court shall appoint two (2) physicians to examine the respondent and certify to the court their findings as to whether the respondent is a mentally ill person who presents an immediate danger or an immediate threat of danger to self or others as a result of mental illness and who can reasonably benefit from treatment. Each physician shall also certify as to whether in his opinion hospitalization is the least restrictive alternative mode of treatment presently available. The examination shall be held at a hospital or other medical facility or any other suitable place not likely to have a harmful effect on the patient's health.

(4) The court may, after reviewing the allegations contained in the petition, issue a warrant for the arrest of the person named in the petition. Such person if arrested on such warrant shall be conveyed immediately to any hospital, medical facility or institution approved by the secretary and shall be there examined by two (2) physicians. The physicians shall certify to the court their findings as to whether the respondent is a mentally ill person who presents an immediate danger or an immediate threat of danger to self or others as a result of mental illness and who can reasonably benefit from treatment. Each physician shall also certify as to whether in his opinion hospitalization is the least restrictive alternative mode of treatment presently available.

(5) If after their examination the physicians certify that the respondent is a mentally ill person who presents an immediate danger or an immediate threat of danger to self or others as a result of mental illness and that he can reasonably benefit from treatment and that hospitalization is the least restrictive alternative mode of treatment presently available, then such person may be retained in the hospital pending a hearing and order of the appropriate court, or may be transported to an appropriate hospital for retention. In no case

shall the patient be retained in a hospital longer than twenty-one (21) days from the date of the examination without a hearing and order of the appropriate court.

(6) If the criteria for involuntary hospitalization as set forth in subsections (3) and (4) of this section are not certified, the court may, without taking any further action, terminate the proceedings and dismiss the application. Otherwise, the court shall forthwith fix a date and notice of a hearing and render an order within twenty-one (21) days from the date of the examination of the respondent.

(7) The respondent shall be represented at such hearing by an attorney either retained by the respondent or provided by the Commonwealth. The respondent shall be afforded an opportunity to testify, to present, and cross-examine witnesses against him. The court may in its discretion receive the testimony of any other person. The hearing may be conducted in an informal manner, consistent with orderly procedures, and in a physical setting not likely to have a harmful effect on the mental health of the respondent. The hearing may be held by the court in chambers, at a hospital, or other suitable place.

(8) Respondent's presence at the hearing may be waived by the respondent or respondent may be excused from the hearing upon a finding that respondent's presence would seriously disrupt the proceedings or that the respondent's presence at the hearing would be harmful to respondent.

(9) If upon completion of the hearing the court finds that the respondent is (a) a mentally ill person, (b) because of this illness presents an immediate danger or an immediate threat of danger to self or others, (c) that the least restrictive alternative mode of treatment requires hospitalization, and (d) that treatment which can reasonably benefit the respondent is available in the hospital, then the court shall order the individual hospitalized in a hospital selected by the department for a period not to exceed sixty (60) consecutive days.

(10) The hospitalization under this section shall be for a period of time not to exceed sixty (60) consecutive days from the date of the court order. Release shall be by writ of habeas corpus pursuant to the provisions of this section except that a staff physician may release the patient subject to the provisions of this chapter.

(11) When a formal application has been made for a further involuntary hospitalization under the provisions of this chapter, the patient shall not be retained in the hospital longer than ten (10) days from the date of application without a hearing and order of the appropriate court pursuant to the applicable provisions of this chapter, unless the patient agrees to remain voluntarily.

It shall state the facts and circumstances upon which the judgment of the examining physician is based and shall be sworn to before a notary or the clerk or judge of the court.

(2) When a person has been hospitalized under the provisions of this chapter requiring a petition and certification of two (2) physicians, said certification may be accepted by the circuit court as evidence in lieu of direct testimony from the physicians, whenever the presence of the two (2) physicians at the hearing is waived by the respondent.

(3) Where possible the persons selected by the court to perform examinations as described in this chapter and KRS Chapter[s 203 and] 210 shall have made a special study of mental illness. The examiner shall be entitled to a reasonable fee for such examination and certification, to be paid by the county in which the petition is filed, upon a certified copy of an order of allowance made by the court holding the hearing.

(2) Within seventy-two (72) hours (excluding weekends and holidays) of the admission date, the staff of the hospital shall determine the need of the person for further hospitalization. If two authorized staff physicians conclude that the patient is mentally ill and presents an immediate danger or an immediate threat of danger to self or others, and can reasonably benefit from treatment in a hospital, and hospitalization is the least restrictive alternative mode of treatment available, they shall file in the appropriate court a certification requesting involuntary hospitalization procedures to be initiated under the provisions of this chapter or KRS Chapter [203 or] 210, unless the patient has agreed to remain voluntarily.

In cases where the property is bought by the city, it shall not be necessary for the treasurer to issue a certificate of purchase, but the treasurer's report shall be deemed his certificate of any such purchase by the city.

(2) The collector of each city of the third class, after selling any real property for taxes, shall return upon the same paper upon which his levy is written a description of the property sold, the time and place of sale, a statement that he first advertised the sale according to law, the name of the purchaser and the amount paid by him for the property sold. The collector shall deliver the levy and return to the office of the city clerk, who shall record or bind it in a book kept for that purpose, and the original return of the collector shall also be filed and preserved in the office of the city clerk. The collector shall make all sales, returns and settlements before the end of the fiscal year. The collector shall give to the purchaser of any real property sold by him for taxes, except when the city is the purchaser, a certificate of purchase, containing a description of the land purchased, the time of sale, the quantity sold, the price, the amount of taxes sold for, and the year or years for which the taxes were owed. The certificate will be sufficiently descriptive if the property can be conveniently found from an inspection of the map of the city or, if the property is not properly described in the map, if the description is otherwise sufficient to enable the purchaser to find the property. All certificates of purchase shall be recorded or bound in a book kept for that purpose by the city clerk, as a public record. The collector's return of any sale of real property to the mayor for the use of the city shall be deemed his certificate of such purchase by the city.

(3) The collector or treasurer of each city of the fourth class, within twenty (20) days after selling any real property for taxes, shall report in writing to the county clerk of the county in which the city is located. The report shall show when the sale was made, the steps taken by the collector or treasurer prior to and at the sale, the name of the purchaser, the price, and a full description of the property. The county clerk shall record and index the report in the book in which he records the sheriff's report of tax sales. Such reports, when recorded, shall operate as conveyances to the purchasers, whether the city or private persons, and shall vest in the purchasers the title of the persons whose property was sold at the sale, except that of persons under legal disability, and shall be constructive notice as to the claim existing in favor of the purchaser against the real property of persons under no legal disability. The county clerk shall have a fee of fifty cents (50¢) for each entry so made.

(4) The collector or treasurer of each city of the fourth class shall, within thirty (30) days after each sale of real property, issue to the purchaser a certificate of purchase, describing the property sold and stating the time of sale and the price. If the collector or treasurer fails to make the report of sale to the county clerk provided for in subsection (3) of this section, any purchaser may file with the county clerk the collector's or treasurer's certificate of purchase. The clerk shall then record and index the certificate of purchase in the book mentioned in subsection (3) of this section, and it shall have the same effect as the collector's or treasurer's report would have had if returned.

(5) Any purchaser, other than the city, of real property sold for taxes of a city of the fourth class shall forfeit his right to the purchase unless, within six (6) months after the collector or treasurer delivers to him the certificate of purchase, the purchaser gives written notice of his purchase as follows:

(a) To the statutory guardian, parent or person in charge of an infant, in the order named, if the property belonged to an infant.

(b) To the *guardian or conservator* [committee] or the person in charge of *a mentally disabled* [an incompetent] person *or his estate*, in the order named, if the property belonged to *a mentally disabled* [an incompetent] person.

(2) When real property has been sold for taxes of a city of the third class and purchased by someone other than the city, the owner of the property, or his heirs or personal representatives, may redeem the property at any time within one (1) year from day of sale, by paying or tendering to the purchaser or his representatives the full amount for which the property was sold, with twenty per cent (20%) per annum interest thereon from the day of sale. If the purchaser refuses to accept payment, or is a nonresident of the city, the owner may deposit the amount and interest with the city treasurer and take his receipt therefor, and shall at once file the receipt with the city clerk, which shall operate as a redemption of the property.

(3) If the owner of the property is a minor, or *a mentally disabled* [an incompetent] person, and the property is not redeemed within two (2) years from the day of sale, by the owner or by someone for him, the purchaser, other than the city, may bring suit in equity in the circuit court of the county to have a sufficient amount of the property sold to pay the sum bid at the collector's sale, with interest at ten per cent (10%) per annum and costs of suit, and to pay any other taxes appearing to be due on the property at the time judgment is rendered. The plaintiff shall, before any judgment is rendered, give good security to the defendant, to be approved by the court, that he will pay all taxes for which the property is adjudged to be sold, and shall, before any deed to the property sold under the judgment is made, produce to the court and file in the action proper and legal receipts for such taxes. No such suit against a person under disability shall be brought after five (5) years from the day of the collector's sale.

(2) If the property is redeemed from the city, the city clerk shall collect the amount of the tax, penalty and costs from the delinquent taxpayer, and give him a receipt therefor.

(3) When a redemption is made, the purchaser shall mark the word "redeemed" on the margin of the record book provided for in subsection (3) of KRS 92.710, in a space left for that purpose, with the date and his signature. The county clerk shall have a fee of twenty-five cents (25¢) for each redemption.

(3) If any property subject to the tax is owned by an infant or a *mentally disabled* person [of unsound mind] or by a life tenant, the agreement herein provided for may be executed by the statutory guardian of the infant or the *guardian, conservator* [committee] or curator of the *disabled* [insane] person, or by the life tenant.

(4) Unless persons who, in the aggregate, are liable for at least one thousand dollars ($1,000) in excess of the cash payments made or provided for exercise the option to pay on the instalment plan, the option shall terminate and the entire tax shall be payable in cash and collected as herein provided.

Every two (2) years thereafter, if the cost of living index of the United States department of labor has changed as much as one (1) per cent, the maximum exemption shall be adjusted accordingly.

(d) The real property may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years. The exemption shall apply only to the value of the real property assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which his interest in the corporation bears to the assessed value of the property.

(e) A mobile home may qualify as a residential unit for purposes of the homestead exemption provision provided the mobile home is classified as real property as defined in KRS 132.750.

Ownership of, and other interests in, the securities credited to such account may be transferred by entries on the books of said federal reserve bank without physical delivery of any securities. A bank or trust company acting as custodian for a fiduciary shall, on demand by the fiduciary, certify in writing to the fiduciary the securities so deposited by such bank or trust company with such federal reserve bank for the account of such fiduciary. A fiduciary shall, on demand by any party, to its accounting or on demand by the attorney for such party, certify in writing to such party the securities deposited by such fiduciary with such federal reserve bank for its account as such fiduciary.

(2) This section shall apply to any fiduciary, and any custodian for fiduciaries, acting on June 21, 1974, or who thereafter may act regardless of the date of the agreement, instrument or court order by which it is appointed.

(3) As used in this section, "fiduciary" includes an executor, administrator, trustee under any trust, express, implied, resulting or constructive, guardian, conservator, [committee,] receiver, trustee in bankruptcy, assignee for the benefit of creditors, partner, agent, officer of a corporation, public or private, public officer or any other person acting in a fiduciary capacity for any person, trust or estate.

Section 88. KRS 287.225 is amended to read as follows:

(1) Any bank or trust company when acting as executor, administrator, guardian, *conservator* [committee], agent, or trustee, whether alone or jointly with an individual or individuals, may with the consent of the individual fiduciary or fiduciaries, if any (who are hereby authorized to give such consent), cause any stock or other securities held in any such capacity to be registered and held in the name of a nominee or nominees of such bank or trust company, or in its own name.

(2) Any such bank or trust company shall be absolutely liable for any loss occasioned by the acts of any nominees of such bank or trust company with respect to such stock or other securities so registered. But no liability for any loss occasioned by the acts of any such bank or trust company, or the nominee of either of them with respect to such stock or securities so registered, shall be imposed upon the corporation,

its transfer agent or registrar, which registers its stock or other securities in the name of such bank or trust company, or the nominee of either of them, in accordance with the provisions of this section.

(3) The records of such bank or trust company shall at all times show the ownership of any such stock or other securities. Such stock or other securities shall at all times be kept separate and apart from the assets of such bank or trust company.

Section 89. KRS 292.330 is amended to read as follows:

(1) It is unlawful for any person to transact business in this state as a broker-dealer or agent, unless he is registered under this chapter. It is unlawful for any broker-dealer or issuer to employ an agent unless the agent is registered. It is unlawful for any person to transact business in this state as an investment adviser unless:

(a) he is so registered under this chapter, or

(b) he is registered as a broker-dealer under this chapter, or

(c) his only clients in this state are investment companies as defined in the Investment Company Act of 1940 or insurance companies.

(2) A broker-dealer, agent, or investment adviser may apply for registration by filing with the director an application together with a consent to service of process pursuant to KRS 292.430 and payment of the fee prescribed in subsection (10). Registration of a broker-dealer automatically constitutes registration of any agent who is a partner, officer or director or a person occupying a similar status or performing similar functions (except any partner, officer or director or other such person whose registration as an agent is denied, suspended or revoked under subsection (12)) without the filing of applications for registration as agents or the payment of fees for registration as agents. The application shall contain whatever information the director requires concerning such matters as:

(a) The applicant's form and place of organization;

(b) The applicant's proposed method of doing business;

(c) The qualifications and business history of the applicant and in the case of a broker-dealer or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser; and in the case of an investment adviser, the qualifications and business history of an employe;

(d) Any injunction or administrative order or conviction of a misdemeanor involving a security or any aspect of the securities business and any conviction of a felony; and

(e) The applicant's financial condition and history.

(3) If no denial order is in effect and no proceeding is pending under subsection (12), registration becomes effective at noon of the thirtieth day after an application is filed. The director may specify an earlier effective date and he may by order defer the effective date until noon of the thirtieth day after the filing of any amendment.

(4) The director may require as a condition of registration that the applicant (and, in the case of a corporation or partnership, the officers, directors or partners) pass a written examination as evidence of knowledge of the securities business.

(5) The director may by rule require the existence and maintenance of a minimum liquid net capital for registered broker-dealers and investment advisers and a minimum ratio between net capital and aggregate indebtedness, or both.

(6) The director may by rule require registered broker-dealers, agents and investment advisers to post surety bonds in an amount up to $25,000, and may determine their conditions, except under this subsection that no such bond may be required of any registrant whose net capital exceeds $100,000. An appropriate deposit of cash or securities shall be accepted in lieu of any required surety bond. Every surety bond shall provide for suit thereon by any person who has a cause of action under KRS 292.480, and every such bond shall provide that no suit may be maintained to enforce any liability on the bond unless brought within two (2) years after the sale or other act upon which it is based.

(7) The director may by rule require registered broker-dealers to carry fidelity bonds, covering its agents, general partners, and officers, in such form, covering such risks, and in such amounts (not exceeding $250,000) as he deems necessary for the protection of the public; and he may by rule require registered broker-dealers to furnish satisfactory evidence that they have such bonds.

(8) Every registration of a broker-dealer, agent or investment adviser shall be effective until March 1 of the following year and may be renewed as hereinafter provided. The registration of an agent is not effective during any period when he is not associated with an issuer or a registered broker-dealer specified in his application or a notice filed with the director. When an agent begins or terminates a connection with an issuer or registered broker-dealer, the agent and the issuer or broker-dealer shall promptly notify the director.

(9) Registration of a broker-dealer, agent or investment adviser may be renewed by filing with the director prior to the expiration thereof an application containing such information as the director may require to indicate any material change in the information contained in the original application or any renewal application for registration as a broker-dealer, agent or investment adviser filed with the director by the applicant,

payment of the prescribed fee and, in the case of a broker-dealer, a financial statement showing the financial condition of such broker-dealer as of a date within ninety (90) days. A registered broker-dealer or investment adviser may file an application for registration of a successor, whether or not the successor is then in existence, for the unexpired portion of the year without payment of any fee.

(10) The fee for initial or renewal registration shall be one hundred dollars ($100) for a broker-dealer, fifty dollars ($50.00) for an investment adviser, fifteen dollars ($15.00) for an agent, and five dollars ($5.00) for transfer of an agent, none of which fees shall be refundable.

(11) (a) Every registered broker-dealer and investment adviser shall make and keep all accounts, correspondence, memoranda, papers, books, and other records which the director by rule prescribes. All records required shall be preserved for three (3) years unless the director by rule prescribes otherwise for particular types of records. All required records shall be kept within this state or shall, at the request of the director, be made available at any time for examination by him either in the principal office of the registrant or by production of exact copies thereof in this state.

(b) Every registered broker-dealer and investment adviser shall file such reports as the director by rule prescribes.

(c) If the information contained in any document filed with the director is or becomes inaccurate or incomplete in any material respect, the broker-dealer shall promptly file a correcting amendment.

(d) The director may make periodic examinations, within or without this state, of each broker-dealer and investment adviser at such times and in such scope as he determines. These examinations may be made without prior notice to the broker-dealer or investment adviser. The expense reasonably attributable to any such examination shall be paid by the broker-dealer or investment adviser whose business is examined but the expense so payable shall not exceed an amount which the director by rule prescribes. For the purpose of avoiding unnecessary duplication of examinations, the director, insofar as he deems it practicable in administering this subsection, may cooperate with securities administrators of other states, the securities and exchange commission, and any national securities exchange or national securities association registered under the Securities Exchange Act of 1934.

(e) The director may by rule prohibit unreasonable charges, profits, commissions or other compensation of broker-dealers and investment advisers.

(f) The director may prescribe rules for the conduct of business by broker-dealers and investment advisers which he finds appropriate in the public interest and for the protection of investors.

(12) (a) The director may by order deny, suspend or revoke registration of any broker-dealer, agent or investment adviser if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer, or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser:

1. Has filed an application for registration under this section which, as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

2. Has wilfully violated or wilfully failed to comply with any provision of this chapter or a predecessor law or any rule or order under this chapter or a predecessor law;

3. Has been convicted, within the past ten (10) years, of any misdemeanor involving a security or any aspect of the securities business, or any felony;

4. Is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;

5. Is the subject of an order of the director denying, suspending, or revoking registration as a broker-dealer, agent, or investment adviser;

6. Is the subject of an order entered within the past five (5) years by the securities administrator of any other state or by the securities and exchange commission denying or revoking registration as a broker-dealer or agent, or the substantial equivalent of those terms as defined in this chapter, or is the subject of an order of the securities and exchange commission suspending or expelling him from a national securities exchange or national securities association registered under the Securities Exchange Act of 1934, or is the subject of a United States post-office fraud order; but a. the director may not institute a revocation or suspension proceeding under this paragraph more than one (1) year from the date of the order relied on, and b. he may not enter any order under this paragraph on the basis of an order unless that order was based on facts which would currently constitute a ground for an order under this section;

7. Has engaged in dishonest or unethical practices in the securities business;

8. Is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature; but the director may not enter an order against a broker-dealer or investment adviser under this paragraph without a finding of insolvency as to the broker-dealer or investment adviser; or

9. Is not qualified on the basis of such factors as training, experience, or knowledge of the securities business, except as provided in paragraph (b) below; or the director may by order, deny, suspend or revoke any registration if he finds that the order is in the public interest and that the applicant or registrant:

a. Has failed reasonably to supervise his agents if he is a broker-dealer or his employes if he is an investment adviser; or

b. Has failed to pay the proper filing fee; but the director may enter only a denial order under this clause, and he shall vacate any such order when the deficiency has been corrected. The director may not institute a suspension or revocation proceeding on the basis of a fact or transaction known to him when registration became effective unless the proceeding is instituted within the next thirty (30) days.

(b) The following provisions govern the application of subparagraph 9 of paragraph (a) of this subsection:

1. The director may not enter an order against a broker-dealer on the basis of the lack of qualification of any person other than the broker-dealer himself if he is an individual or an agent of the broker-dealer;

2. The director may not enter an order against an investment adviser on the basis of the lack of qualification of any person other than the investment adviser himself if he is an individual or any other person who represents the investment adviser in doing any of the acts which make him an investment adviser;

3. The director may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both;

4. The director shall consider that an agent who will work under the supervision of a registered broker-dealer need not have the same qualifications as a broker-dealer;

5. The director shall consider that an investment adviser is not necessarily qualified solely on the basis of experience as a broker-dealer or agent. When he finds that an applicant for initial or renewal registration as a broker-dealer is not qualified as an investment adviser, he may by order condition the applicant's registration as a broker-dealer upon his not transacting business in this state as an investment adviser;

6. The director may by rule provide for an examination, which may be written or oral or both, to be taken by any class of or all applicants, as well as persons who represent or will represent an investment adviser in doing any of the acts which make him an investment adviser.

(c) The director may by order summarily postpone or suspend registration pending final determination of any proceeding under this section. Upon the entry of the order, the director shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent, that it has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the director, the order will remain in effect until it is modified or vacated by the director. If a hearing is requested or ordered, the director, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.

(d) If the director finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent, or investment adviser, or is subject to an adjudication of mental *disability* [incompetence] or to the control of a [committee] conservator, or guardian, or cannot be located after reasonable search, the director may by order cancel the registration or application.

(e) Withdrawal from registration as a broker-dealer, agent, or investment adviser becomes effective thirty (30) days after receipt of an application to withdraw or within such shorter period of time as the director may determine, unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within thirty (30) days after the application is filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the director by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the director may nevertheless institute a revocation or suspension proceeding under subparagraph 2. of paragraph (a) of this subsection within one (1) year after withdrawal became effective and enter a revocation or suspension order as of the last date on which registration was effective.

(f) No order may be entered under any part of this section except the first sentence of paragraph (c) of this subsection without appropriate prior notice to the applicant or registrant (as well as the employer or prospective employer if the applicant or registrant is an agent), opportunity for hearing, and written findings of fact and conclusions of law.

Section 90. KRS 304.18-090 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, all benefits under any blanket health policy or contract shall be payable to the person insured, or to his designated beneficiary or beneficiaries, or to his estate, except that if the person insured is a minor or otherwise not competent to give a valid release, such benefits may be made payable to his parent, guardian, *conservator* or other person actually supporting him.

(2) The policy may provide that all or a portion of any indemnities provided by any such policy on account of hospital, nursing, medical or surgical services may, at the option of the insurer and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly

to the hospital or person rendering such services; but the policy may not require that the service be rendered by a particular hospital or person. Payment so made shall discharge the obligation of the insurer with respect to the amount of insurance so paid.

Section 91. KRS 304.39-060 is amended to read as follows:

(1) Any person who registers, operates, maintains or uses a motor vehicle on the public roadways of this Commonwealth shall, as a condition of such registration, operation, maintenance or use of such motor vehicle and use of the public roadways, be deemed to have accepted the provisions of this subtitle, and in particular those provisions which are contained in this section.

(2) (a) Tort liability with respect to accidents occurring in this Commonwealth and arising from the ownership, maintenance, or use of a motor vehicle is "abolished" for damages because of bodily injury, sickness or disease to the extent the basic reparation benefits provided in this subtitle are payable therefor, or that would be payable but for any deductible authorized by this subtitle, under any insurance policy or other method of security complying with the requirements of this subtitle, except to the extent noneconomic detriment qualifies under subsection (2)(b) hereof.

(b) In any action of tort brought against the owner, registrant, operator or occupant of a motor vehicle with respect to which security has been provided as required in this subtitle, or against any person or organization legally responsible for his acts or omissions, a plaintiff may recover damages in tort for pain, suffering, mental anguish and inconvenience because of bodily injury, sickness or disease arising out of the ownership, maintenance, operation or use of such motor vehicle only in the event that the benefits which are payable for such injury as "medical expense" or which would be payable but for any exclusion or deductible authorized by this subtitle exceed one thousand dollars ($1,000), or the injury or disease consists in whole or in part of permanent disfigurement, a fracture to a weight-bearing bone, a compound, comminuted, displaced or compressed fracture, loss of a body member, permanent injury within reasonable medical probability, permanent loss of bodily function or death. Any person who is entitled to receive free medical and surgical benefits shall be deemed in compliance with the requirements of this subsection upon a showing that the medical treatment received has an equivalent value of at least one thousand dollars ($1,000).

(c) Tort liability is not so limited for injury to a person who is not an owner, operator, maintainer or user of a motor vehicle within subsection (1) of this section, nor for injury to the passenger of a motorcycle arising out of the maintenance or use of such motorcycle.

(3) For purposes of this section and the provisions on reparation obligor's rights of reimbursement, subrogation, and indemnity, a person does not intentionally cause harm merely because his act or failure to act is intentional or done with his realization that it creates a grave risk of harm.

(4) Any person may refuse to consent to the limitations of his tort rights and liabilities as contained in this section. Such rejection must be in writing in a form to be prescribed by the department of insurance and must have been executed and filed with the department at a time prior to any motor vehicle accident for which such rejection is to apply. Such rejection form together with a reasonable explanation thereof shall be furnished by the reparation obligor with each policy to each prospective insurance applicant. Such rejection form shall affirmatively state in bold print that acceptance of this form of insurance denies the applicant the right to sue a negligent motorist unless certain requirements contained in the policy of insurance are met. Rejection by a person who is under legal disability shall be made on behalf of such person by his legal guardian, *conservator* or his natural parent. The failure of such guardian or a natural parent of a person under legal disability to file a rejection, within six (6) months from the date that this subtitle would otherwise become applicable to such person, shall be deemed to be an affirmative acceptance of all provisions of this subtitle. Provided, however, any person who, at the time of an accident, who does not have basic reparation insurance but has not formally rejected such limitations of his tort rights and liabilities and has at such time in effect security equivalent to that required by KRS 304.39-110 shall be deemed to have fully rejected such limitations within meaning of this section for that accident only.

(5) Any rejection must be filed with the department of insurance and shall be for a period of five (5) years from the date of its execution unless revoked in writing. A copy of such rejection or revocation must be filed with each insurance company providing an automobile policy under which the individual is a named insured as defined in the policy.

(6) Every insurance company when issuing an automobile policy to a resident of this Commonwealth must inform the buyer in writing in a form to be prescribed by the insurance commissioner of his right to reject the limitations of his tort rights and liabilities under this subtitle in the manner provided in subsections (4) and (7) of this section.

(7) Any rejection shall result in the full retention by the individual of his tort rights and his tort liabilities. Any person injured by a motor vehicle operator who has such rejection on file may claim his full damages, including nonpecuniary damages, or, if such injured person has not rejected his own tort limitations, he may also claim basic reparation benefits from the appropriate security on the vehicle as established under KRS 304.39-050. If such provider of security is other than the one providing security for the operator who has rejected the limitations, such provider shall be subrogated to the rights of the injured person to the extent of reparation benefits paid against the owner and operator of the vehicle.

(8) No person who has rejected the tort limitations under this section, except as provided in subsection (9) of this section or KRS 304.39-140(5), may collect basic reparation benefits.

(9) Any owner or operator of a motorcycle, as defined in Kentucky Revised Statutes, may file a rejection as described in subsections (4) and (5), which will apply solely to the ownership and operation of a motorcycle but will not apply to injury resulting from the ownership, operation or use of any other type of motor vehicle.

Section 92. KRS 322.050 is amended to read as follows:

No person shall be eligible for a license unless he is of good character and reputation, nor shall any person be eligible if he has been convicted of any felony involving moral turpitude or is adjudged by a court of competent jurisdiction mentally *disabled* [incompetent].

Section 93. KRS 327.070 is amended to read as follows:

The board, after due notice and hearing may refuse to license any applicant, and may refuse to renew the license of any licensed person, and may suspend or revoke the license of any licensed person:

(1) Who indulges in excessive use of alcoholic beverages or who is addicted to the use of narcotic drugs;

(2) Who has been convicted of violating any state or federal narcotic law;

(3) Who is, in the judgment of the board, guilty of immoral or unprofessional conduct;

(4) Who has been convicted of a felony or any crime involving moral turpitude;

(5) Who has obtained or attempted to obtain a license by fraud or material misrepresentation or who has made any other false statement to the board.

(6) Who is guilty, in the judgment of the board, of gross negligence in his practice of physical therapy;

(7) Who has been declared mentally *disabled* [incompetent] by a court of competent jurisdiction and has not thereafter been declared lawfully sane;

(8) Who has treated or undertaken to treat human ailments otherwise than by physical therapy as defined in this chapter, or who has undertaken to practice independent of the prescription, direction or supervision of a licensed medical doctor or dentist.

(9) Who has failed or refused to obey any lawful order or regulation of the board.

Section 94. KRS 353.270 is amended to read as follows:

A *guardian or conservator* [committee] of a person of unsound mind may enter into a consolidation agreement, as defined in KRS 353.280, subject to approval by the circuit judge as provided in KRS 353.290. The detailed provisions of such agreement may be such as the court approves, consistently with the provisions of KRS 353.280.

Section 95. KRS 353.290 is amended to read as follows:

(1) Upon the execution of such a consolidation agreement, the *guardian or conservator* [committee] shall file with the clerk of the circuit court in the county in which the land covered by the lease to be consolidated hereunder, or the greater portion thereof, lies, a petition for an order approving such consolidation agreement setting forth a copy of the consolidation agreement and a statement of facts constituting the grounds relied upon to secure the approval of such agreement, and shall submit with the petition the affidavits of not less than three (3) disinterested owners of real estate in the county wherein the proceedings hereunder are brought, as to whether such agreement will be advantageous or beneficial to the person or persons of unsound mind for whom such committee is acting, which affidavits shall be filed and preserved as records of the circuit court.

(2) No agreement permitted by KRS 353.270 to 353.290 shall be valid or effective until the judge of said court appoints a guardian ad litem to represent the *mentally disabled* person or persons [of unsound mind] whose interests are sought to be consolidated hereunder. The guardian ad litem shall file an answer and the affidavits of at least three (3) witnesses, proving the advantages or disadvantages of such agreement, and shall make such recommendation to the judge relating to the agreement as he believes to be most beneficial to the persons on whose behalf he is acting. He shall receive for his services a reasonable compensation, to be allowed by the judge and taxed as costs.

(3) The judge shall proceed in a summary manner to approve or disapprove the consolidation agreement, and if he approves it he shall indorse his approval thereon. The order of the judge approving such agreement shall be entered on the civil order book of the circuit clerk's office of the county in which the proceedings hereunder are brought.

Section 96. KRS 342.210 is amended to read as follows:

(1) The benefits in case of death shall be paid to such one or more dependents of the deceased employe for the benefit of all the dependents entitled thereto, as are determined by the board. The dependents to whom payments are made shall apply the same to the use of the persons entitled thereto under this chapter, according to their respective claims on the deceased for support. The compensation of *a mentally disabled* [an insane] person shall be paid to his *guardian or conservator* [committee].

(2) If the dependents are a widow, widower or other head of a family of minor children and one or more minor children, it shall be sufficient for the widow, widower or head of the family to make application

for compensation on behalf of all. Where the dependents are mentally incapacitated or are minors the head of whose family is not a dependent, the application may be made by the [committee,] guardian, *conservator* or next friend of such dependents.

Section 97. KRS 353.330 is amended to read as follows:

All of the persons in being who have any present or contingent interest in the lands or estate or interest sought to be leased shall be made parties to the proceedings authorized in KRS 353.300 to 353.380, with any infant or infants being represented either by next friend or statutory guardian or guardian ad litem, or in the case of constructive service of summons by a warning order attorney appointed as in other cases. Any person *adjudged mentally disabled* [of unsound mind] shall be represented by his *guardian or conservator* [committee] or by guardian ad litem, or, in the case of constructive service of summons as in civil actions generally, by a warning order attorney appointed as in other cases. If the court specifically finds that the welfare or interest of any person or persons not in being requires special representation, the court may appoint a trustee ad litem to represent such unknown parties not in being or each separate class thereof, and such trustee ad litem shall file such pleadings or answer and take such steps as he deems proper, and such unknown persons will be fully bound by the proceedings hereunder. Otherwise, and in the absence of such finding by the court, it shall not be necessary to make parties any persons not in being, either as "unknown defendants" or otherwise, but the persons in being who are parties shall stand for and represent the full title and whole interest in said lands or estate or interest therein, and all parties not in being who might have some contingent or future interest therein, and all persons, whether in being or not in being, having any interest, present, future or contingent, in the property sought to be leased, will be fully bound by the proceedings hereunder. It shall be permissible, however, to make defendants any unknown persons who might have any interest in the land sought to be leased, under the style of "unknown defendants."

Section 98. KRS 353.370 is amended to read as follows:

If a trustee's lease is granted hereunder, even though one (1) of the parties who has an interest or possible interest in the property covered by such lease is a minor or a person *adjudged mentally disabled* [of unsound mind], no separate guardian's lease or *conservator's* [committee's] lease shall be necessary.

Section 99. KRS 355.8-308 is amended to read as follows:

(1) An indorsement of a security in registered form is made when an appropriate person signs on it or on a separate document an assignment or transfer of the security or a power to assign or transfer it or when the signature of such person is written without more upon the back of the security.

(2) An indorsement may be in blank or special. An indorsement in blank includes an indorsement to bearer. A special indorsement specifies the person to whom the security is to be transferred, or who has power to transfer it. A holder may convert a blank indorsement into a special indorsement.

(3) "An appropriate person" in subsection (1) means

(a) the person specified by the security or by special indorsement to be entitled to the security; or

(b) where the person so specified is described as a fiduciary but is no longer serving in the described capacity, — either that person or his successor; or

(c) where the security or indorsement so specifies more than one person as fiduciaries and one or more are no longer serving in the described capacity, — the remaining fiduciary or fiduciaries, whether or not a successor has been appointed or qualified; or

(d) where the person so specified is an individual and is without capacity to act by virtue of death, *mentally disabled* [incompetence], infancy or otherwise, — his executor, administrator, guardian or like fiduciary; or

(e) where the security or indorsement so specifies more than one person as tenants by the entirety or with right of survivorship and by reason of death all cannot sign, — the survivor or survivors; or

(f) a person having power to sign under applicable law or controlling instrument; or

(g) to the extent that any of the foregoing persons may act through an agent, — his authorized agent.

(4) Unless otherwise agreed the indorser by his indorsement assumes no obligation that the security will be honored by the issuer.

(5) An indorsement purporting to be only of part of a security representing units intended by the issuer to be separately transferable is effective to the extent of the indorsement.

(6) Whether the person signing is appropriate is determined as of the date of signing and an indorsement by such a person does not become unauthorized for the purposes of this article by virtue of any subsequent change of circumstances.

(7) Failure of a fiduciary to comply with a controlling instrument or with the law of the state having jurisdiction of the fiduciary relationship, including any law requiring the fiduciary to obtain court approval of the transfer, does not render his indorsement unauthorized for the purposes of this article.

Section 100. KRS 362.305 is amended to read as follows:

(1) On application by or for a partner the court shall decree a dissolution whenever:

(a) A partner has been adjudged *mentally disabled* [incompetent] by a court of competent jurisdiction in any judicial proceeding or is shown to be of unsound mind,

(b) A partner becomes in any other way incapable of performing his part of the partnership contract,

(c) A partner has been guilty of such conduct as tends to affect prejudicially the carrying on of the business,

(d) A partner wilfully or persistently commits a breach of the partnership agreement, or otherwise so conducts himself in matters relating to the partnership business that it is not reasonably practicable to carry on the business in partnership with him,

(e) The business of the partnership can only be carried on at a loss,

(f) Other circumstances render a dissolution equitable.

(2) On the application of the purchaser of a partner's interest under KRS 362.280 or 362.285:

(a) After the termination of the specified term or particular undertaking,

(b) At any time if the partnership was a partnership at will when the interest was assigned or when the charging order was issued.

Section 101. KRS 355.3-307 is amended to read as follows:

(1) Unless specifically denied in the pleadings each signature on an instrument is admitted. When the effectiveness of a signature is put in issue

(a) the burden of establishing it is on the party claiming under the signature; but

(b) the signature is presumed to be genuine or authorized except where the action is to enforce the obligation of a purported signer who has died or *been adjudged mentally disabled* [become incompetent] before proof is required.

(2) When signatures are admitted or established, production of the instrument entitles a holder to recover on it unless the defendant establishes a defense.

(3) After it is shown that a defense exists a person claiming the rights of a holder in due course has the burden of establishing that he or some person under whom he claims is in all respects a holder in due course.

Section 102. KRS 355.3-508 is amended to read as follows:

A misdescription which does not mislead the party notified does not vitiate the notice. Sending the instrument bearing a stamp, ticket or writing stating that acceptance or payment has been refused or sending a notice of debit with respect to the instrument is sufficient.

(4) Written notice is given when sent although it is not received.

(5) Notice to one partner is notice to each although the firm has been dissolved.

(2) Any property conveyed by the deed of assignment upon which there is a valid lien shall be first applied to the discharge of the lien debt, and if the property is not sufficient to satisfy the lien debt, the lien creditor may present the unsatisfied remainder as a claim against the estate and receive thereon his pro rata share of the assets in the same manner as general creditors.

(3) Debts due by the assignor as guardian, *conservator* [committee], trustee of an express trust created by deed or will or as personal representative shall be paid in full before the general creditors receive anything.

service of the summons. The written evidences of the title to the land, or copies thereof, if there be any, must be filed with the petition.

(2) The statutory guardian of an infant, or *guardian or conservator* [committee] of *a* [an incompetent] person *adjudged mentally disabled* may file or unite in the petition, in the names of, and in conjunction with such infant, or *mentally disabled* [incompetent] person; and, if the petition be against an infant, or *mentally disabled* [incompetent] person the guardian, or *conservator* [committee] may appear and defend for them; if they fail to do so, the court shall appoint a discreet person for that purpose.

(3) Upon such a petition by all interested in the property, or upon the expiration of twenty (20) days after the service of a summons on all who have an interest in the property and have not united in the petition, the court may order the division, or allotment of dower or curtesy, according to the rights of the parties.

(5) The order of appointment shall fix a time and place for the meeting of the commissioners who shall meet accordingly; but, if prevented from meeting at the time and place so fixed, they may meet as soon thereafter as convenient, and may adjourn to such other time and place as they may agree upon, until their duty shall be performed.

(6) They shall survey and allot to the parties their respective interests in the land, and make report thereof to the court, which may either confirm, set aside or remand the report to the commissioners for correction.

(7) If the report be confirmed, a commissioner to be appointed for the purpose shall, by deed, convey to each party the land allotted to him.

(8) If the report be confirmed by the circuit court, it and the deed shall be certified by the clerk of that court to the county clerk, for record.

(9) Two of the commissioners may act, if one refuse or fail to do so.

(10) A party summoned may, by answer, controvert the allegations of the petition or contest the rights claimed therein; and, thereupon, the case shall be tried and decided as an ordinary action, but without the intervention of a jury.

(11) The costs of the action shall be apportioned among the parties in the ratio of their interests, except that the costs arising from a contest of fact or law shall be adjudged against the unsuccessful party.

(3) Except in actions brought under subsection (13) of this section, if the guardian or *conservator* [committee] of a person under disability be a party to the action, then it shall not be necessary for the person under disability to be made a party personally.

(4) If the guardian or *conservator* [committee] of a person under disability be not a party to the action, then it shall be necessary for the person under disability to be a party personally and brought before the court in the manner authorized by the Rules of Civil Procedure.

(5) Nothing contained in subsections (2), (3) and (4) of this section shall limit the purposes of sale named in subsection (1) of this section.

(6) If the suit be filed against a guardian or *conservator* [committee] and he shall fail to appear and defend or show that no good defense can be made, the court shall appoint a guardian ad litem to do so.

(7) The pleading seeking a sale shall file the title papers, or copies thereof, under which the property is held; shall particularly describe the property and the interest therein of the person under disability; set forth fully the reasons or purposes for which it is sought to have the same sold; and the nature and extent of all liens upon the interest of the person, if any, so far as the same may be known to the petitioner.

(9) The allegations of the pleading shall not be taken as confessed but shall be proved by competent evidence heard on deposition or orally by the judge or commissioner. A transcript thereof shall be filed as part of the record.

(10) The proceeds of any sale may be paid to the guardian or *conservator* [committee] provided that he shall have executed in the circuit court a bond with surety to the Commonwealth for the use and benefit of the person under disability that he will faithfully discharge his trust and will account for, pay and deliver to said person all money and other property due or belonging to him when he shall reach his majority, or if he be a person of unsound mind when he shall be legally restored, or to his heirs or personal representative, or in compliance with an order of any court of competent jurisdiction. The court shall endorse its approval on said bond, which shall be recorded on the order book; provided, that if the circuit court, upon examination of a certified copy of the bond executed in the district court of his appointment by the guardian or *conservator* [committee], which copy shall be filed in the circuit court, should determine, in its discretion, that said bond is adequate and sufficient, the above bond to be executed in the circuit court shall not be required. The circuit court shall enter an order in the order book that it has personally examined the certified copy of the bond executed in the district court, and found it adequate and sufficient and that no additional bond shall be required in that circuit court. The copy of the bond shall be certified as a true and correct copy of the bond by the clerk of the court in which it was executed.

(11) Subject to the above conditions, judgment may be rendered and executed in the same manner and on the same terms as judgments in similar cases where no person under disability is a party.

(12) Provided, that (a) the court may in its discretion in an ex parte or adversary proceeding authorize the guardian or *conservator* [committee] of such person or the commissioner of the court to make said sale at public auction upon such terms and conditions as the court may order, and to convey title thereto;

Provided, however, that no such sale shall be consummated until same shall have been approved by the judge of the circuit court in the county where the land or a portion thereof is situated in a suit in equity filed by the guardian or *conservator* [committee] against said infant or *mentally disabled* person of [unsound mind]. The petition shall set forth the reason and purposes of the sale and the terms thereof.

(14) If the person under disability be brought before the court by service of summons, a guardian ad litem shall be appointed for such person. Proof shall be taken only on notice to said guardian ad litem or, if the person under disability be constructively summoned, on notice to his warning order attorney. Proof may be taken by depositions or orally before the judge and thereafter transcribed and filed in the record of the case. The guardian ad litem or warning order attorney shall make a defense or file a report stating that after careful examination of the case he is unable to make a defense.

(15) If the court shall deem the sale advisable and the terms and price satisfactory, it shall enter an order approving the same; provided, however, that the judgment shall not be entered until the guardian or *conservator* [committee] shall have executed a bond with approved surety in an amount not less than the sum due, or to become due, his ward from said sale providing that he will faithfully discharge all his duties as such guardian or *conservator* [committee] and will comply with the judgment and orders of the court, and account for, pay and deliver the proceeds of the sale or property in which it shall be invested to his ward or other person entitled thereto. The bond shall be approved by the court and recorded in the order book; provided, if the share of the infant in the proceeds does not exceed one hundred dollars, exclusive of interest, no bond shall be required of the guardian; provided further, that if the circuit court, upon examination of a certified copy of the bond executed in the county of his appointment by the guardian or *conservator* [committee], which copy shall be filed in the circuit court, should determine in its discretion that said bond is adequate or sufficient the above bond to be executed in the circuit court shall not be required. The circuit court shall enter an order in the order book that it has personally examined the certified copy of the bond executed in the district court and found it adequate and sufficient and that no additional bond shall be required in that circuit court. The copy of the bond shall be certified as a true and correct copy of the bond by the clerk of the court in which it was executed. This proceeding shall be tried and judgment rendered in accordance with the Rules of Civil Procedure.

(16) The court shall at all times enter such orders as will conserve and protect the rights of the person under disability.

(17) No defect or error in the proceeding shall render the judgment or sale void unless the same is of the nature and character that would render the proceeding void if all parties were sui juris.

Section 111. KRS 389.015 is amended to read as follows:

Any bond provided for in KRS 389.010 shall remain in full force and effect until the guardian or *conservator* [committee] has filed in the district court of the county of his appointment and qualification a settlement of his account showing payment to, or for the benefit of, his ward, of the funds secured by such bond, and until the settlement has been approved and confirmed by the district court. Upon production to the circuit court in which the bond was executed, of a certified copy of the settlement and of the order of the district court approving and confirming the same, the circuit court shall enter an order releasing the guardian or *conservator* [committee], and his sureties, from further liability under the bond.

Section 112. KRS 389.030 is amended to read as follows:

(2) The court ordering the sale shall, by its commissioner, retain the custody and control of the fund realized by the sale until the same is reinvested in real estate, or in such other property as the funds of persons under disability may be invested in authority of law, and the court shall order the money to be paid, by its commissioner, directly to the person from whom the purchase for reinvestment is made; or the court may authorize payment of the proceeds of sale of land of an infant or person of unsound mind to his guardian or *conservator* [committee] as provided in subsection (10) of KRS 389.010.

(3) The court may in its discretion authorize the consummation of a private sale, provided the complaint shall set forth the price and the terms thereof; and provided the chancellor finds the terms and price satisfactory. The proceeds shall remain in the custody of the court, as set forth in subsection (2) above until reinvested as provided in subsection (2) above. The deed shall be executed and delivered by the commissioner and if the property is sold on terms, then the note shall be made payable to the commissioner and the vendor's lien securing same shall be retained in the name of the commissioner, who may make releases in whole or in part as directed by the court.

Section 113. KRS 389.045 is amended to read as follows:

(1) The court shall appoint a suitable person, as commissioner, to execute its judgment.

(4) In the actions for investment authorized by KRS 389.010 the court shall order the proceeds of sales to be invested, subject to its approval, in real estate in or out of this state, or in bonds of the United States or of this state, or in the stock of a bank of this state, subject to the same uses, trusts and limitations as the estate sold was subject to.

(5) If the owner of real estate which may have been sold under the provisions of this chapter die during infancy; or being *mentally disabled* [incompetent], die intestate; and upon privy examination as is authorized by this chapter, or without disposing in the manner authorized by law of the property in which the proceeds may have been invested, the person who would have been entitled to the property, if it had not been sold, shall be entitled to the proceeds, or to the property in which they have been invested.

(6) All persons interested in the property must be made parties; and, if objection to the sale be made by a defendant having a joint interest, his share shall not be sold, but the property may be divided, and a sale of the shares of those desiring it may be ordered, if such division and sale can be made without materially impairing the value of the property or of the plaintiff's interest therein.

(7) If a deed or will give to a trustee a discretionary power to sell the property, the court shall not have power to order a sale of it without the consent of the trustee.

Section 114. KRS 389.060 is amended to read as follows:

(1) Where the real property or any interest therein of an infant or *a mentally disabled* person [of unsound mind] shall be sold under the provisions of KRS 389.010, a lien shall remain on the land to secure the payment of his share of the proceeds until same shall be paid.

(2) The court may permit the guardian or the *conservator* [committee] to receive the interest accruing on the unpaid purchase money without executing the bond provided in subsection (10) (c) of KRS 389.010.

(3) The infant upon becoming of age, or the *mentally disabled* person [of unsound mind] upon his restoration *of civil rights* [to sound mind], or the guardian or *conservator* [committee] upon executing bond as provided in subsection (10) (c) of KRS 389.010, may collect and receive the proceeds as same shall become due.

(4) The purchaser upon maturity of any bond or portion of the purchase price may pay the amount due into court. If the guardian or the *conservator* [committee] does not execute bond as provided in subsection (10) (c) of KRS 389.010 so that same may be paid over to him, the court shall direct the investment of such proceeds by the master commissioner or receiver of the court, under supervision of the court, until the guardian or the *conservator* [committee] shall qualify to receive the same, or the infant or *mentally disabled* person [of unsound mind] shall become competent to receive the same personally.

Section 115. KRS 392.130 is amended to read as follows:

The spouse of an infant spouse, or of a spouse judicially declared *mentally disabled* [incompetent], if the spouse not under disability is of the age of eighteen years, or if not, with the approval of the circuit court, on such terms as it may deem equitable, may unite with his guardian or *conservator* [committee], or with the commissioner of the court, in the conveyance of the real estate of the spouse under disability, so as to release the inchoate right of dower or curtesy of the spouse not under disability, when a sale and conveyance of the real estate are ordered to be made by the guardian or *conservator* [committee], or by the commissioner or other officer of the court. An infant spouse may also be permitted by the circuit court to unite with his adult spouse in the conveyance of the adult spouse's real estate without terms, or on such terms as may be deemed equitable, so as to release the inchoate right of dower or curtesy of the infant spouse. If, in judicial proceedings to sell the real estate of an infant spouse, or of a spouse judicially declared *mentally disabled* [incompetent], his spouse is made a party defendant, and by answer, and on privy examination in open court or by a judge of a court in which such proceedings are pending, or by a commissioner appointed by the court to take the case, the spouse not under disability consents to a sale of the property, free from the inchoate right of dower or curtesy of the spouse not under disability, either without terms or on terms designated by the spouse not under disability, the court may, if it deems the terms of such consent equitable, order the sale of such property, free from the inchoate right of dower or curtesy, upon the terms of consent proposed by that spouse.

Section 116. KRS 392.140 is amended to read as follows:

Whenever a married person has become a confirmed *mentally disabled* [incompetent] person, the circuit court of the county in which is situated land belonging to the spouse of such *disabled* [incompetent] person may, upon the petition of the spouse of the *mentally disabled* [incompetent] person, adjudge the sale and conveyance, or the mortgage, of the inchoate right of dower or curtesy of the person under disability. The *mentally disabled* [incompetent] person and his *guardian or conservator* [committee], if he has one, shall be made defendants to the action; if he has no *guardian or conservator* [committee], the court shall appoint an attorney to defend for him, to whom the court shall make a reasonable allowance to be paid by the spouse of the *mentally disabled* [incompetent] person. A description of the land shall be given in the petition and the evidence of title of the spouse of the *mentally disabled* [incompetent] person filed therewith. If the court is satisfied by the proof that the *mentally disabled* [incompetent] spouse is a confirmed *mentally disabled* [incompetent] person, it may adjudge the sale and conveyance, or mortgage, of her inchoate right of dower or his inchoate right to curtesy in said land, and if the *mentally disabled* [incompetent] spouse has a *guardian or conservator* [committee], the court may direct that he unite with the spouse of the *mentally disabled* [incompetent] person in the deed or mortgage; if the *mentally disabled* [incompetent] spouse has no *guardian or conservator* [committee], the court shall appoint a commissioner who shall unite with the spouse of the *mentally disabled* [incompetent] person in the deed or mortgage. Before any judgment pursuant to this section shall be rendered, the spouse of the *mentally disabled* [incompetent] person, with at least two good sureties, shall execute before the court a covenant to the commonwealth for the benefit of the *mentally disabled* [incompetent] spouse, to be approved by the court, that the *mentally disabled* [incompetent] spouse will be paid the value of his right of dower or curtesy in the land should such right thereafter become complete.

Section 117. KRS 394.190 is amended to read as follows:

Any person interested in such probate may be summoned, or proceeded against by warning order, and if an infant or *mentally disabled* person [of unsound mind], a guardian ad litem shall be appointed.

Section 118. KRS 395.016 is amended to read as follows:

When notice of hearing of an application for the appointment of an administrator, administrator with will annexed, guardian, or *conservator* [committee] is required hereunder, it shall be given by mailing written notice of the time, place and purpose of such hearing at least five days before said hearing. Proof of such notice shall be by certified mail, return receipt requested or by registered mail receipt or by applicant's affidavit that the same was mailed to each of the parties entitled thereto in a sealed envelope, postage prepaid, and the date when posted, which proof shall be filed at the time of hearing. If all parties entitled to notice are under no disability and waive notice in writing, the court may hear such application as if notice had been given. A minor over fourteen years of age may waive notice if present in person at the time of hearing of application for appointment of his guardian; provided, however in any estate where the gross amount involved is less than one thousand dollars the court in its discretion may dispense with the requirements of this section relating to notice.

Section 119. KRS 395.130 is amended to read as follows:

(1) Every fiduciary, except as provided in KRS 287.220, shall provide surety on his bond unless, on the petition of any interested party, the court upon being satisfied that all interests are adequately protected excuses the requirement of a surety, or unless, by the terms of the will or trust, surety is not required. Subsequent to the qualification of a fiduciary and on motion of any interested party the court may reduce the amount of the bond, release the surety, or permit the substitution of another bond with the same or different sureties. If an executor does not give bond when required to do so, he shall not be permitted to qualify, and, if he has already qualified, he shall be removed.

(2) Whenever any personal representative, guardian, [committee] or other trustee or fiduciary who is required by law to execute a bond for the faithful discharge of his duties or fulfillment of his trust, procures as surety on his bond an incorporated surety company authorized to do business in this state, the necessary and reasonable cost incident to the bond shall be a lawful charge against the estate in the hands of the fiduciary, as other expenses of administration, and in his settlement the fiduciary shall be entitled to credit by the amount actually paid by him for that purpose, subject to the approval of the court which has approved the bond.

Section 120. KRS 395.155 is amended to read as follows:

For the purpose of computing commissions whenever any portion of the dividends, interests, rents or other amounts payable to an executor, administrator, trustee, guardian, [committee], curator or other personal representative or fiduciary is required by any law of the United States or other governmental unit to be withheld for income tax purposes by the person, corporation, organization or governmental unit paying the same, the amount so withheld shall be deemed to have been collected.

Section 121. KRS 395.325 is amended to read as follows:

(1) If any fiduciary resigns or is removed, he shall upon the appointment of his successor settle his accounts.

(2) If any fiduciary becomes *mentally disabled* [incompetent] or dies, the personal representative of his estate shall upon the appointment of a successor fiduciary for the *mentally disabled fiduciary* [incompetent] or decedent settle for his decedent the accounts of the first decedent.

(3) In appointing a successor trustee of a trust created by will, the court shall give preference to that person, or those persons, designated in the will as successor trustee. If there be no such designation or if the court finds the person or persons so designated are not best qualified to protect the interests of the beneficiaries, then the court shall give preference to the persons who apply for appointment, preferring the surviving husband or wife, and then such others as are next entitled to distribution or one or more of them whom the court deems best qualified.

Section 122. KRS 395.480 is amended to read as follows:

If any person beneficially interested in an estate is not sui juris, consent for that person to the written agreement provided by subsection (1) of KRS 395.470 may be given by his guardian, curator or *conservator* [committee]. In the case of a prisoner otherwise sui juris, consent may be given by him personally instead of by his curator if it is acknowledged before the superintendent or keeper of the prison and the superintendent or keeper certifies that, in his opinion, the prisoner gave his consent freely. If any person not sui juris is beneficially interested, a trustee appointed under subsection (2) of KRS 395.470 to collect claims and demands shall not act until he has given bond to account for the share of that person and the bond has been approved by the district court.

Section 123. KRS 402.020 is amended to read as follows:

(4) When at the time of marriage, the person is under eighteen (18) years of age, if the marriage is without the consent of the father, mother, guardian, or other person lawfully having charge of his or her person, provided, however, that in case of pregnancy the male and female, or either of them, under the ages herein specified may apply to a district court judge for permission to marry, which application may be granted, in the discretion of the judge. There shall be a fee of five dollars ($5.00) for hearing each such application.

Section 124. KRS 402.990 is amended to read as follows:

(1) Any party to a marriage prohibited by KRS 402.010 shall be fined not less than five hundred dollars ($500) nor more than five thousand dollars ($5,000). If the parties continue after conviction to cohabit as man and wife, either or both of them shall be imprisoned in the penitentiary for not less than three (3) nor more than twelve (12) months.

(6) Any unauthorized person who solemnizes a marriage under pretense of having authority, and any person who falsely personates the father, mother or guardian of an applicant in obtaining a license shall be imprisoned in the penitentiary for not more than three (3) years.

(7) Any person who falsely and fraudulently represents or personates another, and in such assumed character marries that person, shall be imprisoned in the penitentiary for not less than one (1) nor more than five (5) years. Indictment under this subsection shall be found only upon complaint of the injured party and within two (2) years after the commission of the offense.

(8) Any clerk who knowingly issues a marriage license to any persons prohibited by this chapter from marrying shall be fined not less than five hundred dollars ($500) nor more than one thousand dollars ($1,000), and removed from office by the judgment of the court in which he is convicted.

(9) Any clerk who knowingly issues a marriage license in violation of his duty under this chapter shall be fined not more than one thousand dollars ($1,000).

(10) If any deputy clerk or any person other than a county clerk knowingly issues a marriage license in violation of this chapter, but not for a prohibited marriage, he shall be fined not more than one thousand

dollars ($1,000), and if he knowingly issues a license for a marriage prohibited by this chapter he shall be fined not more than one thousand dollars ($1,000) or imprisoned not more than one (1) year, or both.

Upon failure to pay the fine, the defendant shall be imprisoned as for failure to pay any other fine.

(14) Any physician, laboratory representative, county clerk or applicant for a marriage license who violates any of the provisions of KRS 402.120 to 402.200, or makes any false representation of fact or identity, shall be fined not less than ten dollars ($10) nor more than one hundred dollars ($100), and imprisoned in the county jail for a term fixed by the jury.

(15) Any person failing to make the return required of him by KRS 402.220 shall be fined fifty dollars ($50).

Section 125. KRS 388.190 is amended to read as follows:

As used in this chapter:

(1) The term "person" includes a partnership, corporation or an association.

(2) The term "Veterans Administration" means the Veterans Administration, its predecessors or successors.

(3) The terms "estate" and "income" shall include only moneys received by the guardian or *conservator* [committee] from the Veterans Administration, all earnings, interest and profits derived therefrom and all property acquired therewith.

(4) The term "benefits" shall mean all moneys paid or payable by the United States through the Veterans Administration.

(5) The term "Administrator" means the Administrator of Veterans Affairs or his successor.

(6) The term "ward" means a beneficiary of the Veterans Administration.

(7) The term "guardian" as used herein shall mean any person acting as a fiduciary for *a* [an incompetent] person *adjudged mentally disabled.*

(8) The term "court" means the district court of the county of the beneficiary's residence.

Section 126. KRS 388.200 is amended to read as follows:

The administrator of veterans affairs, or his successor, is and shall be a party in interest in any proceeding brought under any law of this state for the appointment of a guardian or [committee] for any minor or *person adjudged* mentally *disabled* [incompetent] beneficiary or the veterans administration on whose account benefits have been paid or are payable by said veterans administration, and the said administrator or his successor is and shall be an interested party in any court proceeding pertaining to or effecting in any manner the administration of the estate of any such beneficiary on whose account such benefits are payable or whose estate includes assets derived from benefits paid by the veterans administration, its predecessor or successor. Written notice shall be given by certified mail, return receipt requested or by registered mail, unless waived in writing, to the office of the veterans administration having jurisdiction over the area in which the court is located, of the time and place for hearing on any petition or pleading or in connection with any proceeding pertaining to or affecting in any manner the administration of the estate of any such beneficiary of the veterans administration. Said notice shall be deposited in the mails not less than fifteen days prior to the date of such hearing or other proceedings.

Section 127. KRS 388.210 is amended to read as follows:

Whenever, pursuant to any law of the United States or regulation of the Veterans Administration, it is necessary, prior to payment of benefits, that a guardian [or committee] be appointed for a minor or *a* mentally *disabled* [incompetent] beneficiary of the Veterans Administration such appointment shall be made in the manner hereinafter provided.

Section 128. KRS 388.220 is amended to read as follows:

(1) Except as hereinafter provided, it shall be unlawful for any person to accept appointment as guardian [or committee] of any minor or mentally *disabled* [incompetent] beneficiary of the Veterans Administration if such proposed guardian [or committee] shall at that time be acting as guardian [or committee] for five wards. In any case, upon presentation of a petition by an attorney of the Veterans Administration under this section alleging that a guardian [or committee] is acting in a fiduciary capacity for more than five wards and requesting his discharge for that reason, the court, upon proof substantiating the petition, shall require a final accounting forthwith from such guardian [or committee] and shall discharge such guardian [or committee] in said case.

(2) The limitations of this section shall not apply where the guardian [or committee] is a bank or trust company. An individual may be guardian [or committee] of more than five wards if they are all members of the same family.

Section 129. KRS 388.230 is amended to read as follows:

(1) A petition for the appointment of a guardian [or committee] for any minor or mentally *disabled* [incompetent] beneficiary of the Veterans Administration may be filed in the court having jurisdiction by or on behalf of any person who under existing law is entitled to priority of appointment. If there be no person so entitled or if the person so entitled shall neglect or refuse to file such a petition within thirty days after mailing of notice by the Veterans Administration to the last known address of such person indicating the necessity for the same, a petition for such appointment may be filed by or on behalf of any responsible person residing in this state.

(2) The petition for appointment shall set forth the name, age, place of residence of such beneficiary, the name and place of residence of the nearest relative, if known, and the fact that such beneficiary is entitled to receive benefits payable by or through the Veterans Administration and shall set forth the amount of moneys then due and the amount of probable future payments.

(3) The petition shall also set forth the name and address of the person or institution, if any, having actual custody of such beneficiary, and the name, age, relationship, if any, occupation and address of the person proposed for appointment as guardian [or committee]. Notwithstanding any provision of existing law as to priority, the court may appoint a capable individual, bank or trust company, as guardian [or committee], if the person entitled to priority fails to apply, or if after hearing the court determines it is for the best interest of such beneficiary to appoint another.

(4) In the case of a mentally *disabled* [incompetent] beneficiary, the petition shall show that such beneficiary has been rated *mentally disabled* [incompetent] by the Veterans Administration on examination in accordance with the laws and regulations governing the Veterans Administration.

Section 130. KRS 388.250 is amended to read as follows:

Notwithstanding the provisions of existing law for adjudication of *mental disability* [incompetency] and appointment of a *guardian or conservator* [committee] upon the inquest of a jury, where a petition is filed for the appointment of a *guardian or conservator* [committee] for a mentally *disabled* [incompetent] beneficiary of the Veterans Administration under the provisions of this Act, who is found within this state, whether or not a resident thereof, a certificate of the Administrator of Veterans Affairs or his duly authorized representative, accompanying such petition setting forth the fact that such beneficiary has been rated *mentally disabled* [incompetent] by the Veterans Administration on examination in accordance with the laws and regulations governing such Veterans Administration, and that the appointment of a *guardian or conservator* [committee] is a condition precedent to the payment of any moneys due each beneficiary by the Veterans Administration, shall be prima facie evidence of the necessity for such appointment. Provided, however, that some member of the bar shall be appointed by the court to represent and protect the interests and rights of such *mentally disabled* [incompetent] beneficiary as provided under existing law, and further that the right of any such *mentally disabled* [incompetent] beneficiary or any person interested in such beneficiary to demand a trial by jury shall not be denied.

Section 131. KRS 338.270 is amended to read as follows:

(1) Before making an appointment under the provisions of this Act, the court shall be satisfied that the person whose appointment is sought is a fit and proper person to be appointed. Upon the appointment being made, the guardian or *conservator* [committee] shall execute and file a bond to be approved by the court in an amount not less than the estimated value of the personal estate and anticipated income during the ensuing year. The said bond shall be in the form and be conditioned as required of guardians and committees appointed under the general guardianship laws of this state. The court shall have power from time to time to require the guardian or *conservator* [committee] to file an additional bond.

(2) Where a bond is tendered by a guardian or *conservator* [committee] with personal sureties, there shall be at least two such sureties and they shall file with the court a certificate under oath which shall describe the property owned, both real and personal, and shall state that they are each worth the sum named in the bond as the penalty thereof over and above all their debts and liabilities and exclusive of property exempt from execution. Notwithstanding such tender, the court may require additional security or may require a corporate surety bond, the premium thereon to be paid from the ward's estate.

Section 132. KRS 388.280 is amended to read as follows:

(1) Every guardian or *conservator* [committee] who shall receive on account of his ward any moneys from the Veterans Administration, shall file with the court annually, on the anniversary date of the appointment, in addition to such other accounts as may be required by the court, a full, true and accurate account under oath of all moneys so received by him, of all disbursements thereof, and showing the balance thereof in his hands at the date of such account and how invested. The guardian or *conservator* [committee], at the time of filing his account shall exhibit all securities or investments described therein to an officer of the bank or other depository wherein said securities are held for safekeeping, or to an authorized representative of the corporation which is surety on his bond, or to the clerk or deputy clerk of a court of record in this state or to any other reputable person designated by the court upon request of the guardian or *conservator* [committee] or other interested party, who shall certify in writing that he has examined such securities or investments

and identified them with those described in the account; provided, that if such depository is the guardian or *conservator* [committee], such certifying officer shall be an officer other than the officer verifying the account, or the guardian or *conservator* [committee] may exhibit such securities or investments to the Judge of the Court who shall endorse on the account and copy thereof a statement that the securities or investments shown therein as on hand were in fact exhibited to him and that those exhibited to him were the same as those shown in the account. Such certificate, and the certificate of an official of the bank in which is deposited any cash balance showing the amount on deposit shall be filed by the guardian or *conservator* [committee] with his account. A certified copy of each such accounts and a signed duplicate of such certificates filed with the court shall be sent by the guardian or *conservator* [committee] to the office of the Veterans Administration having jurisdiction over the area in which such court is located. A duplicate signed copy, or certified copy of any petition, motion or other pleading which is filed in the guardianship proceedings, or in any proceedings for the purpose of removing the disability or minority or of mental incompetency, shall be furnished by the person filing the same, to the office of the Veterans Administration concerned. The court, unless hearing be waived in writing by the Chief Attorney of the Veterans Administration, shall fix a time and place for the hearing on such account, petition, or other pleading, not less than fifteen days nor more than thirty days from the date of filing same unless a different available date be stipulated in writing and written notice of the time and place of such hearing shall be given by the court to the aforesaid Veterans Administration office not less than fifteen days prior to the date fixed for the hearing. Notice of such hearing shall in like manner be given to the guardian or *conservator* [committee] and to any others entitled to notice.

(2) The clerk shall mail said Veterans Administration office a copy of each order entered in any guardianship proceeding wherein the Veterans Administration is an interested party.

Section 133. KRS 388.290 is amended to read as follows:

If any guardian or *conservator* [committee] shall fail to file with the court or the Veterans Administration, as required by this Act, any account of the benefits received by him from the Veterans Administration on account of his ward within thirty days after such account is due, or shall fail to furnish the Veterans Administration a true copy of any account or of any petition or pleading as required by this chapter, such failure shall be grounds for removal.

Section 134. KRS 388.300 is amended to read as follows:

Compensation payable to guardians or committees shall not exceed five percent of the income of the ward during any year, but in no event shall the amount of such compensation be less than fifty dollars for each year. In the event of extraordinary services rendered by any guardian or *conservator* [committee], the court may, upon petition and after notice to the Veterans Administration and hearing thereon, authorize reasonable additional compensation therefor payable from the estate of the ward. Notice of such petition and hearing shall be given to the proper office of the Veterans Administration in the manner provided in KRS 388.280. No commission or compensation shall be allowed on the estate received from a preceding guardian.

Section 135. KRS 388.310 is amended to read as follows:

All funds in possession of such guardian or *conservator* [committee] shall be invested in such securities or other property in which the guardian or *conservator* [committee] has no interest, as allowed by law which investment shall be first approved by the court; except that investments in direct interest-bearing obligations of the United States Government or of this state shall be permissible without an order of the court.

Section 136. KRS 388.320 is amended to read as follows:

A guardian or *conservator* [committee] shall not apply any portion of the estate of his ward for the support and maintenance of any person other than said ward, his minor children and his spouse (if the spouse and the ward be living together) except upon petition to and prior order of the court after a hearing, notice of which has been given the proper office of the Veterans Administration in the manner and within the time provided in KRS 388.280.

Section 137. KRS 388.340 is amended to read as follows:

Upon filing a petition, or certificate, showing that a minor ward has attained majority, or that *a mentally disabled* [an incompetent] ward has been rated competent upon examination in accordance with the law, the court may order the guardian or *conservator* [committee] to file a final account; and, upon hearing, after notice to the former minor or *mentally disabled person* [incompetent] and to the Veterans Administration in the manner and within the time provided by KRS 388.280, and upon approval of the final account, the court may so adjudge and discharge the guardian or *conservator* [committee] and release the sureties from liability upon delivery to the former ward of the assets due him by the former guardian or *conservator* [committee], and may make such further order as may be lawful.

Section 138. KRS 404.050 is amended to reach as follows:

When a husband has been adjudged mentally *disabled* [incompetent] by a court of competent jurisdiction, the wife, by judgment of a court of equity, may be empowered to sell and convey by her own deed, or to mortgage by appropriate instrument, any of her real estate freed as to it and its proceeds from any claim of her husband.

Section 139. KRS 404.060 is amended to reach as follows:

(1) A married woman may sue, and be sued, as a single woman.

(2) She may defend an action against her and her husband for herself, and for him also if he fail to defend.

(3) If a husband desert his wife, she may bring or defend for him any action which he might bring or defend, and shall have the powers and rights with reference thereto which he would have had but for such desertion.

(4) If a female party to an action marry, her husband may be made a party by a motion, causing the fact to be stated upon the record; and the action shall not be delayed by reason of the marriage.

(5) But if a wife be *adjudged mentally disabled* [of unsound mind], or imprisoned, the actions mentioned in subsections (1), (2) and (3), of this section must be prosecuted or defended by her *guardian, conservator,* [committee] or curator, if she have one, and if she have none, must be prosecuted by her next friend, or defended by her guardian ad litem.

Section 140. KRS 413.090 is amended to read as follows:

Except as provided in KRS 413.110, 413.200, 413.210, 413.220, 413.230 and 413.240, the following actions shall be commenced within fifteen years after the cause of action first accrued:

(1) An action upon a judgment or decree of any court of this state or of the United States, or of any state or territory thereof, the period to be computed from the date of the last execution thereon.

(2) An action upon a recognizance, bond or written contract.

Section 141. KRS 417.014 is amended to read as follows:

The personal representative of a decedent, the guardian, *conservator* [committee] or curator of a person under disability, or any trustee, may agree to such submission. Upon such a submission, made in good faith, the award shall be binding, and be entered as the judgment of the court. No such fiduciary shall be responsible for any loss resulting from an award adverse to the interest he represents, unless caused by his fault or neglect.

Section 142. KRS 421.210 is amended to read as follows:

(1) In all actions between husband and wife, or between either or both of them and another, either or both of them may testify as other witnesses, except as to confidential communications between them during marriage, provided, however, that in an action for absolute divorce or divorce from bed and board, either or both of them may testify concerning any matter involved in the action, including questions of property, and provided further, that neither may be compelled to testify for or against the other.

(2) Subject to the provisions of subsection (7) of this section, no person shall testify for himself concerning any verbal statement of, or any transaction with, or any act done or omitted to be done by an infant under fourteen years of age, or by one who *has been adjudged mentally disabled* [is of unsound mind] or dead when the testimony is offered to be given except for the purpose, and to the extent, of affecting one who is living, and who, when over fourteen years of age and of sound mind, heard such statement, or was present when such transaction took place, or when such act was done or omitted, and except in actions for personal injury, death or damage to property by negligence or tortious acts, unless:

(a) The infant or his guardian shall have testified against such person, with reference to such statement, transaction or act; or

(b) The person *who has been adjudged mentally disabled* [of unsound mind] shall, when of sound mind, have testified against such person, with reference thereto; or

(c) The decedent, or a representative of, or someone interested in, his estate, shall have testified against such person, with reference thereto; or

(d) An agent of the decedent or *mentally disabled* person [of unsound mind], with reference to such act or transaction, shall have testified against such person, with reference thereto, or be living when such person offers to testify, with reference thereto.

(3) No person shall testify for himself, in chief, in an ordinary action, after introducing other testimony for himself, in chief; nor in an equitable action, after taking other testimony for himself, in chief.

(4) No attorney shall testify concerning a communication made to him, in his professional character, by his client, or his advice thereon, without the client's consent; nor shall an ordained minister, priest, rabbi or accredited practitioner of an established church or religious organization be required to testify in any civil

or criminal case or proceedings preliminary thereto, or in any administrative proceeding, concerning any information confidentially communicated to him in his professional capacity under such circumstances that to disclose the information would violate a sacred or moral trust, unless the person making the confidential communication waives such privilege herein provided.

(5) If the right of a person to testify for himself be founded upon the fact that one who is dead or *mentally disabled* [of unsound mind] has testified against him, the testimony of such person shall be confined to the facts or transactions to which the adverse testimony related.

(6) A person may testify for himself as to the correctness or original entries made by him against persons who are under no disability — other than infancy — in an accounting, according to the usual course of business though the person against whom they were made may have died or have become of *mentally disabled* [unsound mind]; but no person shall testify for himself concerning entries in a book, or the contents or purport of any writing, under the control of himself, or of himself and others jointly, if he refuse or fail to produce such book or writing, and to make it subject to the order of the court for the purposes of the action, if required to do so by the party against whom he offers to testify.

(7) The assignment of a claim by a person who is incompetent to testify for himself shall not make him competent to testify for another.

(8) A party may be examined as if under cross-examination at the instance of the adverse party, either orally or by deposition as any other witness; but the party called for such examination shall not be concluded thereby, but may rebut it by counter testimony.

(9) None of the preceding provisions of this section apply to affidavits for provisional remedies, or to affidavits of claimants against the estates of deceased or insolvent persons, or affect the competency of attesting witnesses of instruments which are required by law to be attested.

Section 143. KRS 453.140 is amended to read as follows:

A personal representative, guardian, assignee, curator, *conservator* [committee] or trustee in an action shall, if unsuccessful, be adjudged to pay costs as other litigants, but the judgment for costs in such cases shall only be against the assets that have, or may, come into the hands of the fiduciary.

Section 144. KRS 453.235 is amended to read as follows:

A guardian, curator, *conservator* [committee] or next friend, suing for a person under disability; and every plaintiff suing as an assignee, except an indorsee of a bill of exchange or a promissory note placed upon the footing of a bill of exchange, when insolvent, may be required to give security for costs; and on failure to do so in a reasonable time after it is directed by the court, upon the motion of the defendant, his action shall be dismissed.

Section 145. KRS 509.070 is amended to read as follows:

(1) A person is guilty of custodial interference when, knowing that he has no legal right to do so, he takes, entices or keeps from lawful custody any *mentally disabled* [incompetent] or other person entrusted by authority of law to the custody of another person or to an institution.

(2) It is a defense to custodial interference that the person taken from lawful custody was returned by the defendant voluntarily and before arrest or the issuance of a warrant for arrest.

(3) Custodial interference is a Class D felony unless the person taken from lawful custody is returned voluntarily by the defendant or unless the defendant is a relative of the victim in which case it is a Class A misdemeanor.

Section 146. KRS 503.110 is amended to read as follows:

(1) The use of physical force by a defendant upon another person is justifiable when the defendant is a parent, guardian or other person entrusted with the care and supervision of a minor or an incompetent person or when the defendant is a teacher or other person entrusted with the care and supervision of a minor, for a special purpose, and:

(a) The defendant believes that the force used is necessary to promote the welfare of a minor or *mentally disabled* [incompetent] person or, if the defendant's responsibility for the minor or *mentally disabled* [incompetent] person is for a special purpose, to further that special purpose or maintain reasonable discipline in a school, class or other group; and

(b) The force that is used is not designed to cause or known to create a substantial risk of causing death, serious physical injury, disfigurement, extreme pain, or extreme mental distress.

(2) The use of physical force by a defendant upon another person is justifiable when the defendant is a warden or other authorized official of a correctional institution, and:

(a) The defendant believes that the force used is necessary for the purpose of enforcing the lawful rules of the institution;

(b) The degree of force used is not forbidden by any statute governing the administration of the institution; and

(c) If deadly force is used, its use is otherwise justifiable under this code.

(3) The use of physical force by a defendant upon another person is justifiable when the defendant is a person responsible for the operation of or the maintenance of order in a vehicle or other carrier of passengers and the defendant believes that such force is necessary to prevent interference with its operation or to

maintain order in the vehicle or other carrier, except that deadly physical force may be used only when the defendant believes it necessary to prevent death or serious physical injury.

(4) The use of physical force by a defendant upon another person is justifiable when the defendant is a doctor or other therapist or a person assisting him at his direction, and:

(a) The force is used for the purpose of administering a recognized form of treatment which the defendant believes to be adapted to promoting the physical or mental health of the patient; and

(b) The treatment is administered with the consent of the patient or, if the patient is a minor or *a* [an] *mentally disabled* [incompetent] person, with the consent of the parent, guardian, or other person legally competent to consent in his behalf, or the treatment is administered in an emergency when the defendant believes that no one competent to consent can be consulted and that a reasonable person, wishing to safeguard the welfare of the patient, would consent.

Section 147. KRS 530.050 is amended to read as follows:

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

(1) It is the intent and purpose of the General Assembly to recognize that disabled persons have varying degrees of disability.

(2) Persons who are only partially disabled must be legally protected without a determination of total incompetency and without the attendant deprivation of civil and legal rights that such a determination requires.

(3) To this end, guardianship and conservatorship for disabled persons shall be utilized only as is necessary to promote their well-being, including protection from neglect, exploitation, and abuse; shall be designed to encourage the development of maximum self-reliance and independence in each person; and shall be ordered only to the extent necessitated by each person's actual mental and adaptive limitations.

(4) If the court determines that some form of guardianship or conservatorship is necessary, partial guardianship or partial conservatorship shall be the preferred form of protection and assistance for a disabled person.

SECTION 2. A NEW SECTION OF KRS CHAPTER 387 IS CREATED TO READ AS FOLLOWS:

As used in this Act unless the context otherwise requires:

(1) "Conservator" means an individual, agency, or corporation appointed by the court to manage the financial resources of a disabled person.

(2) "Limited conservator" means an individual, agency, or corporation appointed by the court to assist in managing the financial resources of a partially disabled person and whose rights, duties, and powers have been specifically enumerated by court order.

(3) "Guardian" means a person appointed by the court to have full care, custody, and control of a disabled person. The person appointed as guardian may also be appointed to manage the financial resources of a disabled person, consistent with the provisions governing conservators.

(4) "Limited guardian" means a guardian who possesses fewer than all of the legal powers and duties of a full guardian, and whose powers and duties have been specifically enumerated by court order.

(5) "Development disability" shall be defined as provided in Public Law 94-103, or as amended.

(6) "Disabled" means a legal, not a medical disability, and is measured by functional inabilities. It refers to any person fourteen (14) years of age or older who is:

(a) Unable to make informed decisions with respect to his personal affairs to such an extent that there is a risk that he will substantially endanger his physical safety or health by conduct demonstrating danger to self or by failure to provide adequate medical care, food, clothing, or shelter; or

(b) Unable to manage his property effectively to such an extent that there is a risk the property will be wasted or dissipated unless proper management is provided.

Such inability shall be evidenced by acts or occurrences within six (6) months prior to the filing of the petition for guardianship or conservatorship and shall not be evidenced solely by isolated instances of negligence, improvidence, or other behavior.

(7) "Partially disabled" refers to an individual whose ability to manage his personal or financial affairs is impaired to the extent that he needs protection or assistance, but who cannot be found to be fully disabled as provided in subsection (4) of this section.

(8) "Mentally ill person" means a person with substantially impaired capacity to use self-control, judgment, or discretion in the conduct of his affairs and social relations, associated with maladaptive behavior or recognized emotional symptoms where impaired capacity, maladaptive behavior, or emotional symptoms can be related to physiological, psychological, or social factors.

Each interdisciplinary evaluation report shall be compiled by at least three (3) individuals, including: (a) a physician, (b) a social worker with a graduate degree in social work, and (c) a psychologist licensed under the provisions of KRS Chapter 319. If the respondent is alleged to be partially disabled or disabled due to mental illness, the social worker and psychologist participating in the compilation of the interdisciplinary evaluation report shall be qualified mental health professionals as defined in KRS 202A.010(10). If the respondent is alleged to be partially disabled or disabled due to mental retardation, the social worker and psychologist participating in the compilation of the evaluation report shall be qualified mental retardation professionals as defined in KRS 202B.010(3).

The physician may, at the time of such admission, initiate without delay any application for an emergency hospitalization order, or other involuntary hospitalization as provided by this chapter, *or* KRS Chapter [203 or] 210.

(2) The authorized staff personnel admitting the individual for involuntary hospitalization under the provisions of subsection (1) of this section must certify in the record of the individual that in their opinion the individual is a mentally ill person and presents an immediate danger or an immediate threat of danger to self or others, as a result of mental illness, if not restrained. The authorized staff personnel admitting a mentally ill person shall further certify in the medical record of the individual that treatment which will reasonably benefit the individual is available at the facility to which he has been admitted and that hospitalization is the least restrictive alternative mode of treatment.

(3) Any person may be admitted to a hospital upon the certification of two (2) physicians, or one (1) physician and one (1) qualified mental health professional, that they have examined the person and have concluded that he is a mentally ill person; that because of his illness he is in need of care and can reasonably benefit from treatment in a hospital; that hospitalization is the least restrictive alternative mode of treatment; and because of such illness he presents an immediate danger or an immediate threat of danger to self or others if not restrained. No person shall be admitted to a hospital on the basis of such certification at any time after the expiration of three (3) days from the date of the examination.

(4) Any individual who has been admitted to a hospital under subsections (1) or (3) of this section shall be released from the hospital within seventy-two (72) hours (excluding weekends and holidays) unless a proper petition for further hospitalization has been filed under the provisions of this chapter, in which case the individual may be retained until the proceeding is terminated by a judgment or an order of the appropriate court. In no case shall the patient be retained in the hospital longer than twenty-one (21) days from the date of application under this section without a hearing and order of the appropriate court pursuant to the applicable provisions of this chapter, unless the patient agrees to remain voluntarily.

Section 32. KRS 202A.070 is amended to read as follows:

(1) Proceedings for involuntary hospitalization of an individual for sixty (60) consecutive days may be initiated by filing a petition as described in this chapter in the appropriate circuit court.

(2) Upon receipt of the petition the court shall give notice to the respondent, to his legal guardian, if any, and to his spouse, parent, or nearest known relative or friend concerning the allegations and contents of the petition and proposed hearing except that when no circuit judge is available in the county, the district judge may do all things necessary to accomplish the purposes of KRS Chapters 202A, 202B, [203] and 210.

(3) As soon as practicable, after notice of the commencement of the proceedings is given to the respondent, the court shall appoint two (2) physicians to examine the respondent and certify to the court their findings as to whether the respondent is a mentally ill person who presents an immediate danger or an immediate threat of danger to self or others as a result of mental illness and who can reasonably benefit from treatment. Each physician shall also certify as to whether in his opinion hospitalization is the least restrictive alternative mode of treatment presently available. The examination shall be held at a hospital or other medical facility or any other suitable place not likely to have a harmful effect on the patient's health.

(4) The court may, after reviewing the allegations contained in the petition, issue a warrant for the arrest of the person named in the petition. Such person if arrested on such warrant shall be conveyed immediately to any hospital, medical facility or institution approved by the secretary and shall be there examined by two (2) physicians. The physicians shall certify to the court their findings as to whether the respondent is a mentally ill person who presents an immediate danger or an immediate threat of danger to self or others as a result of mental illness and who can reasonably benefit from treatment. Each physician shall also certify as to whether in his opinion hospitalization is the least restrictive alternative mode of treatment presently available.

(5) If after their examination the physicians certify that the respondent is a mentally ill person who presents an immediate danger or an immediate threat of danger to self or others as a result of mental illness and that he can reasonably benefit from treatment and that hospitalization is the least restrictive alternative mode of treatment presently available, then such person may be retained in the hospital pending a hearing and order of the appropriate court, or may be transported to an appropriate hospital for retention. In no case

shall the patient be retained in a hospital longer than twenty-one (21) days from the date of the examination without a hearing and order of the appropriate court.

(6) If the criteria for involuntary hospitalization as set forth in subsections (3) and (4) of this section are not certified, the court may, without taking any further action, terminate the proceedings and dismiss the application. Otherwise, the court shall forthwith fix a date and notice of a hearing and render an order within twenty-one (21) days from the date of the examination of the respondent.

(7) The respondent shall be represented at such hearing by an attorney either retained by the respondent or provided by the Commonwealth. The respondent shall be afforded an opportunity to testify, to present, and cross-examine witnesses against him. The court may in its discretion receive the testimony of any other person. The hearing may be conducted in an informal manner, consistent with orderly procedures, and in a physical setting not likely to have a harmful effect on the mental health of the respondent. The hearing may be held by the court in chambers, at a hospital, or other suitable place.

(8) Respondent's presence at the hearing may be waived by the respondent or respondent may be excused from the hearing upon a finding that respondent's presence would seriously disrupt the proceedings or that the respondent's presence at the hearing would be harmful to respondent.

(9) If upon completion of the hearing the court finds that the respondent is (a) a mentally ill person, (b) because of this illness presents an immediate danger or an immediate threat of danger to self or others, (c) that the least restrictive alternative mode of treatment requires hospitalization, and (d) that treatment which can reasonably benefit the respondent is available in the hospital, then the court shall order the individual hospitalized in a hospital selected by the department for a period not to exceed sixty (60) consecutive days.

(10) The hospitalization under this section shall be for a period of time not to exceed sixty (60) consecutive days from the date of the court order. Release shall be by writ of habeas corpus pursuant to the provisions of this section except that a staff physician may release the patient subject to the provisions of this chapter.

(11) When a formal application has been made for a further involuntary hospitalization under the provisions of this chapter, the patient shall not be retained in the hospital longer than ten (10) days from the date of application without a hearing and order of the appropriate court pursuant to the applicable provisions of this chapter, unless the patient agrees to remain voluntarily.

(2) When a person has been hospitalized under the provisions of this chapter requiring a petition and certification of two (2) physicians, said certification may be accepted by the circuit court as evidence in lieu of direct testimony from the physicians, whenever the presence of the two (2) physicians at the hearing is waived by the respondent.

(3) Where possible the persons selected by the court to perform examinations as described in this chapter and KRS Chapter[s 203 and] 210 shall have made a special study of mental illness. Section 52. KRS 91.450 is amended to read as follows:

Within a reasonable time after the tax bills for the year have been listed with the tax receiver, he shall mail a postpaid tax notice, directed to the best of his knowledge, to every person against whom a tax bill has been listed. In the case of an infant or mentally *disabled* [ill] person the notice shall be mailed to his guardian or *conservator* [committee], and in the case of an absent owner whose address is unknown to the tax receiver it shall be mailed to the agent of the owner. The tax notice shall give a brief description of the property taxed, and shall state the number and amount of the bill listed against the taxpayer, the date of its maturity, and the penalties imposed for nonpayment. The failure of the tax receiver to send the tax notice, or of the taxpayer to receive it, shall not invalidate the tax, or the interest or penalties provided for by KRS 91.430, or any subsequent proceeding for the collection of either.

Section 53. KRS 92.560 is amended to read as follows:

As soon as the tax levy ordinance in each city of the second class becomes in force, the auditor shall deliver the assessment books to the city clerk, who shall from them make out the tax bills. Each bill shall show each lot and the assessment thereon separately, the name of the supposed owner, the net total assessment of personal property against the person and the tax thereon. The tax bills shall be so arranged that the bill for each half-year may be detached and have each part intelligible. There shall be attached to each bill a stub showing in condensed form the items and amounts in the bill, and the bills and stubs shall be numbered consecutively, the number of each stub to correspond to the bill to which it is attached. The bills and stubs shall be bound in book form. On or before April 1 of each year the clerk shall deliver the assessment books and tax bills to the auditor, and together they shall ascertain whether the sum of the tax bills equals the amount of the tax which, at the rate fixed, the total assessment should realize, and if it does not, they shall find and correct the error. When the error is corrected, the auditor shall receipt for the assessment books and tax bills. The auditor shall then deliver all tax bills to the treasurer and take his receipt for the gross amount of the bills. As soon as practicable after receiving the tax bills, the treasurer shall mail to each person against whom a tax bill has been listed, or to his guardian or *conservator* [committee], a postpaid notice, directed to the best of his knowledge, stating the number and amount of the bill, the date when due and the penalties imposed for nonpayment. The failure of the treasurer to send the notice, or of the taxpayer, guardian or *conservator* [committee] to receive it, shall not invalidate the tax or the interest or penalties, or any subsequent proceeding for the collection thereof.

Section 54. KRS 92.710 is amended to read as follows:

(1) The treasurer of each city of the second class shall, within ten (10) days after selling real property for taxes, make a written report thereof to the city auditor. The report shall show the time and place of the sale, the name of each delinquent, the years for which the sale was made, the number of each tax bill, the amount of taxes, interest, penalties and costs on each tax bill for each year, the name of the purchaser, the amount paid, and a brief description, by lot and block numbers as shown by the city maps or some other method sufficiently accurate to identify each parcel, of the property sold. The report shall be recorded in the auditor's office in an appropriate book provided for that purpose, with an alphabetical index of the names of delinquents whose property has been sold, and with appropriate columns and spaces opposite each name in which shall be entered a record of the sale and redemption of the property or of its conveyance to the purchaser in case it is not redeemed. The original report of the treasurer shall likewise be preserved. Upon the purchase of any real property by any person other than the city and the payment of the purchase price, the treasurer shall give the purchaser a certificate of purchase, which shall be in substance a copy of the treasurer's report as to the property bought. A duplicate of each such certificate shall be recorded in a book kept for that purpose as a public record in the auditor's office. In cases where the property is bought by the city, it shall not be necessary for the treasurer to issue a certificate of purchase, but the treasurer's report shall be deemed his certificate of any such purchase by the city.

(2) The collector of each city of the third class, after selling any real property for taxes, shall return upon the same paper upon which his levy is written a description of the property sold, the time and place of sale, a statement that he first advertised the sale according to law, the name of the purchaser and the amount paid by him for the property sold. The collector shall deliver the levy and return to the office of the city clerk, who shall record or bind it in a book kept for that purpose, and the original return of the collector shall also be filed and preserved in the office of the city clerk. The collector shall make all sales, returns and settlements before the end of the fiscal year. The collector shall give to the purchaser of any real property sold by him for taxes, except when the city is the purchaser, a certificate of purchase, containing a description of the land purchased, the time of sale, the quantity sold, the price, the amount of taxes sold for, and the year or years for which the taxes were owed. The certificate will be sufficiently descriptive if the property can be conveniently found from an inspection of the map of the city or, if the property is not properly described in the map, if the description is otherwise sufficient to enable the purchaser to find the property. All certificates of purchase shall be recorded or bound in a book kept for that purpose by the city clerk, as a public record. The collector's return of any sale of real property to the mayor for the use of the city shall be deemed his certificate of such purchase by the city.

(3) The collector or treasurer of each city of the fourth class, within twenty (20) days after selling any real property for taxes, shall report in writing to the county clerk of the county in which the city is located. The report shall show when the sale was made, the steps taken by the collector or treasurer prior to and at the sale, the name of the purchaser, the price, and a full description of the property. The county clerk shall record and index the report in the book in which he records the sheriff's report of tax sales. Such reports, when recorded, shall operate as conveyances to the purchasers, whether the city or private persons, and shall vest in the purchasers the title of the persons whose property was sold at the sale, except that of persons under legal disability, and shall be constructive notice as to the claim existing in favor of the purchaser against the real property of persons under no legal disability. The county clerk shall have a fee of fifty cents (50¢) for each entry so made.

(4) The collector or treasurer of each city of the fourth class shall, within thirty (30) days after each sale of real property, issue to the purchaser a certificate of purchase, describing the property sold and stating the time of sale and the price. If the collector or treasurer fails to make the report of sale to the county clerk provided for in subsection (3) of this section, any purchaser may file with the county clerk the collector's or treasurer's certificate of purchase. The clerk shall then record and index the certificate of purchase in the book mentioned in subsection (3) of this section, and it shall have the same effect as the collector's or treasurer's report would have had if returned.

(5) Any purchaser, other than the city, of real property sold for taxes of a city of the fourth class shall forfeit his right to the purchase unless, within six (6) months after the collector or treasurer delivers to him the certificate of purchase, the purchaser gives written notice of his purchase as follows:

(a) To the statutory guardian, parent or person in charge of an infant, in the order named, if the property belonged to an infant.

(b) To the *guardian or conservator* [committee] or the person in charge of *a mentally disabled* [an incompetent] person *or his estate*, in the order named, if the property belonged to *a mentally disabled* [an incompetent] person.

Section 55. KRS 92.730 is amended to read as follows:

(1) When real property has been sold for taxes of a city of the third class and purchased by the mayor for the benefit of the city, the owner of the property, or his heirs, representatives or assigns, may redeem the property at any time within two (2) years from the day of sale, by paying to the city the amount bid at the sale, with eight per cent (8%) per annum interest thereon from the day of sale.

(2) When real property has been sold for taxes of a city of the third class and purchased by someone other than the city, the owner of the property, or his heirs or personal representatives, may redeem the property at any time within one (1) year from day of sale, by paying or tendering to the purchaser or his representatives the full amount for which the property was sold, with twenty per cent (20%) per annum interest thereon from the day of sale. If the purchaser refuses to accept payment, or is a nonresident of the city, the owner may deposit the amount and interest with the city treasurer and take his receipt therefor, and shall at once file the receipt with the city clerk, which shall operate as a redemption of the property.

(3) If the owner of the property is a minor, or *a mentally disabled* [an incompetent] person, and the property is not redeemed within two (2) years from the day of sale, by the owner or by someone for him, the purchaser, other than the city, may bring suit in equity in the circuit court of the county to have a sufficient amount of the property sold to pay the sum bid at the collector's sale, with interest at ten per cent (10%) per annum and costs of suit, and to pay any other taxes appearing to be due on the property at the time judgment is rendered. The plaintiff shall, before any judgment is rendered, give good security to the defendant, to be approved by the court, that he will pay all taxes for which the property is adjudged to be sold, and shall, before any deed to the property sold under the judgment is made, produce to the court and file in the action proper and legal receipts for such taxes. No such suit against a person under disability shall be brought after five (5) years from the day of the collector's sale.

Section 56. KRS 92.740 is amended to read as follows:

(1) When real property has been sold for taxes of a city of the fourth class, an owner not under disability, or his representatives, heirs or assigns, may redeem the property from the city or any other purchaser at any time within two (2) years from the day of sale, by paying the purchase money with interest at the rate of ten per cent (10%) per annum, the costs and a penalty of fifteen per cent (15%) upon the total amount of the purchase price. Any person under disability at the date of sale, except *a person adjudged mentally disabled* [an incompetent person], shall have one (1) year after the removal of the disability, and any *mentally disabled* [incompetent] person shall have five (5) years from the receipt of the notice provided for in subsection (5) of KRS 92.710, in which to redeem his property on the same terms as other owners.

(2) If the property is redeemed from the city, the city clerk shall collect the amount of the tax, penalty and costs from the delinquent taxpayer, and give him a receipt therefor.

(3) When a redemption is made, the purchaser shall mark the word "redeemed" on the margin of the record book provided for in subsection (3) of KRS 92.710, in a space left for that purpose, with the date and his signature. The county clerk shall have a fee of twenty-five cents (25¢) for each redemption.

Section 57. KRS 93.490 is amended to read as follows:

(1) Any property owner who desires to exercise the privilege of payment by instalment shall, before the expiration of the thirty (30) days, pay in cash one-tenth (1/10) of the assessment against him and enter into an agreement in writing with the city that in consideration of this privilege he will make no objection to any illegality or irregularity in the assessment, levy or imposition of the taxes against his property, and that he will pay them in the manner provided in KRS 93.500. Any property owner entering into such an agreement or who exercises the option to pay in instalments shall be concluded thereby, and shall waive any defense against the payment of the taxes. The agreement shall be filed and recorded in the office of the director of finance, who shall retain it as a record of his office and furnish a copy to the director of works, who shall preserve it as a part of the records of his office.

(2) In all cases where agreements have not been filed within the time limit, the entire tax shall be payable in cash, and if not paid within the thirty (30) days shall bear interest at the rate of six per cent (6%) per annum from the date of the assessment and levy, and shall be collected by the city by suit.

(3) If any property subject to the tax is owned by an infant or a *mentally disabled* person [of unsound mind] or by a life tenant, the agreement herein provided for may be executed by the statutory guardian of the infant or the *guardian, conservator* [committee] or curator of the *disabled* [insane] person, or by the life tenant.

(4) Unless persons who, in the aggregate, are liable for at least one thousand dollars ($1,000) in excess of the cash payments made or provided for exercise the option to pay on the instalment plan, the option shall terminate and the entire tax shall be payable in cash and collected as herein provided.

Section 58. KRS 94.316 is amended to read as follows:

(1) In the original ordinance providing for a public improvement, the city legislative body shall have the alternative of providing that the improvement tax may, at the option of the property owners subject to the tax, be payable in instalments, as provided in this section and in KRS 94.317. Any property owner who desires to exercise this option shall, before the expiration of thirty (30) days from the day of publication of the abstract of the ordinance of apportionment and levy, enter into an agreement in writing with the city that in consideration of this privilege he will make no objection to any illegality or irregularity in the assessment, levy or imposition of the tax against his property, and that he will pay the tax in the manner provided in KRS 94.317. Any property owner entering into such an agreement shall be concluded thereby, and shall waive any defense against the payment of the tax. The agreement shall be filed in the office of the city treasurer, who shall preserve it as part of the records of his office.

(2) If any property subject to improvement tax is owned by an infant or a *mentally disabled* person [*of unsound mind*] or a life tenant, or is property which has descended by inheritance or will, the agreement provided for in this section may be executed by the statutory guardian of the infant, or the *guardian, conservator* [committee] or curator of the *disabled* person [of unsound mind], or the life tenant, or the heirs at law, or devisees, or the personal representative of the deceased owner of such property.

(3) In all cases where agreements have not been filed within the time specified in subsection (1) of this section, the entire improvement tax shall be payable in cash, and shall be subject to interest, as provided in KRS 94.313.

No other tax shall be assessed by the state or by any county, city, school district, or other taxing district on any such right or interest or against the holder of any such right or interest.

(3) The administrator, executor, trustee, *conservator, guardian,* [committee,] curator, or agent of any plan established for retirement purposes, as defined in subsection (1) of this section may list and pay the applicable tax for all of the participants in the plan subject to taxation by virtue of their respective vested rights or interests in such pension plan, and the owner or person enjoying such right or interest shall be deemed to have paid such tax.

(2) The property enumerated in paragraph (b) of subsection (1) of this section shall be considered and estimated in fixing the valuation of corporate franchises.

(3) Property shall be assessed for taxation at its fair cash value, estimated at the price it would bring at a fair voluntary sale.

(4) The situs of intangible personal property for purposes of taxation shall be at the residence of the real or beneficial owner, and not at the residence of the fiduciary or agent having custody or possession. Any intangible property owned by a resident shall be taxable in this state, unless by the date of assessment he has changed his place of abode to a place without this state with the bona fide intention of continuing actually to abide permanently without this state. The fact that a person again abides within this state within six (6) months from so changing his actual place of abode shall be prima facie evidence that he did not intend permanently to have his actual place of abode without this state. A person so changing his actual place of abode and not intending permanently to continue it without this state and not having listed his property for taxation as a resident of this state shall, for the purpose of having his property assessed for taxation within this state, be deemed to have resided, on the day when his property should have been so assessed, at his last actual or habitual place of abode within this state. The fact that a person does not claim or exercise the right to vote at public elections within this state shall not of itself constitute him a nonresident of this state.

(5) An administrator, executor, trustee, *guardian, conservator* [committee], curator, or agent residing in this state shall not be liable for taxes on intangible personal property held by him if the real or beneficial owner of the property resides outside of this state. This exemption shall not apply in the case of an executor or administrator in the exercise of his office as personal representative while the estate of a deceased person is in process of settlement and before the share of the nonresident legatee or beneficiary is set apart to him, or before the legatee or beneficiary is entitled to be paid his share.

(6) Nothing contained in this section shall affect the liability for franchise taxes payable by corporations organized under the laws of this state; nor the method of taxation of banks and trust companies provided in KRS 136.270; nor the method of taxation of savings and loan associations provided in KRS 136.300; and nothing contained in this section shall alter or repeal KRS 136.030.

Every executor, administrator, guardian, *conservator,* trustee, trustee in bankruptcy, receiver or other person acting in a fiduciary capacity shall, when required, file with the department of revenue a sworn inventory showing in detail the amount and character of personal property in his hands, unless the inventory has been filed as a public record in the court in which the fiduciary qualifies. The department may examine the books and accounts of any person acting in a fiduciary capacity. (1) To qualify under the homestead exemption provision of the Constitution, each person claiming the exemption shall file an application with the property valuation administrator of the county in which the applicant resides, on forms prescribed by the department of revenue. (2) (a) Every person filing an application for exemption under the homestead exemption provision must be sixty-five (65) years of age or older during the year for which application is made.

(b) Every person filing an application for exemption under the homestead exemption provision must own and maintain the property for which the exemption is sought as his personal residence.

(c) Only one (1) exemption per residential unit shall be allowed regardless of the number of residents sixty-five (65) years of age or older occupying said unit, but the $6,500 exemption shall be construed to mean $6,500 in terms of the purchasing power of the dollar in 1972. Every two (2) years thereafter, if the cost of living index of the United States department of labor has changed as much as one (1) per cent, the maximum exemption shall be adjusted accordingly.

(d) The real property may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years. The exemption shall apply only to the value of the real property assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which his interest in the corporation bears to the assessed value of the property.

(e) A mobile home may qualify as a residential unit for purposes of the homestead exemption provision provided the mobile home is classified as real property as defined in KRS 132.750.

(b) Whether the proposed improvement will benefit the cities or property sought to be benefited.

(c) Whether all of the property that will be benefited is included in the proposed district, as described in the petition.

(3) If the viewers find that any of the property described in the petition will not be benefited, they shall specifically describe that property, giving the name of the owner if known, so that the court may know definitely what property will not be benefited. If the viewers find any property not included in the petition that will be benefited or affected by the proposed improvement they shall so report, giving the name of the owner, and the description of the property. If any city will, in their opinion, be affected they shall so state in their report.

(4) Their report shall describe with accuracy the property which shall, in their opinion, be embraced in the proposed district by giving a boundary description thereof by metes and bounds, courses and distances. This report shall be accompanied by a map, showing in the same way the property proposed by them to be embraced in the district. They shall also state the names of all persons and cities owning property in the proposed district, giving the post office address of each person if known, if not, the last known post office address, or if this fact cannot be ascertained they shall so state. This report may be amended by viewers any time before final hearing.

Section 86. KRS 271A.165 is amended to read as follows:

(1) Each outstanding share, regardless of class, shall be entitled to one vote on each matter submitted to a vote at a meeting of shareholders, except as may be otherwise provided in the articles of incorporation. If the articles of incorporation provide for more or less than one vote for any share, on any matter, every reference in this chapter to a majority or other proportion of shares shall refer to such a majority or other proportion of votes entitled to be cast.

(2) Neither treasury shares, nor shares held by another corporation if a majority of the shares entitled to vote for the election of directors of such other corporation is held by the corporation, shall be voted at any meeting or counted in determining the total number of outstanding shares at any given time.

(3) A shareholder may vote either in person or by proxy executed in writing by the shareholder or by his duly authorized attorney-in-fact. No proxy shall be valid after eleven months from the date of its execution, unless otherwise provided in the proxy, but in no event shall a proxy, unless coupled with an interest, be voted on after three years from the date of its execution. The revocation of a proxy shall not be effective until the secretary of the corporation has received written notice of the revocation.

(4) At each election for directors each shareholder entitled to vote at such election shall have the right to cast, in person or by proxy, as many votes in the aggregate as he shall be entitled to vote under the corporation's articles of incorporation, multiplied by the number of directors to be elected at such election; and each shareholder may cast the whole number of votes for one candidate, or distribute such votes among two or more candidates. Such directors shall not be elected in any other manner.

(5) Shares standing in the name of another corporation, domestic or foreign, may be voted by either the president of such corporation or by proxy appointed by him unless some other person produces a certified copy of a resolution of the board of directors of such other corporation authorizing such other person to vote such shares.

(6) Shares held by an administrator, executor, guardian, *or* conservator [or committee] may be voted by him, either in person or by proxy, without a transfer of such shares into his name. Shares standing in the name of a trustee may be voted by him, either in person or by proxy, but no trustee shall be entitled to vote shares held by him without a transfer of such shares into his name.

(7) Where shares are held jointly by three or more fiduciaries acting under an instrument becoming effective after June 30, 1946, the will of the majority of such fiduciaries shall control the manner of voting or the giving of a proxy unless the instrument or order appointing the fiduciaries otherwise directs. Where,

in any case, fiduciaries are equally divided upon the manner of voting shares jointly held by them, any court of competent jurisdiction may, upon petition filed by any of the fiduciaries, or by any beneficiary, appoint an additional person to act with the fiduciaries in determining the manner in which the shares shall be voted upon the particular questions as to which the fiduciaries are divided.

(8) Shares standing in the name of a receiver may be voted by such receiver, and shares held by or under the control of a receiver may be voted by such receiver without the transfer thereof into his name if authority so to do be contained in an appropriate order of the court by which such receiver was appointed.

(9) A shareholder whose shares are pledged shall be entitled to vote such shares until the shares have been transferred into the name of the pledgee, and thereafter the pledgee shall be entitled to vote the shares so transferred.

(10) On and after the date on which written notice of redemption of redeemable shares has been mailed to the holders thereof and a sum sufficient to redeem such shares has been deposited with a bank or trust company with irrevocable instruction and authority to pay the redemption price to the holders thereof upon surrender of certificates therefor, such shares shall not be entitled to vote on any matter and shall not be deemed to be outstanding shares.

Section 88. KRS 287.212 is amended to read as follows:

(1) Notwithstanding any other provision of law, any bank or trust company, when acting as a fiduciary or when holding securities as custodian for a fiduciary, is authorized to deposit, or arrange for the deposit, with the federal reserve bank in its district of any securities, the principal and interest of which the United States or any department, agency or instrumentality thereof has agreed to pay, or has guaranteed payment, to be credited to one or more accounts on the books of said federal reserve bank in the name of such bank or trust company, to be designated fiduciary or safekeeping accounts, to which account other similar securities may be credited. A bank or trust company so depositing securities with a federal reserve bank shall be subject to such rules and regulations with respect to the making and maintenance of such deposit as, in the case of a bank or trust company organized under the laws of this state, the commissioner of banking and securities, and, in the case of the national banking associations, the comptroller of the currency, may from time to time issue. The records of such bank or trust company shall at all times show the ownership of the securities held in such account. Ownership of, and other interests in, the securities credited to such account may be transferred by entries on the books of said federal reserve bank without physical delivery of any securities. A bank or trust company acting as custodian for a fiduciary shall, on demand by the fiduciary, certify in writing to the fiduciary the securities so deposited by such bank or trust company with such federal reserve bank for the account of such fiduciary. A fiduciary shall, on demand by any party, to its accounting or on demand by the attorney for such party, certify in writing to such party the securities deposited by such fiduciary with such federal reserve bank for its account as such fiduciary.

(2) This section shall apply to any fiduciary, and any custodian for fiduciaries, acting on June 21, 1974, or who thereafter may act regardless of the date of the agreement, instrument or court order by which it is appointed.

(3) As used in this section, "fiduciary" includes an executor, administrator, trustee under any trust, express, implied, resulting or constructive, guardian, conservator, [committee,] receiver, trustee in bankruptcy, assignee for the benefit of creditors, partner, agent, officer of a corporation, public or private, public officer or any other person acting in a fiduciary capacity for any person, trust or estate.

Section 89. KRS 287.225 is amended to read as follows:

(1) Any bank or trust company when acting as executor, administrator, guardian, *conservator* [committee], agent, or trustee, whether alone or jointly with an individual or individuals, may with the consent of the individual fiduciary or fiduciaries, if any (who are hereby authorized to give such consent), cause any stock or other securities held in any such capacity to be registered and held in the name of a nominee or nominees of such bank or trust company, or in its own name.

(2) Any such bank or trust company shall be absolutely liable for any loss occasioned by the acts of any nominees of such bank or trust company with respect to such stock or other securities so registered. But no liability for any loss occasioned by the acts of any such bank or trust company, or the nominee of either of them with respect to such stock or securities so registered, shall be imposed upon the corporation,

its transfer agent or registrar, which registers its stock or other securities in the name of such bank or trust company, or the nominee of either of them, in accordance with the provisions of this section.

(3) The records of such bank or trust company shall at all times show the ownership of any such stock or other securities. Such stock or other securities shall at all times be kept separate and apart from the assets of such bank or trust company.

Section 90. KRS 292.330 is amended to read as follows:

(1) It is unlawful for any person to transact business in this state as a broker-dealer or agent, unless he is registered under this chapter. It is unlawful for any broker-dealer or issuer to employ an agent unless the agent is registered. It is unlawful for any person to transact business in this state as an investment adviser unless:

(a) he is so registered under this chapter, or

(b) he is registered as a broker-dealer under this chapter, or

(c) his only clients in this state are investment companies as defined in the Investment Company Act of 1940 or insurance companies.

(2) A broker-dealer, agent, or investment adviser may apply for registration by filing with the director an application together with a consent to service of process pursuant to KRS 292.430 and payment of the fee prescribed in subsection (10). Registration of a broker-dealer automatically constitutes registration of any agent who is a partner, officer or director or a person occupying a similar status or performing similar functions (except any partner, officer or director or other such person whose registration as an agent is denied, suspended or revoked under subsection (12)) without the filing of applications for registration as agents or the payment of fees for registration as agents. The application shall contain whatever information the director requires concerning such matters as:

(a) The applicant's form and place of organization;

(b) The applicant's proposed method of doing business;

(c) The qualifications and business history of the applicant and in the case of a broker-dealer or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser; and in the case of an investment adviser, the qualifications and business history of an employe;

(d) Any injunction or administrative order or conviction of a misdemeanor involving a security or any aspect of the securities business and any conviction of a felony; and

(e) The applicant's financial condition and history.

(3) If no denial order is in effect and no proceeding is pending under subsection (12), registration becomes effective at noon of the thirtieth day after an application is filed. The director may specify an earlier effective date and he may by order defer the effective date until noon of the thirtieth day after the filing of any amendment.

(4) The director may require as a condition of registration that the applicant (and, in the case of a corporation or partnership, the officers, directors or partners) pass a written examination as evidence of knowledge of the securities business.

(5) The director may by rule require the existence and maintenance of a minimum liquid net capital for registered broker-dealers and investment advisers and a minimum ratio between net capital and aggregate indebtedness, or both.

(6) The director may by rule require registered broker-dealers, agents and investment advisers to post surety bonds in an amount up to $25,000, and may determine their conditions, except under this subsection that no such bond may be required of any registrant whose net capital exceeds $100,000. An appropriate deposit of cash or securities shall be accepted in lieu of any required surety bond. Every surety bond shall provide for suit thereon by any person who has a cause of action under KRS 292.480, and every such bond shall provide that no suit may be maintained to enforce any liability on the bond unless brought within two (2) years after the sale or other act upon which it is based.

(7) The director may by rule require registered broker-dealers to carry fidelity bonds, covering its agents, general partners, and officers, in such form, covering such risks, and in such amounts (not exceeding $250,000) as he deems necessary for the protection of the public; and he may by rule require registered broker-dealers to furnish satisfactory evidence that they have such bonds.

(8) Every registration of a broker-dealer, agent or investment adviser shall be effective until March 1 of the following year and may be renewed as hereinafter provided. The registration of an agent is not effective during any period when he is not associated with an issuer or a registered broker-dealer specified in his application or a notice filed with the director. When an agent begins or terminates a connection with an issuer or registered broker-dealer, the agent and the issuer or broker-dealer shall promptly notify the director.

(9) Registration of a broker-dealer, agent or investment adviser may be renewed by filing with the director prior to the expiration thereof an application containing such information as the director may require to indicate any material change in the information contained in the original application or any renewal application for registration as a broker-dealer, agent or investment adviser filed with the director by the applicant,

payment of the prescribed fee and, in the case of a broker-dealer, a financial statement showing the financial condition of such broker-dealer as of a date within ninety (90) days. A registered broker-dealer or investment adviser may file an application for registration of a successor, whether or not the successor is then in existence, for the unexpired portion of the year without payment of any fee.

(10) The fee for initial or renewal registration shall be one hundred dollars ($100) for a broker-dealer, fifty dollars ($50.00) for an investment adviser, fifteen dollars ($15.00) for an agent, and five dollars ($5.00) for transfer of an agent, none of which fees shall be refundable.

(11) (a) Every registered broker-dealer and investment adviser shall make and keep all accounts, correspondence, memoranda, papers, books, and other records which the director by rule prescribes. All records required shall be preserved for three (3) years unless the director by rule prescribes otherwise for particular types of records. All required records shall be kept within this state or shall, at the request of the director, be made available at any time for examination by him either in the principal office of the registrant or by production of exact copies thereof in this state.

(b) Every registered broker-dealer and investment adviser shall file such reports as the director by rule prescribes.

(c) If the information contained in any document filed with the director is or becomes inaccurate or incomplete in any material respect, the broker-dealer shall promptly file a correcting amendment.

(d) The director may make periodic examinations, within or without this state, of each broker-dealer and investment adviser at such times and in such scope as he determines. These examinations may be made without prior notice to the broker-dealer or investment adviser. The expense reasonably attributable to any such examination shall be paid by the broker-dealer or investment adviser whose business is examined but the expense so payable shall not exceed an amount which the director by rule prescribes. For the purpose of avoiding unnecessary duplication of examinations, the director, insofar as he deems it practicable in administering this subsection, may cooperate with securities administrators of other states, the securities and exchange commission, and any national securities exchange or national securities association registered under the Securities Exchange Act of 1934.

(e) The director may by rule prohibit unreasonable charges, profits, commissions or other compensation of broker-dealers and investment advisers.

(f) The director may prescribe rules for the conduct of business by broker-dealers and investment advisers which he finds appropriate in the public interest and for the protection of investors.

(12) (a) The director may by order deny, suspend or revoke registration of any broker-dealer, agent or investment adviser if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer, or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser:

1. Has filed an application for registration under this section which, as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

2. Has wilfully violated or wilfully failed to comply with any provision of this chapter or a predecessor law or any rule or order under this chapter or a predecessor law;

3. Has been convicted, within the past ten (10) years, of any misdemeanor involving a security or any aspect of the securities business, or any felony;

4. Is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;

5. Is the subject of an order of the director denying, suspending, or revoking registration as a broker-dealer, agent, or investment adviser;

6. Is the subject of an order entered within the past five (5) years by the securities administrator of any other state or by the securities and exchange commission denying or revoking registration as a broker-dealer or agent, or the substantial equivalent of those terms as defined in this chapter, or is the subject of an order of the securities and exchange commission suspending or expelling him from a national securities exchange or national securities association registered under the Securities Exchange Act of 1934, or is the subject of a United States post-office fraud order; but a. the director may not institute a revocation or suspension proceeding under this paragraph more than one (1) year from the date of the order relied on, and b. he may not enter any order under this paragraph on the basis of an order unless that order was based on facts which would currently constitute a ground for an order under this section;

7. Has engaged in dishonest or unethical practices in the securities business;

8. Is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature; but the director may not enter an order against a broker-dealer or investment adviser under this paragraph without a finding of insolvency as to the broker-dealer or investment adviser; or

9. Is not qualified on the basis of such factors as training, experience, or knowledge of the securities business, except as provided in paragraph (b) below; or the director may by order, deny, suspend or revoke any registration if he finds that the order is in the public interest and that the applicant or registrant:

a. Has failed reasonably to supervise his agents if he is a broker-dealer or his employes if he is an investment adviser; or

b. Has failed to pay the proper filing fee; but the director may enter only a denial order under this clause, and he shall vacate any such order when the deficiency has been corrected. The director may not institute a suspension or revocation proceeding on the basis of a fact or transaction known to him when registration became effective unless the proceeding is instituted within the next thirty (30) days.

(b) The following provisions govern the application of subparagraph 9 of paragraph (a) of this subsection:

1. The director may not enter an order against a broker-dealer on the basis of the lack of qualification of any person other than the broker-dealer himself if he is an individual or an agent of the broker-dealer;

2. The director may not enter an order against an investment adviser on the basis of the lack of qualification of any person other than the investment adviser himself if he is an individual or any other person who represents the investment adviser in doing any of the acts which make him an investment adviser;

3. The director may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both;

4. The director shall consider that an agent who will work under the supervision of a registered broker-dealer need not have the same qualifications as a broker-dealer;

5. The director shall consider that an investment adviser is not necessarily qualified solely on the basis of experience as a broker-dealer or agent. When he finds that an applicant for initial or renewal registration as a broker-dealer is not qualified as an investment adviser, he may by order condition the applicant's registration as a broker-dealer upon his not transacting business in this state as an investment adviser;

6. The director may by rule provide for an examination, which may be written or oral or both, to be taken by any class of or all applicants, as well as persons who represent or will represent an investment adviser in doing any of the acts which make him an investment adviser.

(c) The director may by order summarily postpone or suspend registration pending final determination of any proceeding under this section. Upon the entry of the order, the director shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent, that it has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the director, the order will remain in effect until it is modified or vacated by the director. If a hearing is requested or ordered, the director, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.

(d) If the director finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent, or investment adviser, or is subject to an adjudication of mental *disability* [incompetence] or to the control of a [committee] conservator, or guardian, or cannot be located after reasonable search, the director may by order cancel the registration or application.

(e) Withdrawal from registration as a broker-dealer, agent, or investment adviser becomes effective thirty (30) days after receipt of an application to withdraw or within such shorter period of time as the director may determine, unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within thirty (30) days after the application is filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the director by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the director may nevertheless institute a revocation or suspension proceeding under subparagraph 2. of paragraph (a) of this subsection within one (1) year after withdrawal became effective and enter a revocation or suspension order as of the last date on which registration was effective.

(f) No order may be entered under any part of this section except the first sentence of paragraph (c) of this subsection without appropriate prior notice to the applicant or registrant (as well as the employer or prospective employer if the applicant or registrant is an agent), opportunity for hearing, and written findings of fact and conclusions of law.

Section 91. KRS 304.18-090 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, all benefits under any blanket health policy or contract shall be payable to the person insured, or to his designated beneficiary or beneficiaries, or to his estate, except that if the person insured is a minor or otherwise not competent to give a valid release, such benefits may be made payable to his parent, guardian, *conservator* or other person actually supporting him.

(2) The policy may provide that all or a portion of any indemnities provided by any such policy on account of hospital, nursing, medical or surgical services may, at the option of the insurer and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly

to the hospital or person rendering such services; but the policy may not require that the service be rendered by a particular hospital or person. Payment so made shall discharge the obligation of the insurer with respect to the amount of insurance so paid.

Section 92. KRS 304.39-060 is amended to read as follows:

(1) Any person who registers, operates, maintains or uses a motor vehicle on the public roadways of this Commonwealth shall, as a condition of such registration, operation, maintenance or use of such motor vehicle and use of the public roadways, be deemed to have accepted the provisions of this subtitle, and in particular those provisions which are contained in this section.

(2) (a) Tort liability with respect to accidents occurring in this Commonwealth and arising from the ownership, maintenance, or use of a motor vehicle is "abolished" for damages because of bodily injury, sickness or disease to the extent the basic reparation benefits provided in this subtitle are payable therefor, or that would be payable but for any deductible authorized by this subtitle, under any insurance policy or other method of security complying with the requirements of this subtitle, except to the extent noneconomic detriment qualifies under subsection (2)(b) hereof.

(b) In any action of tort brought against the owner, registrant, operator or occupant of a motor vehicle with respect to which security has been provided as required in this subtitle, or against any person or organization legally responsible for his acts or omissions, a plaintiff may recover damages in tort for pain, suffering, mental anguish and inconvenience because of bodily injury, sickness or disease arising out of the ownership, maintenance, operation or use of such motor vehicle only in the event that the benefits which are payable for such injury as "medical expense" or which would be payable but for any exclusion or deductible authorized by this subtitle exceed one thousand dollars ($1,000), or the injury or disease consists in whole or in part of permanent disfigurement, a fracture to a weight-bearing bone, a compound, comminuted, displaced or compressed fracture, loss of a body member, permanent injury within reasonable medical probability, permanent loss of bodily function or death. Any person who is entitled to receive free medical and surgical benefits shall be deemed in compliance with the requirements of this subsection upon a showing that the medical treatment received has an equivalent value of at least one thousand dollars ($1,000).

(c) Tort liability is not so limited for injury to a person who is not an owner, operator, maintainer or user of a motor vehicle within subsection (1) of this section, nor for injury to the passenger of a motorcycle arising out of the maintenance or use of such motorcycle.

(3) For purposes of this section and the provisions on reparation obligor's rights of reimbursement, subrogation, and indemnity, a person does not intentionally cause harm merely because his act or failure to act is intentional or done with his realization that it creates a grave risk of harm.

(4) Any person may refuse to consent to the limitations of his tort rights and liabilities as contained in this section. Such rejection must be in writing in a form to be prescribed by the department of insurance and must have been executed and filed with the department at a time prior to any motor vehicle accident for which such rejection is to apply. Such rejection form together with a reasonable explanation thereof shall be furnished by the reparation obligor with each policy to each prospective insurance applicant. Such rejection form shall affirmatively state in bold print that acceptance of this form of insurance denies the applicant the right to sue a negligent motorist unless certain requirements contained in the policy of insurance are met. Rejection by a person who is under legal disability shall be made on behalf of such person by his legal guardian, *conservator* or his natural parent. The failure of such guardian or a natural parent of a person under legal disability to file a rejection, within six (6) months from the date that this subtitle would otherwise become applicable to such person, shall be deemed to be an affirmative acceptance of all provisions of this subtitle. Provided, however, any person who, at the time of an accident, who does not have basic reparation insurance but has not formally rejected such limitations of his tort rights and liabilities and has at such time in effect security equivalent to that required by KRS 304.39-110 shall be deemed to have fully rejected such limitations within meaning of this section for that accident only.

(5) Any rejection must be filed with the department of insurance and shall be for a period of five (5) years from the date of its execution unless revoked in writing. A copy of such rejection or revocation must be filed with each insurance company providing an automobile policy under which the individual is a named insured as defined in the policy.

(6) Every insurance company when issuing an automobile policy to a resident of this Commonwealth must inform the buyer in writing in a form to be prescribed by the insurance commissioner of his right to reject the limitations of his tort rights and liabilities under this subtitle in the manner provided in subsections (4) and (7) of this section.

(7) Any rejection shall result in the full retention by the individual of his tort rights and his tort liabilities. Any person injured by a motor vehicle operator who has such rejection on file may claim his full damages, including nonpecuniary damages, or, if such injured person has not rejected his own tort limitations, he may also claim basic reparation benefits from the appropriate security on the vehicle as established under KRS 304.39-050. If such provider of security is other than the one providing security for the operator who has rejected the limitations, such provider shall be subrogated to the rights of the injured person to the extent of reparation benefits paid against the owner and operator of the vehicle.

(8) No person who has rejected the tort limitations under this section, except as provided in subsection (9) of this section or KRS 304.39-140(5), may collect basic reparation benefits.

(9) Any owner or operator of a motorcycle, as defined in Kentucky Revised Statutes, may file a rejection as described in subsections (4) and (5), which will apply solely to the ownership and operation of a motorcycle but will not apply to injury resulting from the ownership, operation or use of any other type of motor vehicle.

Section 93. KRS 322.050 is amended to read as follows:

No person shall be eligible for a license unless he is of good character and reputation, nor shall any person be eligible if he has been convicted of any felony involving moral turpitude or is adjudged by a court of competent jurisdiction mentally *disabled* [incompetent].

Section 94. KRS 327.070 is amended to read as follows:

The board, after due notice and hearing may refuse to license any applicant, and may refuse to renew the license of any licensed person, and may suspend or revoke the license of any licensed person:

(1) Who indulges in excessive use of alcoholic beverages or who is addicted to the use of narcotic drugs;

(2) Who has been convicted of violating any state or federal narcotic law;

(3) Who is, in the judgment of the board, guilty of immoral or unprofessional conduct;

(4) Who has been convicted of a felony or any crime involving moral turpitude;

(5) Who has obtained or attempted to obtain a license by fraud or material misrepresentation or who has made any other false statement to the board.

(6) Who is guilty, in the judgment of the board, of gross negligence in his practice of physical therapy;

(7) Who has been declared mentally *disabled* [incompetent] by a court of competent jurisdiction and has not thereafter been declared lawfully sane;

(8) Who has treated or undertaken to treat human ailments otherwise than by physical therapy as defined in this chapter, or who has undertaken to practice independent of the prescription, direction or supervision of a licensed medical doctor or dentist.

(9) Who has failed or refused to obey any lawful order or regulation of the board.

Section 95. KRS 353.270 is amended to read as follows:

A *guardian or conservator* [committee] of a person of unsound mind may enter into a consolidation agreement, as defined in KRS 353.280, subject to approval by the circuit judge as provided in KRS 353.290. The detailed provisions of such agreement may be such as the court approves, consistently with the provisions of KRS 353.280.

Section 96. KRS 353.290 is amended to read as follows:

(1) Upon the execution of such a consolidation agreement, the *guardian or conservator* [committee] shall file with the clerk of the circuit court in the county in which the land covered by the lease to be consolidated hereunder, or the greater portion thereof, lies, a petition for an order approving such consolidation agreement setting forth a copy of the consolidation agreement and a statement of facts constituting the grounds relied upon to secure the approval of such agreement, and shall submit with the petition the affidavits of not less than three (3) disinterested owners of real estate in the county wherein the proceedings hereunder are brought, as to whether such agreement will be advantageous or beneficial to the person or persons of unsound mind for whom such committee is acting, which affidavits shall be filed and preserved as records of the circuit court.

(2) No agreement permitted by KRS 353.270 to 353.290 shall be valid or effective until the judge of said court appoints a guardian ad litem to represent the *mentally disabled* person or persons [of unsound mind] whose interests are sought to be consolidated hereunder. The guardian ad litem shall file an answer and the affidavits of at least three (3) witnesses, proving the advantages or disadvantages of such agreement, and shall make such recommendation to the judge relating to the agreement as he believes to be most beneficial to the persons on whose behalf he is acting. He shall receive for his services a reasonable compensation, to be allowed by the judge and taxed as costs.

(3) The judge shall proceed in a summary manner to approve or disapprove the consolidation agreement, and if he approves it he shall indorse his approval thereon. The order of the judge approving such agreement shall be entered on the civil order book of the circuit clerk's office of the county in which the proceedings hereunder are brought.

Section 97. KRS 342.210 is amended to read as follows:

(1) The benefits in case of death shall be paid to such one or more dependents of the deceased employe for the benefit of all the dependents entitled thereto, as are determined by the board. The dependents to whom payments are made shall apply the same to the use of the persons entitled thereto under this chapter, according to their respective claims on the deceased for support. The compensation of *a mentally disabled* [an insane] person shall be paid to his *guardian or conservator* [committee].

(2) If the dependents are a widow, widower or other head of a family of minor children and one or more minor children, it shall be sufficient for the widow, widower or head of the family to make application

for compensation on behalf of all. Where the dependents are mentally incapacitated or are minors the head of whose family is not a dependent, the application may be made by the [committee,] guardian, *conservator* or next friend of such dependents.

Section 98. KRS 353.330 is amended to read as follows:

All of the persons in being who have any present or contingent interest in the lands or estate or interest sought to be leased shall be made parties to the proceedings authorized in KRS 353.300 to 353.380, with any infant or infants being represented either by next friend or statutory guardian or guardian ad litem, or in the case of constructive service of summons by a warning order attorney appointed as in other cases. Any person *adjudged mentally disabled* [of unsound mind] shall be represented by his *guardian or conservator* [committee] or by guardian ad litem, or, in the case of constructive service of summons as in civil actions generally, by a warning order attorney appointed as in other cases. If the court specifically finds that the welfare or interest of any person or persons not in being requires special representation, the court may appoint a trustee ad litem to represent such unknown parties not in being or each separate class thereof, and such trustee ad litem shall file such pleadings or answer and take such steps as he deems proper, and such unknown persons will be fully bound by the proceedings hereunder. Otherwise, and in the absence of such finding by the court, it shall not be necessary to make parties any persons not in being, either as "unknown defendants" or otherwise, but the persons in being who are parties shall stand for and represent the full title and whole interest in said lands or estate or interest therein, and all parties not in being who might have some contingent or future interest therein, and all persons, whether in being or not in being, having any interest, present, future or contingent, in the property sought to be leased, will be fully bound by the proceedings hereunder. It shall be permissible, however, to make defendants any unknown persons who might have any interest in the land sought to be leased, under the style of "unknown defendants."

Section 99. KRS 353.370 is amended to read as follows:

If a trustee's lease is granted hereunder, even though one (1) of the parties who has an interest or possible interest in the property covered by such lease is a minor or a person *adjudged mentally disabled* [of unsound mind], no separate guardian's lease or *conservator's* [committee's] lease shall be necessary.

Section 100. KRS 355.8-308 is amended to read as follows:

(1) An indorsement of a security in registered form is made when an appropriate person signs on it or on a separate document an assignment or transfer of the security or a power to assign or transfer it or when the signature of such person is written without more upon the back of the security.

(2) An indorsement may be in blank or special. An indorsement in blank includes an indorsement to bearer. A special indorsement specifies the person to whom the security is to be transferred, or who has power to transfer it. A holder may convert a blank indorsement into a special indorsement.

(3) "An appropriate person" in subsection (1) means

(a) the person specified by the security or by special indorsement to be entitled to the security; or

(b) where the person so specified is described as a fiduciary but is no longer serving in the described capacity, — either that person or his successor; or

(c) where the security or indorsement so specifies more than one person as fiduciaries and one or more are no longer serving in the described capacity, — the remaining fiduciary or fiduciaries, whether or not a successor has been appointed or qualified; or

(d) where the person so specified is an individual and is without capacity to act by virtue of death, *mentally disabled* [incompetence], infancy or otherwise, — his executor, administrator, guardian or like fiduciary; or

(e) where the security or indorsement so specifies more than one person as tenants by the entirety or with right of survivorship and by reason of death all cannot sign, — the survivor or survivors; or

(f) a person having power to sign under applicable law or controlling instrument; or

(g) to the extent that any of the foregoing persons may act through an agent, — his authorized agent.

(4) Unless otherwise agreed the indorser by his indorsement assumes no obligation that the security will be honored by the issuer.

(5) An indorsement purporting to be only of part of a security representing units intended by the issuer to be separately transferable is effective to the extent of the indorsement.

(6) Whether the person signing is appropriate is determined as of the date of signing and an indorsement by such a person does not become unauthorized for the purposes of this article by virtue of any subsequent change of circumstances.

(7) Failure of a fiduciary to comply with a controlling instrument or with the law of the state having jurisdiction of the fiduciary relationship, including any law requiring the fiduciary to obtain court approval of the transfer, does not render his indorsement unauthorized for the purposes of this article.

Section 101. KRS 362.305 is amended to read as follows:

(1) On application by or for a partner the court shall decree a dissolution whenever:

(a) A partner has been adjudged *mentally disabled* [incompetent] by a court of competent jurisdiction in any judicial proceeding or is shown to be of unsound mind,

(b) A partner becomes in any other way incapable of performing his part of the partnership contract,

(c) A partner has been guilty of such conduct as tends to affect prejudicially the carrying on of the business,

(d) A partner wilfully or persistently commits a breach of the partnership agreement, or otherwise so conducts himself in matters relating to the partnership business that it is not reasonably practicable to carry on the business in partnership with him,

(e) The business of the partnership can only be carried on at a loss,

(f) Other circumstances render a dissolution equitable.

(2) On the application of the purchaser of a partner's interest under KRS 362.280 or 362.285:

(a) After the termination of the specified term or particular undertaking,

(b) At any time if the partnership was a partnership at will when the interest was assigned or when the charging order was issued.

Section 102. KRS 355.3-307 is amended to read as follows:

(1) Unless specifically denied in the pleadings each signature on an instrument is admitted. When the effectiveness of a signature is put in issue

(a) the burden of establishing it is on the party claiming under the signature; but

(b) the signature is presumed to be genuine or authorized except where the action is to enforce the obligation of a purported signer who has died or *been adjudged mentally disabled* [become incompetent] before proof is required.

(2) When signatures are admitted or established, production of the instrument entitles a holder to recover on it unless the defendant establishes a defense.

(3) After it is shown that a defense exists a person claiming the rights of a holder in due course has the burden of establishing that he or some person under whom he claims is in all respects a holder in due course.

Section 103. KRS 355.3-508 is amended to read as follows:

(1) Notice of dishonor may be given to any person who may be liable on the instrument by or on behalf of the holder or any party who has himself received notice, or any other party who can be compelled to pay the instrument. In addition an agent or bank in whose hands the instrument is dishonored may give notice to his principal or customer or to another agent or bank from which the instrument was received.

(2) Any necessary notice must be given by a bank before its midnight deadline and by any other person before midnight of the third business day after dishonor or receipt of notice of dishonor.

(3) Notice may be given in any reasonable manner. It may be oral or written and in any terms which identify the instrument and state that it has been dishonored. A misdescription which does not mislead the party notified does not vitiate the notice. Sending the instrument bearing a stamp, ticket or writing stating that acceptance or payment has been refused or sending a notice of debit with respect to the instrument is sufficient.

(4) Written notice is given when sent although it is not received.

(5) Notice to one partner is notice to each although the firm has been dissolved.

(6) When any party is in insolvency proceedings instituted after the issue of the instrument notice may be given either to the party or to the representative of his estate.

(7) When any party is dead or *adjudged mentally disabled* [incompetent] notice may be sent to his last known address or given to his personal representative.

(8) Notice operates for the benefit of all parties who have rights on the instrument against the party notified.

Section 104. KRS 379.010 is amended to read as follows:

(1) Every voluntary assignment made by a debtor to any person in trust for his creditors shall be for the benefit of all his creditors, except as provided in subsections (2) and (3) of this section, in proportion to their respective claims after the payment of the expenses of the trust.

(2) Any property conveyed by the deed of assignment upon which there is a valid lien shall be first applied to the discharge of the lien debt, and if the property is not sufficient to satisfy the lien debt, the lien creditor may present the unsatisfied remainder as a claim against the estate and receive thereon his pro rata share of the assets in the same manner as general creditors.

(3) Debts due by the assignor as guardian, *conservator* [committee], trustee of an express trust created by deed or will or as personal representative shall be paid in full before the general creditors receive anything.

Section 105. KRS 381.135 is amended to read as follows:

(1) A person desiring a division of land held jointly with others, or an allotment of dower or curtesy, may file in the circuit court of the county in which the land or the greater part thereof lies a petition containing a description of the land, a statement of the names of those having an interest in it, and the amount of such interest, with a prayer for the division or allotment; and, thereupon, all persons interested in the property who have not united in the petition shall be summoned to answer not more than twenty (20) days after

service of the summons. The written evidences of the title to the land, or copies thereof, if there be any, must be filed with the petition.

(2) The statutory guardian of an infant, or *guardian or conservator* [committee] of *a* [an incompetent] person *adjudged mentally disabled* may file or unite in the petition, in the names of, and in conjunction with such infant, or *mentally disabled* [incompetent] person; and, if the petition be against an infant, or *mentally disabled* [incompetent] person the guardian, or *conservator* [committee] may appear and defend for them; if they fail to do so, the court shall appoint a discreet person for that purpose.

(3) Upon such a petition by all interested in the property, or upon the expiration of twenty (20) days after the service of a summons on all who have an interest in the property and have not united in the petition, the court may order the division, or allotment of dower or curtesy, according to the rights of the parties.

(4) The court shall appoint three competent persons to make the partition, or allotment of dower or curtesy, or both, having a due regard to the rights of all parties interested. Before proceeding to act, the commissioners shall take an oath to discharge their duty impartially.

(5) The order of appointment shall fix a time and place for the meeting of the commissioners who shall meet accordingly; but, if prevented from meeting at the time and place so fixed, they may meet as soon thereafter as convenient, and may adjourn to such other time and place as they may agree upon, until their duty shall be performed.

(6) They shall survey and allot to the parties their respective interests in the land, and make report thereof to the court, which may either confirm, set aside or remand the report to the commissioners for correction.

(7) If the report be confirmed, a commissioner to be appointed for the purpose shall, by deed, convey to each party the land allotted to him.

(8) If the report be confirmed by the circuit court, it and the deed shall be certified by the clerk of that court to the county clerk, for record.

(9) Two of the commissioners may act, if one refuse or fail to do so.

(10) A party summoned may, by answer, controvert the allegations of the petition or contest the rights claimed therein; and, thereupon, the case shall be tried and decided as an ordinary action, but without the intervention of a jury.

(11) The costs of the action shall be apportioned among the parties in the ratio of their interests, except that the costs arising from a contest of fact or law shall be adjudged against the unsuccessful party.

(12) No verification of the pleadings shall be required.

(13) The commissioners shall be paid a reasonable compensation, to be taxed as costs.

(14) This section does not affect the jurisdiction of courts of equity to make partition or allot dower or curtesy.

Section 106. KRS 384.060 is amended to read as follows:

The court shall have full discretionary authority to appoint any suitable person as such conservator and may require such conservator to post an adequate surety bond and to make such reports as the court may deem necessary. The conservator shall have the same powers and authority as the guardian of the property of an infant or the *guardian or conservator* [committee] of *a mentally disabled person* [an incompetent], and shall be considered as an officer or arm of the court.

When such securities are so deposited, certificates representing securities of the same class of the same issuer may be merged and held in bulk in the name of the nominee of such clearing corporation with any other such securities deposited in such clearing corporation by any person regardless of the ownership of such securities, and certificates of small denomination may be merged into one of more certificates of larger denomination. The records of such fiduciary and the records of such bank or trust company acting as custodian, as managing agent or as custodian for a fiduciary shall at all times show the name of the party for whose account the securities are so deposited. Title to such securities may be transferred by bookkeeping entry on the books of such clearing corporation without physical delivery or certificates representing such securities. A fiduciary shall, on demand by any party to its accounting or on demand by the attorney for such party, certify in writing to such party the securities deposited by such fiduciary in such clearing corporation for its account as such fiduciary.

(2) This section shall apply to any fiduciary holding securities in a fiduciary capacity, and to any bank or trust company holding securities as a custodian, managing agent or custodian for a fiduciary, acting on June 21, 1974, or who thereafter may act regardless of the date of the agreement, instrument or court order by which it is appointed and regardless of whether or not such fiduciary, custodian, managing agent or custodian for a fiduciary owns capital stock of such clearing corporation.

(3) As used in this section, "fiduciary" includes an executor, administrator, trustee under any trust, express, implied, resulting or constructive, guardian, conservator, [committee,] receiver, trustee in bankruptcy, assignee for the benefit of creditors, partner, agent, officer or a corporation, public or private, public officer or any other person acting in a fiduciary capacity for any person, trust or estate.

Section 111. KRS 389.010 is amended to read as follows:

(1) The real property or any right, title or interest in real property of a person under the age of eighteen years, or of a person of unsound mind, whether such person be a resident or a nonresident of this state, may be sold under or by decree of a court of equity of the county in which the property or any part thereof is situated for any purpose deemed by the court to be necessary or proper or beneficial to such person under disability.

(2) The decree may be rendered on a petition, counterclaim or cross-petition filed by the statutory guardian of an infant, or by the *guardian or conservator* [committee] of a *mentally disabled person* [person of unsound mind], or by a next friend, or by any party against a guardian or *conservator* [committee], if he has one residing in this state, in any kind of similar proceeding that may be maintained against a person who is not under disability.

(3) Except in actions brought under subsection (13) of this section, if the guardian or *conservator* [committee] of a person under disability be a party to the action, then it shall not be necessary for the person under disability to be made a party personally.

(4) If the guardian or *conservator* [committee] of a person under disability be not a party to the action, then it shall be necessary for the person under disability to be a party personally and brought before the court in the manner authorized by the Rules of Civil Procedure.

(5) Nothing contained in subsections (2), (3) and (4) of this section shall limit the purposes of sale named in subsection (1) of this section.

(6) If the suit be filed against a guardian or *conservator* [committee] and he shall fail to appear and defend or show that no good defense can be made, the court shall appoint a guardian ad litem to do so.

(7) The pleading seeking a sale shall file the title papers, or copies thereof, under which the property is held; shall particularly describe the property and the interest therein of the person under disability; set forth fully the reasons or purposes for which it is sought to have the same sold; and the nature and extent of all liens upon the interest of the person, if any, so far as the same may be known to the petitioner.

(8) The case may be referred by order of court to the master commissioner for hearing of evidence and report on the facts and his recommendation with respect to the relief sought in the pleadings.

(9) The allegations of the pleading shall not be taken as confessed but shall be proved by competent evidence heard on deposition or orally by the judge or commissioner. A transcript thereof shall be filed as part of the record.

(10) The proceeds of any sale may be paid to the guardian or *conservator* [committee] provided that he shall have executed in the circuit court a bond with surety to the Commonwealth for the use and benefit of the person under disability that he will faithfully discharge his trust and will account for, pay and deliver to said person all money and other property due or belonging to him when he shall reach his majority, or if he be a person of unsound mind when he shall be legally restored, or to his heirs or personal representative, or in compliance with an order of any court of competent jurisdiction. The court shall endorse its approval on said bond, which shall be recorded on the order book; provided, that if the circuit court, upon examination of a certified copy of the bond executed in the district court of his appointment by the guardian or *conservator* [committee], which copy shall be filed in the circuit court, should determine, in its discretion, that said bond is adequate and sufficient, the above bond to be executed in the circuit court shall not be required. The circuit court shall enter an order in the order book that it has personally examined the certified copy of the bond executed in the district court, and found it adequate and sufficient and that no additional bond shall be required in that circuit court. The copy of the bond shall be certified as a true and correct copy of the bond by the clerk of the court in which it was executed.

(11) Subject to the above conditions, judgment may be rendered and executed in the same manner and on the same terms as judgments in similar cases where no person under disability is a party.

(12) Provided, that (a) the court may in its discretion in an ex parte or adversary proceeding authorize the guardian or *conservator* [committee] of such person or the commissioner of the court to make said sale at public auction upon such terms and conditions as the court may order, and to convey title thereto;

or (b) if the land or interest to be sold be of an appraised value of less than twenty-five hundred dollars, the court may in the judgment authorize such fiduciary to make the sale privately and convey title; subject, however, to the approval of the court before consummation.

(13) Without previous judicial proceeding or judgment the guardian of an infant or the *guardian or conservator* [committee] of a *mentally disabled* person [of unsound mind] may sell privately or at public auction and convey any interest in real estate owned by a ward for such reasons and purposes and upon such terms and conditions as he shall deem best for the interest of said ward. Provided, however, that no such sale shall be consummated until same shall have been approved by the judge of the circuit court in the county where the land or a portion thereof is situated in a suit in equity filed by the guardian or *conservator* [committee] against said infant or *mentally disabled* person of [unsound mind]. The petition shall set forth the reason and purposes of the sale and the terms thereof.

(14) If the person under disability be brought before the court by service of summons, a guardian ad litem shall be appointed for such person. Proof shall be taken only on notice to said guardian ad litem or, if the person under disability be constructively summoned, on notice to his warning order attorney. Proof may be taken by depositions or orally before the judge and thereafter transcribed and filed in the record of the case. The guardian ad litem or warning order attorney shall make a defense or file a report stating that after careful examination of the case he is unable to make a defense.

(15) If the court shall deem the sale advisable and the terms and price satisfactory, it shall enter an order approving the same; provided, however, that the judgment shall not be entered until the guardian or *conservator* [committee] shall have executed a bond with approved surety in an amount not less than the sum due, or to become due, his ward from said sale providing that he will faithfully discharge all his duties as such guardian or *conservator* [committee] and will comply with the judgment and orders of the court, and account for, pay and deliver the proceeds of the sale or property in which it shall be invested to his ward or other person entitled thereto. The bond shall be approved by the court and recorded in the order book; provided, if the share of the infant in the proceeds does not exceed one hundred dollars, exclusive of interest, no bond shall be required of the guardian; provided further, that if the circuit court, upon examination of a certified copy of the bond executed in the county of his appointment by the guardian or *conservator* [committee], which copy shall be filed in the circuit court, should determine in its discretion that said bond is adequate or sufficient the above bond to be executed in the circuit court shall not be required. The circuit court shall enter an order in the order book that it has personally examined the certified copy of the bond executed in the district court and found it adequate and sufficient and that no additional bond shall be required in that circuit court. The copy of the bond shall be certified as a true and correct copy of the bond by the clerk of the court in which it was executed. This proceeding shall be tried and judgment rendered in accordance with the Rules of Civil Procedure.

(16) The court shall at all times enter such orders as will conserve and protect the rights of the person under disability.

(17) No defect or error in the proceeding shall render the judgment or sale void unless the same is of the nature and character that would render the proceeding void if all parties were sui juris.

Section 112. KRS 389.015 is amended to read as follows:

Any bond provided for in KRS 389.010 shall remain in full force and effect until the guardian or *conservator* [committee] has filed in the district court of the county of his appointment and qualification a settlement of his account showing payment to, or for the benefit of, his ward, of the funds secured by such bond, and until the settlement has been approved and confirmed by the district court. Upon production to the circuit court in which the bond was executed, of a certified copy of the settlement and of the order of the district court approving and confirming the same, the circuit court shall enter an order releasing the guardian or *conservator* [committee], and his sureties, from further liability under the bond.

Section 113. KRS 389.030 is amended to read as follows:

(1) In an equitable action by the owner of a particular estate of freehold in possession, or by a guardian or *conservator* [committee] as provided in KRS 389.010, against the owner of the reversion or remainder, though he be an infant or *mentally disabled* [of unsound mind], and against the owner of the particular estate if he be an infant or *mentally disabled* [of unsound mind]; or, if the remainder be contingent, against the person, if in being, in whom it would have vested if the contingency had happened before commencement of the action, though he be an infant or *mentally disabled* [of unsound mind], and against the owner of the particular estate if he be an infant or *mentally disabled* [of unsound mind] — real property may be sold for investment of the proceeds in other real property.

(2) The court ordering the sale shall, by its commissioner, retain the custody and control of the fund realized by the sale until the same is reinvested in real estate, or in such other property as the funds of persons under disability may be invested in authority of law, and the court shall order the money to be paid, by its commissioner, directly to the person from whom the purchase for reinvestment is made; or the court may authorize payment of the proceeds of sale of land of an infant or person of unsound mind to his guardian or *conservator* [committee] as provided in subsection (10) of KRS 389.010.

(3) The court may in its discretion authorize the consummation of a private sale, provided the complaint shall set forth the price and the terms thereof; and provided the chancellor finds the terms and price satisfactory. The proceeds shall remain in the custody of the court, as set forth in subsection (2) above until reinvested as provided in subsection (2) above. The deed shall be executed and delivered by the commissioner and if the property is sold on terms, then the note shall be made payable to the commissioner and the vendor's lien securing same shall be retained in the name of the commissioner, who may make releases in whole or in part as directed by the court.

Section 114. KRS 389.045 is amended to read as follows:

(1) The court shall appoint a suitable person, as commissioner, to execute its judgment.

(2) The court shall cause the title of the property to be conveyed by a commissioner to the purchaser, without warranty.

(3) The conveyance must be acknowledged before and approved by the court, and be certified by its clerk to the county clerk for record.

(4) In the actions for investment authorized by KRS 389.010 the court shall order the proceeds of sales to be invested, subject to its approval, in real estate in or out of this state, or in bonds of the United States or of this state, or in the stock of a bank of this state, subject to the same uses, trusts and limitations as the estate sold was subject to.

(5) If the owner of real estate which may have been sold under the provisions of this chapter die during infancy; or being *mentally disabled* [incompetent], die intestate; and upon privy examination as is authorized by this chapter, or without disposing in the manner authorized by law of the property in which the proceeds may have been invested, the person who would have been entitled to the property, if it had not been sold, shall be entitled to the proceeds, or to the property in which they have been invested.

(6) All persons interested in the property must be made parties; and, if objection to the sale be made by a defendant having a joint interest, his share shall not be sold, but the property may be divided, and a sale of the shares of those desiring it may be ordered, if such division and sale can be made without materially impairing the value of the property or of the plaintiff's interest therein.

(7) If a deed or will give to a trustee a discretionary power to sell the property, the court shall not have power to order a sale of it without the consent of the trustee.

Section 115. KRS 389.060 is amended to read as follows:

(1) Where the real property or any interest therein of an infant or *a mentally disabled* person [of unsound mind] shall be sold under the provisions of KRS 389.010, a lien shall remain on the land to secure the payment of his share of the proceeds until same shall be paid.

(2) The court may permit the guardian or the *conservator* [committee] to receive the interest accruing on the unpaid purchase money without executing the bond provided in subsection (10) (c) of KRS 389.010.

(3) The infant upon becoming of age, or the *mentally disabled* person [of unsound mind] upon his restoration *of civil rights* [to sound mind], or the guardian or *conservator* [committee] upon executing bond as provided in subsection (10) (c) of KRS 389.010, may collect and receive the proceeds as same shall become due.

(4) The purchaser upon maturity of any bond or portion of the purchase price may pay the amount due into court. If the guardian or the *conservator* [committee] does not execute bond as provided in subsection (10) (c) of KRS 389.010 so that same may be paid over to him, the court shall direct the investment of such proceeds by the master commissioner or receiver of the court, under supervision of the court, until the guardian or the *conservator* [committee] shall qualify to receive the same, or the infant or *mentally disabled* person [of unsound mind] shall become competent to receive the same personally.

Section 116. KRS 392.130 is amended to read as follows:

The spouse of an infant spouse, or of a spouse judicially declared *mentally disabled* [incompetent], if the spouse not under disability is of the age of eighteen years, or if not, with the approval of the circuit court, on such terms as it may deem equitable, may unite with his guardian or *conservator* [committee], or with the commissioner of the court, in the conveyance of the real estate of the spouse under disability, so as to release the inchoate right of dower or curtesy of the spouse not under disability, when a sale and conveyance of the real estate are ordered to be made by the guardian or *conservator* [committee], or by the commissioner or other officer of the court. An infant spouse may also be permitted by the circuit court to unite with his adult spouse in the conveyance of the adult spouse's real estate without terms, or on such terms as may be deemed equitable, so as to release the inchoate right of dower or curtesy of the infant spouse. If, in judicial proceedings to sell the real estate of an infant spouse, or of a spouse judicially declared *mentally disabled* [incompetent], his spouse is made a party defendant, and by answer, and on privy examination in open court or by a judge of a court in which such proceedings are pending, or by a commissioner appointed by the court to take the case, the spouse not under disability consents to a sale of the property, free from the inchoate right of dower or curtesy of the spouse not under disability, either without terms or on terms designated by the spouse not under disability, the court may, if it deems the terms of such consent equitable, order the sale of such property, free from the inchoate right of dower or curtesy, upon the terms of consent proposed by that spouse.

Section 117. KRS 392.140 is amended to read as follows:

Whenever a married person has become a confirmed *mentally disabled* [incompetent] person, the circuit court of the county in which is situated land belonging to the spouse of such *disabled* [incompetent] person may, upon the petition of the spouse of the *mentally disabled* [incompetent] person, adjudge the sale and conveyance, or the mortgage, of the inchoate right of dower or curtesy of the person under disability. The *mentally disabled* [incompetent] person and his *guardian or conservator* [committee], if he has one, shall be made defendants to the action; if he has no *guardian or conservator* [committee], the court shall appoint an attorney to defend for him, to whom the court shall make a reasonable allowance to be paid by the spouse of the *mentally disabled* [incompetent] person. A description of the land shall be given in the petition and the evidence of title of the spouse of the *mentally disabled* [incompetent] person filed therewith. If the court is satisfied by the proof that the *mentally disabled* [incompetent] spouse is a confirmed *mentally disabled* [incompetent] person, it may adjudge the sale and conveyance, or mortgage, of her inchoate right of dower or his inchoate right to curtesy in said land, and if the *mentally disabled* [incompetent] spouse has a *guardian or conservator* [committee], the court may direct that he unite with the spouse of the *mentally disabled* [incompetent] person in the deed or mortgage; if the *mentally disabled* [incompetent] spouse has no *guardian or conservator* [committee], the court shall appoint a commissioner who shall unite with the spouse of the *mentally disabled* [incompetent] person in the deed or mortgage. Before any judgment pursuant to this section shall be rendered, the spouse of the *mentally disabled* [incompetent] person, with at least two good sureties, shall execute before the court a covenant to the commonwealth for the benefit of the *mentally disabled* [incompetent] spouse, to be approved by the court, that the *mentally disabled* [incompetent] spouse will be paid the value of his right of dower or curtesy in the land should such right thereafter become complete.

Section 118. KRS 394.190 is amended to read as follows:

Any person interested in such probate may be summoned, or proceeded against by warning order, and if an infant or *mentally disabled* person [of unsound mind], a guardian ad litem shall be appointed.

Section 119. KRS 395.016 is amended to read as follows:

When notice of hearing of an application for the appointment of an administrator, administrator with will annexed, guardian, or *conservator* [committee] is required hereunder, it shall be given by mailing written notice of the time, place and purpose of such hearing at least five days before said hearing. Proof of such notice shall be by certified mail, return receipt requested or by registered mail receipt or by applicant's affidavit that the same was mailed to each of the parties entitled thereto in a sealed envelope, postage prepaid, and the date when posted, which proof shall be filed at the time of hearing. If all parties entitled to notice are under no disability and waive notice in writing, the court may hear such application as if notice had been given. A minor over fourteen years of age may waive notice if present in person at the time of hearing of application for appointment of his guardian; provided, however in any estate where the gross amount involved is less than one thousand dollars the court in its discretion may dispense with the requirements of this section relating to notice.

Section 120. KRS 395.130 is amended to read as follows:

(1) Every fiduciary, except as provided in KRS 287.220, shall provide surety on his bond unless, on the petition of any interested party, the court upon being satisfied that all interests are adequately protected excuses the requirement of a surety, or unless, by the terms of the will or trust, surety is not required. Subsequent to the qualification of a fiduciary and on motion of any interested party the court may reduce the amount of the bond, release the surety, or permit the substitution of another bond with the same or different sureties. If an executor does not give bond when required to do so, he shall not be permitted to qualify, and, if he has already qualified, he shall be removed.

(2) Whenever any personal representative, guardian, [committee] or other trustee or fiduciary who is required by law to execute a bond for the faithful discharge of his duties or fulfillment of his trust, procures as surety on his bond an incorporated surety company authorized to do business in this state, the necessary and reasonable cost incident to the bond shall be a lawful charge against the estate in the hands of the fiduciary, as other expenses of administration, and in his settlement the fiduciary shall be entitled to credit by the amount actually paid by him for that purpose, subject to the approval of the court which has approved the bond.

Section 121. KRS 395.155 is amended to read as follows:

For the purpose of computing commissions whenever any portion of the dividends, interests, rents or other amounts payable to an executor, administrator, trustee, guardian, [committee], curator or other personal representative or fiduciary is required by any law of the United States or other governmental unit to be withheld for income tax purposes by the person, corporation, organization or governmental unit paying the same, the amount so withheld shall be deemed to have been collected.

Section 122. KRS 395.325 is amended to read as follows:

(1) If any fiduciary resigns or is removed, he shall upon the appointment of his successor settle his accounts.

(2) If any fiduciary becomes *mentally disabled* [incompetent] or dies, the personal representative of his estate shall upon the appointment of a successor fiduciary for the *mentally disabled fiduciary* [incompetent] or decedent settle for his decedent the accounts of the first decedent.

(3) In appointing a successor trustee of a trust created by will, the court shall give preference to that person, or those persons, designated in the will as successor trustee. If there be no such designation or if the court finds the person or persons so designated are not best qualified to protect the interests of the beneficiaries, then the court shall give preference to the persons who apply for appointment, preferring the surviving husband or wife, and then such others as are next entitled to distribution or one or more of them whom the court deems best qualified.

Section 123. KRS 395.480 is amended to read as follows:

If any person beneficially interested in an estate is not sui juris, consent for that person to the written agreement provided by subsection (1) of KRS 395.470 may be given by his guardian, curator or *conservator* [committee]. In the case of a prisoner otherwise sui juris, consent may be given by him personally instead of by his curator if it is acknowledged before the superintendent or keeper of the prison and the superintendent or keeper certifies that, in his opinion, the prisoner gave his consent freely. If any person not sui juris is beneficially interested, a trustee appointed under subsection (2) of KRS 395.470 to collect claims and demands shall not act until he has given bond to account for the share of that person and the bond has been approved by the district court.

Section 124. KRS 402.020 is amended to read as follows:

(4) When at the time of marriage, the person is under eighteen (18) years of age, if the marriage is without the consent of the father, mother, guardian, or other person lawfully having charge of his or her person, provided, however, that in case of pregnancy the male and female, or either of them, under the ages herein specified may apply to a district court judge for permission to marry, which application may be granted, in the discretion of the judge. There shall be a fee of five dollars ($5.00) for hearing each such application.

Section 125. KRS 402.990 is amended to read as follows:

(7) Any person who falsely and fraudulently represents or personates another, and in such assumed character marries that person, shall be imprisoned in the penitentiary for not less than one (1) nor more than five (5) years. Indictment under this subsection shall be found only upon complaint of the injured party and within two (2) years after the commission of the offense.

(8) Any clerk who knowingly issues a marriage license to any persons prohibited by this chapter from marrying shall be fined not less than five hundred dollars ($500) nor more than one thousand dollars ($1,000), and removed from office by the judgment of the court in which he is convicted.

(9) Any clerk who knowingly issues a marriage license in violation of his duty under this chapter shall be fined not more than one thousand dollars ($1,000).

(15) Any person failing to make the return required of him by KRS 402.220 shall be fined fifty dollars ($50).

(2) The term "Veterans Administration" means the Veterans Administration, its predecessors or successors.

(7) The term "guardian" as used herein shall mean any person acting as a fiduciary for *a* [an incompetent] person *adjudged mentally disabled.*

(8) The term "court" means the district court of the county of the beneficiary's residence.

Section 127. KRS 388.200 is amended to read as follows:

The administrator of veterans affairs, or his successor, is and shall be a party in interest in any proceeding brought under any law of this state for the appointment of a guardian or [committee] for any minor or *person adjudged* mentally *disabled* [incompetent] beneficiary or the veterans administration on whose account benefits have been paid or are payable by said veterans administration, and the said administrator or his successor is and shall be an interested party in any court proceeding pertaining to or effecting in any manner the administration of the estate of any such beneficiary on whose account such benefits are payable or whose estate includes assets derived from benefits paid by the veterans administration, its predecessor or successor. Written notice shall be given by certified mail, return receipt requested or by registered mail, unless waived in writing, to the office of the veterans administration having jurisdiction over the area in which the court is located, of the time and place for hearing on any petition or pleading or in connection with any proceeding pertaining to or affecting in any manner the administration of the estate of any such beneficiary of the veterans administration. Said notice shall be deposited in the mails not less than fifteen days prior to the date of such hearing or other proceedings.

Section 128. KRS 388.210 is amended to read as follows:

Whenever, pursuant to any law of the United States or regulation of the Veterans Administration, it is necessary, prior to payment of benefits, that a guardian [or committee] be appointed for a minor or *a* mentally *disabled* [incompetent] beneficiary of the Veterans Administration such appointment shall be made in the manner hereinafter provided.

Section 129. KRS 388.220 is amended to read as follows:

(1) Except as hereinafter provided, it shall be unlawful for any person to accept appointment as guardian [or committee] of any minor or mentally *disabled* [incompetent] beneficiary of the Veterans Administration if such proposed guardian [or committee] shall at that time be acting as guardian [or committee] for five wards. In any case, upon presentation of a petition by an attorney of the Veterans Administration under this section alleging that a guardian [or committee] is acting in a fiduciary capacity for more than five wards and requesting his discharge for that reason, the court, upon proof substantiating the petition, shall require a final accounting forthwith from such guardian [or committee] and shall discharge such guardian [or committee] in said case.

(2) The limitations of this section shall not apply where the guardian [or committee] is a bank or trust company. An individual may be guardian [or committee] of more than five wards if they are all members of the same family.

Section 130. KRS 388.230 is amended to read as follows:

(1) A petition for the appointment of a guardian [or committee] for any minor or mentally *disabled* [incompetent] beneficiary of the Veterans Administration may be filed in the court having jurisdiction by or on behalf of any person who under existing law is entitled to priority of appointment. If there be no person so entitled or if the person so entitled shall neglect or refuse to file such a petition within thirty days after mailing of notice by the Veterans Administration to the last known address of such person indicating the necessity for the same, a petition for such appointment may be filed by or on behalf of any responsible person residing in this state.

(2) The petition for appointment shall set forth the name, age, place of residence of such beneficiary, the name and place of residence of the nearest relative, if known, and the fact that such beneficiary is entitled to receive benefits payable by or through the Veterans Administration and shall set forth the amount of moneys then due and the amount of probable future payments.

(3) The petition shall also set forth the name and address of the person or institution, if any, having actual custody of such beneficiary, and the name, age, relationship, if any, occupation and address of the person proposed for appointment as guardian [or committee]. Notwithstanding any provision of existing law as to priority, the court may appoint a capable individual, bank or trust company, as guardian [or committee], if the person entitled to priority fails to apply, or if after hearing the court determines it is for the best interest of such beneficiary to appoint another.

(4) In the case of a mentally *disabled* [incompetent] beneficiary, the petition shall show that such beneficiary has been rated *mentally disabled* [incompetent] by the Veterans Administration on examination in accordance with the laws and regulations governing the Veterans Administration.

Section 131. KRS 388.250 is amended to read as follows:

Notwithstanding the provisions of existing law for adjudication of *mental disability* [incompetency] and appointment of a *guardian or conservator* [committee] upon the inquest of a jury, where a petition is filed for the appointment of a *guardian or conservator* [committee] for a mentally *disabled* [incompetent] beneficiary of the Veterans Administration under the provisions of this Act, who is found within this state, whether or not a resident thereof, a certificate of the Administrator of Veterans Affairs or his duly authorized representative, accompanying such petition setting forth the fact that such beneficiary has been rated *mentally disabled* [incompetent] by the Veterans Administration on examination in accordance with the laws and regulations governing such Veterans Administration, and that the appointment of a *guardian or conservator* [committee] is a condition precedent to the payment of any moneys due each beneficiary by the Veterans Administration, shall be prima facie evidence of the necessity for such appointment. Provided, however, that some member of the bar shall be appointed by the court to represent and protect the interests and rights of such *mentally disabled* [incompetent] beneficiary as provided under existing law, and further that the right of any such *mentally disabled* [incompetent] beneficiary or any person interested in such beneficiary to demand a trial by jury shall not be denied.

The court, unless hearing be waived in writing by the Chief Attorney of the Veterans Administration, shall fix a time and place for the hearing on such account, petition, or other pleading, not less than fifteen days nor more than thirty days from the date of filing same unless a different available date be stipulated in writing and written notice of the time and place of such hearing shall be given by the court to the aforesaid Veterans Administration office not less than fifteen days prior to the date fixed for the hearing. Notice of such hearing shall in like manner be given to the guardian or *conservator* [committee] and to any others entitled to notice.

(a) The force is used for the purpose of administering a recognized form of treatment which the defendant believes to be adapted to promoting the physical or mental health of the patient; and

The adjustments are to have a percentage relation to judicial salaries fixed as of July 1, 1976, and subsequently fixed, in recognition that those salaries correctly reflect cost-of-living changes in accordance with the consumer price index.

(2) As of July 1, 1980, and as of July 1 of each subsequent year, the Kentucky judicial retirement board shall recompute the benefits of persons then receiving benefits under the Kentucky judicial retirement system, as follows: If the "final compensation" that was used in computing the existing benefit, under KRS 21.400, 21.410, 21.420 or 21.425 is less than an amount equal to sixty percent (60%) of the current monthly salary of the office in which the retirement credit was earned, the latter amount shall be substituted, in the formula provided for in KRS 21.400, for the "final compensation" that was used in computing the existing benefit, and the benefit shall be recomputed accordingly. The recomputed benefit shall thereafter be paid, commencing as of the date specified for the recomputation, until the next annual recomputation in accordance with this section. For the purposes of the section, the following office equivalents shall be used: judge of former Court of Appeals - justice of Supreme Court; any position other than judge or justice that was covered by the judicial retirement system - judge of present Court of Appeals.

Section 2. There is appropriated to the judicial retirement board, out of the general fund in the state treasury, the sum of five hundred and eleven thousand dollars ($511,000) for each of the fiscal years 1980-81 and 1981-82, which sums shall be allotted to the board for payment and funding of the adjusted benefits provided for by this Act.

The recomputed benefit shall thereafter be paid, commencing as of the date specified for the recomputation. The remaining income shall be received by the guardian and held by him or disbursed for the ward's proper maintenance and education, pursuant to KRS 387.060.

(3) The guardian or his successor as such shall from time to time make settlements to the district court as provided by law.

(4) The leasehold estate, upon the death of the ward, without having disposed of the same in the manner authorized by law, shall descend to the *personal representative* [real representatives] of the ward for distribution among the decedent's heirs at law.

(5) Upon the minor becoming of age, the guardian shall make a final and complete settlement of all amounts received under the lease, and account for the same as herein and by law provided, and shall thereupon be discharged from further duty or accountability. Thereafter the rights and obligations of the former ward and the lessee shall be the same as if the lease had been executed originally to the lessee by a person over *eighteen (18)* [twenty-one] years of age and free from any disability.

Section 6. KRS 387.270 is amended to read as follows:

(1) If from any source a balance is owing by a guardian or committee at the end of any year, counting from the time of his appointment, which should have been invested [or loaned out] for the benefit of the ward in reasonable time but which remains in his hands, he shall be charged with interest from the end of the year in which the balance arose, and thereafter he shall be charged with interest compounded every two years.

(2) Guardians, curators and committees appointed and qualifying after June 24, 1906, shall be charged with the following rates of interest, to-wit: Where the amount received and held in trust does not exceed five thousand dollars, five percent; where the amount received and held in trust exceeds five thousand dollars, four percent. *However, in lieu of the foregoing those appointed and qualifying after July 15, 1980 shall be charged with the legal interest rate.*

(3) However, nothing in this section shall prohibit or prevent these fiduciaries from accounting for or being chargeable with sums in excess of the rates herein fixed realized upon any investment of trust funds made by the fiduciary.

Section 7. KRS 387.280 is amended to read as follows:

Whenever a person under disability, having no guardian or committee, is entitled to receive a sum not exceeding *ten thousand dollars ($10,000)* [$5,000], exclusive of interest, in any action wherein real estate has been sold or in the settlement of any estate or from any other source, the court in which the action is pending, or, if the sum does not derive from such action, the district court, may order the sum to be paid to the persons having custody of such ward. Before entering the order, the court shall be satisfied by affidavit or oral testimony that the ward is in the custody of the person to whom it is proposed to pay the money, and the latter, upon withdrawal of the money, shall be under obligation as trustee to expend it, for the support, maintenance or education of the ward. When the order is made no bond shall be required of the person having custody of the ward and the purchaser of the real property may pay the share into court, and no lien shall remain on the property therefor and the money may be withdrawn by the person mentioned in the order without his giving bond. A release executed by the person to whom the court has ordered the sum paid shall have the same effect as a release by a duly appointed guardian or committee.

Section 8. KRS 391.030 is amended to read as follows:

(1) Except as otherwise provided in this chapter, where any person dies intestate as to his personal estate, or any part thereof, *or such person's surviving spouse has renounced the decedent's will,* the surplus, after payment of funeral expenses, charges of administration and debts, shall pass and be distributed among the same persons, and in the proportions, to whom and in which real estate is directed to descend, except as follows:

(a) The personal estate of an infant shall be distributed as if he had died after full age.

(b) An alien may be distributee as though he were a citizen.

(c) Personal property or money on hand or in bank to the amount of *five thousand dollars ($5,000)* [$3,500] shall be exempt from distribution and sale and shall be set apart by the district court having jurisdiction over the estate on application to the surviving spouse, or, if there is no surviving spouse, to the infant children surviving.

(2) The surviving spouse of any deceased person may, at any time before the property or money is set apart by the court, procure on petition from the judge of the district court having jurisdiction over administration of his estate, an order authorizing him to withdraw from any bank or other depository not exceeding

one thousand dollars ($1000) belonging to the estate of the deceased. Upon presentation of the order, the bank or depository shall permit him to withdraw the sum and shall lodge the order, endorsing thereon the amount withdrawn, with the circuit clerk and he shall retain it in his files to be considered in connection with further proceedings in the estate and the withdrawal shall be treated as a charge against the property of the estate exempt from distribution.

(3) In the application for the setting apart of property or money under this section the surviving spouse may make his selection out of the personal property of the estate to the extent that the value of the property selected does not exceed the amount of *five thousand dollars ($5,000)* [thirty-five hundred dollars ($3,500)].

(4) This section applies to cases where the husband or wife dies testate and the surviving spouse renounces the provisions of the will as provided in KRS 392.080 *and also under circumstances set out in KRS 395.455.*

Section 9. KRS 394.095 is amended to read as follows:

Every will shall be revoked by the divorce of the person who made the will, except a will made in exercise of a power of appointment when the estate thereby appointed would not, in default of such appointment, pass to the heir, personal representative, or next of kin of the person who made the will, *and except a will which made no bequest or devise to the former spouse.*

SECTION 10. A NEW SECTION OF KRS CHAPTER 394 IS CREATED TO READ AS FOLLOWS:

(1) A person, or the representative of an incapacitated person or protected person, who is a grantee, donee, surviving joint tenant, person succeeding to a disclaimed interest, beneficiary under a nontestamentary instrument or contract, or appointee under a power of appointment exercised by a nontestamentary instrument, may disclaim in whole or in part the right of transfer to him of any property, or interest therein by delivering or filing a written disclaimer under this section. A surviving joint tenant may disclaim as a separate interest any property or interest therein devolving to him by right or survivorship. A surviving joint tenant may disclaim the entire interest in any property, or interest therein, that is the subject of a joint tenancy devolving to him, if the joint tenancy was created by act of a deceased joint tenant, if the survivor did not join in creating the joint tenancy and he has not accepted a benefit thereunder. The right to disclaim shall survive the death of the person having it and may be exercised by the personal representative of such person's estate. The disclaimer shall describe the property or interest therein disclaimed, declare the disclaimer and extent thereof, and be signed by the disclaimant.

(2) (a) An instrument disclaiming a present interest shall be delivered or filed no later than nine (9) months after the effective date of the nontestamentary instrument or contract; and a future interest shall be delivered or filed not later than nine (9) months after the event determining that the taker of the property or interest is finally ascertained and his interest is indefeasibly vested. If the person entitled to disclaim does not have actual knowledge of the existence of the interest the instrument shall be delivered or filed not later than nine (9) months after he has actual knowledge of the existence of the interest. The effective date of a revocable instrument or contract is the date on which the maker no longer has power to revoke it or to transfer to himself or another the entire legal and equitable ownership of the interest.

(b) The disclaimer or a copy thereof shall be delivered in person or mailed by registered or certified mail to the transferor or his representative or to the trustee or other person having legal title to, or possession of, the property or interest disclaimed. If real property or an interest therein is disclaimed, a copy of the instrument may be filed for record in the office of the county clerk of the county in which the real estate is situated.

(3) Unless the nontestamentary instrument or contract provides for another disposition, the property or interest therein disclaimed shall devolve as if the disclaimant had died before the effective date of the instrument or contract. A disclaimer relates back for all purposes to that date. A future interest that takes effect in possession or enjoyment at or after the termination of the disclaimed interest takes effect as if the disclaimant had died before the effective date of the instrument or contract that transferred the disclaimed interest.

(4) (a) The right to disclaim property or an interest therein is barred by an assignment, conveyance, encumbrance, pledge, or transfer of the property or interest, or a contract therefor, a written waiver of the right to disclaim, an acceptance of the property or interest or benefit thereunder, or a sale of the property or interest under judicial sale made before the disclaimer is effected.

(b) The right to disclaim exists notwithstanding any limitation on the interest of the disclaimant in the nature of a spendthrift provision or similar restriction.

(c) The instrument of disclaimer or the written waiver of the right to disclaim is binding upon the disclaimant or person waiving and all persons claiming through or under him.

(5) This section does not abridge the right of a person to waive, release, disclaim, or renounce property or an interest therein under any other statute.

(6) An interest in property existing on the effective date of this section as to which, if a present interest, the time for filing a disclaimer under this section has not expired, or if a future interest, the interest

has not become indefeasibly vested or the taker finally ascertained, may be disclaimed within nine (9) months after the effective date of this section.

(7) This section shall be applied and construed to effectuate its general purpose to make uniform the law with respect to the subject of this section among states enacting it.

(8) This section may be cited as the uniform disclaimer of transfers under nontestamentary instruments section.

Section 11. KRS 394.225 is amended to read as follows:

An attested will may, at the time of its execution or at any subsequent date, be made self-proved, by the acknowledgment thereof by the testator and the affidavits of the witnesses, each made before an officer authorized to administer oaths under the laws of this State, and evidenced by the officer's certificate, [under official seal,] attached or annexed to the will in form and content substantially as follows:

THE STATE OF ....
COUNTY OF ....

Before me, the undersigned authority, on this day personally appeared .... and .... known to me to be the testator and the *witnesses* [witness], respectively, whose names are signed to the attached or foregoing instrument and, all of these persons being by me first duly sworn .... the testator, declared to me and to the witnesses in my presence that the instrument is his last will and that he had willingly signed or directed another to sign for him, and that he executed it as his free and voluntary act for the purposes therein expressed; and each of the witnesses stated to me, in the presence and hearing of the testator, that he signed the will as witness and that to the best of his knowledge the testator was eighteen years of age or over, of sound mind and under no constraint or undue influence.

....
(OFFICIAL CAPACITY OF OFFICER)

A self-proved will may be admitted to probate without the testimony of any subscribing witness, but otherwise treated no differently from a will not self-proved.

Section 12. KRS 394.240 is amended to read as follows:

(1) Any person aggrieved by the action of the district court in admitting a will to record or rejecting it may bring an original action in the circuit court of the same county to contest the action of the district court. Such action shall be brought within two (2) years after the decision of the district court. The parties may, in the same action, or in a separate action if the validity of the will is not in issue, seek construction, interpretation or reformation of a will.

(2) Upon filing *an adversary proceeding in circuit court in matters involving probate whether in a testate or intestate proceeding or* an action pursuant to subsection (1) of this section, the plaintiff shall forthwith lodge a notice of the action in the office of the county clerk of the county in which the will was admitted to probate or rejected, *or if in an intestate estate in the office of the county clerk of the county in which the estate was probated.* Such notice shall state the name of the testator, the style of the action, the court in which the action has been filed, the file number assigned to the action by the clerk of the court in which it has been filed, the nature of the action, and the date on which the action was commenced. Said notice shall be signed by plaintiff or his attorney and no jurat shall be necessary. The county clerk shall record and index said notice as if it were a will.

Section 13. KRS 394.260 is amended to read as follows:

When the proceeding is taken to the circuit court, all necessary parties shall be brought before the court by the plaintiff. The final decision given shall, subject to appeal to the court of appeals, be a bar to any other proceeding *calling* [to call] the probate or rejection of the will in question. This section does not preclude a court of justice from its jurisdiction to impeach such final decision for any reason that would give it jurisdiction over any other judgment at law.

Section 14. KRS 394.295 is amended to read as follows:

The court in which a judgment has been rendered shall have power to vacate or modify it when any paper purporting to be the last will of any person has been, or may be hereafter admitted to probate, and a later will has been discovered. A judgment on this ground, however, shall not be vacated or modified, unless proceedings to that end shall be instituted within *ten (10)* [twenty-five] years after the death of the testator.

If the earlier will shall have been established by judgment of the circuit court, the proceedings to vacate shall be instituted in the circuit court. The proceedings to vacate shall be by petition to which all persons interested in the earlier will shall be made defendants. Otherwise, the proceedings to vacate shall be instituted in the district court. Provided, however, that a judgment on the ground herein named shall not be vacated or modified until the validity of such later will has been determined in such proceedings. When such former judgment has been vacated or modified such later will shall be admitted to probate in the manner and under the laws governing the probation of wills before the expiration of five years. The judgment establishing such later will and vacating the judgment establishing the former will shall be without prejudice to the vested rights of innocent third parties. The court in which relief is sought for the reasons herein set out, may enter such orders as may be necessary to protect the rights of the parties during the pendency of the proceedings.

Section 15. KRS 394.300 is amended to read as follows:

(1) Every will or authenticated copy admitted to record by any court shall be recorded by the county clerk, and remain in his office, except during such time as it may be carried to another court under subpoena duces tecum.

(2) (a) A will probated in the court of one (1) county and recorded in the office of the county clerk for that county may be recorded in the office of the county clerk for other counties without the process of probate in the other county.

(b) Production of an attested copy of the will together with an attested copy of the order of probate shall be required by the county clerk of the other county before recordation.

(c) The clerk shall make the same charge for recordation as is otherwise provided for recording a will.

Section 16. KRS 394.520 is amended to read as follows:

If no time is fixed for the payment of a specific pecuniary legacy, it shall be payable one year after the *probate of the will* [testator's death], and carry interest after due.

Section 17. KRS 394.610 is amended to read as follows:

A person, or the representative of an incapacitated or protected person, who is an heir, next of kin, devisee, legatee, person succeeding to a disclaimed interest, beneficiary under a testamentary instrument, or appointee under a power of appointment exercised by a testamentary instrument, may disclaim in whole or in part the right of succession to any property or interest therein, including a future interest, by filing a written disclaimer under KRS 394.610 to 394.670. The right to disclaim *shall* [does not] survive the death of the person having it *and may be exercised by the personal representative of such person's estate.* The instrument shall (1) describe the property or interest disclaimed, (2) declare the disclaimer and extent thereof, and (3) be signed by the disclaimant.

Section 18. KRS 394.620 is amended to read as follows:

(1) An instrument disclaiming a present interest shall be filed not later than *nine (9)* [six] months after the death of the decedent or the donee of the power.

(2) An instrument disclaiming a future interest shall be filed not later than *nine (9)* [six] months after the event that determines that the taker of the property or interest is finally ascertained and his interest indefeasibly vested.

(3) The disclaimer shall be filed in the district court of the county in which proceedings have been commenced for the administration of the estate of the deceased owner or deceased donee of the power or, if they have not been commenced, in which they could be commenced. A copy of the disclaimer shall be delivered in person or mailed by registered or certified mail to any personal representative, or other fiduciary of the decedent or donee of the power. If real property or an interest therein is disclaimed, a copy of the disclaimer may be recorded in the office of the county clerk of the county in which the real estate is situated.

Section 19. KRS 395.005 is amended to read as follows:

The following persons may be appointed as fiduciary:

(1) Any resident of the State of Kentucky, [including married women,] over eighteen years of age, *except as set out in KRS 395.080,* and any national bank located in Kentucky having fiduciary powers and any state bank or trust company incorporated under the laws of the State of Kentucky and authorized by law to act as fiduciary.

(2) Any nonresident of legal age who is *as to the decedent, ward, or incompetent, related by consanguinity, marriage, adoption or the spouse of such person so related*[:

(a) The spouse of the decedent;

(b) Related to the decedent by consanguinity;

(c) The spouse of a person related to the decedent by consanguinity;

(d) The father, mother, brother, or sister of the spouse of decedent; or

(e) The legally adopted child or adoptive parent of decedent].

Section 20. KRS 395.010 is amended to read as follows:

Original administration shall not be granted after the expiration of *ten (10)* [twenty] years from the death of the testator or intestate and if made after that time, it shall be void.

Section 21. KRS 395.195 is amended to read as follows:

Except as restricted or otherwise provided by the will, or by KRS 395.200, a personal representative, acting reasonably for the benefit of the interested persons, may properly:

(1) Retain assets owned by the decedent pending distribution or liquidation including those in which the representative is personally interested or which are otherwise improper for trust investment;

(2) Receive assets from fiduciaries, or other sources;

(3) Perform, compromise or refuse performance for proper cause of the decedent's contracts that continue as obligations of the estate, as he may determine under the circumstances;

(4) Satisfy written charitable pledges of the decedent irrespective of whether the pledges constituted binding obligations of the decedent or were properly presented as claims, if in the judgment of the personal representative the decedent would have wanted the pledges completed under the circumstances;

(5) If funds are not needed to meet debts and expenses currently payable and are not immediately distributable, deposit or invest liquid assets of the estate, including moneys received from the sale of other assets, in federally insured interest-bearing accounts, readily marketable secured loan arrangements or other prudent investments which would be reasonable for use by trustees generally;

(6) Acquire or dispose of an asset, other than land, for cash or on credit, at public or private sale; and manage, exchange, or change the character of an estate asset;

(7) Enter for any purpose into a lease for personal property as lessor or lessee, with or without option to purchase or renew, for a term within or extending beyond the period of administration;

(8) Abandon personal property when, in the opinion of the personal representative, it is valueless, or is so encumbered, or is in such condition that it is of no benefit to the estate;

(9) Vote stocks or other securities in person or by general or limited proxy;

(10) Pay calls, assessments, and other sums chargeable or accruing against or on account of securities, unless barred by the provisions relating to claims;

(11) Hold a security in the name of a nominee or in other form without disclosure of the interest of the estate but the personal representative is liable for any act of the nominee in connection with the security so held;

(12) Insure the assets of the estate against damage, loss and liability and himself against liability as to third persons;

(13) Borrow money with or without security to be repaid from the probatable assets or otherwise; and advance money for the protection of the estate;

(14) Effect a fair and reasonable compromise with any debtor or obligor, or extend, renew or in any manner modify the terms of any obligation owing to the estate. If the personal representative holds a mortgage, pledge or other lien upon property of another person, he may, in lieu of foreclosure, accept a conveyance or transfer of encumbered assets from the owner thereof in satisfaction of the indebtedness secured by lien;

(15) Pay taxes, assessments, compensation of the personal representative, and other expenses incident to the administration of the estate;

(16) Sell or exercise stock subscription or conversion rights; consent, directly or through a committee or other agent, to the reorganization, consolidation, merger, dissolution, or liquidation of a corporation or other business enterprise;

(17) Allocate items of income or expense to either estate income or principal, as permitted or provided by law;

(18) Employ persons, including attorneys, auditors, investment advisors, or agents, to advise or assist the personal representative in the performance of his administrative duties; act without independent investigation upon their recommendations; and instead of acting personally, employ one or more agents to perform any act of administration, whether or not discretionary;

(19) Prosecute or defend claims, or proceedings in any jurisdiction for the protection of the estate and of the personal representative in the performance of his duties;

(20) Sell or mortgage any personal property or any interest therein for cash, credit, or for part cash and part credit, and with or without security for unpaid balances;

(21) Provide for exoneration of the personal representative from personal liability in any contract entered into on behalf of the estate;

(22) Satisfy, [and] settle *or compromise* claims and distribute the estate as provided by law.

Section 22. KRS 395.197 is amended to read as follows:

The powers set forth in KRS 395.195 and 395.196 shall not be effective as to wills executed *or personal representatives appointed and qualifying* prior to June 19, 1976[, nor to personal representatives].

Section 23. KRS 395.420 is amended to read as follows:

(1) A curator appointed under subsection (1) of KRS 395.410 shall collect and safely keep the estate of the decedent, and make and return to court, within *sixty (60) days* [three months], a full and complete inventory of the estate and deliver up the estate, when required, to the executor or administrator. He may pay debts, sue and be sued and sell perishable and other goods.

(2) A curator appointed under subsection (2) of KRS 395.410 shall collect and safely keep the estate of an absent person; make and return to the court, within *sixty (60) days* [three months], a full and complete inventory of the estate and deliver up the estate, including the income from the estate, when required, to the absent person upon his return, or to the executor or administrator, when one is appointed. He may pay debts, sue and be sued, invest or reinvest any funds coming into his hands and sell perishable and other goods.

Section 24. KRS 395.605 is amended to read as follows:

(1) Upon the sworn application of any fiduciary, that the fiduciary is the sole beneficiary of any estate, the court may dispense with the requirements of this chapter regarding settlement of fiduciaries accounts and may dispense with the requirements of a surety for the fiduciary and shall accept from the fiduciary an informal settlement. The informal settlement shall be made, under oath, by the fiduciary and shall state that the estate was solvent; that all legal claims and debts have been paid, or if not paid, the manner in which said claims and debts have been provided for; that all inheritance, estate or similar death taxes have been paid and a duplicate or photocopy of such tax releases shall be attached, if available; that all court costs have been paid; the name of the attorney(s), if any, representing the fiduciary, and the amount of the attorney's fee, and that the beneficiary has received his share. An informal settlement may be filed at any time after *expiration of six (6) months from the fiduciary's appointment* [the period for filing claims against decedent's estate has elapsed, subject to the requirements of time for filing settlements as set out in this chapter]. Upon the filing of the informal settlement, the court may enter an order discharging the fiduciary, and his surety, if any. When a settlement is effected in the informal manner, no notice to any person shall be required nor shall the court be compelled to inquire into detailed items of income or disbursements.

(2) If a proposed settlement of a fiduciary is accompanied by a verified waiver executed by all of the beneficiaries of an estate, and none of the beneficiaries is under a disability, the court shall accept from the fiduciary an informal settlement which meets the requirements of subsection (1) of this section. The court may require the fiduciary to execute bond with or without surety to insure the application of the estate assets to the debts of the decedent.

(3) In the event that one or more of the beneficiaries of the estate is under a disability, the court may allow the filing of an informal settlement if the court is of the opinion that the best interests of the person under the disability would be served.

Section 25. KRS 395.610 is amended to read as follows:

(1) *Two (2) years* [One (1) year] after appointment and annually thereafter, unless otherwise provided by law, every fiduciary as defined in KRS 395.001, other than a testamentary trustee, must render an account of the execution of his trust to the court by which he was appointed, including in such account an itemized statement of receipts and disbursements supported by vouchers accompanying the same and a statement of all investments on hand and changes in investments since the filing of his last account. Provided, however, that guardians and committees [and trustees under continuing trust], after their first accounting, shall render their accounts thereafter biennially, or at shorter intervals if the court shall require it. Such settlements, when approved and confirmed by the court, shall be recorded and indexed by the clerk, and the original and the vouchers carefully kept by him in his office. An account shall be rendered by the fiduciary at any other time upon order of the court upon its own motion or that of any person interested in the trust, for good cause shown on affidavit. At the expiration of his trust such fiduciary must fully account for and pay over the trust estate to the person or persons entitled thereto. Every such account shall list all unpaid creditors whose claims have been allowed and all creditors whose claims have been disallowed. No account of a fiduciary except of corporate fiduciaries under the supervision of state or federal banking authorities shall be approved until there are exhibited to the court, for its examination, the security or securities shown in said account as being in the hands of the fiduciary, or the certificate of a bank having possession thereof or in which they have been deposited for safekeeping, and a certified bank statement showing the funds to the credit of the trust.

(2) Testamentary trustees shall not be required to render accountings to the court under the provisions of this section. However, trustees may be required to file accounts pursuant to judicial proceedings under KRS 386.675.

SECTION 26. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

When a claim against an estate has been rejected in whole or in part in writing or when a claim has been allowed in whole or in part and thereafter rejected in writing, the claimant must commence an action on the claim or that part thereof rejected within two (2) months after such rejection if the debt or that part thereof rejected is then due, or be forever barred from maintaining an action thereon. If the executor or administrator dies, resigns or is removed within such two-months' period before action is commenced thereon, the action may be commenced within two (2) months after the appointment of a successor.

Section 27. KRS 401.010 is amended to read as follows:

Any person at least eighteen years of age may have his name changed *for good cause* by the district court of the county in which he resides. If he resides on a United States army post, military reservation or fort his name may be changed by the district court of any county adjacent thereto.

Section 28. KRS 401.020 is amended to read as follows:

Both parents, provided both are living, or one (1) parent if one (1) is deceased [A parent], or if no parent is living, the guardian, may have the name of a child under the age of eighteen changed by the district court of the county in which the child resides. *However, if one (1) parent refuses or is unavailable to execute the petition, proper notice of filing the petition shall be served in accordance with the rules of civil procedure.* If the child resides on a United States army post, military reservation or fort his name may be changed by the district court of any county adjacent thereto.

Section 29. KRS 413.230 is amended to read as follows:

A surety for an executor, administrator, guardian or curator, or for a sheriff to whom a decedent's estate has been transferred, shall be discharged from all liability to a distributee, devisee or ward when *five (5)* [two] years have elapsed without suit after the cause of action accrued, and after the devisee, distributee or ward attained full age. But the failure of one to commence action in time shall not affect the right of another.

Section 30. KRS 424.340 is amended to read as follows:

The *circuit* [county] clerk shall, at least once each month, cause to be published in the newspaper meeting the requirements of KRS 424.120, a notice setting forth all fiduciary appointments made since the last publication and including at least the following information: the name and address of the decedent or ward, the name and address of the fiduciary, the date of the fiduciary's appointment, and the date by which claims of creditors must be filed. The clerk may charge each fiduciary a fee not to exceed the actual proportionate cost of said notice. Publication of this notice shall neither enlarge nor reduce the obligation of a creditor to present a timely claim, nor the liability of the fiduciary or distributee to pay the same.

Section 31. KRS 394.320, Devisee may disclaim by deed, is repealed.

The Committee Substitute to **SB 249** is as follows:

House Committee Substitute for **SB 249,** AN ACT relating to estate and probate matters.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 24A.120 is amended to read as follows:

(1) District court shall have exclusive jurisdiction in:

(a) Civil cases in which the amount in controversy does not exceed one thousand five hundred dollars ($1,500), exclusive of interest and costs except matters affecting title to real estate and matters of equity; and

(b) Matters involving probate, except matters contested in an adversary proceeding. Such adversary proceeding shall be filed in circuit court in accordance with the Kentucky Rules of Civil Procedure and shall not be considered an appeal;

(c) Matters not provided for by statute to be commenced in circuit court shall be deemed to be non-adversarial within the meaning of paragraph (b) of this subsection and therefore are within the jurisdiction of the district court.

[(2) Papers relating to uncontested probate matters shall be filed in the office of the county clerk. In the event a probate matter is contested, the Supreme Court shall by rule provide for filing duplicate papers in circuit and county clerks' offices.]

Section 2. KRS 382.120 is amended to read as follows:

(1) Before any deed to real property, the title to which has passed to the grantor under the laws of descent, is filed for record the grantor or grantee, or the agent or attorney or either, shall present to the county clerk the affidavit of the grantor or any one of the heirs at law or next of kin of the ancestor of the grantor, or of two residents of this state, each of whom has personal knowledge of the facts, which affidavit shall set forth:

(c) Whether the ancestor was married or single, and if married, the name of the surviving *spouse and his or her address* [husband or wife];

(d) The place of residence at the time of the ancestor's death, if known to the affiant or affiants;

(e) The fact that the ancestor died intestate; and

(f) The names, ages and addresses, so far as known or ascertainable, of each of such ancestor's heir at law and next of kin, who by his death inherited such real property, and the relationship of each to the ancestor and the interest in such real property inherited by each.

(2) The affidavit shall be filed with the clerk of the county in which the real property is situated, at or before the time when the deed or conveyance is filed with the clerk for record, and shall be recorded in the record of deeds, and indexed in the general index of deeds in the name of such ancestor as grantor, and in the name of each of such heirs at law or next of kin as grantees, in the same manner as if such names occurred in a deed of conveyance from the ancestor to the heirs at law. For indexing and recording the affidavit, the clerk shall receive the same fees as are allowed for recording and indexing deeds.

(3) No county clerk or deputy clerk shall receive or permit to be lodged for record any such deed until the affidavit has been presented to him, but nothing in this section shall prevent the recording from being legal of any such deed lodged for record prior to the filing of the affidavit.

Section 3. KRS 386.170 is amended to read as follows:

(1) Where the beneficial owner of personal estate, held and controlled for his benefit or the benefit of his children or heirs by a trustee, is a nonresident of this state and has no trustee in this state, his trustee, appointed and qualified according to the laws of the place where the person resides, may collect, receive and remove to such place of residence any personal estate of the person or cestui que trust located in this state.

(2) Upon application by petition in a summary way, *the* [any] circuit court [in this state] having jurisdiction [to appoint a trustee for the nonresident person or cestui que trust] may authorize the foreign trustee to sue for, recover and remove any such personal estate of the nonresident cestui que trust, or to otherwise act as a trustee appointed in this state.

(3) The court shall not grant the petition or authorize the collection or removal of such property unless it is satisfied by documentary evidence that the foreign trustee has, where he qualified, given bond with good and sufficient surety to account for all the estate of the nonresident cestui que trust that might come to his hands, nor unless the court is satisfied that neither the nonresident cestui que trust nor any person having a present, future or contingent interest in the personal estate will be prejudiced by the order.

(4) The venue for such action shall lie in the county where there is jurisdiction in the district court to appoint a trustee for the nonresident person.

Section 4. KRS 387.070 is amended to read as follows:

(1) Except as provided in subsections (2) and (3) of this section, no guardian can act until he has been appointed by the proper district court, and given bond to the state with good surety approved by the court to faithfully discharge the trust of guardian. The bond shall be carefully kept by the clerk of the district court in a book to be provided for that purpose.

(2) A [testamentary] guardian for nurture and education shall be exempt from the requirements of subsection (1) of this section.

(3) If the will of the father or mother so directs, the other parent being dead, no security shall be required from the guardian, unless from change of circumstances in the guardian since making the will or other cause the court deems it imprudent to dispense therewith.

(4) No master or other commissioner whose duty it is to settle the accounts of a guardian, nor judge or clerk of a court, or practicing attorney, shall be accepted as surety on the bond of a guardian.

(5) If the court fails to take a bond, or accepts persons as surety as do not satisfy it of their sufficiency, the judge so in default and his sureties shall be jointly and severally liable to the ward for any damage he may sustain thereby.

Section 5. KRS 387.170 is amended to read as follows:

(1) All amounts accruing under a lease permitted by KRS 387.150 shall be treated as income of the estate of the ward, and shall be held and accounted for as such by the guardian.

(2) Where dower or curtesy is outstanding in the mineral rights, but has not been assigned, *one-half* [one-third] of the income accruing under the lease shall be adjudged to the surviving spouse as his or her curtesy or dower, as provided by KRS 392.050. The remaining income shall be received by the guardian and held by him or disbursed for the ward's proper maintenance and education, pursuant to KRS 387.060.

(3) The guardian or his successor as such shall from time to time make settlements to the district court as provided by law.

(4) The leasehold estate, upon the death of the ward, without having disposed of the same in the manner authorized by law, shall descend to the *personal representative* [real representatives] of the ward for distribution among the decedent's heirs at law.

(5) Upon the minor becoming of age, the guardian shall make a final and complete settlement of all amounts received under the lease, and account for the same as herein and by law provided, and shall thereupon be discharged from further duty or accountability. Thereafter the rights and obligations of the former ward and the lessee shall be the same as if the lease had been executed originally to the lessee by a person over *eighteen (18)* [twenty-one] years of age and free from any disability.

Section 6. KRS 387.270 is amended to read as follows:

(1) If from any source a balance is owing by a guardian or committee at the end of any year, counting from the time of his appointment, which should have been invested [or loaned out] for the benefit of the ward in reasonable time but which remains in his hands, he shall be charged with interest from the end of the year in which the balance arose, and thereafter he shall be charged with interest compounded every two years.

(2) Guardians, curators and committees appointed and qualifying after June 24, 1906, shall be charged with the following rates of interest, to-wit: Where the amount received and held in trust does not exceed five thousand dollars, five percent; where the amount received and held in trust exceeds five thousand dollars, four percent. *However, in lieu of the foregoing those appointed and qualifying after July 15, 1980 shall be charged with the legal interest rate.*

(3) However, nothing in this section shall prohibit or prevent these fiduciaries from accounting for or being chargeable with sums in excess of the rates herein fixed realized upon any investment of trust funds made by the fiduciary.

Section 7. KRS 387.280 is amended to read as follows:

Whenever a person under disability, having no guardian or committee, is entitled to receive a sum not exceeding *ten thousand dollars ($10,000)* [$5,000], exclusive of interest, in any action wherein real estate has been sold or in the settlement of any estate or from any other source, the court in which the action is pending, or, if the sum does not derive from such action, the district court, may order the sum to be paid to the persons having custody of such ward. Before entering the order, the court shall be satisfied by affidavit or oral testimony that the ward is in the custody of the person to whom it is proposed to pay the money, and the latter, upon withdrawal of the money, shall be under obligation as trustee to expend it, for the support, maintenance or education of the ward. When the order is made no bond shall be required of the person having custody of the ward and the purchaser of the real property may pay the share into court, and no lien shall remain on the property therefor and the money may be withdrawn by the person mentioned in the order without his giving bond. A release executed by the person to whom the court has ordered the sum paid shall have the same effect as a release by a duly appointed guardian or committee.

Section 8. KRS 391.030 is amended to read as follows:

(1) Except as otherwise provided in this chapter, where any person dies intestate as to his personal estate, or any part thereof, *or such person's surviving spouse has renounced the decedent's will,* the surplus, after payment of funeral expenses, charges of administration and debts, shall pass and be distributed among the same persons, and in the proportions, to whom and in which real estate is directed to descend, except as follows:

(a) The personal estate of an infant shall be distributed as if he had died after full age.

(b) An alien may be distributee as though he were a citizen.

(c) Personal property or money on hand or in bank to the amount of *five thousand dollars ($5,000)* [$3,500] shall be exempt from distribution and sale and shall be set apart by the district court having jurisdiction over the estate on application to the surviving spouse, or, if there is no surviving spouse, to the infant children surviving.

(2) The surviving spouse of any deceased person may, at any time before the property or money is set apart by the court, procure on petition from the judge of the district court having jurisdiction over administration of his estate, an order authorizing him to withdraw from any bank or other depository not exceeding one thousand dollars ($1000) belonging to the estate of the deceased. Upon presentation of the order, the bank or depository shall permit him to withdraw the sum and shall lodge the order, endorsing thereon the amount withdrawn, with the circuit clerk and he shall retain it in his files to be considered in connection with further proceedings in the estate and the withdrawal shall be treated as a charge against the property of the estate exempt from distribution.

(3) In the application for the setting apart of property or money under this section the surviving spouse may make his selection out of the personal property of the estate to the extent that the value of the property selected does not exceed the amount of *five thousand dollars ($5,000)* [thirty-five hundred dollars ($3,500)].

(4) This section applies to cases where the husband or wife dies testate and the surviving spouse renounces the provisions of the will as provided in KRS 392.080 *and also under circumstances set out in KRS 395.455.*

Section 9. KRS 394.095 is amended to read as follows:

Every will shall be revoked by the divorce of the person who made the will, except a will made in exercise of a power of appointment when the estate thereby appointed would not, in default of such appointment, pass to the heir, personal representative, or next of kin of the person who made the will, *and except a will which made no bequest or devise to the former spouse.*

SECTION 10. A NEW SECTION OF KRS CHAPTER 394 IS CREATED TO READ AS FOLLOWS:

(1) A person, or the representative of an incapacitated person or protected person, who is a grantee, donee, surviving joint tenant, person succeeding to a disclaimed interest, beneficiary under a nontestamentary

instrument or contract, or appointee under a power of appointment exercised by a nontestamentary instrument, may disclaim in whole or in part the right of transfer to him of any property, or interest therein by delivering or filing a written disclaimer under this section. A surviving joint tenant may disclaim as a separate interest any property or interest therein devolving to him by right of survivorship. A surviving joint tenant may disclaim the entire interest in any property, or interest therein, that is the subject of a joint tenancy devolving to him, if the joint tenancy was created by act of a deceased joint tenant, if the survivor did not join in creating the joint tenancy and he has not accepted a benefit thereunder. The right to disclaim shall survive the death of the person having it and may be exercised by the personal representative of such person's estate. The disclaimer shall describe the property or interest therein disclaimed, declare the disclaimer and extent thereof, and be signed by the disclaimant.

(2) (a) An instrument disclaiming a present interest shall be delivered or filed no later than nine (9) months after the effective date of the nontestamentary instrument or contract; and a future interest shall be delivered or filed not later than nine (9) months after the event determining that the taker of the property or interest is finally ascertained and his interest is indefeasibly vested. If the person entitled to disclaim does not have actual knowledge of the existence of the interest the instrument shall be delivered or filed not later than nine (9) months after he has actual knowledge of the existence of the interest. The effective date of a revocable instrument or contract is the date on which the maker no longer has power to revoke it or to transfer to himself or another the entire legal and equitable ownership of the interest.

(b) The disclaimer or a copy thereof shall be delivered in person or mailed by registered or certified mail to the transferor or his representative or to the trustee or other person having legal title to, or possession of, the property or interest disclaimed. If real property or an interest therein is disclaimed, a copy of the instrument may be filed for record in the office of the county clerk of the county in which the real estate is situated.

(3) Unless the nontestamentary instrument or contract provides for another disposition, the property or interest therein disclaimed shall devolve as if the disclaimant had died before the effective date of the instrument or contract. A disclaimer relates back for all purposes to that date. A future interest that takes effect in possession or enjoyment at or after the termination of the disclaimed interest takes effect as if the disclaimant had died before the effective date of the instrument or contract that transferred the disclaimed interest.

(4) (a) The right to disclaim property or an interest therein is barred by an assignment, conveyance, encumbrance, pledge, or transfer of the property or interest, or a contract therefor, a written waiver of the right to disclaim, an acceptance of the property or interest or benefit thereunder, or a sale of the property or interest under judicial sale made before the disclaimer is effected.

(b) The right to disclaim exists notwithstanding any limitation on the interest of the disclaimant in the nature of a spendthrift provision or similar restriction.

(c) The instrument of disclaimer or the written waiver of the right to disclaim is binding upon the disclaimant or person waiving and all persons claiming through or under him.

(5) This section does not abridge the right of a person to waive, release, disclaim, or renounce property or an interest therein under any other statute.

(6) An interest in property existing on the effective date of this section as to which, if a present interest, the time for filing a disclaimer under this section has not expired, or if a future interest, the interest has not become indefeasibly vested or the taker finally ascertained, may be disclaimed within nine (9) months after the effective date of this section.

(7) This section shall be applied and construed to effectuate its general purpose to make uniform the law with respect to the subject of this section among states enacting it.

(8) This section may be cited as the uniform disclaimer of transfers under nontestamentary instruments section.

Section 11. KRS 394.225 is amended to read as follows:

An attested will may, at the time of its execution or at any subsequent date, be made self-proved, by the acknowledgment thereof by the testator and the affidavits of the witnesses, each made before an officer authorized to administer oaths under the laws of this State, and evidenced by the officer's certificate, [under official seal,] attached or annexed to the will in form and content substantially as follows:

(OFFICIAL CAPACITY OF OFFICER)

A self-proved will may be admitted to probate without the testimony of any subscribing witness, but otherwise treated no differently from a will not self-proved.

Section 12. KRS 394.240 is amended to read as follows:

(1) Any person aggrieved by the action of the district court in admitting a will to record or rejecting it may bring an original action in the circuit court of the same county to contest the action of the district court. Such action shall be brought within two (2) years after the decision of the district court. The parties may, in the same action, or in a separate action if the validity of the will is not in issue, seek construction, interpretation or reformation of a will.

(2) Upon filing *an adversary proceeding in circuit court in matters involving probate whether in a testate or intestate proceeding or* an action pursuant to subsection (1) of this section, the plaintiff shall forthwith lodge a notice of the action in the office of the county clerk of the county in which the will was admitted to probate or rejected*, or if in an intestate estate in the office of the county clerk of the county in which the estate was probated*. Such notice shall state the name of the testator, the style of the action, the court in which the action has been filed, the file number assigned to the action by the clerk of the court in which it has been filed, the nature of the action, and the date on which the action was commenced. Said notice shall be signed by plaintiff or his attorney and no jurat shall be necessary. The county clerk shall record and index said notice as if it were a will.

Section 13. KRS 394.260 is amended to read as follows:

When the proceeding is taken to the circuit court, all necessary parties shall be brought before the court by the plaintiff. The final decision given shall, subject to appeal to the court of appeals, be a bar to any other proceeding *calling* [to call] the probate or rejection of the will in question. This section does not preclude a court of justice from its jurisdiction to impeach such final decision for any reason that would give it jurisdiction over any other judgment at law.

Section 14. KRS 394.295 is amended to read as follows:

The court in which a judgment has been rendered shall have power to vacate or modify it when any paper purporting to be the last will of any person has been, or may be hereafter admitted to probate, and a later will has been discovered. A judgment on this ground, however, shall not be vacated or modified, unless proceedings to that end shall be instituted within *ten (10)* [twenty-five] years after the death of the testator. If the earlier will shall have been established by judgment of the circuit court, the proceedings to vacate shall be instituted in the circuit court. The proceedings to vacate shall be by petition to which all persons interested in the earlier will shall be made defendants. Otherwise, the proceedings to vacate shall be instituted in the district court. Provided, however, that a judgment on the ground herein named shall not be vacated or modified until the validity of such later will has been determined in such proceedings. When such former judgment has been vacated or modified such later will shall be admitted to probate in the manner and under the laws governing the probation of wills before the expiration of five years. The judgment establishing such later will and vacating the judgment establishing the former will shall be without prejudice to the vested rights of innocent third parties. The court in which relief is sought for the reasons herein set out, may enter such orders as may be necessary to protect the rights of the parties during the pendency of the proceedings.

Section 15. KRS 394.300 is amended to read as follows:

(1) Every will or authenticated copy admitted to record by any court shall be recorded by the county clerk, and remain in his office, except during such time as it may be carried to another court under subpoena duces tecum.

(2) (a) A will probated in the court of one (1) Kentucky county and recorded in the office of the county clerk for that county may be recorded in the office of the county clerk for other counties without the process of probate in the other county.

(b) Production of an attested copy of the will together with an attested copy of the order of probate shall be required by the county clerk of the other county before recordation.

(c) The clerk shall make the same charge for recordation as is otherwise provided for recording a will.

Section 16. KRS 394.520 is amended to read as follows:

If no time is fixed for the payment of a specific pecuniary legacy, it shall be payable one year after the *probate of the will* [testator's death], and carry interest after due.

Section 17. KRS 394.610 is amended to read as follows:

A person, or the representative of an incapacitated or protected person, who is an heir, next of kin, devisee, legatee, person succeeding to a disclaimed interest, beneficiary under a testamentary instrument, or appointee under a power of appointment exercised by a testamentary instrument, may disclaim in whole or in part the right of succession to any property or interest therein, including a future interest, by filing a written disclaimer under KRS 394.610 to 394.670. The right to disclaim *shall* [does not] survive the death of the person having it *and may be exercised by the personal representative of such person's estate.* The instrument shall (1) describe the property or interest disclaimed, (2) declare the disclaimer and extent thereof, and (3) be signed by the disclaimant.

Section 18. KRS 394.620 is amended to read as follows:

(1) An instrument disclaiming a present interest shall be filed not later than *nine (9)* [six] months after the death of the decedent or the donee of the power.

(2) An instrument disclaiming a future interest shall be filed not later than *nine (9)* [six] months after the event that determines that the taker of the property or interest is finally ascertained and his interest indefeasibly vested.

(3) The disclaimer shall be filed in the district court of the county in which proceedings have been commenced for the administration of the estate of the deceased owner or deceased donee of the power or, if they have not been commenced, in which they could be commenced. A copy of the disclaimer shall be delivered in person or mailed by registered or certified mail to any personal representative, or other fiduciary of the decedent or donee of the power. If real property or an interest therein is disclaimed, a copy of the disclaimer may be recorded in the office of the county clerk of the county in which the real estate is situated.

Section 19. KRS 395.005 is amended to read as follows:

The following persons may be appointed as fiduciary:

(1) Any resident of the State of Kentucky, [including married women,] over eighteen years of age, *except as set out in KRS 395.080,* and any national bank located in Kentucky having fiduciary powers and any state bank or trust company incorporated under the laws of the State of Kentucky and authorized by law to act as fiduciary.

(2) Any nonresident of legal age who is *as to the decedent, ward, or incompetent, related by consanguinity, marriage, adoption or the spouse of such person so related* [:

(a) The spouse of the decedent;

(b) Related to the decedent by consanguinity;

(c) The spouse of a person related to the decedent by consanguinity;

(d) The father, mother, brother, or sister of the spouse of decedent; or

(e) The legally adopted child or adoptive parent of decedent].

Section 20. KRS 395.010 is amended to read as follows:

Original administration shall not be granted after the expiration of *ten (10)* [twenty] years from the death of the testator or intestate and if made after that time, it shall be void.

Section 21. KRS 395.195 is amended to read as follows:

Except as restricted or otherwise provided by the will, or by KRS 395.200, a personal representative, acting reasonably for the benefit of the interested persons, may properly:

(1) Retain assets owned by the decedent pending distribution or liquidation including those in which the representative is personally interested or which are otherwise improper for trust investment;

(2) Receive assets from fiduciaries, or other sources;

(3) Perform, compromise or refuse performance for proper cause of the decedent's contracts that continue as obligations of the estate, as he may determine under the circumstances;

(4) Satisfy written charitable pledges of the decedent irrespective of whether the pledges constituted binding obligations of the decedent or were properly presented as claims, if in the judgment of the personal representative the decedent would have wanted the pledges completed under the circumstances;

(5) If funds are not needed to meet debts and expenses currently payable and are not immediately distributable, deposit or invest liquid assets of the estate, including moneys received from the sale of other assets, in federally insured interest-bearing accounts, readily marketable secured loan arrangements or other prudent investments which would be reasonable for use by trustees generally;

(6) Acquire or dispose of an asset, other than land, for cash or on credit, at public or private sale; and manage, exchange, or change the character of an estate asset;

(7) Enter for any purpose into a lease for personal property as lessor or lessee, with or without option to purchase or renew, for a term within or extending beyond the period of administration;

(8) Abandon personal property when, in the opinion of the personal representative, it is valueless, or is so encumbered, or is in such condition that it is of no benefit to the estate;

(9) Vote stocks or other securities in person or by general or limited proxy;

(10) Pay calls, assessments, and other sums chargeable or accruing against or on account of securities, unless barred by the provisions relating to claims;

(11) Hold a security in the name of a nominee or in other form without disclosure of the interest of the estate but the personal representative is liable for any act of the nominee in connection with the security so held;

(12) Insure the assets of the estate against damage, loss and liability and himself against liability as to third persons;

(13) Borrow money with or without security to be repaid from the probatable assets or otherwise; and advance money for the protection of the estate;

(14) Effect a fair and reasonable compromise with any debtor or obligor, or extend, renew or in any manner modify the terms of any obligation owing to the estate. If the personal representative holds a mortgage, pledge or other lien upon property of another person, he may, in lieu of foreclosure, accept a conveyance or transfer of encumbered assets from the owner thereof in satisfaction of the indebtedness secured by lien;

(15) Pay taxes, assessments, compensation of the personal representative, and other expenses incident to the administration of the estate;

(16) Sell or exercise stock subscription or conversion rights; consent, directly or through a committee or other agent, to the reorganization, consolidation, merger, dissolution, or liquidation of a corporation or other business enterprise;

(17) Allocate items of income or expense to either estate income or principal, as permitted or provided by law;

(18) Employ persons, including attorneys, auditors, investment advisors, or agents, to advise or assist the personal representative in the performance of his administrative duties; act without independent investigation upon their recommendations; and instead of acting personally, employ one or more agents to perform any act of administration, whether or not discretionary;

(19) Prosecute or defend claims, or proceedings in any jurisdiction for the protection of the estate and of the personal representative in the performance of his duties;

(20) Sell or mortgage any personal property or any interest therein for cash, credit, or for part cash and part credit, and with or without security for unpaid balances;

(21) Provide for exoneration of the personal representative from personal liability in any contract entered into on behalf of the estate;

(22) Satisfy, [and] settle *or compromise* claims and distribute the estate as provided by law.

Section 22. KRS 395.197 is amended to read as follows:

The powers set forth in KRS 395.195 and 395.196 shall not be effective as to wills executed *or personal representatives appointed and qualifying* prior to June 19, 1976[, nor to personal representatives].

Section 23. KRS 395.420 is amended to read as follows:

(1) A curator appointed under subsection (1) of KRS 395.410 shall collect and safely keep the estate of the decedent, and make and return to court, within *sixty (60) days* [three months], a full and complete inventory of the estate and deliver up the estate, when required, to the executor or administrator. He may pay debts, sue and be sued and sell perishable and other goods.

(2) A curator appointed under subsection (2) of KRS 395.410 shall collect and safely keep the estate of an absent person; make and return to the court, within *sixty (60) days* [three months], a full and complete inventory of the estate and deliver up the estate, including the income from the estate, when required, to the absent person upon his return, or to the executor or administrator, when one is appointed. He may pay debts, sue and be sued, invest or reinvest any funds coming into his hands and sell perishable and other goods.

Section 24. KRS 395.605 is amended to read as follows:

(1) Upon the sworn application of any fiduciary, that the fiduciary is the sole beneficiary of any estate, the court may dispense with the requirements of this chapter regarding settlement of fiduciaries accounts and may dispense with the requirements of a surety for the fiduciary and shall accept from the fiduciary an informal settlement. The informal settlement shall be made, under oath, by the fiduciary and shall state that the estate was solvent; that all legal claims and debts have been paid, or if not paid, the manner in which said claims and debts have been provided for; that all inheritance, estate or similar death taxes have been paid and a duplicate or photocopy of such tax releases shall be attached, if available; that all court costs have been paid; the name of the attorney(s), if any, representing the fiduciary, and the amount of the attorney's fee, and that the beneficiary has received his share. An informal settlement may be filed at any time after *expiration of six (6) months from the fiduciary's appointment* [the period for filing claims against decedent's estate has elapsed, subject to the requirements of time for filing settlements as set out in this chapter]. Upon the filing of the informal settlement, the court may enter an order discharging the fiduciary, and his surety, if any. When a settlement is effected in the informal manner, no notice to any

person shall be required nor shall the court be compelled to inquire into detailed items of income or disbursements.

(2) If a proposed settlement of a fiduciary is accompanied by a verified waiver executed by all of the beneficiaries of an estate, and none of the beneficiaries is under a disability, the court shall accept from the fiduciary an informal settlement which meets the requirements of subsection (1) of this section. The court may require the fiduciary to execute bond with or without surety to insure the application of the estate assets to the debts of the decedent.

(3) In the event that one or more of the beneficiaries of the estate is under a disability, the court may allow the filing of an informal settlement if the court is of the opinion that the best interests of the person under the disability would be served.

Section 25. KRS 395.610 is amended to read as follows:

(1) *Two (2) years* [One (1) year] after appointment and annually thereafter, unless otherwise provided by law, every fiduciary as defined in KRS 395.001, other than a testamentary trustee, must render an account of the execution of his trust to the court by which he was appointed, including in such account an itemized statement of receipts and disbursements supported by vouchers accompanying the same and a statement of all investments on hand and changes in investments since the filing of his last account. Provided, however, that guardians and committees [and trustees under continuing trust], after their first accounting, shall render their accounts thereafter biennially, or at shorter intervals if the court shall require it. Such settlements, when approved and confirmed by the court, shall be recorded and indexed by the clerk, and the original and the vouchers carefully kept by him in his office. An account shall be rendered by the fiduciary at any other time upon order of the court upon its own motion or that of any person interested in the trust, for good cause shown on affidavit. At the expiration of his trust such fiduciary must fully account for and pay over the trust estate to the person or persons entitled thereto. Every such account shall list all unpaid creditors whose claims have been allowed and all creditors whose claims have been disallowed. No account of a fiduciary except of corporate fiduciaries under the supervision of state or federal banking authorities shall be approved until there are exhibited to the court, for its examination, the security or securities shown in said account as being in the hands of the fiduciary, or the certificate of a bank having possession thereof or in which they have been deposited for safekeeping, and a certified bank statement showing the funds to the credit of the trust.

(2) Testamentary trustees shall not be required to render accountings to the court under the provisions of this section. However, trustees may be required to file accounts pursuant to judicial proceedings under KRS 386.675.

SECTION 26. A NEW SECTION OF KRS CHAPTER 396 IS CREATED TO READ AS FOLLOWS:

When a claim against an estate has been rejected in whole or in part in writing or when a claim has been allowed in whole or in part and thereafter rejected in writing, the claimant must commence an action on the claim or that part thereof rejected within two (2) months after such rejection if the debt or that part thereof rejected is then due, or be forever barred from maintaining an action thereon. If the executor or administrator dies, resigns or is removed within such two-months' period before action is commenced thereon, the action may be commenced within two (2) months after the appointment of a successor.

Section 27. KRS 401.020 is amended to read as follows:

Both parents, provided both are living, or one (1) parent if one (1) is deceased [A parent], or if no parent is living, the guardian, may have the name of a child under the age of eighteen changed by the district court of the county in which the child resides. *However, if one (1) parent refuses or is unavailable to execute the petition, proper notice of filing the petition shall be served in accordance with the rules of civil procedure.* If the child resides on a United States army post, military reservation or fort his name may be changed by the district court of any county adjacent thereto.

Section 28. KRS 413.230 is amended to read as follows:

(1) The salary for each justice of the Supreme Court, payable out of the state treasury, shall be *forty-nine thousand dollars ($49,000)* [thirty-nine thousand dollars ($39,000)] per annum, except for the salary of the chief justice of the Supreme Court which shall be *fifty thousand dollars ($50,000)* [thirty-nine thousand five hundred dollars ($39,500)] per annum.

(2) The salary of each judge of the Court of Appeals, payable out of the state treasury, shall be forty-seven thousand dollars ($47,000), with the exception of the chief judge of the Court of Appeals who shall receive a salary of forty-seven thousand five hundred dollars ($47,500).

(3) The salary of each circuit judge, payable out of the state treasury shall be forty-five thousand dollars ($45,000) per annum.

(4) The salary of each district judge, payable out of the state treasury, shall be thirty-eight thousand five hundred dollars ($38,500) per annum.

(5) In order to equate or adjust the compensation of justices and judges of the court of justice with the purchasing power of the dollar, the department of finance shall compute by July 1 of every year, beginning on July 1, 1980, the annual increase or decrease in the consumer price index of the preceding year by using 1949 as the base year. Upon notification from the department of finance, the annual salary of justices and judges of the court of justice for fiscal year 1982 and each fiscal year thereafter shall be set

at a rate which includes the adjustment for the increase or decrease in the consumer price index, but in no event shall a justice or judge of the court of justice receive an annual increase exceeding six percent (6%) of salary.

Upon notification from the department of finance, the annual salary of circuit clerks for fiscal year 1981 and each fiscal year thereafter shall be set at a rate which includes the adjustment for the increase or decrease in the consumer price index, but in no event shall a circuit clerk receive an annual increase exceeding six percent (6%) of salary.

For purposes of determining movement of circuit court clerk salaries from calendar year 1976 level to the maximums for calendar year 1978 as outlined above, the following guidelines should be used.

1. The actual calendar year 1976 salary of the circuit court clerk, as certified by the administrative office of the courts from information supplied by the auditor of public accounts, will be adjusted to the 1977 cost of living increase to be determined by the Kentucky department of commerce. This adjusted figure will be the base to compare with the salary maximums outlined above.

2. Those clerks whose base, as determined in 1. above, does not reach the maximums outlined above, will be allowed yearly increases up to twenty percent (20%) of the base, not to exceed the maximums outlined above.

3. Those clerks whose base, as determined in 1. above, is equal to or greater than the maximums outlined above, will be allowed a one time ten percent (10%) adjustment to their base salary as determined in 1. above.

4. The initial population determination for compensation under this section shall be based on the 1970 Federal Census or the "Final" issue of "Current Population Reports, 1974" issued by the United States Bureau of The Census, whichever is greater. In 1981 and thereafter, population shall be based on the decennial census.

5. The annual salary for 1978 for each circuit court clerk shall be no less than seventy-five percent (75%) of the maximum amount permitted for each population category.

Section 3. KRS 64.057 is amended to read as follows:

[All circuit clerks and] deputy *circuit* clerks may receive annual salary increments for each year's services, subject to determination by the Supreme Court.

Section 4. KRS 64.497, Salaries of judges of the Court of Appeals; 64.499, Compensation of circuit judges; 64.507, Salary of district judges, are repealed.

Section 5. Whereas, inflation has severly diminished the purchasing power of justices and judges of the court of justice and circuit clerks, an emergency is declared to exist, and this Act shall become effective on July 1, 1980.

Section 6. There is hereby appropriated from the general fund $3,054,917 for FY 1980-81 and $3,807,476 for FY 1981-82 to carry out the provisions of this Act.

HB 930, AN ACT relating to state personnel.

WHEREAS, Section 5 of 101 Kentucky Administrative Regulations 1:050 now makes the awarding of annual increments in salary automatic for those full-time and part-time merit system employes who have not attained the longevity steps in the state pay plan established under KRS 18.210; and

WHEREAS, 101 Kentucky Administrative Regulations 1:050 does not provide the same automatic annual increments for regular merit system employes who have advanced to the longevity steps of the state pay plan; and

WHEREAS, the General Assembly desires that the state pay plan be structured to treat state employes equitably and to encourage, rather than discourage, career service by state personnel; and

WHEREAS, the General Assembly finds and declares that the policies of equitable treatment of employes and of encouraging career service are hampered by limiting the salary advancements of employes who have attained the longevity steps of the state pay plan while awarding annual increments to other employes;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 18 IS CREATED TO READ AS FOLLOWS:

State employes who have attained any longevity step in the state pay plan established under KRS 18.210 shall be awarded the same annual percentage increment in salary that is automatically awarded to employes who have not advanced to such longevity steps in the state pay plan.

Any person may prefer charges in writing against any officer, which must be filed in the office of the commissioner. The charges must be signed by the person making the same, and must set out with clarity and distinction each and every charge. The commissioner, whenever probable cause appears, shall prefer charges against any officer whom he believes to have been guilty of conduct justifying his removal or punishment, in the interest of public order. Within five (5) days after the filing of charges, the commissioner shall deliver a copy thereof, personally, by [registered mail or by] certified mail, return receipt requested to the officer offending. Within five (5) days after the receipt thereof, the officer may demand public hearing, or may admit the truth of the charges in whole or in part. If the officer admits the truthfulness of the charges, the commissioner shall remove, suspend, reduce in rank or pay the officer so offending, in proportion to the seriousness of the charges.

(2) If the charges are denied and the officer demands a hearing within the time above specified, he must make his demand known to the commissioner in writing. The officer defendant shall be given not less than five (5) days' notice of the time, place and hour of the hearing.

(3) Upon the hearing, all charges shall be considered traversed and put in issue, and the trial shall be confined and limited to the issues presented by the written charges. The trial board hearing the charges may summon and compel the attendance of witnesses at all hearings or sittings, by subpoena issued by the commissioner and served upon any witness by any sheriff or other person authorized by law to serve process. If any person fails to comply with any lawful order of the bureau or with process, or if any witness refuses to testify concerning any matter in which he may lawfully be interrogated, any circuit court judge, upon application of the trial board, or the commissioner, may compel obedience by proceedings for contempt as in the case of disobedience of a subpoena issued from the circuit court or a refusal to testify therein.

(4) The officer defendant shall have the right to subpoena in his behalf any witnesses he may desire, upon furnishing their names to the trial board or to the commissioner. The officer shall likewise have the right to appear in person and by counsel.

(5) All charges against the officer defendant, together with all proceedings before the trial board, shall be transcribed and reduced to writing and a permanent record kept thereof.

(6) In any instance where the commissioner has probable cause to believe that an officer has been guilty of conduct justifying his removal or punishment, he may immediately suspend the officer from duty, or from both pay and duty, pending trial, and the officer shall not be again placed on duty or allowed pay thereafter until a determination of the charges under this section.

(7) The trial board, after hearing the charges, shall fix the punishment of any officer found guilty of any one (1) or more charges, by reprimand or suspension for any length of time not to exceed six (6) months, or by reducing the grade if the officer's classification warrants same, or by combining any two (2) or more of the punishments, or by reducing the monthly salary of the officer by not more than twenty per cent (20%) for not more than six (6) months, or by removing or dismissing from the service of the bureau any officer so found guilty.

(8) For the purpose of hearing charges against any officer, as hereinabove set forth, there is created a trial board; which shall consist of the commissioner and of a panel of ten (10) officers of the bureau appointed by the commissioner. The commissioner shall designate from the panel not less than three (3) nor more than seven (7) members thereof to hear charges against any officer in the manner and under the procedure above set forth. The commissioner may promulgate reasonable rules and regulations governing the procedure before the trial board, which do not conflict with this section. The panel or trial board shall be a continuing body, and the officers designated shall serve thereon in addition to their other duties and without any increase in compensation, except they may be reimbursed for meals, lodging and traveling expenses incurred while in the performance of their official duties as members of the board. Any officer defendant may for cause challenge the right of any member of the board in the trial of any action against him, and if the remaining members of the board find that the challenge is justifiable, the member of the board shall be excused from hearing the charges, and another member substituted in lieu thereof.

(9) No officer is entitled to a hearing as provided in this section, unless his suspension is for more than twenty (20) days, or his pay reduced more than ten per cent (10%); but if the officer receives more than twenty (20) days suspension or reduction in salary of more than ten per cent (10%) within a period of one (1) year, he shall have the right to such hearing in the manner above provided.

(10) Any civilian employe may be discharged, suspended or reduced in pay at any time by the commissioner, pursuant to KRS chapter 18.

(11) Any officer appointed to the bureau shall be considered on probation for a period of one (1) year from and after the date of his appointment, and during that period may be discharged or suspended or reduced in rank or pay, with or without cause, by the commissioner. The mode of service shall be by [registered or] certified mail with return receipt requested. The receipt signed by the defendant shall be prima facie evidence that the defendant was served with notice of any action instituted pursuant KRS 24A.200 to 24A.360. Should the receipt not be returned signed by the defendant, the defendant shall be personally served with process.

(3) To promote quick settlement of small claims, the division shall grant continuances only where reasons of fairness and justice so require.

Section 4. KRS 29A.060 is amended to read as follows:

(1) Each circuit or district judge shall inform the chief circuit judge of his needs for qualified jurors.

(2) To select a grand jury or a petit jury in circuit court, the clerk shall:

(a) Draw forty (40) names at random from the jury wheel;

(b) List the names, in the order drawn, from one (1) to forty (40);

(c) Place forty (40) numbered balls in a box and shake the box;

(d) Draw the required number of balls, dependent on the number of jurors required plus alternates, from the box and record the number of each ball as it is drawn.

(3) To select a petit jury for a trial in district court, the clerk shall:

(a) Draw twenty (20) names at random from the jury wheel;

(b) List the names, in the order drawn, from one (1) to twenty (20);

(c) Place twenty (20) numbered balls in a box and shake the box;

(d) Draw the required number of balls, dependent on the number of jurors required plus alternates, from the box and record the number of each ball as it is drawn.

(4) The names corresponding to the numbers on the balls which have been drawn shall constitute the petit jury. When alternate jurors are permitted the last ball or balls drawn, as the case may be, will represent the alternate jurors.

(5) As jurors are excused and new jurors are required additional balls shall be drawn from the box, one for each juror required, until all of the balls in the box have been exhausted.

(6) In the event that all of the balls in the box have been exhausted the box shall be refilled utilizing the process required by subsections (1) to (4) of this section.

(7) The chief circuit judge shall regulate the random assignment of jurors for use in circuit and district courts. Any petit juror assigned to a judge of circuit or district court may be used by any other judge of any other branch or division of circuit or district court when jurors are needed.

(8) If a grand, petit, or other jury is ordered to be drawn, the judge thereafter shall cause each person drawn for jury service to be served with a summons requiring him to report for jury service at a specified time and place, unless otherwise notified by the court and, to be available for jury service for thirty (30) judicial days thereafter. The service of summons may be either made personally by the sheriff or sent by [registered or] certified mail, return receipt requested, addressed to him at his usual residence, business, or post office address. In either case, notice shall be mailed or served to the juror at least thirty (30) days before he is required to attend.

(9) When there is an unanticipated shortage of available jurors drawn from a jury wheel, the court may require the sheriff to summon a sufficient number of jurors selected at random by the judge from the jury wheel. Jurors summoned in this way need not be given the notice provided in subsection (8) of this section.

(10) Only persons duly qualified and summoned under subsection (8) of this section and KRS 29A.070 shall serve as jurors..

(11) If after making a fair effort in good faith, the judge is satisfied that it will be impracticable to obtain a jury free of bias in the county in which the prosecution is pending, he may obtain a sufficient number of jurors from some adjoining county in which the judge believes there is the greatest probability of obtaining impartial jurors. The judge shall request the chief circuit judge for the adjoining county to draw and summon as many jurors as are needed. Jurors summoned under this subsection need not be given the notice provided in subsection (8) of this section.

(12) The names of jurors drawn from the jury wheel shall be made available to the public.

Section 5. KRS 39.410 is amended to read as follows:

In case property is taken for temporary use, pursuant to the provisions of this chapter, the governor shall, within thirty (30) days of the taking, fix the amount of compensation to be paid therefor. In case such property shall be returned to the owner in a damaged condition or shall not be returned to the owner, the governor shall, within thirty (30) days after the taking, fix the amount of compensation to be paid for such damage or failure to return. Whenever the governor shall deem it advisable for the state to take title to property taken under this section, he shall forthwith cause the owner of such property to be notified thereof in writing by [registered mail, postage prepaid or by] certified mail, return receipt requested, and forthwith cause to be filed a copy of said notice with the secretary of state.

Section 6. KRS 40.120 is amended to read as follows:

(1) If a claim is disapproved, the administrator shall send a notice of such decision to the claimant by mail at the address shown in the application. The notice shall be in such form as the administrator may determine, shall contain a designation of the reason for disapproval, shall inform the claimant of his or her right to seek review, shall have attached such form of request for review as the administrator may prescribe, and shall give information as to procedure for review.

(2) Application for review of the administrator's disapproval shall be made only on the forms prescribed and furnished by the administrator; and shall be received in the office of the administrator by the closing hour in the thirtieth day after the day upon which the notice of the disapproval is mailed by the administrator, or be forever barred.

(3) Upon receiving an application for review, the administrator shall transmit the same, together with the original application and all papers in the case, to the board of review, hereinafter created.

(4) The board of review shall promptly consider the same evidence which was available to the administrator, and shall promptly enter in the case file its decision either finally affirming the administrator's decision, or finally determining the claim and the amount thereof.

(5) The board of review shall send a notice of its decision to the claimant by [registered mail or by] certified mail, return receipt requested, and shall return the case file to the administrator. The decision of the board of review shall be a final determination of the claim shown in the application. There shall be no right of recourse on the part of the claimant or the administrator in any court.

Section 7. KRS 40.140 is amended to read as follows:

(1) (a) If a claim is approved by the administrator or finally approved upon resort to the board of review, in whole or in part the administrator shall promptly certify to the secretary of the executive department for finance and administration the names and addresses of persons found entitled to be paid, as shown in the application, and the amount payable to each.

(b) A copy of each such certificate shall be sent to the commissioner of revenue, who shall promptly ascertain from the records of his department whether any person proposed to be paid a veterans' bonus is delinquent in the payment of any tax liability to the Commonwealth. No delinquency shall be deemed to exist as to any asserted tax liability which is the subject of a bona fide dispute. If any delinquency be found to exist, the commissioner of revenue shall within three (3) working days after this receipt of the certificate, furnish the details thereof to the secretary of the executive department for finance and administration; and if no advice of tax delinquency is received by the secretary of the executive department for finance and administration before the end of the fourth working day after his receipt of certification from the administrator, he shall, for the purposes of this chapter, conclusively presume that no delinquency of tax liability to the Commonwealth exists; but such presumption shall apply only to the existence or absence of a setoff by the Commonwealth against a certified claim for a veterans' bonus, and shall not alter the facts as between the Commonwealth and any taxpayer.

(c) If no advice of tax delinquency is received within such allowed time, the secretary of the executive department for finance and administration may approve payment in accordance with the certificate of the administrator, and may immediately draw a warrant on the state treasury for a check in payment.

(d) Upon receipt of such warrant the state treasurer shall issue a check in accordance therewith payable from the proceeds of bonds in accordance with this chapter, and the same shall promptly be mailed to the payee thereof at the address shown in the certificate.

(2) (a) If the secretary of the executive department for finance and administration shall, within the allowed time, receive advice from the commissioner of revenue of the existence of a delinquency on the part of any person having an approved claim for a veterans' bonus, as to any tax liability to the Commonwealth, the secretary of the executive department for finance and administration shall note the same on the certificate of the administrator, withhold payment, and forthwith send to the claimant by [registered mail or by] certified mail, return receipt requested a notice of the asserted delinquency, and the amount thereof, and that it is proposed that the same be set off against the veterans' bonus payment.

(b) If the secretary of the executive department for finance and administration receives no protest in his office within ten (10) working days after recording such notice, he shall conclusively presume that the proposed setoff is just, shall apply the amount thereof in reduction or extinguishment of the payment certified by the administrator, and shall advise the commissioner of revenue of the amount set off against the veterans' bonus, which advice shall be noted by the commissioner of revenue on the records of his office as a credit upon the delinquent tax liability.

(c) If the tax setoff does not consume the entire amount of the veterans' bonus as certified by the administrator, the secretary shall draw a warrant upon the state treasury for a check in the amount of the remainder, and upon receiving such check from the state treasurer shall send the same, together with advice of the setoff, by mail, to the payee at the address shown in the certificate of the administrator.

(3) If the secretary of the executive department for finance and administration receives from the claimant a protest of the asserted tax delinquency, within the allowed time, the secretary shall withhold approval for payment, and shall refer the protest to the commissioner of revenue for disposition.

(4) If a tax setoff is made, and the claimant shall assert error with regard thereto, the exclusive remedy shall be by seeking refund from the commissioner of revenue.

Section 8. KRS 57.141 is amended to read as follows:

If any successful bidder fails in whole or in part to fulfill his contract, the executive department for finance and administration may cancel the contract. Cancellation shall be in writing, stating the reasons for such cancellation, and shall be sent by [registered or] certified mail. The executive department for finance and administration may suspend, declare void, or cancel any contract whenever it is of the opinion that the contract was obtained by fraud, collusion, conspiracy, or other unlawful means. Any cancellation of contract shall be a basis for removal of the offender from the bid list and exclusion from consideration on future awards. In no instance shall the offender be considered for the next award for similar work.

Section 9. KRS 61.750 is amended to read as follows:

Reports required by KRS 61.710 to 61.780 shall be filed with the Kentucky registry of election finance and shall be public record, subject to inspection by any citizen of the Commonwealth. Within thirty days after reports are due, the registry of election finance shall publish a list of those persons who have filed reports, and shall notify any person required to file, who has failed to file such report, by [registered mail or by] certified mail, return receipt requested of his failure to comply with KRS 61.710 to 61.780.

Section 10. KRS 77.265 is amended to read as follows:

(3) If either the identity or address of any person entitled to such notice is unknown, the hearing board shall serve such person by publication of notice once in a newspaper of general circulation published within the district if such newspaper is published therein, otherwise by posting at a public place at the county seat within the district.

It shall be the duty of the person or persons proposing the amendment to furnish to the planning commission the names and addresses of the owners of all property as described in this subsection. In the event such property is in condominium or cooperative forms of ownership, then the person notified by mail shall be the president or chairman of the owner group which administers property commonly owned by the condominium or cooperative owners.

(3) If the hearing has been scheduled for a time during normal working hours, and if, within fifteen (15) days of the scheduled date of the hearing the planning commission shall receive a petition from two hundred (200) property owners living within the planning unit requesting that the hearing be rescheduled for a time after normal working hours, then the planning commission shall reschedule the hearing for a time after normal working hours on a date no earlier than the date of the original hearing. The planning commission shall then publish notice of the new hearing time and date according to the provisions of KRS 100.211, except that notice shall occur at least seven (7) days prior to the public hearing. If more than one (1) committee alleging itself to advocate or oppose the same amendment file such a petition, the county board of elections shall decide, and announce by [registered mail or by] certified mail, return receipt requested to each committee not less than twenty (20) days immediately preceding the election, which committee is entitled to nominate the challengers and inspectors. Such decision shall not be final, but any aggrieved party may institute proceedings with the county judge/executive and upon hearing the county judge/executive shall determine which of such committees shall be recognized as the one to select inspectors and challengers at the election.

(4) The committee shall file the names of the persons nominated by it with the clerk of the county at least five (5) days before the election. The county board of elections shall, within two (2) days thereafter, certify the nominees of the committee for the respective precincts to serve as challengers and inspectors at the election where any constitutional amendment or public question is to be voted upon. (5) The challengers and inspectors shall perform their duties in the same manner and be subject to the same privileges as other inspectors and challengers at an election.

(6) Each political party is entitled to have not exceeding two (2) challengers at each precinct during the holding of the primary election. Any group of bona fide candidates, as defined in KRS 118.176, of the same political party equal to twenty-five percent (25%) of all the candidates for that party to be voted for in a county in any primary, including state, district and all other candidates, may recommend to the county committee or governing authority of the party for the county a list of persons whom they desire to have appointed as challengers in each precinct in the county. If more than two (2) such lists are furnished, the committee or governing authority, in making appointments of challengers, shall alternate between the several lists so furnished so as to give to each list an equal amount or proportion of the appointments, but in no event shall there be appointed more than one (1) challenger for any precinct from any one (1) list. If the signature is difficult to read, the voter shall, on the same line legibly write or print his name in the same fashion as he signed it. One or more persons shall verify by affidavit the signatures and addresses of the signers of the petition. The county board of elections shall make the determination of whether the petition contains enough signatures of qualified voters to suspend the effect of the order or resolution, and immediately thereafter shall notify the school board that the petition has been received and that the order or resolution levying such tax will be placed on the ballot for voter approval at the next general election. The board of elections shall certify to the school board within thirty (30) days of receipt of the petition that the petition is properly presented and in compliance with the provisions of this section. If good cause is shown, the board of elections shall permit the petitioners to correct the deficiencies either by securing additional valid signatures or by circulating a new petition, such petition to be submitted to the board within thirty (30) days from the date of the written notification of the deficiencies.

(2) Thereupon, if it has been determined that the petition contains enough valid signatures to suspend the effect of the order or resolution, the county board of elections shall submit to the voters of the school district in which a valid recall petition has been filed pursuant to subsection (1) of this section at the next regular November election the question as to whether the tax shall be levied. The question shall be so framed that the voter may by his vote answer, "for" or "against." If a majority of the votes cast in a district or combined taxing district upon the question oppose its passage, the order or resolution shall not go into effect in that district or combined taxing district. If a majority of the votes cast in a district or combined taxing district upon the question favor its passage, the order or resolution shall go into effect in that district. In the event that the election is to be held in more than one (1) school district within a county the votes shall be counted separately.

(10) An agent's permit shall be valid for a period of one (1) school year as herein defined, except when suspended or cancelled pursuant to these provisions. An agent's permit may be renewed in the same manner and under the same conditions prescribed for the issuance of an initial agent's permit.

Such indemnification shall, in no case, exceed the advanced tuition paid or to be paid by said student or students or any such parent or guardian and regardless of the number of years that a school's bond is in force, the aggregate liability of the surety bond shall, in no event, exceed the penal sum of the bond. The surety bond may be continuous.

(9) The bonding or other collateral requirements herein set forth may be reduced at the sole discretion of the board upon a showing by the proprietary school that they are excessive in the case of any particular proprietary school.

Section 28. KRS 171.290 is amended to read as follows:

In a proceeding to revoke a certificate of librarianship under the provisions of KRS 171.990(2), written notice of the proposed action shall be delivered in person, or forwarded by [registered mail or by] certified mail, return receipt requested to the holder of the certificate at his last known post-office address, stating the cause for the contemplated action together with a copy of the charges and appointing a time and a place for the hearing by the board.

Section 29. KRS 177.130 is amended to read as follows:

(1) The department shall give at least ten (10) days' notice by [registered mail or by] certified mail, return receipt requested to the railroad company of a hearing to be held at a time and place stated in the notice, at which hearing it shall consider whether or not the proposed grade separation or change is reasonably necessary and the most advantageous method of effecting the grade separation or change. If the department finds that the grade separation or change is reasonably necessary, it shall make an order to that effect and furnish a copy thereof by [registered mail or by] certified mail, return receipt requested to the railroad company. The order shall specify the location of the crossing to be substituted, the grade thereof, whether it shall pass over or under the railroad tracks, the width of the crossing and the angle at which the crossing shall meet and converge into the roadbed on either side of the railroad tracks. The order may direct the railroad company to prepare plans, specifications and estimates of cost for the grade separation or change in accordance with the general plan prescribed by the order. The order may provide that the plans, specifications and estimates of cost shall be prepared by the department.

(2) When a primary road is relocated and the grade is separated and the new underpass or overhead bridge is located at some point other than the old grade crossing, and when it is necessary that the original grade crossing on the old road be left in for the accommodation of the local public to be used as a county road or private road leading into the primary road, the department shall not take any of the responsibility for the closing of the grade crossing, but its status shall be left to the discretion of the county officials and the railroad company.

Section 30. KRS 177.150 is amended to read as follows:

(1) After receipt of the plans, specifications and estimates of cost from the railroad company the department shall give at least ten (10) days' notice by [registered mail or by] certified mail, return receipt requested to the railroad company of a time and place for final hearing with respect to the grade separation or change. If the department elects to prepare plans, specifications and estimates of cost, it shall furnish copies thereof to the railroad company prior to or at the time it gives notice of a final hearing. At the final hearing, the department shall approve or modify the plans and specifications and shall consider and determine the method of doing the work, whether by the railroad company or by the department, or partly by one and partly by the other, and whether by contract or by the employes of the department or the railroad company, or both, or by any combination of these methods, and if by contract, the method and manner of advertising for bids, the time and place of opening the bids, the time when work shall be begun and completed, and all similar matters of an administrative nature. The department shall embody its conclusions in a final order, a copy of which shall be sent by [registered mail or by] certified mail, return receipt requested to the railroad company.

(2) The department and any railroad company may agree by contract as to the method of eliminating any grade crossing or changing any existing overhead or underpass structure. In event of such agreement all notices, hearings and proceedings shall be deemed to have been waived, and the work of eliminating the grade crossing or making the change shall be performed in accordance with the terms of the contract, with the same effect as though the work was being performed pursuant to a final order of the department.

Section 31. KRS 178.355 is amended to read as follows:

(1) Whenever the fiscal court considers it reasonably necessary for the public safety, it may in the manner hereinafter provided, order any railroad company, either steam or electric, owning or operating a railroad in its county, to eliminate any existing grade crossing or change any existing overhead or underpass structure where any county road crosses the railroad tracks of such company.

(2) The fiscal court shall give at least ten (10) days' notice by [registered mail or by] certified mail, return receipt requested to the railroad company of a hearing to be held at a time and place stated in the notice, at which hearing it shall consider whether or not the proposed grade separation or change is reasonably necessary and the most advantageous method of effecting the grade separation or change. In determining whether the proposed grade separation or change is reasonably necessary, the fiscal court shall receive evidence of, and shall consider, all relevant facts, including the present and prospective density of highway traffic and the present and prospective frequency and speed of train movements over the crossing, the adequacy of existing or proposed signals or warning devices for the protection of highway traffic at the grade crossings, the possibility and probability of personal injury to the public using the highway and to employes and passengers of the railroad company and damage to property, and the cost of the grade separation or change in relation to benefits resulting from the proposed construction. If the fiscal court finds that the grade separation or change is reasonably necessary, it shall make an order to that effect and furnish a copy thereof by [registered mail or by] certified mail, return receipt requested to the railroad company. The order shall specify

a general plan for the new or changed grade separation. The order shall direct the railroad company to prepare plans, specifications and estimates of cost for the grade separation or change in accordance with the general plan prescribed by the order, or may provide that the plans, specifications and estimates of cost shall be prepared by the county if the grade separation structure shall pass over the railroad tracks. The plans, specifications and estimates of cost may, if requested by any public utility, provide facilities for such public utility.

(3) Within ninety (90) days after the entry of an order directing a grade separation or change, and the preparation of plans, specifications and estimates of cost by the railroad company, the railroad company shall present to the fiscal court, plans, specifications and estimates of cost for the grade separation or change, including the necessary approaches thereto.

(4) After receipt of the plans, specifications and estimates of cost from the railroad company the fiscal court shall give at least ten (10) days' notice by [registered mail or by] certified mail, return receipt requested to the railroad company of a time and place for final hearing with respect to the grade separation or change. If the fiscal court elects to prepare plans, specifications and estimates of cost, it shall furnish copies thereof to the railroad company prior to or at the time it gives notice of a final hearing. At the final hearing the fiscal court shall consider whether or not the plans make reasonably adequate provision for present and future safety and convenience of highway traffic and present and future safety and efficiency of operation of trains of the railroad company, its employes and passengers, and for the development of highway and railroad facilities, and shall approve or modify the plans and specifications. It shall then consider and determine the method of doing the work, whether by the railroad company or by the county, or partly by one and partly by the other, and whether by contract or by the employes of the county or the railroad company, or both, or by any combination of these methods, and if by contract, the method and manner of advertising for bids, the time and place of opening the bids, the time when work shall be begun and completed, and all similar matters of an administrative nature. The fiscal court shall embody its conclusions in a final order, a copy of which shall be sent by [registered mail or by] certified mail, return receipt requested to the railroad company.

(5) The fiscal court may reject or order the rejection of all bids submitted for the work, or any part thereof, and require a readvertisement for bids. The fiscal court may reject all bids and elect to do the work itself, or partly by itself and by the railroad company, or by contractors, or by a combination of these methods. If the work includes a structure to support the railroad tracks, the railroad company shall have the right to supervise the construction of that part of the work. If the fiscal court elects to do the work itself there shall not be charged to the railroad company any sum in excess of that it would have been required to pay had the contract been let to the lowest bidder.

(6) In all cases where the work is let by the railroad company on contract, the work shall be done under the general supervision of the county road engineer.

(7) The cost of all work incident to or occasioned by the elimination of the grade crossing and the construction of a substituted crossing, or the reconstruction of an existing overhead or underpass structure, including, without limitation of the generality of the foregoing, the cost of preparing plans and specifications, the cost of acquisition of necessary property and property damage, if any, the construction of approaches, drainage structures, and streets and pavements, shall be paid in the proportion of fifteen per cent (15%) by the railroad company and eighty-five per cent (85%) by the county.

(8) As the work progresses the fiscal court shall furnish to the railroad company, and the railroad company shall furnish to the fiscal court, a monthly statement showing in detail all amounts expended in connection with the work. On or about the fifteenth of each month, the county road engineer shall prepare a statement showing the total amount expended to the close of the preceding month, the amount paid or expended by each party up to that time, and the amount due from the county to the railroad company or from the railroad company to the county. Upon receipt of the statement each party shall pay to the other the amounts shown to be due thereby.

(9) All payments made on such monthly statements shall be considered only payments on account, and upon final completion of the work the county road engineer shall prepare and furnish to the railroad company a statement showing the total cost of the work, the amount paid or expended by the county or the railroad company, and the amount due from one to the other. Each party shall be afforded reasonable opportunities to verify the statements of expenditures by the other, and the balance due as certified by the county road engineer in his final statement shall be paid by one party to the other promptly upon receipt of such final statement.

(10) The fiscal court and any railroad company may agree by contract as to the method of eliminating any grade crossing or changing any existing overhead or underpass structure. In event of such agreement all notices, hearings and proceedings shall be deemed to have been waived, and the work of eliminating the grade crossing or making the change shall be performed in accordance with the terms of the contract, with the same effect as though the work were being performed pursuant to a final order of the fiscal court.

Section 32. KRS 178.360 is amended to read as follows:

(1) After June 19, 1952, if the fiscal court proposes to construct a new county road across an existing railroad, or a railroad company proposes to construct a new railroad across an existing county road, the party proposing such construction shall provide the other party with plans and specifications for its proposed construction, showing the location thereof, and, if the proposed crossing is to be separated, a general plan for such separation. The fiscal court shall give at least ten (10) days' notice of a hearing to be held at a time and place stated in the notice, at which hearing it shall consider whether the proposed crossing shall be approved and whether a grade separation is reasonably necessary for the present and future safety and convenience of highway traffic and present and future efficient operation of the railroad company's facilities and the safety of its employes and passengers, and in accordance with the standards prescribed for grade separations in KRS 178.355.

(2) If the fiscal court shall find that a grade separation is reasonably necessary at such proposed crossing, it shall approve, or provide for the submission and subsequent approval of, plans and specifications for the grade separation. The determinations of the fiscal court shall be by order, and its final determination shall be by final order, which shall fix the method of doing the work in the manner provided in subsection (4) of KRS 178.355, and which shall be served on the railroad company by [registered mail or] certified mail, return receipt requested. If the fiscal court orders a grade separation at such proposed crossing, the entire cost of such separation shall be borne by the party proposing the crossing.

(3) The fiscal court and the railroad company may agree by contract as to the method of constructing grade separations under this section and the distribution or allocation of cost thereof, under this section, and in such event, all notices, hearings and orders shall be deemed to have been waived, and the construction of the crossing shall be performed in accordance with the terms of the contract, with the same effect as though the work was being performed pursuant to a final order of the fiscal court.

Section 33. KRS 186.565 is amended to read as follows:

(1) Any person who operates a motor vehicle in this state is deemed to have given his consent to a chemical test of his blood, breath, urine or saliva for the purpose of determining the alcoholic content of his blood, if arrested for any offense arising out of acts alleged to have been committed while the person was driving or in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages. The test shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages. The law enforcement agency by which the officer is employed shall designate which of the aforesaid tests shall be administered, and provide necessary equipment. The state shall provide one breathalizer and simulating unit for each county, paid for by state funds.

(2) Any person who is dead, unconscious or who is otherwise in a condition rendering him incapable of refusal is deemed not to have withdrawn the consent provided in subsection (1) of this section and the test may be given.

(3) If a person under arrest refuses upon the request of a law enforcement officer to submit to a chemical test designated by the law enforcement agency as provided in subsection (1) of this section, the requesting officer shall warn the person of the effect of his refusal to submit to the test. If the person again refuses, none shall be given, but the department of transportation, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages, that the person refused to submit to the test upon the request of the law enforcement officer, and that the person again refused to submit to the test after the law enforcement officer warned him of the effect of his refusal, the department shall immediately serve notice upon said person in writing by mailing the notice to the person by certified [or registered] mail to the last known residence address of the person or if the address is unknown, to the last known business address of the person to appear before the secretary or his duly authorized agent and show cause why his license to operate a motor vehicle, or if said person is a nonresident his privilege to operate a motor vehicle within this state should not be revoked; or if the person is a resident without a license or permit to operate a motor vehicle in this state why that person should not be denied the issuance of a license or permit. The hearing shall be scheduled as early as practical but not sooner than ten (10) days after the issuance of the notice and at a time and place designated by the secretary.

(4) For the purpose of the hearing, held in accordance with the order to show cause, the secretary may appoint an examiner who shall have the power to preside at the hearing. Upon the hearing the secretary or his duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a re-examination of the licensee. The scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages, whether the person was placed under arrest, and whether he refused to submit to the test upon request of the officer. All testimony at the hearing shall be recorded. The secretary's ruling shall include a statement of the findings of fact, rulings of law and other matters pertinent to the question at issue. The secretary within ten days after the completion of the hearing shall order either:

that the person's license to operate a motor vehicle, or, if the person is a nonresident, his privilege to operate a motor vehicle within this state be revoked for a period of not more than six months or if the person is a resident without such license that there should be a denial of issuance of a license for a period of not more than six months; or that no action be taken regarding said person's privilege to operate a motor vehicle. The secretary shall immediately notify the person of his ruling in writing by certified [or registered] mail. If the person shall fail to attend the show cause hearing without good cause shown the secretary shall forthwith revoke the person's license or privilege to operate a motor vehicle or deny issuance of a permit or operator's license.

(5) If the revocation or determination that there should be a denial of issuance is sustained after the hearing, the person whose license or permit to drive or nonresident operating privilege has been revoked, or to whom a license or permit is denied, under the provisions of this section, may file a petition in the circuit court of the county in which the person resides or in the circuit court of the county in which the alleged offense was committed or in Franklin Circuit Court to review the final order of revocation or denial by the secretary within twenty (20) days after the final order has been issued. The perfected appeal suspends the order of revocation pending a final determination of the review. If the final judgment of the court finds against the person appealing, the period of revocation is determined by taking into account the period of time during which the revocation was effective before the appeal was perfected. The department of transportation shall file with its answer a copy of the secretary's ruling and a transcript of evidence. The court's review is limited to whether the secretary's ruling is supported by substantial evidence and whether his action is arbitrary or capricious. An appeal to the Court of Appeals suspends the order of revocation pending a final determination of the review. If the final judgment of the court finds against the person appealing, the period of revocation is determined by taking into account the period of time during which the revocation was effective before the appeal was perfected.

(6) When it has been finally determined that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he has a license. The provisions of this section shall not apply to a person who refuses to submit to a chemical test of his blood, breath, urine or saliva if that person has enrolled in a driver's education program under the terms and conditions of KRS 186.560(4) and rules and regulations adopted thereunder.

Section 34. KRS 188.030 is amended to read as follows:

The clerk of the court in which the action is brought shall issue a summons against the defendant named in the complaint and direct it to the sheriff of Franklin County. The sheriff shall execute the summons by delivering a true copy to the secretary of state and shall also deliver with the summons an attested copy of plaintiff's complaint. The secretary of state shall immediately mail the copy of the summons and complaint to the defendent at the address given in the complaint. The letter shall be posted by prepaid [registered mail or by] certified mail, return receipt requested and shall bear the return address of the secretary of state. The sheriff shall make the usual return to the court, and in addition the secretary of state shall make a return to the court showing that the acts contemplated by this statute have been performed, and shall attach to his return the registry receipt, if any. Summons shall be deemed to be served on the return of the secretary of state and the action shall proceed as provided in the Rules of Civil Procedure.

Section 35. KRS 190.0491 is amended to read as follows:

(1) "Delivery" of a motor vehicle to a dealer by a manufacturer or distributor for the purposes of this section shall be accomplished by the:

(a) Tender of the motor vehicle and any documents necessary to enable the dealer to obtain title and possession of the motor vehicle at the dealer's place of business or designated place of delivery, and

(b) The giving of notice of such tender of the motor vehicle and documents to the dealer.

(2) Whenever a motor vehicle is damaged while in transit when the carrier or the means of transportation is designated by the manufacturer or distributor, or whenever a motor vehicle is otherwise damaged prior to delivery to the dealer, the dealer must:

(a) Notify the manufacturer or distributor of such damage within three (3) working days of the occurrence of the delivery of the motor vehicle as defined in subsection (1), above; and

(b) Must request from the manufacturer or distributor authorization to repair the damages sustained or to replace the parts or accessories damaged.

Such notification of damage by the dealer must be by *certified* [registered] mail, with a notice of delivery requested to be returned to the dealer, and shall be presumed to have occurred upon deposit of the notice with the United States postal service.

(3) In the event the manufacturer or distributor refuses or fails to authorize repair or replacement of any such damage within three (3) working days of notification of damage by the dealer, ownership of the motor vehicle shall revert to the manufacturer or distributor, and the dealer shall incur no obligations, financial or otherwise, for such damage to the motor vehicle. In determining when such notification of the

damage by the dealer to the manufacturer or distributor occurs, the date the notice is received by the manufacturer or distributor by the United States postal service indicated on the notice of delivery returned to the dealer shall be controlling.

(4) In computing the lapse of three (3) working days under this section, the day of the occurrence of delivery of the motor vehicle to the dealer by the manufacturer or distributor, as defined in subsection (1) of this section, or the day of notification of the damage to the manufacturer or distributor by the dealer, as described in subsection (3) of this section, is not to be included, but the last working day of the period so computed is to be included.

(5) Prior to the sale of any motor vehicle damaged prior to delivery to the dealer as described in subsection (2) of this section, excluding damage to glass, tires and bumpers when replaced by identical manufacturer's original equipment and any damage requiring less than four (4) hours to repair, above, the occurrence and extent of such damage must be disclosed by the dealer to the consumer, and upon repair of the damage sustained, or replacement of the parts or accessories damaged, the manufacturer and/or dealer, must certify to the consumer that the motor vehicle has been repaired or remanufactured to the manufacturer's standards; if the dealer makes the certification he shall be indemnified by the manufacturer. Upon such certification, liability for any concealed damages then remaining with the motor vehicle shall lie with the manufacturer.

(6) Whenever a motor vehicle is damaged after delivery to the dealer by the manufacturer or distributor, as defined in subsection (1) of this section, but before sale by the dealer to the consumer, the occurrence and extent of such damage must be disclosed by the dealer to the consumer prior to such sale, and upon repair of the damage sustained, or replacement of parts or accessories damaged, the dealer must certify to the consumer that this motor vehicle has been repaired or remanufactured according to the manufacturer's standards. Upon such certification, liability for any concealed damages then remaining with the motor vehicle shall lie with the dealer.

Section 36. KRS 198B.070 is amended to read as follows:

(1) The mayor, chairman of the board of trustees, or county judge/executive of a local government which is enforcing the uniform state building code may, upon the approval of the local legislative body, appoint a local appeals board, consisting of at least three (3) technically qualified persons with professional experience related to the building industry, to hear appeals from the decisions of the local building official.

(2) Local governments which are enforcing the uniform state building code may cooperate with each other to provide a local appeals board and shall adhere to the provisions of KRS Chapter 65 when entering such cooperative agreements. No local building official or employe of a local inspection department may sit on a local appeals board if such board is hearing an appeal to a decision rendered by his department. No member of a local appeals board shall hear an appeal in a case in which he has a private interest.

(3) Any party to a decision by the local building official may appeal that decision to the local appeals board. Upon receipt of an appeal from a qualified party, the local appeals board shall convene a hearing to consider the appeal within fifteen (15) days of receipt. All parties to the appeal shall be notified of the time and place of the hearing by letter mailed by [registered or] certified mail no later than ten (10) days prior to the date of the hearing. The local appeals board shall render a decision within five (5) working days after the hearing.

(4) A local appeals board may uphold, amend, or reverse the decision of a local building official, and there shall be no appeal from the decision of a local appeals board other than by appeal to the board of housing, buildings and construction. Appeals to the board of housing, buildings and construction shall include citation of those provisions of the uniform state building code which are at issue, and an explanation of why the decision of the local appeals board or the local building official relative to those provisions is being contested.

(5) The board of housing, buildings and construction shall serve to hear appeals from the decisions of local appeals boards, when such boards exist, or to hear appeals directly from the decisions of local building officials in cases where no local appeals board has jurisdiction. In no case shall the board hear an appeal directly from a party aggrieved by the decision of a local building official when there is a local appeals board with jurisdiction in the case.

(6) The board shall hear appeals directly from a party aggrieved by the decision of an agent of the department. Such appeals shall include citations of those provisions of the uniform state building code which are at issue, and an explanation of why the decision of the agent of the department relative to those provisions is being contested.

(7) Appeals to the board of housing, buildings and construction shall be addressed to the commissioner who shall immediately notify the board when an appeal is received. The commissioner or a designated employe of his department shall then investigate the evidence pertaining to such appeal and, based upon the results of such investigation, make recommendations to the board on the disposition of the case in question. No employe of the department shall investigate or make recommendations on an appeal to his own decision, but shall defer in such cases to employes who were not party to the decision which led to the appeal. In

conducting such investigation, the commissioner or his designated representatives, acting for the department, shall have the authority to administer oaths and affirmations, issue subpoenas authorized by law, rule upon offers of proof and receive relevant evidence, take or cause depositions to be taken, regulate the course of any hearings they may schedule, and hold conferences for the settlement or simplification of the issues by consent of the parties. The commissioner shall complete such investigations and forward written recommendations to the board within thirty (30) days after receiving an appeal.

(8) Upon receiving the written recommendations of the commissioner, the board may decide to accept such recommendations, or it may decide to convene a hearing to consider the question further. Upon receipt of the recommendations of the commissioner, the board shall render a decision on each appeal at its next regularly scheduled meeting, but no later than thirty (30) days after receipt of such recommendations.

(9) Should the board's decision be to schedule a hearing on the appeal, such hearing shall occur within thirty (30) days of such decision, and all parties to such hearing shall be immediately notified in writing of the time and place of such hearing by the commissioner.

(10) The board may appoint five (5) or more of its members, excluding the chairman of the board, to consider the recommendations of the commissioner or to conduct the hearing, and those so appointed shall act in all matters concerning the appeal for the entire board.

(11) In considering an appeal, the board, if they deem it necessary to reach an equitable decision, may exercise any of the powers granted to the commissioner in subsection (7) of this section. The board shall render a decision within ten (10) days of any appeals hearing it may conduct.

(12) The board may uphold, amend, or reverse the decision of a local appeals board, a local building official or an agent of the department; and the decision of the board shall be final, and there shall be no appeal from the board's decision, except to the circuit court within whose jurisdiction the property in question is located.

Section 37. KRS 199.670 is amended to read as follows:

(1) The department may revoke a license under KRS 199.640 for any condition which would have caused a denial of the license in the first instance. The department may refuse to issue a license in any case where the applicant is not found to possess the qualifications prescribed by the commissioner.

(2) In any case where the department proposes to revoke or to refuse to issue a license, written notice shall be given to the licensee or applicant, stating the proposed action and grounds therefor, and notifying the licensee or applicant that such license will be revoked or refused unless the applicant or licensee makes application for a hearing before the commissioner within thirty days of such notice. If application for such hearing is made, the commissioner shall set a time for the hearing, of which ten days' notice shall be given to the licensee or applicant, and at the hearing the licensee or applicant shall be entitled to be heard in person or by counsel, and to present witnesses. Following the hearing the commissioner shall render a decision in writing, setting forth his findings of fact and conclusions of law, and affirming, modifying or setting aside the findings of the department, and shall send a copy thereof to the licensee or applicant by [registered mail or by] certified mail, return receipt requested.

(3) The decision may be reviewed in the circuit court of the county in which the child-caring facility or child-placing agency is located, by action commenced within thirty days after receipt of the copy of the decision, and in such action the findings of fact made by the commissioner shall be conclusive if supported by any competent evidence.

Section 38. KRS 206.160 is amended to read as follows:

In cases where a pension has been granted, if the secretary of the executive department for finance and administration finds that the pension was wrongfully granted, or that the pensioner has moved out of the state, or has in any other way become no longer entitled thereto, he may drop the pensioner's name from the pension roll after first giving him thirty (30) days' notice by [registered mail or by] certified mail, return receipt requested, thus giving the pensioner an opportunity to be heard or present any evidence he may desire to offer as to why his name shall not be dropped from the pension roll.

Section 39. KRS 210.270 is amended to read as follows:

(1) The secretary for human resources is authorized to designate such private homes, private nursing homes and private institutions as he shall deem, after a thorough investigation of the personal and financial qualifications of the owners and tenants, the facilities and management, and the desirability of the location of such homes, to be suitable for the placement of patients, including the mentally ill and mentally handicapped and retarded of all ages, outside of the state mental hospitals. The secretary for human resources is authorized to prescribe, from time to time by regulation, standards for the selection and operation of private homes, private nursing homes and private institutions designated for the placement of patients. No home of an officer or employe of the department for human resources or of a member of his immediate family shall be designated for the placement of patients.

(2) Whenever the staff of a state mental hospital has determined that a patient who is not being held on an order rising out of a criminal offense has sufficiently improved and is not dangerous to himself or other persons, and that it would be in the patient's best interest to be placed outside of the hospital in

a private home or private nursing home, the hospital shall so certify to the secretary for human resources, who may then authorize the patient to be transferred to a designated private home or private nursing home for care and custody for such length of time as the secretary deems advisable.

(3) No mentally retarded patient lodged in a state institution may have his level of care reclassified nor may he be transferred to a private nursing home or other private institution without first providing ten (10) days notice by [registered or] certified mail return receipt requested to the patient's parents or guardian or committee that a reclassification of the patient's level of care or a transfer in the place of residence is being considered.

(4) Any parent or guardian or committee of any mentally retarded patient lodged in a state institution may participate in any evaluation procedure which may result in a reclassification of such patient's level of care or in a transfer in the place of residence of such patient. Such participation may include the submission by the parents or guardian or committee of medical evidence or any other evidence deemed relevant by the parents or guardian or committee to the possible reclassification or transfer of such patient.

(5) If the decision to reclassify or transfer any mentally retarded patient is adverse to the best interests of such patient as expressed by the parents or guardian or committee, they shall be given notice by [registered or] certified mail return receipt requested that they are entitled to a thirty (30) day period from the receipt of such notice to file with the secretary for human resources a notice of appeal and application for a hearing.

(6) The appeal shall be heard by a three (3) member panel composed of a designated representative of the department for human resources, a designated representative of the state institution where the mentally retarded patient is presently lodged, and a designated neutral representative appointed by the county judge/executive wherein the institution in question is located.

(7) Decisions made by the panel may be appealed, within thirty (30) days from the date of decision, to the circuit court of the county wherein the state institution in question is located, to the circuit court of the county wherein either of the parents or guardians or committee of the patient in question is domiciled at the time of the decision, or to Franklin Circuit Court.

(8) All parents or guardians or committee of a mentally retarded patient lodged in a state institution shall be fully apprised by the department for human resources of their rights and duties under the provisions of subsections (3), (4), (5), (6), and (7) of this section.

(9) The provisions of KRS 210.275, 203.080, 210.310, and 210.320 shall apply to patients transferred to designated private homes and private nursing homes as though such patients were residing in a state mental hospital.

Section 40. KRS 210.640 is amended to read as follows:

(1) No DATE Center permit shall be denied, revoked, or suspended except after notice in writing to the applicant or permit holder setting forth the particular reasons for the proposed action, and after provision for a fair hearing, if demanded by the permit holder or applicant. Such notice shall be effected by [registered or] certified mail with return receipt requested, or by personal service. The permit holder or applicant, within ten (10) days after receipt of said notice, may request in writing a hearing, delivering the request to the Department in person or by due course of mail. If no such request is made within the time fixed, the Department shall proceed to deny, revoke, or suspend said permit as set out in the notice of the proposed action.

(2) All hearings under this section shall be held by the Department or any agent designated by it at a location designated by the Department. A transcript of the proceedings shall be reviewed by the Department, which shall enter its decision thereon.

(3) The procedure governing hearings authorized by this section shall be in accordance with rules promulgated by the Department. The Department or any agent designated by it may take testimony concerning any matter within its jurisdiction and may administer oaths for that purpose. For this purpose such officers shall have full power at all times to enter every building, room, inclosure or premises occupied or used or suspected of being occupied or used for the preparation or manufacture for sale, or the storage, sale, distribution or transportation, of such food, and to inspect the premises and all utensils, fixtures, furniture and machinery used therein.

(2) If upon inspection there is found any violation of any of the provisions of KRS 217.280 to 217.390, or if the preparation, manufacture, packing, storage, sale, distribution or transportation of such food is being conducted in a manner detrimental to the health of the employes or to the character or quality of the food, the officer or inspector making the inspection shall report the conditions and violations to the chief pure food official, or to the department for human resources, or to the chief local health officer, as the case may be.

(b) Directors of a corporation who vote for, or assent to, the purchase of its own shares contrary to the provisions of this chapter shall be jointly and severally liable to the corporation for the amount of consideration paid for such shares which is in excess of the maximum amount which could have been paid therefor without a violation of the provisions of this chapter;

(c) The directors of a corporation who vote for or assent to any distribution of assets of a corporation to its shareholders during the liquidation of the corporation without the payment and discharge of, or making adequate provision for, all known debts, obligations, and liabilities of the corporation shall be jointly and severally liable to the corporation for the value of such assets which are distributed, to the extent that such debts, obligations and liabilities of the corporation are not thereafter paid and discharged.

(2) A director of a corporation who is present at a meeting of its board of directors at which action described in this section is taken shall be presumed to have assented to the action taken unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent to such action with the secretary of the meeting before the adjournment thereof or shall forward such dissent by certified mail, return receipt requested [or by registered mail] to the secretary of the corporation within sixty days after the adjournment of the meeting but in no event later than three days after he has learned of such action. Such right to dissent shall not apply to a director who voted in favor of such action.

(3) A director shall not be liable under paragraph (a), (b) or (c) of subsection (1) of this section if he relied and acted in good faith upon financial statements of the corporation represented to him to be correct by the president or the officer of such corporation having charge of its books of account, or stated in a written report by any independent public or certified public accountant or firm of such accountants fairly to reflect the financial condition of such corporation, nor shall he be so liable if in good faith in determining the amount available for any such dividend or distribution he considered the assets to be of their book value.

Section 60. KRS 271A.405 is amended to read as follows:

(1) Any shareholder electing to exercise such right of dissent shall file with the corporation, prior to or at the meeting of shareholders at which such proposed corporate action is submitted to a vote, a written objection to such proposed corporate action. If such proposed corporate action be approved by the required vote and such shareholder shall not have voted in favor thereof, such shareholder may, within ten (10) days after the date on which the vote was taken or if a corporation is to be merged without a vote of its shareholders into another corporation, any of its shareholders may, within fifteen (15) days after the plan of such merger shall have been mailed to such shareholders, make written demand on the corporation, or, in the case of a merger or consolidation, on the surviving or new corporation, domestic or foreign, for payment of the fair value of such shareholder's shares, and, if such proposed corporate action is effected, such corporation shall pay to such shareholder, upon surrender of the certificate or certificates representing such shares, the fair value thereof as of the day prior to the date on which the vote was taken approving the proposed corporate action, excluding any appreciation or depreciation in anticipation of such corporate action. Any shareholder failing to make demand within the ten-day period shall be bound by the terms of the proposed corporate action. Any shareholder making such demand shall thereafter be entitled only to payment as in this section provided and shall not be entitled to vote or to exercise any other rights of a shareholder.

(2) No such demand may be withdrawn unless the corporation shall consent thereto. If, however, such demand shall be withdrawn upon consent, or if the proposed corporate action shall be abandoned or rescinded or the shareholders shall revoke the authority to effect such action, or if, in the case of a merger, on the date of the filing of the articles of merger the surviving corporation is the owner of all the outstanding shares of the other corporations, domestic and foreign, that are parties to the merger, or if no demand or petition for the determination of fair value by a court shall have been made or filed within the time provided in this section, or if a circuit court shall determine that such shareholder is not entitled to the relief provided by this section, then the right of such shareholder to be paid the fair value of his shares shall cease and his status as a shareholder shall be restored, without prejudice to any corporate proceedings which may have been taken in the interim.

(3) Within ten (10) days after such corporate action is effected, the corporation, or, in the case of a merger or consolidation, the surviving or new corporation, domestic or foreign, shall give written notice thereof to each dissenting shareholder who has made demand as herein provided, and shall make a written offer to each such shareholder to pay for such shares at a specified price deemed by such corporation to be the fair value thereof. Such notice and offer shall be accompanied by a balance sheet of the corporation the shares of which the dissenting shareholder holds, as of the latest available date and not more than twelve (12) months prior to the making of such offer, and a profit and loss statement of such corporation for the twelve (12) months period ended on the date of such balance sheet.

(4) If within thirty (30) days after the date on which such corporate action was effected the fair value of such shares is agreed upon between any such dissenting shareholder and the corporation, payment therefor shall be made within ninety (90) days after the date on which such corporate action was effected,

upon surrender of the certificate or certificates representing such shares. Upon payment of the agreed value the dissenting shareholder shall cease to have any interest in such shares.

(5) If within such period of thirty (30) days a dissenting shareholder and the corporation do not so agree, then the corporation, within thirty (30) days after receipt of written demand from any dissenting shareholder given within sixty (60) days after the date on which such corporate action was effected, shall, or at its election at any time within such period of sixty (60) days may, file a petition in the circuit court in the county in this state where the registered office of the corporation is located requesting that the fair value of such shares be found and determined. If, in the case of a merger or consolidation, the surviving or new corporation is a foreign corporation without a registered office in this state, such petition shall be filed in the county where the registered office of the domestic corporation was last located. If the corporation shall fail to institute the proceeding as herein provided, any dissenting shareholder may do so in the name of the corporation. All dissenting shareholders, wherever residing, shall be made parties to the proceeding as an action against their shares quasi in rem. The corporation shall either (a) cause a copy of the petition to be served on each dissenting shareholder, or (b) mail a copy of the petition to each dissenting shareholder by [registered or] certified mail addressed to each shareholder at his last address as it appears on the stock transfer books of the corporation, with postage thereon prepaid. In addition, each dissenting shareholder shall be served in accordance with law. The jurisdiction of the court shall be plenary and exclusive. All shareholders who are parties to the proceeding shall be entitled to judgment against the corporation for the amount of the fair value of their shares.

(6) From any final judgment, rendered by a circuit court in any such action, an appeal may be taken to and heard by the Court of Appeals, in the manner provided in the Rules of Civil Procedure.

(7) The circuit court may, if it so elects, appoint one or more persons as appraisers to receive evidence and recommend a decision on the question of fair value. The appraisers shall have such power and authority as shall be specified in the order of their appointment or an amendment thereof. The judgment shall be payable only upon and concurrently with the surrender to the corporation of the certificate or certificates representing such shares. Upon payment of the judgment, the dissenting shareholder shall cease to have any interest in such shares.

Such expenses shall include reasonable compensation for and reasonable expenses of the appraisers, but shall exclude the fees and expenses of counsel for and experts employed by any party; but if the fair value of the shares as determined materially exceeds the amount which the corporation offered to pay therefor, or if no offer was made, the court in its discretion may award to any shareholder who is a party to the proceeding such sum as the court may determine to be reasonable compensation to any expert or experts employed by the shareholder in the proceeding.

(10) Within twenty (20) days after demanding payment for his shares, each shareholder demanding payment shall submit the certificate or certificates representing his shares to the corporation for notation thereon that such demand has been made. His failure to do so shall, at the option of the corporation, terminate his rights under this section unless a circuit court for good and sufficient cause shown shall otherwise direct. If shares represented by a certificate on which notation has been so made shall be transferred, each new certificate issued therefor shall bear similar notation, together with the name of the original dissenting holder of such shares, and a transferee of such shares shall acquire by such transfer no rights in the corporation other than those which the original dissenting shareholder had after making demand for payment of the fair value thereof.

(11) Shares acquired by a corporation pursuant to payment of the agreed value therefor or to payment of the judgment entered therefor, as in this section provided, may be held and disposed of by such corporation as in the case of other treasury shares, except that, in the case of a merger or consolidation, they may be held and disposed of as the plan of merger or consolidation may otherwise provide.

(1) If an employe, while working outside the territorial limits of this state, suffers an injury on account of which he, or in the event of his death, his dependents, would have been entitled to the benefits provided by this chapter had such injury occurred within this state, such employe, or in the event of his death resulting from such injury, his dependents, shall be entitled to the benefits provided by this chapter, provided that at the time of such injury:

(a) His employment is principally localized in this state, or

(b) He is working under a contract of hire made in this state in employment not principally localized in any state, or

(c) He is working under a contract of hire made in this state in employment principally localized in another state whose workmen's compensation law is not applicable to his employer, or

(2) The payment or award of benefits under the workmen's compensation law of another state, territory, province or foreign nation to an employe or his dependents otherwise entitled on account of such injury or death to the benefits of this chapter shall not be a bar to a claim for benefits under this chapter, provided that claim under this chapter is filed within two (2) years after such injury or death. If compensation is paid or awarded under this chapter:

(a) The medical and related benefits furnished or paid for by the employer under such other workmen's compensation law on account of such injury or death shall be credited against the medical and related benefits to which the employe would have been entitled under this chapter had claim been made solely under this chapter;

(b) The total amount of all income benefits paid or awarded the employe under such other workmen's compensation law shall be credited against the total amount of income benefits which would have been due the employe under this chapter, had claim been made solely under this chapter;

In such event:

(a) The filing of such certificate shall constitute an appointment by such employer or his carrier of the board as his agent for acceptance of the service of process in any proceeding brought by such employe or his dependents to enforce his or their rights under this chapter on account of such injury;

(b) The board shall send to such employer or carrier, by [registered or] certified mail to the address shown on such certificate, a true copy of any notice of claim or other process served on the board by the employe or his dependents in any proceeding brought to enforce his or their rights under this chapter;

2. If such employer's liability under the workmen's compensation law of such other state is insured, such employer's carrier, as to such employe or his dependents only, shall be deemed to be an insurer authorized to write insurance under and be subject to this chapter; provided, however, that unless its contract with said employer requires it to pay an amount equivalent to the compensation benefits provided by this chapter, its liability for income benefits or medical and related benefits shall not exceed the amounts of such benefits for which such insurer would have been liable under the workmen's compensation law of such other state;

(d) If the total amount for which such employer's insurance is liable under (c) above is less than the total of the compensation benefits to which such employe is entitled under this chapter, the board may, if it deems it necessary, require the employer to file security, satisfactory to the board, to secure the payment of benefits due such employe or his dependents under this chapter, and

(e) Upon compliance with the preceding requirements of this subsection (3), such employer, as to such employe only, shall be deemed to have secured the payment of compensation under this chapter.

1. His employer has a place of business in this or such other state and he regularly works at or from such place of business, or

2. If subparagraph 1. foregoing is not applicable, he is domiciled and spends a substantial part of his working time in the service of his employer in this or such other state;

(e) An employe whose duties require him to travel regularly in the service of his employer in this and one or more other states may, by written agreement with his employer, provide that his employment is principally localized in this or another such state, and, unless such other state refuses jurisdiction, such agreement shall be given effect under this chapter;

(f) "Workmen's compensation law" includes "occupational disease law."

If the operator has not reached an agreement with the department or has not complied with the requirements set forth in the notice of noncompliance or order of suspension within time limits set therein, the permit may be revoked or the operation terminated, after hearing, by order of the department and the performance bond, if any, shall then be forfeited to the department, except as provided in subsection (2) of this section and in KRS 350.110.

The department shall not issue any additional permits to or allow future operations by any operator or person who has repeatedly been in noncompliance or violation of this chapter, or who has had permits revoked or operations terminated on more than three (3) occasions.

This education and training program shall be determined and established by the board of miner training, education and certification, as provided in KRS 351.105.

(3) Trainee miners shall work within the sight and sound of a certified miner.

(4) Any miner holding a certificate of competency and qualification may have one (1) person working with him and under his direction as a trainee miner. Any person certified as a mine foreman, assistant mine foreman, or fire boss may have no more than five (5) persons working with him and under his supervision or direction as trainee miners for the purpose of learning and being instructed in the duties of underground coal mining.

(5) A certificate of competency and qualification as an underground miner shall be issued by the commissioner to any person who has in total a minimum of ninety (90) working days' experience as a trainee miner and demonstrated competence as a miner by the successful completion of an examination given by the commissioner or his representative in a manner and place to be determined by the board of miner training, education and certification.

(6) All examinations for the certification of a miner shall be of a practical nature and shall determine the competency and qualification of the applicant to engage in the mining of coal with reasonable safety to himself and his fellow employees. The examination may be given orally if the miner is unable to read or comprehend a written examination.

(7) Examinations shall be held in the district where the applicant resides or is to be employed after such public notice and at such time as the commissioner finds necessary to enable all applicants for certificates to have an opportunity to qualify for certification.

(8) Notice of the time and place of the examination for the certification of miners shall be given to management at the mine, to the miners or their representatives at the mine, and notice shall be posted at the places in the vicinity of the mine where notices to employees are posted.

The applicant may be represented by counsel, produce evidence and witnesses on his behalf, and examine such evidence and documents as may be produced against him. The board may also be represented by counsel. The board shall not be bound by the technical rules of evidence, but the order of the board shall be based upon competent evidence. The board's order shall be in writing and shall be accompanied by findings of fact and conclusions of law. A copy of the order shall be served upon the applicant by personal service, by certified mail, return receipt requested, [or by registered mail] immediately upon entry by the board.

(12) The applicant may appeal from the order of the board by filing in the circuit court in the judicial circuit in which he resides a petition for appeal and a copy of the order of the board within thirty (30) days of the date of entry of the order. The petition for appeal shall set forth with particularity the grounds upon which the appeal is taken. The applicant shall cause a copy of the petition for appeal to be served upon the chairman of the board.

(2) Upon receipt of the documents required by subsection (1) of this section, the circuit clerk shall without payment of a fee or cost file them in the registry of foreign support orders. Section 106. KRS 440.450 is amended to read as follows:

The agreement on detainers is hereby enacted into law and entered into by the Commonwealth of Kentucky with all other jurisdictions legally joining therein in the form substantially as follows:

The contracting states solemnly agree that:

ARTICLE I

The party states find that charges outstanding against a prisoner, detainers based on untried indictments, informations or complaints, and difficulties in securing speedy trial of persons already incarcerated in other jurisdictions, produce uncertainties which obstruct programs of prisoner treatment and rehabilitation. Accordingly, it is the policy of the party states and the purpose of this agreement to encourage the expeditious and orderly disposition of such charges and determination of the proper status of any and all detainers based on untried indictments, informations or complaints. The party states also find that proceedings with reference to such charges and detainers, when emanating from another jurisdiction, cannot properly be had in the absence of cooperative procedures. It is the further purpose of this agreement to provide such cooperative procedures.

ARTICLE II

As used in this agreement:

(1) "State" shall mean a state of the United States; the United States of America; a territory or possession of the United States; the District of Columbia; the Commonwealth of Puerto Rico.

(2) "Sending state" shall mean a state in which a prisoner is incarcerated at the time that he initiates a request for final disposition pursuant to Article III hereof or at the time that a request for custody or availability is initiated pursuant to Article IV hereof.

(3) "Receiving state" shall mean the state in which trial is to be had on an indictment, information or complaint pursuant to Article III or Article IV hereof.

ARTICLE III

(1) Whenever a person has entered upon a term of imprisonment in a penal or correctional institution of a party state, and whenever during the continuance of the term of imprisonment there is pending in any other party state any untried indictment, information or complaint on the basis of which a detainer has been lodged against the prisoner, he shall be brought to trial within one hundred eighty days after he shall have caused to be delivered to the prosecuting officer and the appropriate court of the prosecuting officer's jurisdiction written notice of the place of his imprisonment and his request for a final disposition to be made of the indictment, information or complaint: provided that for good cause shown in open court, the prisoner or his counsel being present, the court having jurisdiction of the matter may grant any necessary or reasonable continuance. The request of the prisoner shall be accompanied by a certificate of the appropriate official having custody of the prisoner, stating the term of commitment under which the prisoner is being held, the time already served, the time remaining to be served on the sentence, the amount of good time earned, the time of parole eligibility of the prisoner, and any decisions of the state parole agency relating to the prisoner.

(2) The written notice and request for final disposition referred to in paragraph (1) hereof shall be given or sent by the prisoner to the warden, commissioner of corrections or other official having custody of him, who shall promptly forward it together with the certificate to the appropriate prosecuting official and court by [registered or] certified mail, return receipt requested.

(3) The warden, commissioner of corrections or other official having custody of the prisoner shall promptly inform him of the source and contents of any detainer lodged against him and shall also inform

him of his right to make a request for final disposition of the indictment, information or complaint on which the detainer is based.

(4) Any request for final disposition made by a prisoner pursuant to paragraph (1) hereof shall operate as a request for final disposition of all untried indictments, informations or complaints on the basis of which detainers have been lodged against the prisoner from the state to whose prosecuting official the request for final disposition is specifically directed. The warden, commissioner of corrections or other official having custody of the prisoner shall forthwith notify all appropriate prosecuting officers and courts in the several jurisdictions within the state to which the prisoner's request for final disposition is being sent of the proceeding being initiated by the prisoner. Any notification sent pursuant to this paragraph shall be accompanied by copies of the prisoner's written notice, request, and the certificate. If trial is not had on any indictment, information or complaint contemplated hereby prior to the return of the prisoner to the original place of imprisonment, such indictment, information or complaint shall not be of any further force or effect, and the court shall enter an order dismissing the same with prejudice.

(5) Any request for final disposition made by a prisoner pursuant to paragraph (1) hereof shall also be deemed to be a waiver of extradition with respect to any charge or proceeding contemplated thereby or included therein by reason of paragraph (4) hereof, and a waiver of extradition to the receiving state to serve any sentence there imposed upon him, after completion of his term of imprisonment in the sending state. The request for final disposition shall also constitute a consent by the prisoner to the production of his body in any court where his presence may be required in order to effectuate the purposes of this agreement and a further consent voluntarily to be returned to the original place of imprisonment in accordance with the provisions of this agreement. Nothing in this paragraph shall prevent the imposition of a concurrent sentence if otherwise permitted by law.

(6) Escape from custody by the prisoner subsequent to his execution of the request for final disposition referred to in paragraph (1) hereof shall void the request.

ARTICLE IV

(1) The appropriate officer of the jurisdiction in which an untried indictment, information or complaint is pending shall be entitled to have a prisoner against whom he has lodged a detainer and who is serving a term of imprisonment in any party state made available in accordance with Article V(1) hereof upon presentation of a written request for temporary custody or availability to the appropriate authorities of the state in which the prisoner is incarcerated: provided that the court having jurisdiction of such indictment, information or complaint shall have duly approved, recorded and transmitted the request: and provided further that there shall be a period of thirty days after receipt by the appropriate authorities before the request be honored, within which period the governor of the sending state may disapprove the request for temporary custody or availability, either upon his own motion or upon motion of the prisoner.

(2) Upon receipt of the officer's written request as provided in paragraph (1) hereof, the appropriate authorities having the prisoner in custody shall furnish the officer with a certificate stating the term of commitment under which the prisoner is being held, the time already served, the time remaining to be served on the sentence, the amount of good time earned, the time of parole eligibility of the prisoner, and any decisions of the state parole agency relating to the prisoner. Said authorities simultaneously shall furnish all other officers and appropriate courts in the receiving state who have lodged detainers against the prisoner with similar certificates and with notices informing them of the request for custody or availability and of the reasons therefor.

(3) In respect of any proceeding made possible by this Article, trial shall be commenced within one hundred twenty days of the arrival of the prisoner in the receiving state, but for good cause shown in open court, the prisoner or his counsel being present, the court having jurisdiction of the matter may grant any necessary or reasonable continuance.

(4) Nothing contained in this Article shall be construed to deprive any prisoner of any right which he may have to contest the legality of his delivery as provided in paragraph (1) hereof, but such delivery may not be opposed or denied on the ground that the executive authority of the sending state has not affirmatively consented to or ordered such delivery.

(5) If trial is not had on any indictment, information or complaint contemplated hereby prior to the prisoner's being returned to the original place of imprisonment pursuant to Article V(5) hereof, such indictment, information or complaint shall not be of any further force or effect, and the court shall enter an order dismissing the same with prejudice.

ARTICLE V

(1) In response to a request made under Article III or Article IV hereof, the appropriate authority in a sending state shall offer to deliver temporary custody of such prisoner to the appropriate authority in the state where such indictment, information or complaint is pending against such person in order that speedy and efficient prosecution may be had. If the request for final disposition is made by the prisoner, the offer of temporary custody shall accompany the written notice provided for in Article III of this agreement. In the case of a federal prisoner, the appropriate authority in the receiving state shall be entitled to temporary

custody as provided by this agreement or to the prisoner's presence in federal custody at the place for trial, whichever custodial arrangement may be approved by the custodian.

(2) The officer or other representative of a state accepting an offer of temporary custody shall present the following upon demand:

(a) Proper identification and evidence of his authority to act for the state into whose temporary custody the prisoner is to be given.

(b) A duly certified copy of the indictment, information or complaint on the basis of which the detainer has been lodged and on the basis of which the request for temporary custody of the prisoner has been made.

(3) If the appropriate authority shall refuse or fail to accept temporary custody of said person, or in the event that an action on the indictment, information or complaint on the basis of which the detainer has been lodged is not brought to trial within the period provided in Article III or Article IV hereof, the appropriate court of the jurisdiction where the indictment, information or complaint has been pending shall enter an order dismissing the same with prejudice, and any detainer based thereon shall cease to be of any force or effect.

(4) The temporary custody referred to in this agreement shall be only for the purpose of permitting prosecution on the charge or charges contained in one or more untried indictments, informations or complaints which form the basis of the detainer or detainers or for prosecution on any other charge or charges arising out of the same transaction. Except for his attendance at court and while being transported to or from any place at which his presence may be required, the prisoner shall be held in a suitable jail or other facility regularly used for persons awaiting prosecution.

(5) At the earliest practicable time consonant with the purposes of this agreement, the prisoner shall be returned to the sending state.

(6) During the continuance of temporary custody or while the prisoner is otherwise being made available for trial as required by this agreement, time being served on the sentence shall continue to run but good time shall be earned by the prisoner only if, and to the extent that, the law and practice of the jurisdiction which imposed the sentence may allow.

(7) For all purposes other than that for which temporary custody as provided in this agreement is exercised, the prisoner shall be deemed to remain in the custody of and subject to the jurisdiction of the sending state and any escape from temporary custody may be dealt with in the same manner as an escape from the original place of imprisonment or in any other manner permitted by law.

(8) From the time that a party state receives custody of a prisoner pursuant to this agreement until such prisoner is returned to the territory and custody of the sending state, the state in which the one or more untried indictments, informations or complaints are pending or in which trial is being had shall be responsible for the prisoner and shall also pay all costs of transporting, caring for, keeping and returning the prisoner. The provisions of this paragraph shall govern unless the states concerned shall have entered into a supplementary agreement providing for a different allocation of costs and responsibilities as between or among themselves. Nothing herein contained shall be construed to alter or affect any internal relationship among the departments, agencies and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

ARTICLE VI

(1) In determining the duration and expiration dates of the time periods provided in Articles III and IV of this agreement, the running of said time periods shall be tolled whenever and for as long as the prisoner is unable to stand trial, as determined by the court having jurisdiction of the matter.

(2) No provision of this agreement, and no remedy made available by this agreement, shall apply to any person who is adjudged to be mentally ill.

ARTICLE VII

Each state party to this agreement shall designate an officer who, acting jointly with like officers of other party states, shall promulgate rules and regulations to carry out more effectively the terms and provisions of this agreement, and who shall provide, within and without the state, information necessary to the effective operation of this agreement.

ARTICLE VIII

This agreement shall enter into full force and effect as to a party state when such state has enacted the same into law. A state party to this agreement may withdraw herefrom by enacting a statute repealing the same. However, the withdrawal of any state shall not affect the status of any proceedings already initiated by inmates or by state officers at the time such withdrawal takes effect, nor shall it affect their rights in respect thereof.

ARTICLE IX

This agreement shall be liberally construed so as to effectuate its purposes. The provisions of this agreement shall be severable and if any phrase, clause, sentence or provision of this agreement is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this agreement and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this agreement shall be held contrary to the constitution of any state party hereto, the agreement shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

SB 108, AN ACT relating to state administered public retirement systems.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 6 IS CREATED TO READ AS FOLLOWS:

(1) A bill which would increase the benefits or increase participation in the benefits or change the financial liability of any public retirement system administered by an agency of state government shall not be reported from a legislative committee of either house of the general assembly for consideration by the full membership of that house unless the bill is accompanied by an actuarial analysis.

(2) An actuarial analysis required by this section must show the economic effect of the bill on the public retirement system, including a projection of the annual cost to the system of implementing the legislation for at least ten (10) years. If a bill proposes to increase benefits, increase benefit participation, or provide liability assumption for more than one (1) public retirement system, the actuarial analysis shall project costs for each affected state administered public retirement system. An actuarial analysis shall state the actuarial assumptions and methods of computation used in the analysis and shall state whether or not the bill or resolution, if enacted, would, in the opinion of the actuary, make the affected public retirement system actuarially unsound or, in the case of a system already actuarially unsound, more unsound. An advanced funding actuarial cost method shall be used in all cost projections.

(b) An actuarial analysis required by this section shall be prepared by an actuary who is a fellow of the society of actuaries, a member of the American academy of actuaries, or an enrolled actuary under the employes' retirement income security act of 1974.

(3) An actuary commissioned to make an actuarial study that is required by this section, or for the purpose of seeking appropriations for a public retirement system administered by an agency of state government, shall include in the study a complete definition of each actuarial term used in the study and, either in the study or in a separate report made available as a public record, an enumeration and explanation of each actuarial assumption used in the valuation made for the study.

Section 2. KRS 21.440 is amended to read as follows:

The judicial retirement board shall:

(1) Be charged with the administration of KRS 21.350 to 21.510, and for that purpose may make reasonable rules and regulations;

(2) Provide for the funding of the benefits provided for by KRS 21.350 to 21.510, including the adoption of actuarial methods and assumptions upon the advice of a competent actuary who may be employed for that purpose. *At least once in every two (2) year period the board shall procure an actuarial valuation*

of the judicial retirement system. The valuation shall include a description of the actuarial assumptions used, and such assumptions shall be reasonably related to the experience of the system and represent the actuary's best estimate of anticipated experience. A copy of the valuation shall be forwarded to the legislative research commission within ten (10) days of receipt by the board;

(3) Pass upon questions of eligibility, and maintain suitable records for that purpose;

(4) Pass upon questions of disability, and employ examining physicians for that purpose;

(5)(a) Annually procure an audit of the judicial retirement system. The audit shall be conducted in accordance with generally accepted auditing standards. The board may select an independent certified public accountant or the auditor of public accounts to perform the audit. If the audit is performed by an independent certified public accountant, the auditor of public accounts shall not be required to perform an audit pursuant to KRS 43.050(2)(a), but may perform an audit at his discretion;

(b) The board shall make copies of the audit required by this section available for examination by any member or beneficiary in the office of the manager of the judicial retirement system and in such other places as may be necessary to make the audit available to all members and beneficiaries. A copy of the annual audit shall be sent to the legislative research commission within ten (10) days of receipt by the board.

Section 3. KRS 161.400 is amended to read as follows:

(1) The board of trustees shall designate as actuary a competent person who shall be a fellow of the conference of actuaries in public practice or a member of the American academy of actuaries. He shall be the technical adviser of the board on matters regarding the operation of the funds of the system and shall perform such other duties as are required in connection therewith. At least once in each six (6) year period after the first year of operation of the system the actuary shall make an actuarial investigation into the *actuarial assumptions used, including but not limited to* mortality, earnable interest and service and compensation of the members and beneficiaries of the retirement system, make a valuation of the assets and liabilities of the funds of the system and recommend to the board of trustees such changes as may be deemed necessary to keep the retirement system on a sound financial basis. On the basis of the results of such investigations the board of trustees shall make necessary changes in the retirement system within the provisions of law and shall recommend the contributions payable by the state within the limits specified in KRS 161.550. At least once in each two (2) year period the actuary shall make an actuarial valuation of the retirement system. *The valuation shall include a description of the actuarial assumptions used, and such assumptions shall be reasonably related to the experience of the system and represent the actuary's best estimate of anticipated experience.*

(2) Actuarial factors in use by the retirement system for all purposes shall be determined by the actuary of the retirement system and approved by the board of trustees.

(3) A copy of each actuarial investigation and valuation shall be forwarded to the legislative research commission no later than ten (10) days after receipt by the board.

Section 4. KRS 61.565 is amended to read as follows:

(1) Each employer participating in the state police retirement system as provided for in KRS 16.505 to 16.652, and each employer participating in the county employes retirement system as provided for in KRS 78.510 to 78.852 and each employer participating in the Kentucky employes retirement system as provided for in KRS 61.510 to 61.692 shall contribute annually to the respective retirement system an amount equal to the per cent as computed under subsection (2) of this section of the creditable compensation of its employes, to be known as the "normal contributions," and an additional amount equal to one per cent (1%) of unfunded past service liabilities, plus annual interest accruing thereon at the actuarially assumed rate of interest adopted by the board to be known as the "past service contribution."

(2) The normal contribution rate shall be determined by the entry age normal cost funding method. The past service liability shall be determined by actuarial method consistent with the methods prescribed for determining the normal contribution rate. Normal contributions and the past service liability contribution shall be determined on actuarial bases adopted by the board.

(3) Normal contribution and the past service contribution rates shall be determined by the board on the basis of the annual actuarial valuation last preceding the July 1 of a new biennium.

(4) The board shall advise each employer prior to the beginning of each biennium of any change in the employer contribution rate. c. School Foundation Program

1980-81	$721,559,000
1981-82	$789,431,100

Accumulated earnings for the Common School Fund shall each fiscal year be transferred to the School Foundation Program.

The amount to be included for the 1980-81 school year in the Foundation Program of a district for teachers' salaries shall be determined by multiplying the number of teachers in each rank, not to exceed the number of classroom units allowed, by the amount set forth in the following schedule, for a term of 185 days for each rank:

Rank	I	II	III	IV	V
Experience					
0-3 years	$14,480	$12,630	$10,780	$8,850	$7,920
4-9 years	16,320	14,480	12,630	8,850	7,920
10 years & over	17,990	16,140	14,290	8,850	7,920

Beginning with the school year 1981-82, the amount to be included in the Foundation Program of a district for teachers' salaries shall be determined by multiplying the number of teachers in each rank, not to exceed the number of classroom units allowed, by the amount set forth in the following allotment schedule, for a term of 185 days, for each rank:

Rank	I	II	III	IV	V
Experience					
0-3 years	$15,580	$13,730	$11,880	$9,950	$9,020
4-9 years	17,420	15,580	13,730	9,950	9,020
10 years & over	19,090	17,240	15,390	9,950	9,020

No working budget or salary schedule shall be approved in which the average salary paid any rank of teachers is not at least equivalent to the allotment for that rank, or in which any teacher is paid less than ninety-three percent (93%) of the School Foundation Program allotment for that rank, except where there is a decline in local revenue of the district concerned after it has levied the maximum ad valorem property tax rate permitted by law. Any such reduction permitted shall be only for the amount of the decline in local revenue.

In the event any local board of education contends there has been a decline in local tax resources in that district, the State Board for Elementary and Secondary Education shall certify such contention to the Department of Revenue. Said department shall then determine whether or not there has, in fact, been a decline in local tax resources of such district, and, if so, the amount of such decline. The Department of Revenue shall then certify its determination to the State Board for Elementary and Secondary Education, and said Board shall accept such certified determination as final.

The State Board for Elementary and Secondary Education shall not approve any working budgets or salary schedule summaries for local boards of education for the school years 1980-81 and 1981-82 in which the total amount for 185 days on the salary schedule summary for School Foundation Program teachers' instructional salaries is not equal to the amount for 185 days on the salary schedule summary for School Foundation Program teachers' instructional salaries in the preceding year, plus the additional amount for teachers' salaries received by the district under this appropriation for a 185 day school term by assuming the same classroom units and rank and experience of teachers in the current year as in the preceding year in each local school district.

The allotment to any school district of classroom units, pursuant to KRS 157.360(1) shall not exceed the number of teachers employed by that school district.

Entitlement for basic classroom units obtained in schools of one classification shall not be allocated to schools of another classification. For the purposes of determining such entitlement, classification shall be as follows:

(1) One-teacher schools;

(2) Schools, other than one-teacher schools, with less than one hundred pupils in average daily attendance; and

(3) Schools, other than one-teacher schools, with more than one hundred pupils in average daily attendance.

In the determination of allotments pursuant to KRS 157.360(2), there shall not be allotted a full classroom unit for any non-isolated one-teacher school with fewer than 27 pupils in average daily attendance or for any isolated one-teacher school which has fewer than 12 pupils in average daily attendance.

Notwithstanding the provisions of KRS 157.360(5), (6), and (10) the allotments, provision for which is made under this Act, for classroom units shall be as follows:

	1980-81	1981-82
Vocational Education	2,857	2,900
Exceptional Children	4,210	4,210
Kindergarten	1,000	1,000

Provided, however, that if the budgeted units in any category of classroom units — Vocational Education, Exceptional Children, Kindergarten, classroom units for elementary and secondary schools, and units related to school administration — prove to be excessive, the surplus not to exceed (100) such classroom units may be reallocated to any other category or categories by the Superintendent of Public Instruction, upon the approval of the State Board for Elementary and Secondary Education and the Secretary of the Department of Finance.

The allotments of classroom units shall be made on the average daily attendance for the end of the previous school year in public school grades one (1) through twelve (12) after the following deductions: (a) an average daily attendance of eight and four-tenths (8.4) in 1980-81 and 1981-82 shall be deducted for each vocational education unit allotted and (b) an average daily attendance of six and three-tenths (6.3) in 1980-81 and 1981-82 shall be deducted for each exceptional children unit allotted. The average daily attendance deductions for vocational education units and exceptional children units, described above, shall be used in the calculation of administrative and special instructional services (ASIS) units, as ASIS units relate to vocational education and exceptional children units allotted after 1975-76.

Allotments for classroom units pursuant to KRS 157.360(7) shall only be for those personnel enumerated under said section who are qualified for their respective positions under applicable provisions of law and regulations and who maintain programs which have been approved pursuant to applicable regulations.

The amount to be included in the Foundation Program for other current expenses in the 1980-82 biennium shall be determined by multiplying the number of classroom units by: $3,245 in the 1980-81 school year and $3,570 in the 1981-82 school year. At least 5% of the increase in value of the current expense category per unit from the preceding year over the 1980-82 biennium shall be utilized for purposes of improving salaries for the classified personnel of local school districts.

The amount to be included in the Foundation Program for capital outlay shall be determined by multiplying the number of classroom units by: $1,900 in the 1980-81 and the 1981-82 school years.

In accordance with the intent of KRS 162.060 and 162.160, no space shall be rented, purchased, or otherwise acquired and thereafter converted to classroom use without prior approval of the Superintendent of Public Instruction. The State Board for Elementary and Secondary Education may adopt regulations for the housing of school children. No facilities shall be approved for classroom use which are detrimental to the health of or dangerous to the safety of school children.

If a school district operates any school or grade of a school for a term of less than 185 days in accordance with KRS 158.070 or for a school day of less than the minimum required by KRS 158.060, the average daily attendance of such school shall be reduced proportionately by the Superintendent of Public Instruction in determining the allotment of classroom units.

Any undistributed balance in the Foundation Program fund at the end of the fiscal year 1980-81 and 1981-82 shall lapse to the General Fund except where provisions to the contrary are provided in this Act. No unexpended portions of the School Foundation Program fund shall be expended at any time for the purpose of KRS 156.610 through 156.650 except as identified in this Act.

The total appropriation for the School Foundation Program shall be measured by, or construed as, estimates of the state expenditures required by KRS 157.310 et. seq. If the required expenditures exceed these estimates, the Secretary of the Department of Finance, with approval of the Governor, may increase the appropriation by such amount as may be available and necessary to meet, to the extent possible, the required expenditures under the hereinabove cited sections of the Kentucky Revised Statutes; provided, however, that any such increase, of the total appropriation to the Foundation Program is subject to Part VI, General Provisions, Section 8, of this Act, and the provisions of KRS 45.160.

There is appropriated to the various officers, cabinets, departments, boards, commissions, institutions, subdivisions, and other agencies of the State Government only as are listed herein for the fiscal year ending June 30, 1981, and for the fiscal year ending June 30, 1982, Federal subventions, grants, contracts and other Federal funds received, income from investments and other miscellaneous Federal receipts received by any of the following agencies of the State Government, except as otherwise specifically provided, for the use and benefit of each of the below-named agencies of the State Government for the purposes for which each fund is authorized. Receipts which are received by each of the respective agencies of the State Government listed herein shall be placed to the credit of a Federal Fund out of which shall be established separate accounts for the use and benefit of these agencies of the State Government for purposes for which each fund is authorized. All funds received shall be deposited in the State Treasury and credited to the proper account as provided by KRS chapter 12, 42, and 45.

In the event receipts received and credited to any Federal Fund account during fiscal year 1980-81 or fiscal year 1981-82, and any balance forwarded to the credit of any such account from the previous fiscal year, exceed, by the sum of five percent, the appropriation made by specific sum to said account for the fiscal year in which the excess occurs, said excess shall become available for expenditure for the purpose of the account during said year only with the authorization of the Executive Director of the Office for Policy and Management upon approval of the Secretary of the Department of Finance; provided, however, that institutions of higher education may receive and expend all federal funds without limitation.

Except as herein otherwise provided, the appropriate agency may requisition for expenditure from the Federal Fund account, through the Department of Finance, during the fiscal year ending June 30, 1981, and during the fiscal year ending June 30, 1982, all receipts placed to the credit of the Federal Fund for such year, out of which has been established a Federal Fund account for each separate agency during such fiscal year, in addition to any balance which said agency may have had forwarded from the preceding year on or before August 31, of the then current fiscal year, by the Department of Finance. On or before the beginning of each fiscal year, each agency, other than institutions of higher education, shall submit to the Department of Finance and the Legislative Research Commission schedules for each budget unit showing estimated receipts and estimated expenditures for the ensuing fiscal year, a comparison of any revised estimates with the amounts provided in the Executive Budget as adopted by the 1980 General Assembly, and statements which explain the occurrence of such variances.

In the event a budget unit not listed herein receives unanticipated monies, the Secretary of Finance, upon written request from the agency head with appropriate documentation of the amount, source, purpose, necessity and use of such monies, may authorize, upon recommendation of the Office for Policy and Management the credit and expenditure of such funds for statutory purposes. The Secretary of Finance shall cause to be established a restricted account for the receipt and disbursement of such funds and shall establish the maximum sum which may be credited and expended from the authorized account. The Secretary of Finance, in consultation with the Interim Joint Appropriations and Revenue Committee, shall provide appropriate notice pursuant to this event to the Legislative Research Commission.

Those projects listed by title in this Act but for which no funds are shown are previously authorized projects for which there is sufficient funding available for completion in the absence of any additional funding in the 1980-82 biennium. In the event that any authorized capital construction and/or equipment purchase projects are cancelled it is the intent of the General Assembly that any appropriated debt service for those same projects shall remain unallotted and lapse to the General Fund surplus. Those projects set forth under the sub-heading "higher education" are subject to the action and approval of the Council on Higher Education and subject to the approval of the Department of Finance. Any funds remaining in projects no longer authorized on July 1, 1980, under the provisions of KRS 45.750 through 45.990 shall lapse to the Capital Construction and Equipment Purchase Contingency Fund to be expended in accordance with the provisions of KRS 45.800. Notwithstanding the provisions of KRS 45.770, the Capital Construction and Equipment Purchase Contingency Fund may be used to advance funds to projects authorized to be financed by bonds and may be used to finance feasibility studies for projects which may be contemplated for future funding.

Included in the above appropriation is a $50,000,000 Economic Development bond authorization for each fiscal year. This funding is recommended for projects that are associated with economic development and will be identified during the 1980-82 biennium by the Secretary of the Development Cabinet. Examples of projects that may be included are riverports, parks, economic development, energy development and tourism. No bonds may be issued for these projects in the absence of prior consultation with the Capital Construction and Equipment Purchase Oversight Committee.

Inasmuch as the identification of specific projects in a variety of areas of the State Government cannot be ascertained with absolute certainty at this time, it is the purpose and intent of the General Assembly, the provisions of KRS 45.750 through 45.990 notwithstanding, to appropriate amounts for specific purposes to projects which are not individually identified herein in the following areas: Community Flood Damage Abatement, Local Health Construction, Riverport Development, Repair of State-Owned Dams, School Building Authority, Economic Development Projects, Coal Severance Economic Aid Fund and Area Development Fund.

All monies transferred to the Department of Finance for capital construction from any appropriations, including income from investments, shall be expended, accounted for, and otherwise treated in the same manner as funds appropriated directly to the Department of Finance for capital construction.

If at end of any fiscal year the monies and securities to the credit of the State Fire and Tornado Insurance Fund exceed $2,000,000 and if conditions with respect to life and fire safety in state properties are such as not to require the expenditure of all excess funds for improvements to said conditions, then the Secretary of the Department of Finance, with the concurrence of the Commissioner of Insurance, shall transfer up to $1,200,000 in fiscal year 1980-81 and $1,300,000 in fiscal year 1981-82 of the amount of such excess not so required and may authorize its transfer to the Capital Construction Fund, for expenditure in accordance with the provisions of Chapter 56 of the Kentucky Revised Statutes.

General Revenue Sharing funds are appropriated in accordance with the provisions of the Federal State and Local Fiscal Assistance Act of 1972 and extension thereof. In the event these monies, or any portion thereof, are not made available to the Commonwealth, the Secretary of the Department of Finance may take appropriate action as required by Part VI, General Provisions, Section 8 of this Act. In addition, in the event that General Revenue Sharing funds may not become available, the Secretary of the Department of Finance is also empowered to substitute other sources of funding, as may be available in order to finance capital construction projects as specified herein not to exceed the individual project recommended appropriation amount. Prior to substituting funding for a project identified herein to be funded with General Revenue Sharing funds that may not have become available, the Department of Finance shall present to the Capital Construction and Equipment Oversight Committee, for its review, the specification of the new source of funding and its amount.

In the event a state-level commission to review local government finances is a requirement for continued state participation in the General Revenue Sharing program, the Secretary of the Department of Finance is hereby authorized to allocate up to $500,000 from the Commonwealth's revenue sharing entitlement for expenditure by this commission in fulfilling its required duties as may be specified under federal law.

PART VI
GENERAL PROVISIONS

1. Nothing in this Act shall be construed to repeal any appropriation made hereinbefore or hereinafter for the fiscal year ending June 30, 1980 and nothing in this Act is to be construed as amending or altering the provisions of Chapters 42 and 45 of the Kentucky Revised Statutes pertaining to the duties and powers of the Secretary of the Department of Finance. All questions that arise in interpreting any appropriation in this Act as to the purpose or manner for which such appropriation may be expended shall be decided

by the Secretary of the Department of Finance in accordance with the detailed estimates embodied in the Executive Budget 1980-82 and supporting work papers, as considered by the 1980 Regular Session and the decision of the Secretary of the Department of Finance shall be final and conclusive.

2. In enacting this Appropriation Act, it is the deliberate intention of the General Assembly to enact each section, and each subsection thereof as a separate and/or specific appropriation and law, and if any section, any subsection, or any provision thereof shall be held invalid or unconstitutional, the decision of the courts shall not affect or impair any of the remaining sections, subsections, or provisions contained herein.

3. The Secretary of the Department of Finance is authorized to establish a system or formula or a combination of both for pro-rating the administrative costs of the Department of Personnel, Department of Finance, Treasury, and Law relative to the administration of programs in which there is joint participation by the State and Federal Governments for the purpose of receiving the maximum amount of participation permitted under the appropriate Federal laws and regulations governing such programs.

4. All continuing appropriations in existence at the time this Act takes effect are discontinued and repealed by this Act, notwithstanding any provisions of the Kentucky Revised Statutes to the contrary, except as provided by Chapters 12, 42, 56, 152, 177 and 341 of the Kentucky Revised Statutes. All laws and portions of laws in conflict with any of the provisions of this Section, to the extent of such conflict, are hereby repealed.

5. No state agency, cabinet, department, office or program shall incur any obligation against the General Fund appropriations contained herein unless such obligation may be reasonably determined to have been contemplated in the Governor's budget proposal and is supported by appropriate work papers and other records pertaining thereto.

6. Any General Fund appropriation made herein in anticipation of a lack, loss or reduction of Federal grants shall lapse to the General Fund to the extent such Federal funds otherwise become available.

7. In the event that Federal monies become available to the Commonwealth under Title IV of Public Law 95-87, it is the intent of the General Assembly that these monies be appropriated to the Department of Finance to be used for nonrecurring projects in accordance with the intent of the Federal law.

8. Whereas, inasmuch as the finances of the Commonwealth cannot be ascertained with absolute certainty at this time, and since the actual needs of each officer, cabinet, department, board, commission, institution, agency or other activity or subdivision of state government can only be anticipated and not finally determined by the General Assembly, and since the total amount of revenue accruing to the General Fund and to the Transportation Fund and accruing from various fees or from Federal funds from which appropriations are made can only be anticipated as being produced through existing laws and those that may hereafter be enacted, and recognizing the complex nature of the economy, it is the purpose and intention of this Act that the expenditures for each fiscal year shall not exceed the total financial resources accruing to any Fund, as defined in KRS Chapter 45, for the same fiscal year. As the conditions cannot be fully determined until after the adjournment of the 1980 General Assembly, and as the needs of each officer, cabinet, department, board, agency, commission, institution, subdivision or activity of state government, together with the total financial resources accruing to the General Fund and the Transportation Fund cannot be fully determined at this time, it is the intention and purpose of this General Assembly that the Secretary of the Department of Finance, with the advice of the Commissioner of the Department of Revenue, upon approval of the Governor of the Commonwealth, is authorized, empowered and directed to ascertain and determine the needs of each officer, cabinet, department, board, commission, institution, subdivision, agency or other activity of state government and to ascertain the total financial resources anticipated to be accrued to the General Fund and the Transportation Fund of the Commonwealth, and upon the ascertainment and determination of said facts, he, the Secretary of the Department of Finance, in the manner set forth as provided by general law, is authorized, empowered, and directed by the General Assembly to prevent an overdraft or deficit in any fiscal year for which appropriations are herein made, by equitably reducing, according to needs, without discrimination, the appropriations herein made from the General Fund and Transportation Fund to each officer, cabinet, department, board, commission, institution, subdivision, agency or other activity in state government, provided, however, that the power invested shall not permit any reduction of the appropriations of any officer, cabinet, department, board, commission, institution, subdivision, agency or other activity of state government that will actually impair the necessary constitutional functions of such agency or activity, the operations and functions of which are determined to be necessary constitutional functions of state government.

9. In the event that General Fund expenditures for fiscal years 1979-80 or 1980-81 are less than General Fund appropriations in those same fiscal years, as reflected in the official accounting records of the Department of Finance at June 30, 1980 and June 30, 1981, respectively, there is hereby established a contingency fund in the state treasury and thereto appropriated to the Department of Finance the savings up to a maximum of $25,000,000 each fiscal year for expenditure for emergencies, for excess necessary governmental expenses as provided in Part I, for state legislation enacted by the 1980 General Assembly mandating programs for which there is no appropriation, for increased funding mandated by the Federal government, including the Federal courts, for capital construction projects funded by Federal Revenue Sharing should such funds be unavailable or insufficient for specified projects in Part V, and for any other necessary expenditure

proposed by the Governor. No funds may be expended under this section in the absence of prior consultation with the Interim Joint Committee on Appropriations and Revenue. No funds may be expended under this section if such expenditure would result in an estimated General Fund surplus balance at the end of each fiscal year of less than one percent of the Department of Revenue's official General Fund revenue estimate for that fiscal year.

10. The Secretary of Finance shall cause the office for policy and management to prepare a final budget memorandum based upon the executive budget proposal as modified and adopted by the 1980 General Assembly as well as other acts which provide appropriation during the 1980-82 biennium and based upon supporting documentation and records as considered by the 1980 General Assembly. This memorandum shall include for each agency and budget unit a consolidated budget summary statement of available regular and continuing appropriated revenue by fund source, corresponding appropriation allocations by program or subprogram as appropriate, budget expenditures by major budget class and such other fiscal data and commentary considered necessary by the Office for Policy and Management for budget execution and oversight. A copy of the final budget memorandum shall be provided to the appropriate agency and the Legislative Research Commission. Any amendments approved by the Department of Finance shall be communicated to the Interim Joint Appropriations and Revenue Committee.

11. All funds received under the Federal Social Security Amendments of 1977, Public Law 95-216 (H.R. 9346, Sec. 401, 402, and 405) are hereby appropriated to the Department for Human Resources to be used to implement Community Work Experience programs as established under KRS 205.650 - 205.700. In enacting this section of this Appropriation Act, it is the deliberate intention of the General Assembly that these funds should be used, within federal law and regulation, for federal match whenever possible to maximize their statewide impact.

12. It is the intent of the General Assembly that the Secretary of Finance shall be empowered and directed to transfer all funds appropriated to various agencies of state government in Part I for the operation and maintenance of the Kentucky Early Warning System (KEWS) to the Department of Finance to administer and manage the system.

HCR 67, A CONCURRENT RESOLUTION urging the Kentucky Departments of Transportation, Tourism and Commerce respectively to upgrade transportation facilities and review the need for and desirability of commercial development in preparation for the opening of Big South Fork Park.

WHEREAS, Big South Fork Park, consisting of 123,000 acres in Southeastern Kentucky and Northeastern Tennessee is presently being developed by the United States Army Corps of Engineers to enhance the local economies of both areas; and

WHEREAS, the State of Tennessee has worked closely with the Army Corps of Engineers in planning and upgrading transportation and commercial facilities in the immediate area of Big South Fork Park while the Commonwealth of Kentucky has not; and

WHEREAS, the apathy of Kentucky officials in the development of this park is evidenced by the fact that the Kentucky Department of Transportation is not now constructing a direct access road to the park or upgrading existing road facilities in the area; and

WHEREAS, such apathy, if not immediately addressed will result in the benefits of this development accruing to our southern neighbors, while the Commonwealth will be casting aside an opportunity to provide a growth industry in Southeastern Kentucky;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. That the Kentucky Departments of Transportation, Tourism and Commerce be urged to study the transportation and commercial facilities and upgrade those facilities in preparation for the opening of Big South Fork Park.

Section 2. That the Director of the Legislative Research Commission be directed to transmit copies of this resolution to the Governor of Kentucky, Secretary of the Kentucky Departments of Transportation, Tourism and Commerce, in an effort to make state government officials aware of the situation at Big South Fork Park.

HR 114, A RESOLUTION inviting the Chessie System and Seaboard Coast Line Industries, upon their merger, to locate their combined corporate headquarters within the Commonwealth.

WHEREAS, the Chessie System and Seaboard Coast Line Industries are contemplating merger of their two great corporations; and

WHEREAS, both of said companies have historical ties with Kentucky, the Louisville and Nashville Railroad Company being one of the oldest of Kentucky corporations, and the Chessie's famous kitten, Chessie, having snoozed many a quiet and peaceful ride on the famous GEORGE WASHINGTON as it traveled through the peaceful hills and fields of Kentucky; and

WHEREAS, Kentucky is the major coal producer of the nation and the Louisville and Nashville Railroad and the Chesapeake and Ohio Railway combined would be the major rail originators of coal in the State; and

WHEREAS, Kentucky is centrally located in the proposed railroad system, with easy access to all parts thereof; and

WHEREAS, the Bluegrass and the Ohio River Valley offer unparalleled beauty and pleasures of life; and

WHEREAS, Kentucky offers an outstanding welcome and a warm hospitality to corporations and their employees; and

WHEREAS, Northern Kentucky, Louisville and Lexington have presented to principal officers of the two corporations their interest and desire to have the merged corporation locate in this great State; and

WHEREAS, the General Assembly has thought long and hard about alternative locations and has concluded that no better one exists and that, as in the case of hams, libations and horses, the claims of Virginia to be a better location for a corporate headquarters fade by comparison with those of Kentucky;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That the Kentucky General Assembly, on behalf of all citizens of the Commonwealth, invites the two companies to locate their combined corporate headquarters within the boundaries of the Commonwealth.

SB 210, AN ACT relating to local government.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. KRS CHAPTER 67C IS ESTABLISHED AND A NEW SECTION THEREOF IS CREATED TO READ AS FOLLOWS:

In order to facilitate the operation of local government, to prevent the duplication of services, and to promote efficient and economical management of the affairs of local government, the voters of any county with a population exceeding on the average of twelve hundred (1200) persons per square mile of the county's total area are authorized to restructure, consolidate, or otherwise improve any or all units of local government within the boundaries of the county by creating a new form of county and local government. Such change of local governments shall take place only after compliance with the procedures set forth in this Act, including a referendum of the voters affected.

SECTION 2. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

(1) The process for developing a new form of county and local government in accordance with this Act shall be initiated by one of the following means:

(a) By the concurrent action of the county judge/executive of the county and the mayor of the largest city within the county, delivered to the county clerk; or

(b) By the concurrent action of the fiscal court of the county and the legislative body of the largest city delivered to the county clerk; or

(c) By the filing with the county clerk of a petition signed by a number of registered voters equal to five percent (5%) of the voters of the county voting in the immediate past election of the county judge/executive.

(2) Any initiation of the process specified in subsection (1) of this section shall request that a commission be appointed to draft a comprehensive plan for a new form of county and local government in accordance with this Act.

(3) Upon the initiation of the process required by subsection (1) of this section, the county judge/executive of the county and the mayor of the largest city within the county shall appoint a representative drafting commission composed of one (1) registered voter residing within each of the state representative districts lying wholly or substantially within the county plus one (1) registered voter residing within each of the state senatorial districts lying wholly or substantially within the county. Appointments shall be divided equally between the two political parties having the largest registration within the county, provided that fair representation be given to voters registered as independents. No more than six (6) of those appointed may be elected officials. The county judge/executive and the mayor of the largest city in the county shall jointly appoint the chair.

(4) The drafting commission appointed in accordance with this section shall devise a comprehensive plan for a new form of county and local government. The plan shall include a description of the form, structure, officers and their functions of the proposed new form of county and local government and such other provisions as the commission shall determine. Any units of county and local government established or restructured under the comprehensive plan may exercise the existing constitutional and statutory powers of the county and local governments within the county, including but not limited to those in KRS 67.650 and 82.085. In any restructuring of county and local government within the county the comprehensive plan may redistribute, but not increase, existing powers and privileges, including the power of ad valorem taxation. Any units of county and local government established or restructured under the comprehensive plan shall exercise all constitutional duties imposed before any adoption of the comprehensive plan upon the county or other units of local government included within the comprehensive plan.

(5) Prior to the final drafting of the comprehensive plan, the commission shall hold four (4) public hearings on separate days and in various locations throughout the county. The hearings shall be open to all residents of the county and at such hearings the commission shall explain in a clear and understandable manner the proposed plan and permit any resident wishing to speak thereon the opportunity to do so. After the completion of the four (4) hearings the commission shall prepare the final draft of the comprehensive plan, taking into account the comments and suggestions received at the public hearings. The final draft of the plan shall be submitted to the fiscal court of the county and the legislative body of the largest city within the county for their approval. If either or both bodies fail to approve the plan, it shall be sent back to the commission with a statement of objections. The commission may redraft the plan and resubmit it to the bodies.

(6) Should both the fiscal court of the county and the legislative body of the largest city within the county approve the plan pursuant to subsection (5) of this section, then it shall be advertised in accordance with KRS Chapter 424 at least ninety (90) days before a general election at which the voters will be asked to approve or disapprove the adoption of the plan. The ballots shall be counted, returns made and canvassed as in other elections, and the results shall be certified by the county board of elections to the county clerk. The votes cast shall be counted separately for the area of the county located outside the boundaries of the

largest city within the county and for the area within the boundaries of such city, and it appears that the majority of those voting both in the area of the county outside the boundaries of the largest city and the area within the largest city are in favor of adopting the plan, the drafting commissioners shall enter such fact of record and shall organize the new form of county and local government in accordance with the provisions of the plan. The initial election of county and local officials created or retained by the comprehensive plan shall be held at the end of the term of a county judge/executive. Upon the election and qualification of these officials, the new form of county and local government shall immediately become the effective government.

SECTION 3. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

In case a drafting commission is appointed in accordance with Section 2 of this Act, the fiscal court of the county and the legislative body of the largest city within the county shall appropriate for the use of the commission sufficient funds, in equal amounts, to carry out the purposes of this Act upon such terms as the fiscal court and the legislative body may provide. Within the appropriations authorized, the commission may hire staff and contract for necessary services. Nothing in this Act shall prohibit the commission from accepting gifts from other governmental units or from private foundations or individuals for administrative purposes.

SECTION 4. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

In accordance with KRS 446.090, if any portion of this Act or application thereof to any person or circumstances shall be found to be invalid by a court, such invalidity shall not affect the remaining portions or applicability of the Act which can be given effect without the invalid portion or applicability.

The Committee on Business Organizations and Professions reported **SB 80** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

It is the intention of the general assembly of the Commonwealth of Kentucky to protect hereby the life and health of the woman subject to abortion, to protect the life and health of the human being who might survive at birth, and to assure the integrity and autonomy of the woman's decision whether to submit to abortion or to carry her child to term. It is the further intention of the general assembly to foster the *development of standards of professional conduct in a novel area of medical practice, to provide for development of statistical data, and to protect the right of the minor woman voluntarily to decide to submit to abortion or to carry her child to term. The general assembly finds as fact that the rights and interests furthered by this Act are not secure in the context in which abortion is presently performed.*

It is the present intention of the general assembly to protect the valid and compelling interests of the Commonwealth and its inhabitants without unduly burdening the constitutional privacy rights of the woman as delineated by the courts. If, however, the United States constitution is amended or relevant judicial decisions are reversed or modified, the declared policy of this Commonwealth to recognize and to protect the lives of all human beings regardless of their degree of biological development shall be fully restored.

SECTION 2. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

Unless language or context indicates a different meaning is intended, the following words and phrases shall be defined as follows for the purposes of this Act:

(1) "First trimester" means the first twelve (12) weeks of gestation calculated in accordance with the woman's menstrual cycle.

(2) "Viability" means that stage of fetal development when, in the medical judgment of the attending physician based on the particular facts of the case before him, there is a reasonable likelihood of sustained survival of the fetus outside the body of a human female, with or without artificial support.

(3) "Physician" means any person licensed to practice medicine or ostepathy pursuant to the provisions of Chapter 311 of the Kentucky Revised Statutes.

(4) "Hospital" means an institution licensed pursuant to the provisions of Chapter 216 of the Kentucky Revised Statutes.

(5) "Department" means the department for human resources of the Commonwealth of Kentucky.

(6) "Board" means the state board of medical licensure of the Commonwealth of Kentucky.

(7) "Abortion" means the use of any means whatsoever to terminate the pregnancy of a woman known to be pregnant with intent to cause fetal death.

(8) "Fertilization" means the fertilization of a human ovum by a human sperm, which shall be deemed to have occurred when it is known a spermatozoan has penetrated the cell membrane of the ovum.

(9) "Human being" means any member of the species homo sapiens from fertilization until death.

(10) "Fetus" means a human being from fertilization until birth.

(11) "Abortifacient" means any instrument, medicine, drug, or any other substance or device which is known to cause fetal death when employed in the usual and customary use for which it is manufactured, whether or not the fetus is known to exist when such substance or device is employed.

SECTION 3. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) No abortion shall be performed except by a physician after he determines that, in his best clinical judgment, the abortion is necessary. Any person who intentionally, knowingly, or wantonly performs an abortion contrary to the requirements of this subsection commits a Class C felony.

(2) No abortion shall be performed except in compliance with regulations which the department shall issue to assure:

(a) That, before the abortion is performed, the woman upon whom the abortion is to be performed will have a private medical consultation with the physician who is to perform the abortion, that the consultation will be in a place, at a time, and of a duration reasonably sufficient to enable the physician to determine whether, based on his best clinical judgment, the abortion is necessary; and

(b) That the physician who is to perform the abortion will describe the basis of his best clinical judgment that the abortion is necessary on the form which shall be prescribed by the department under Section 12 of this Act.

(3) The regulations issued pursuant to subsection (2) of this section shall provide that the requirements of subsection (2)(a) of this section shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency. In such a case, the regulations shall provide that the physician shall describe the basis of his medical judgment that such an emergency exists on the form which shall be prescribed by the department under Section 12 of this Act.

(4) Any person who intentionally, knowingly, wantonly, or recklessly violates the requirements of subsection (2) or (3) of this section, or regulations promulgated thereunder, commits a Class B misdemeanor.

SECTION 4. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) No abortion shall be performed or induced except with the voluntary and informed consent of the women upon whom the abortion is to be performed or included. Consent to an abortion is voluntary and informed if and only if:

(a) The woman is provided, at least twenty-four (24) hours before the abortion, with the following information by the physician who is to perform the abortion or his designated agent:

1. The name of the physician who will perform the abortion.

2. The particular medical risks associated with the particular abortion procedure to be employed.

3. The probable gestational age of the fetus at the time the abortion is to be performed.

4. The printed information prescribed in Section 6 of this Act, and

(b) Prior to submitting to the abortion, but subsequent to receiving the information prescribed by subsection (1)(a) of this section the woman certifies in writing that she has received that information from the physician who is to perform the abortion or his designated agent at least twenty-four (24) hours before the abortion is to be performed, that she consents to the abortion, and that her consent is voluntary and not the result of coercion.

(2) (a) The requirement of subsection (1)(a) of this section that at least twenty-four (24) hours elapse between the provision of the information prescribed and the performance of the abortion and the requirement of subsection (1) (b) of this section that the woman's certification include a statement indicating that at least twenty-four (24) hours elapsed between the provisions of the information prescribed and the performance of the abortion shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency. In such a case, the physician shall describe the basis of his medical judgment that such an emergency existed on the form which shall be prescribed by the department under Section 12 of this Act.

(b) Subsection (1) of this section shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency which warrants nullification of the requirements that the woman be provided with the information prescribed by subsection (1)(a) of this section and that the woman certify her consent as prescribed by subsection (1)(b) of this section. In such a case, the physician shall describe the basis of his medical judgment that such an emergency exists on the form which shall be prescribed by the department under Section 12 of this Act and, if the woman survives the abortion, the physician shall subsequently inform her of the medical indications for his judgment that a medical emergency existed and of the particular medical risks associated with the particular abortion procedure employed the symptoms of which might become manifest in the future.

(3) Any person who intentionally, knowingly, wantonly, or recklessly violates the requirements of this section commits a Class A misdemeanor. Failure to provide the woman with information pursuant to the requirements of this section is prima facie evidence of failure to obtain informed consent in appropriate civil actions. The law of this Commonwealth shall not be construed to preclude award of exemplary damages or damages for emotional distress even if unaccompanied by physical complications in any appropriate civil action relevant to violations of this section. Nothing in this section or in the law of this Commonwealth shall be construed to limit the common law rights of the woman to secure informed consent to abortion.

SECTION 5. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) No abortion shall be performed or induced upon a minor under the age of eighteen (18) years except in accordance with a court order issued pursuant to subsection (2) of this section.

(2) (a) Jurisdiction over cases in which a physician seeks to perform an abortion upon a minor under the age of eighteen (18) years shall be vested in the circuit court of the judicial circuit in which the applicant resides, in which the minor resides, or in which the abortion is to be performed. Once jurisdiction has been invoked in one (1) of these districts, the other shall have no jurisdiction over the case, unless jurisdiction is transferred by order of the judge without objection.

(b) 1. A physician who desires to perform an abortion on a minor shall cause a written petition to be filed in a circuit court of competent jurisdiction during normal business hours. An officer of the court shall immediately be assigned to the application. The assigned court officer shall immediately contact the physician or his counsel, if any, and the minor to arrange for a hearing of the physician, the minor, counsel for the same, if any, and the assigned court officer with the judge in chambers at the earliest possible time, but not later than twenty-four (24) hours after the petition is filed.

2. Alternatively, a physician who desires to perform an abortion on a minor may personally appear with the minor at the office of the clerk during normal business hours. In such a case, an officer of the court shall immediately be assigned to the application. Any available circuit judge shall thereupon immediately recess any proceeding then in session and conduct a private interview in chambers with the physician, the minor, counsel for the same, if any, and the assigned court officer.

(c) During the private interview, which shall be transcribed by a court reporter or tape recorded, the judge shall make such inquiries as in his discretion seem appropriate to determine that the minor desires an abortion and to ensure that her consent to the abortion is voluntary, informed, and not the result of coercion. These inquiries shall include, but shall not be limited to, a private interview from which her physician and her parents, if present, shall be excluded. The judge shall issue an order directing that the mirror be permitted to have an abortion if the minor's consent is voluntary, informed, and not the result of coercion. If the judge finds that the minor does not voluntarily consent to the abortion, the judge may fashion such

orders within his equitable powers as he deems necessary and appropriate to protect the minor from neglect or abuse as a result of her failure to consent to an abortion. Under no circumstances shall the judge order a minor to have an abortion against her will or preclude her from altering her decision between the time of the order permitting an abortion and the abortion.

(3) Subsection (1) of this section shall not apply in the case of a minor who has been adjudged incompetent under KRS Chapter 203, in which case the usual procedures for obtaining consent for medical treatment of an incompetent shall apply. But if the incompetent, under KRS 203.022(5), has not been disabled from giving and refusing consent to medical treatment, Section 3(1) of this Act shall apply.

(4) The requirements of subsection (1) of this section shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency. In such a case, the physician who performs the abortion shall describe the basis of his medical judgment that such an emergency exists on the form prescribed by the department as required by Section 12 of this Act.

(5) Any person who performs an abortion upon a woman either with knowledge that she is a minor described by this section, or with wanton or reckless disregard whether she is a minor described by this section, unless in reliance on what he in good faith believes to be a court order authorizing the abortion, commits a Class D felony. However, if he does so in good faith reliance on a representation that the minor is an incompetent with regard to whom the exception set forth in subsection (3) of this section, and in accordance with the usual procedures for obtaining consent for medical treatment of an incompetent, no penalty shall attach.

SECTION 6. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) The department shall cause to be published, within sixty (60) days after this Act becomes law, easily comprehensible printed materials as follows:

(a) Material designed to inform the woman of public and private agencies and services available to assist a woman through pregnancy, upon childbirth, and while the child is dependent, including adoption agencies, which shall include a comprehensive list of the agencies available, the services they offer, and a description of the manner in which they might be contacted; and

(b) Material designed to inform the woman of the probable anatomical and physiological characteristics of the fetus at the various gestational ages at which abortion might be performed, including any relevant information on the possibility of fetal survival.

(2) The materials required by subsection (1)(b) of this section shall occupy no more than four (4) sheets of eight and one-half by eleven inches (8 ½" by 11") printed in a typeface large enough to be clearly legible.

(3) Nothing in this Act shall be construed to limit the right of the physician or of any other person to express to the woman his own views concerning the validity or importance of the materials prescribed by this section. The materials required under this section shall be available at no cost from the department upon request and in appropriate number to any person, facility, or hospital.

SECTION 7. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

The department shall issue regulations to assure that, after the first trimester of pregnancy, abortion may not be performed or induced except by a physician in a place with such equipment, facilities, personnel, and such other conditions as the department shall require in order fully to safeguard the life and health of the woman who submits to abortion and any infant who might survive the abortion procedure. Such regulations shall include, but shall not be limited to, requirements relevant to specific methods of abortion, in-patient treatment, qualifications of attending personnel, hygiene, and disposal of fetal remains. The regulations issued shall provide that facilities in which such abortions are performed shall be equipped with a blood bank or a sufficient supply of whole blood and a sufficient supply of electrolyte solutions immediately available, and shall have facilities for rhesus factor (RH) testing, analgesia and anesthesia service, and sufficient resucitation equipment to treat unconscious patients and patients with cardiovascular collapse. The regulations shall also provide that abortion may only be performed in a hospital with facilities for intensive care of neonates when the fetus is viable and there exists any possibility of live birth in view of the particular abortion procedure to be performed. Appropriate exceptions for medical emergencies shall be provided, with a requirement that the physician describe the basis of his judgment that an emergency exists on the form which shall be prescribed by the department under Section 12 of this Act.

SECTION 8. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

Any person who intentionally, knowingly, wantonly, or recklessly performs or induces an abortion when the fetus is viable commits a Class C felony. It shall be a complete defense to any charge brought against a physician for violating the requirements of this section that, in the good faith best medical judgment of the physician charged based on the particular facts of the case before him, the fetus was not viable *at the time the abortion was performed or induced, or the abortion was necessary to preserve maternal life or health.*

SECTION 9. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) The board shall cause an annual hearing to be held for the following purposes:

(a) To determine when and under what conditions it may normally be presumed that a fetus is viable; and

(b) To determine when and under what conditions there exists the possibility of fetal viability.

(2) The board shall find that the presumption of viability exists under those medically determinable conditions in the presence of which, in light of current medical knowledge and skill, there exists reasonable medical certainty that there is a reasonable likelihood of sustained survival of the fetus outside the body of the human female, in view of the medical technology currently available within this Commonwealth.

(3) The board shall find that the possibility of viability exists under those medically determinable conditions in the presence of which, in light of advancing medical knowledge and skill, there exists reasonable medical certainty that there is a reasonable possibility of sustained survival of the fetus outside the body of the human female, in view of medical technology currently available within this Commonwealth.

(4) The initial hearing required under this section shall be held within one hundred twenty (120) days from the time this Act becomes law, and shall be conducted annually thereafter. The board shall publish notice of the time and the place such hearings will be held in a manner reasonably calculated to provide notice to the medical profession of this Commonwealth. All relevant written and oral testimony shall be accepted and considered; the board may consider relevant data from sources other than the evidence or testimony offered at the hearing. The determinations of the board shall be based on the preponderence of evidence. Within sixty (60) days of the time this section becomes law, the board shall promulgate regulations relevant to the conduct of such hearings and may revise them thereafter as it deems appropriate. Within thirty (30) days after the hearing, the board shall publish standards for the presumption of viability and the possibility of viability in accordance with this section in a manner reasonably calculated to provide notice to the medical profession of this Commonwealth. For the purposes of subsection (5) of this section, these standards shall take effect thirty (30) days after publication.

(5) (a) Before performing any abortion subsequent to the first trimester of pregnancy, the physician shall determine, in his best medical judgment based on the particular facts of the case before him:

1. Whether the fetus meets the current standards for presumption of viability issued by the board;

2. Whether the fetus meets the current standards for possibility of viability issued by the board; and

3. Whether the fetus is viable.

The physician shall report these determinations on the form which shall be prescribed by the department under Section 12 of this Act.

(b) In every case in which the physician has determined that the presumption of fetal viability exists under subsection (5)(a) of this section, the physician who performs an abortion shall report the following information on the form which shall be prescribed by the department under Section 12 of this Act:

1. The basis for his determination that the fetus was not viable; or

2. The basis for his determination that the abortion was necessary to preserve maternal life or health.

(c) In every case in which the physician has determined that the possibility of viability exists under subsection (5)(a) of this section, the physician who terminates a pregnancy shall exercise that degree of professional care, skill and diligence to preserve, encourage, and sustain the life and the health of the fetus which the physician would be required to exercise in order to preserve the life and the health of any fetus intended to be born alive and not aborted. The physician need not employ any measures during the course of the pregnancy termination to preserve, encourage, or sustain the life or the health of the fetus which would increase medical risk to the mother.

(6) The dead fetus and all tissue removed at the time of the abortion shall be submitted for a gross and microscopic analysis and tissue report to a board eligible or certified pathologist as a matter of record in all cases after every abortion performed after the first trimester of pregnancy. The results of the analysis and the report shall be returned by the pathologist to the physician who performed the abortion and the physician who performed the abortion shall report any complications of which the report gives evidence to this patient. The pathologist shall report any evidence of live birth, viability, or possible viability to the department on a form and within a time which the department shall prescribe under Section 12 of this Act. Intentional, knowing, wanton, or reckless failure of the physician to submit a fetus or tissue remains to a pathologist for such a purpose, or intentional, knowing, wanton, or reckless failure of the pathologist to report any evidence of live birth, viability, or possible viability to the department in the manner and within the time the department shall prescribe is a Class D felony.

(7) Failure of any physician to conform to any requirement of this section constitutes "dishonorable, unethical, or unprofessional conduct of a character likely to deceive, defraud or harm the public or any

member thereof: within the meaning of KRS 311.595(h). Upon a finding by the board that any physician has failed to conform to any requirement of this section, the board shall suspend that physician's license for a period of three (3) months or more. Intentional,- knowing, wanton, or reckless falsification of any report required under this section is a Class A misdemeanor.

SECTION 10. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) No hospital, clinic, or other health facility owned or operated by the Commonwealth, a county, a city, or other governmental entity (except the government of the United States, another state, or a foreign nation) shall:

(a) Provide, induce, or perform, or permit its facilities to be used for the provision, inducement, or performance of any abortion not necessary to prevent grave physiological injury or death to the woman;

(b) Lease or sell, or permit the subleasing of its facilities or property, to any physician or health facility for use in the provision, inducement, or performance of abortions, except abortion necessary to prevent grave physiological injury or death to the woman; or

(c) Enter into any contract with any physician or health facility agrees to provide, induce, or perform abortions, except abortion necessary to prevent grave physiological injury or death to the woman.

(2) Nothing in this section shall be construed to preclude any hospital, clinic, or other health facility from providing treatment for post-abortion complications.

(3) Any three (3) physicians licensed to practice in the Commonwealth and resident in the county in which the violation is alleged to occur may jointly file a civil action in circuit court for a restraining order, temporary injunction, or permanent injunction against any person, hospital, clinic, or health facility which they allege violates the requirements of this section, and if they prevail, they shall be awarded court costs and reasonable attorneys' fees.

SECTION 11. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) Any person who intentionally, knowingly, wantonly, or recklessly sells, delivers, or donates any drug, medicine, instrument, device, or substance which he knows to be an abortifacient or which is labeled as an abortifacient, unless upon the prescription or at the direction of a physician, commits a Class B misdemeanor.

(2) A physician who prescribes, administers, or directs the administration of what is labeled as an abortifacient without informing any woman for whom it is prescribed or upon whom it is administered that the item prescribed or administered is an abortifacient, unless in the medical judgment of the physician based on the particular facts of the case before him there exists a medical emergency, has engaged in "dishonorable, unethical, or unprofessional conduct of a character likely to deceive, defraud or harm the public or any member thereof" within the meaning of KRS 311.595(h), and a cause of action shall lie for such conduct under the law of this Commonwealth.

(3) The requirements of subsection (1) of this section shall not apply to abortifacients intended for sale, delivery, or donation to persons who manufacture, wholesale, or retail the same, nor to abortifacients intended for sale, delivery, or donation to any licensed physician, hospital, or other licensed medical facility.

SECTION 12. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) A report of each abortion performed shall be made to the department on forms prescribed by it. Such report forms shall not identify the individual patient by name, but by an individual number to be noted in the woman's permanent record in the possession of the physician, and shall include information concerning:

(a) Identification of the physician who performed the abortion and the facility where the abortion was performed, and of the referring physician, agency, or service, if any;

(b) The legal residence of the woman and, if known, the legal residence of the father of the aborted fetus or child;

(c) The woman's date of birth, race, and marital status;

(d) The number of prior pregnancies;

(e) The date of the woman's last menstrual period, and the given gestational age of the fetus;

(f) The type of procedure performed or prescribed, and the date of the abortion;

(g) Complications, if any:

(h) The information required to be reported under Section 9(5) of this Act;

(i) The length and weight of the aborted fetus when measurable, and the pathologist's report to the physician under Section 9(6) of this Act;

(j) Basis for any medical judgment that a medical emergency existed as required by Sections 3(3), 4(2), 5(4), or 7 of this Act;

(k) The basis for the clinical judgment that an abortion is necessary as required by Section 3(2) of this Act; and

(l) The date of the medical consultation required by Section 3(2) of this Act, the time it began, and the time it ended.

(2) Such form, designated the "original report," shall be completed by the hospital or other licensed facility, signed by the physician who performed the abortion or pregnancy termination, and transmitted to the department within fifteen (15) days after each reporting month. Attached to each such form transmitted to the department shall be a completed form designated the "redacted copy" which shall be identical in all particulars to the "original report" except that the patient identification number, the material required by Section 12(1)(a) of this Act, and the physician's name shall be omitted.

(3) The department shall prescribe a form on which pathologists may report any evidence of live birth, viability, or possible viability under Section 9(6) of this Act, and by regulation, shall set the time within which such reports shall be required. Within five (5) days after receiving any such report, the department shall transmit a copy of it to the board.

(4) (a) The department may prescribe rules and regulations regarding the administration of this Act and shall prescribe regulations to secure the confidentiality of the woman's identify in a manner which accords with the policy described in the following paragraph.

(b) All information obtained by a physician, hospital, or ambulatory health facility from a patient for the purpose of preparing reports to the department under this Act and all reports received by the department or the board under this Act shall be confidential and shall be used only for statistical purposes except to the extent necessary to secure the rights or interests of a person or the Commonwealth pursuant to a court order in civil or criminal actions or proceedings to grant, suspend, or revoke licenses. However, within fifteen (15) days after receiving any reports under Section 12(1) and (2) of this Act all redacted copies of such records shall be made available by the department to the public for inspection and reproduction during normal business hours at its principal office, and copies of all original copies of such reports shall be transmitted to the board.

(5) Upon thirty (30) days public notice, the department is empowered to require reporting of any additional information which, in the sound discretion of the department or the board, is necessary to develop statistical data relating to the protection of maternal or fetal life or health, or is necessary to enforce the provisions of this Act, or is necessary to develop useful criteria for medical decisions. The department shall annually report to the legislature all statistical data gathered under this Act, and its recommendations to further the purpose of this Act.

SECTION 13. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

Distribution of the printed information prescribed by Section 6 of this Act shall not be required by any part of this Act until the department publishes notice that such materials are initially available. Within ninety (90) days from the time this section becomes law, the department shall issue regulations pursuant to Sections 3(2) and 12 of this Act and Sections 3(2) and 12 shall not take effect until such regulations are issued. The department shall make available the forms required under Section 12 of this Act within ninety (90) days of the time this Act becomes law. No requirement that any person report information to the department shall become effective until the department has made available the forms required under Section 12 of this Act. All other provisions of this Act shall take effect immediately upon enactment, unless it otherwise provides.

Section 14. KRS 311.597 is amended to read as follows:

As used in KRS 311.595(h), "dishonorable, unethical, or unprofessional conduct of a character likely to deceive, defraud or harm the public or any member thereof" shall include, but not be limited to the following acts by a licensee:

(1) Prescribes or dispenses any "controlled substance" as defined in KRS 218A.010(2):

(a) With the intent or knowledge that a controlled substance will be used or is likely to be used other than medicinally or for an accepted therapeutic purpose,

(b) With the intent to evade any law with respect to sale, use or disposition of such controlled substance(s),

(c) For the licensee's personal use or for the use of his immediate family when the licensee knows or has reason to know that an abuse of controlled substance(s) is occurring, or may result from such a practice, or

(d) In such amounts that the licensee knows or has reason to know, under the attendant circumstances, that said amounts so prescribed or dispensed are excessive under accepted and prevailing medical practice standards.

(2) Issues or publishes in any manner whatsoever, representations in which grossly improbable or extravagant statements are made which have a tendency to deceive or defraud the public, or a member thereof, including, but not limited to:

(a) Any representation in which the licensee claims that he can cure or treat manifestly incurable diseases, ailments or infirmities by any method, procedure, treatment or medicine which the licensee knows or has reason to know has little or no therapeutic value;

(b) Represents or professes or holds himself out as being able and willing to treat diseases, ailments or infirmities under a system or school of practice:

1. Other than that for which he holds a certificate or license granted by the board, or

2. Other than that for which he holds a degree or diploma from a school otherwise recognized as accredited by the board, or

3. Under a school or system which he professes to be self-taught.

(4) Conduct which is calculated or has the effect of bringing the medical profession into disrepute, including, but not limited to any departure from, or failure to conform to the standards of acceptable and prevailing medical practice within the Commonwealth of Kentucky, and any departure from, or failure to conform to the principles of medical ethics of the American medical association or the code of ethics of the American osteopathic association. For the purposes of this subsection, actual injury to a patient need not be established.

(5) Failure by a licensee to report a known or observed violation of KRS Chapter 311 by another licensee as described in KRS 311.606.

(6) Failure by a licensee who prescribes, administers, or directs the administration of what he knows to be an abortifacient or what is labeled as an abortifacient to inform the woman for whom it is prescribed or upon whom it is administered that the item prescribed or administered is an abortifacient, unless in the medical judgment of the licensee based on the particular facts of the case before him there exists a medical emergency.

(7) Failure of any physician to conform to any requirement of Section 9 of this Act.

SECTION 15. A NEW SECTION OF KRS CHAPTER 212 IS CREATED TO READ AS FOLLOWS:

(1) A physician who desires to perform a sterilization on a minor shall cause a written petition to be filed in the circuit court of the judicial circuit in which the minor resides, in which the applicant resides, or in which the sterilization is to be performed. The court shall expeditiously schedule a hearing during which the judge shall make such inquiries as in his discretion seem appropriate to determine that the minor desires sterilization and to ensure that his consent to the sterilization is voluntary, informed, and not the result of coercion. These inquires shall include, but shall not be limited to, a private interview from which his physician and his parents, if present, shall be excluded. The judge shall sign the consent form if the minor's consent is voluntary, informed, and not the result of coercion. If the judge finds that the minor does not voluntarily consent to the sterilization, the judge may fashion such orders within his equitable powers as he deems necessary and appropriate to protect the minor from neglect or abuse as a result of her failure to consent to a sterilization. Under no circumstances shall the judge order or permit a minor to be sterilized against his will or preclude him from altering his decision between the time of the order permitting a sterilization and the sterilization.

(2) KRS 212.345(2) shall not apply in the case of a minor who has been adjudged incompetent under KRS Chapter 203 in which case KRS 212.345(3) shall apply. But if the incompetent, under KRS 203.022(5), has not been disabled from giving and refusing consent to medical treatment, KRS 212.345(2) shall apply.

SECTION 16. A NEW SECTION OF KRS CHAPTER 212 IS CREATED TO READ AS FOLLOWS:

KRS 212.343 - 212.347 shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency.

Section 17. KRS 212.341 is amended to read as follows:

As used in KRS 212.343 to 212.347, unless the text requires otherwise:

[(1)] "Sterilization" shall mean any procedure or operation, the purpose of which is to render an individual permanently incapable of reproducing.

[(2) "Nontherapeutic sterilization" shall mean any procedure or operation, the purpose of which is to render an individual permanently incapable of reproducing and which is not either:

(a) A necessary part of the treatment of an existing physical illness or injury, or

(b) Medically indicated as an accompaniment of an operation on the female genitourinary tract.]

Section 18. KRS 212.343 is amended to read as follows:

Any physician who is requested to perform a [nontherapeutic] sterilization shall provide counseling to the person who requests the sterilization.

Section 19. KRS 212.345 is amended to read as follows:

Before any person in the commonwealth may have a [nontherapeutic] sterilization performed upon himself, he shall give written informed consent to the performance of the sterilization. To be valid such consent document shall be endorsed by the following persons in the following instances:

(1) By the consenting individual in all cases;

(2) By the adult parent or guardian of the consenting individual if such be a minor child and unmarried;

(3) By the committee of the consenting individual if such be an incompetent person *and, if such be a minor child, by a judge of the circuit court.*

Section 20. KRS 212.347 is amended to read as follows:

The Committee Substitute to **HB 927** is as follows:

Committee Substitute for **HB 927,** AN ACT relating to abortion.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) It is the intention of the general assembly of the Commonwealth of Kentucky to protect hereby the life and health of the woman subject to abortion, to protect the life and health of the human being who might survive at birth, and to assure the integrity and autonomy of the woman's decision whether to submit to abortion or to carry her child to term. It is the further intention of the general assembly to foster the development of standards of professional conduct in a novel area of medical practice, to provide for development of statistical data, and to protect the right of the minor woman voluntarily to decide to submit to abortion or to carry her child to term. The general assembly finds as fact that the rights and interests furthered by this Act are not secure in the context in which abortion is presently performed.

(2) It is the present intention of the general assembly to protect the valid and compelling interests of the Commonwealth and its inhabitants without unduly burdening the constitutional privacy rights of the woman as delineated by the courts. If, however, the United States constitution is amended or relevant judicial decisions are reversed or modified, the declared policy of this Commonwealth to recognize and to protect the lives of all human beings regardless of their degree of biological development shall be fully restored.

SECTION 2. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

Unless language or context indicates a different meaning is intended, the following words and phrases shall be defined as follows for the purposes of this Act:

(1) "First trimester" means the first twelve (12) weeks of gestation calculated in accordance with the woman's menstrual cycle.

(2) "Viability" means that stage of fetal development when, in the medical judgment of the attending physician based on the particular facts of the case before him, there is a reasonable likelihood of sustained survival of the fetus outside the body of a human female, with or without artificial support.

(3) "Physician" means any person licensed to practice medicine or ostepathy pursuant to the provisions of Chapter 311 of the Kentucky Revised Statutes.

(4) "Hospital" means an institution licensed pursuant to the provisions of Chapter 216 of the Kentucky Revised Statutes.

(5) "Department" means the department for human resources of the Commonwealth of Kentucky.

(6) "Board" means the state board of medical licensure of the Commonwealth of Kentucky.

(7) "Abortion" means the use of any means whatsoever to terminate the pregnancy of a woman known to be pregnant with intent to cause fetal death.

(8) "Fertilization" means the fertilization of a human ovum by a human sperm, which shall be deemed to have occurred when it is known a spermatozoan has penetrated the cell membrane of the ovum.

(9) "Human being" means any member of the species homo sapiens from fertilization until death.

(10) "Fetus" means a human being from fertilization until birth.

SECTION 3. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) No abortion shall be performed except by a physician after he determines that, in his best clinical judgment, the abortion is necessary. Any person who intentionally, knowingly, or wantonly performs an abortion contrary to the requirements of this subsection commits a Class C felony.

(2) No abortion shall be performed except in compliance with regulations which the department shall issue to assure:

(a) That, before the abortion is performed, the woman upon whom the abortion is to be performed will have a private medical consultation with the physician who is to perform the abortion, that the consultation will be in a place, at a time, and of a duration reasonably sufficient to enable the physician to determine whether, based on his best clinical judgment, the abortion is necessary; and

(b) That the physician who is to perform the abortion will describe the basis of his best clinical judgment that the abortion is necessary on the form which shall be prescribed by the department under Section 9 of this Act.

(3) The regulations issued pursuant to subsection (2) of this section shall provide that the requirements of subsection (2)(a) of this section shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency. In such a case, the regulations shall provide that the physician shall describe the basis of his medical judgment that such an emergency exists on the form which shall be prescribed by the department under Section 9 of this Act.

(4) Any person who intentionally, knowingly, wantonly, or recklessly violates the requirements of subsection (2) or (3) of this section, or regulations promulgated thereunder, commits a Class B misdemeanor.

SECTION 4. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) No abortion shall be performed or induced except with the voluntary and informed consent of the women upon whom the abortion is to be performed or induced. Consent to an abortion is voluntary and informed if and only if:

(a) The woman is provided, at least twenty-four (24) hours before the abortion, with the following information by the physician who is to perform the abortion or his designated agent:

1. *The name of the physician who will perform the abortion.*
2. *The particular medical risks associated with the particular abortion procedure to be employed.*
3. *The probable gestational age of the fetus at the time the abortion is to be performed.*
4. *The printed information prescribed in Section 6 of this Act, and*

(b) Prior to submitting to the abortion, but subsequent to receiving the information prescribed by subsection (1)(a) of this section the woman certifies in writing that she has received that information from the physician who is to perform the abortion or his designated agent at least twenty-four (24) hours before the abortion is to be performed, that she consents to the abortion, and that her consent is voluntary and not the result of coercion.

(2) (a) The requirement of subsection (1)(a) of this section that at least twenty-four (24) hours elapse between the provision of the information prescribed and the performance of the abortion and the requirement of subsection (1)(b) of this section that the woman's certification include a statement indicating that at least twenty-four (24) hours elapsed between the provisions of the information prescribed and the performance of the abortion shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency. In such a case, the physician shall describe the basis of his medical judgment that such an emergency existed on the form which shall be prescribed by the department under Section 9 of this Act.

(b) Subsection (1) of this section shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency which warrants nullification of the requirements that the woman be provided with the information prescribed by subsection (1)(a) of this section and that the woman certify her consent as prescribed by subsection (1)(b) of this section. In such a case, the physician shall describe the basis of his medical judgment that such an emergency exists on the form which shall be prescribed by the department under Section 9 of this Act and, if the woman survives the abortion, the physician shall subsequently inform her of the medical indications for his judgment that a medical emergency existed and of the particular medical risks associated with the particular abortion procedure employed the symptoms of which might become manifest in the future.

(3) Any person who intentionally, knowingly, wantonly, or recklessly violates the requirements of this section commits a Class A misdemeanor. Failure to provide the woman with information pursuant to the requirements of this section is prima facie evidence of failure to obtain informed consent in appropriate civil actions. The law of this Commonwealth shall not be construed to preclude award of exemplary damages or damages for emotional distress even if unaccompanied by physical complications in any appropriate civil action relevant to violations of this section. Nothing in this section or in the law of this Commonwealth shall be construed to limit the common law rights of the woman to secure informed consent to abortion.

SECTION 5. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) No abortion shall be performed or induced upon a minor under the age of eighteen (18) years except in accordance with a court order issued pursuant to subsection (2) of this section.

(2) (a) Jurisdiction over cases in which a physician seeks to perform an abortion upon a minor under the age of eighteen (18) years shall be vested in the circuit court of the judicial circuit in which the applicant resides, in which the minor resides, or in which the abortion is to be performed. Once jurisdiction has been invoked in one (1) of these districts, the other shall have no jurisdiction over the case, unless jurisdiction is transferred by order of the judge without objection.

(b) 1. A physician who desires to perform an abortion on a minor shall cause a written petition to be filed in a circuit court of competent jurisdiction during normal business hours. An officer of the court shall immediately be assigned to the application. The assigned court officer shall immediately contact the physician or his counsel, if any, and the minor to arrange for a hearing of the physician, the minor, counsel for the same, if any, and the assigned court officer with the judge in chambers at the earliest possible time, but not later than twenty-four (24) hours after the petition is filed.

2. Alternatively, a physician who desires to perform an abortion on a minor may personally appear with the minor at the office of the clerk during normal business hours. In such a case, an officer of the court shall immediately be assigned to the application. Any available circuit judge shall thereupon immediately recess any proceeding then in session and conduct a private interview in chambers with the physician, the minor, counsel for the same, if any, and the assigned court officer.

(c) During the private interview, which shall be transcribed by a court reporter or tape recorded, the judge shall make such inquiries as in his discretion seem appropriate to determine that the minor desires an abortion and to ensure that her consent to the abortion is voluntary, informed, and not the result of coercion. These inquiries shall include, but shall not be limited to, a private interview from which her physician and her parents, if present, shall be excluded. The judge shall issue an order directing that the minor be permitted to have an abortion if the minor's consent is voluntary, informed, and not the result of coercion. If the judge finds that the minor does not voluntarily consent to the abortion, the judge may fashion such orders within his equitable powers as he deems necessary and appropriate to protect the minor from neglect or abuse as a result of her failure to consent to an abortion. Under no circumstances shall the judge order a minor to have an abortion against her will or preclude her from altering her decision between the time of the order permitting an abortion and the abortion.

(3) Subsection (1) of this section shall not apply in the case of a minor who has been adjudged incompetent under KRS Chapter 203, in which case the usual procedures for obtaining consent for medical treatment of an incompetent shall apply. But if the incompetent, under KRS 203.022(5), has not been disabled from giving and refusing consent to medical treatment, Section 3(1) of this Act shall apply.

(4) The requirements of subsection (1) of this section shall not apply when, in the medical judgment of the attending physician based on the particular facts of the case before him, there exists a medical emergency. In such a case, the physician who performs the abortion shall describe the basis of his medical judgment that such an emergency exists on the form prescribed by the department as required by Section 9 of this Act.

(5) Any person who performs an abortion upon a woman either with knowledge that she is a minor described by this section, or with wanton or reckless disregard whether she is a minor described by this section, unless in reliance on what he in good faith believes to be a court order authorizing the abortion, commits a Class D felony. However, if he does so in good faith reliance on a representation that the minor is an incompetent with regard to whom the exception set forth in subsection (3) of this section, and in accordance with the usual procedures for obtaining consent for medical treatment of an incompetent, no penalty shall attach.

SECTION 6. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) The department shall cause to be published, within sixty (60) days after this Act becomes law, easily comprehensible printed materials as follows:

(a) Material designed to inform the woman of public and private agencies and services available to assist a woman through pregnancy, upon childbirth, and while the child is dependent, including adoption agencies, which shall include a comprehensive list of the agencies available, the services they offer, and a description of the manner in which they might be contacted; and

(b) Material designed to inform the woman of the probable anatomical and physiological characteristics of the fetus at the various gestational ages at which abortion might be performed, including any relevant information on the possibility of fetal survival.

(2) The materials required by subsection (1)(b) of this section shall occupy no more than four (4) sheets of eight and one-half by eleven inches (8 ½" by 11") printed in a typeface large enough to be clearly legible.

(3) Nothing in this Act shall be construed to limit the right of the physician or of any other person to express to the woman his own views concerning the validity or importance of the materials prescribed

by this section. The materials required under this section shall be available at no cost from the department upon request and in appropriate number to any person, facility, or hospital.

SECTION 7. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

Any person who intentionally, knowingly, wantonly, or recklessly performs or induces an abortion when the fetus is viable commits a Class C felony. It shall be a complete defense to any charge brought against a physician for violating the requirements of this section that, in the good faith best medical judgment of the physician charged based on the particular facts of the case before him, the fetus was not viable at the time the abortion was performed or induced, or the abortion was necessary to preserve maternal life or health.

SECTION 8. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) The board shall cause an annual hearing to be held for the following purposes:

(a) To determine when and under what conditions it may normally be presumed that a fetus is viable; and

(b) To determine when and under what conditions there exists the possibility of fetal viability.

(2) The board shall find that the presumption of viability exists under those medically determinable conditions in the presence of which, in light of current medical knowledge and skill, there exists reasonable medical certainty that there is a reasonable likelihood of sustained survival of the fetus outside the body of the human female, in view of the medical technology currently available within this Commonwealth.

(3) The board shall find that the possibility of viability exists under those medically determinable conditions in the presence of which, in light of advancing medical knowledge and skill, there exists reasonable medical certainty that there is a reasonable possibility of sustained survival of the fetus outside the body of the human female, in view of medical technology currently available within this Commonwealth.

(4) The initial hearing required under this section shall be held within one hundred twenty (120) days from the time this Act becomes law, and shall be conducted annually thereafter. The board shall publish notice of the time and the place such hearings will be held in a manner reasonably calculated to provide notice to the medical profession of this Commonwealth. All relevant written and oral testimony shall be accepted and considered; the board may consider relevant data from sources other than the evidence or testimony offered at the hearing. The determinations of the board shall be based on the preponderence of evidence. Within sixty (60) days of the time this section becomes law, the board shall promulgate regulations relevant to the conduct of such hearings and may revise them thereafter as it deems appropriate. Within thirty (30) days after the hearing, the board shall publish standards for the presumption of viability and the possibility of viability in accordance with this section in a manner reasonably calculated to provide notice to the medical profession of this Commonwealth. For the purposes of subsection (5) of this section, these standards shall take effect thirty (30) days after publication.

(5) (a) Before performing any abortion subsequent to the first trimester of pregnancy, the physician shall determine, in his best medical judgment based on the particular facts of the case before him:

1. Whether the fetus meets the current standards for presumption of viability issued by the board;

2. Whether the fetus meets the current standards for possibility of viability issued by the board; and

3. Whether the fetus is viable.

The physician shall report these determinations on the form which shall be prescribed by the department under Section 9 of this Act.

(b) In every case in which the physician has determined that the presumption of fetal viability exists under subsection (5)(a) of this section, the physician who performs an abortion shall report the following information on the form which shall be prescribed by the department under Section 9 of this Act:

1. The basis for his determination that the fetus was not viable; or

2. The basis for his determination that the abortion was necessary to preserve maternal life or health.

(c) In every case in which the physician has determined that the possibility of viability exists under subsection (5)(a) of this section, the physician who terminates a pregnancy shall exercise that degree of professional care, skill and diligence to preserve, encourage, and sustain the life and the health of the fetus which the physician would be required to exercise in order to preserve the life and the health of any fetus intended to be born alive and not aborted. The physician need not employ any measures during the course of the pregnancy termination to preserve, encourage, or sustain the life or the health of the fetus which would increase medical risk to the mother.

(6) The dead fetus and all tissue removed at the time of the abortion shall be submitted for a gross and microscopic analysis and tissue report to a board eligible or certified pathologist as a matter of record in all cases after every abortion performed after the first trimester of pregnancy. The results of the analysis and the report shall be returned by the pathologist to the physician who performed the abortion and the

physician who performed the abortion shall report any complications of which the report gives evidence to this patient. The pathologist shall report any evidence of live birth, viability, or possible viability to the department on a form and within a time which the department shall prescribe under Section 9 of this Act. Intentional, knowing, wanton, or reckless failure of the physician to submit a fetus or tissue remains to a pathologist for such a purpose, or intentional, knowing, wanton, or reckless failure of the pathologist to report any evidence of live birth, viability, or possible viability to the department in the manner and within the time the department shall prescribe is a Class D felony.

(7) Failure of any physician to conform to any requirement of this section constitutes "dishonorable, unethical, or unprofessional conduct of a character likely to deceive, defraud or harm the public or any member thereof" within the meaning of KRS 311.595(h). Upon a finding by the board that any physician has failed to conform to any requirement of this section, the board shall suspend that physician's license for a period of three (3) months or more. Intentional, knowing, wanton, or reckless falsification of any report required under this section is a Class A misdemeanor.

SECTION 9. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) A report of each abortion performed shall be made to the department on forms prescribed by it. Such report forms shall not identify the individual patient by name, but by an individual number to be noted in the woman's permanent record in the possession of the physician, and shall include information concerning:

(a) Identification of the physician who performed the abortion and the facility where the abortion was performed, and of the referring physician, agency, or service, if any;

(b) The legal residence of the woman and, if known, the legal residence of the father of the aborted fetus or child;

(c) The woman's date of birth, race, and marital status;

(d) The number of prior pregnancies;

(e) The date of the woman's last menstrual period, and the given gestational age of the fetus;

(f) The type of procedure performed or prescribed, and the date of the abortion;

(g) Complications, if any:

(h) The information required to be reported under Section 8(5) of this Act;

(i) The length and weight of the aborted fetus when measurable, and the pathologist's report to the physician under Section 8(6) of this Act;

(j) Basis for any medical judgment that a medical emergency existed as required by Sections 3(3), 4(2) or 5(4) of this Act;

(k) The basis for the clinical judgment that an abortion is necessary as required by Section 3(2) of this Act; and

(l) The date of the medical consultation required by Section 3(2) of this Act, the time it began, and the time it ended.

(2) Such form, designated the "original report," shall be completed by the hospital or other licensed facility, signed by the physician who performed the abortion or pregnancy termination, and transmitted to the department within fifteen (15) days after each reporting month. Attached to each such form transmitted to the department shall be a completed form designated the "redacted copy" which shall be identical in all particulars to the "original report" except that the patient identification number, the material required by Section 12(1)(a) of this Act, and the physician's name shall be omitted.

(3) The department shall prescribe a form on which pathologists may report any evidence of live birth, viability, or possible viability under Section 8(6) of this Act, and by regulation, shall set the time within which such reports shall be required. Within five (5) days after receiving any such report, the department shall transmit a copy of it to the board.

(4) (a) The department may prescribe rules and regulations regarding the administration of this Act and shall prescribe regulations to secure the confidentiality of the woman's identity in a manner which accords with the policy described in the following paragraph.
